### TO CONTRACTORS.

#### PROPOSALS FOR FURNISHING FRESH BURNT ENGLISH PORTLAND CEMENT.

Sealed proposals for furnishing this material, endorsed as above, and addressed to "Salem H. Wales, President of the Department of Docks," will be received at this office until 11 o'clock A. M. of Monday, June 21, 1875, at which time the bids will be publicly opened and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

The cement required under the contract must be Fresh Burnt English Portland Cement, and fully up to the standard of the best brands imported, and average at least 400 pounds gross weight to the barrel. No cement will be received that shall have been ground or burnt for a longer period than one month prior to the date of the sailing of the vessel on which it is shipped, and the manufacturer's certificate of date of manufacture will be required with each delivery, and said date must be marked on each barrel with a stencil plate.

The quantity to be delivered under the contract is 5,000 barrels, of which at least one-half will be required to be delivered to the Department within sixty days after the date of signing the contract, the delivery to commence within thirty days after said date; and the time allowed for the fulfillment of the contract will be three months from the date of its execution, and a penalty of fifty dollars per day, as liquidated damages, will be exacted for each day the contract may be unfulfilled after the said time has expired, Sundays and holidays only to be excepted.

Bidders will state in the following proposals the price for each barrel of Cement, by which the bids will be tested. The price is to cover all expenses necessary for the complete fulfillment of the contract.

Should the lowest bidder or bidders neglect or refuse to accept the contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

No proposal will be received unless accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as sureties for its faithful performance; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, taken before a Judge of any Court of Record in this county, that each is a householder or freeholder in the City of New York, and is worth the amount of the security required for the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith. The adequacy and sufficiency of the sureties offered to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the material, can be obtained upon application at the office of the Secretary of the Department of Docks, Room No. 6.
