MAINTENANCE AND SOFTWARE SUPPORT OF THE INMATE INFORMATION SYSTEM (IIS) - Negotiated Acquisition - Other - PIN#07222N0010 - Due 1-17-22 at 9:00 P.M.

The New York City Department of Correction, is contracting with Rangam Consulting for provision of maintenance and software support of the Inmate Information System (IIS). The Department is legally obligated to track its inmates in custody and provide for commissary services among other data collection. DOC still operates legacy software for these functions, and given the uncommon software programming languages, the Department is not able to hire a C++ or Java programmer to do the work that system administrators perform for DOC. The work involves making changes to the systems as needed, whether doing backend changes when there is an anomaly event such as an error in the database as far as reporting where an inmate is in the chain of custody to an error in how much is in an inmate commissary account to software failure glitches that need to be resolved, staff log in account management and resets, or anything else that needs to be resolved to ensure DOC staff can use the software. General expertise required: provide maintenance and support for NYCDOC servers that host the production and non-production versions of the business-related IIS system. Design and development business critical system enhancements. Provide 24/7 technical support.

There is a compelling need for good and services that cannot be timely met through a sealed bidding or competitive sealed proposals. There are a limited number of vendors able to provide System maintenance and support to the Inmate Information System (IIS) by the Department of Correction.

■ NOTICE

On December 28, 2021, pursuant to Section1-11 (a)(ii) of the rules found at Title 12 of the Rules of the City of New York ("Concession Rules"), the City Chief Procurement Officer ("CCPO") ratified a minor Concession Rules violation request made on December 13, 2021 by the New York City Administration for Children's Services ("ACS") for Concession No. 068-22-ADM-0006, competitive sealed bids for the Installation, Operation, and Maintenance of Approximately Twenty One (21) Beverage and Snack Vending Machines at ACS Facilities Citywide (the "concession"). ACS and the CCPO have determined that the minor rules violation, which occurred with regard to ACS' procedural error in complying with Section $1-12(\bar{b})(2)(i)$ of the Concession Rules, resulted in no adverse impact on quality or level of competition for the City for the relevant time period, and that ratification of the Concession award will not violate any law applicable to the concession process. ACS has determined that it would be in the best interest of the City to ratify this minor rules violation.

ACS intends to award the concession to Distributors Vending Corp. for an initial term of 5 years. The concessionaire shall pay to the City a license fee consisting of \$4,370.00 for the first operating year, and \$4,800.00 annually thereafter for four additional years for a total of five (5) years, paid annually or until such time as the agreement is terminated before the end of the term.

00222N0009-NYC CIVIC IMPACT FUNDING - Negotiated Acquisition - Other - PIN# 00222N0009 - Due 2-4-22 at 2:00 P.M.

NEED FOR PROCUREMENT NYC Service (NYCS, a division of the Mayor's Office) seeks appropriately qualified nonprofit and community-based organization (providers), to receive NYC Civic Impact Funding to support efforts to engage volunteers who help deliver essential services to poverty-stricken residents; further impacted by the COVID-19 Pandemic. Organizations across the city are on the front lines – along with their volunteers – supporting residents in a multitude of ways. NYC Civic Impact funding helps organizations strategically leverage volunteers to deliver essential services, as well as strengthen community engagement and support at a time when it is desperately needed. Food access continues to be a particularly high need area, so this funding will focus support on food supplying and/or serving organizations.

- Requirements & Priorities: NYC Civic Impact Funding is open to all community-based organizations and nonprofits who are currently engaging volunteers to deliver services to communities. In particular, organizations must be engaging volunteers to improve communities' access to healthy and culturally appropriate food. In order to be eligible to apply, an organization must:
 - Be community-based (e.g. serving particular neighborhood(s) in the five boroughs, with genuine relationships with community stakeholders and residents.
 - Be a current 501(c)(3) nonprofit organization or have a fiscal sponsor.
 - Use funding exclusively to support NYC-based volunteer and civic engagement efforts related to increasing access to food and addressing other residual impacts from COVID-19 in high need communities. Organizations that also operate outside of NYC are eligible to apply, but must use this funding for their NYC programming.
 - Seek to improve their volunteer management practices and have the ability to run an effective volunteer program designed to deliver critical services (e.g. volunteer food distribution, meal preparation, logistical support, tracking data)
 - Supply and/or serve food. Funding may be used to support other COVID-19 response efforts that utilize volunteers, but volunteer-supported food distribution must be a primary component of the programs funded.
 - Use funding to provide services to residents in one or more Racial Inclusion & Equity Taskforce Priority Neighborhoods (a list of these neighborhoods can be found online here and is provided after Question #15 in this application).
- 2. Solicitation/Selection: Request for Quote (RFQ) will be release to qualified providers via Passport. The Applicant may qualify for one-time funding of up to \$10,000 which must be used by June 30, 2022. Up to \$200,000 in total, up to \$10,000 each, will be awarded to approximately 20 organizations. A successful application will demonstrate that funding will be used to support the implementation, improvement, or expansion of volunteer efforts who help deliver essential services to residents throughout New York City.
- 3. Basis for Contract Award: The contract will be awarded to the highest technically ranked applicant(s) whose price proposal is determined to be fair and reasonable and is determined to be the most advantageous to the City, taking into consideration the price and such other factors or criteria set forth in the RFA. B. FAIR AND REASONABLE The Office of the Mayor will award up to \$10,000, each, to twenty (20) applicants. The cost is Federal funds. The same award amount was allocated to applicants during Fiscal Year 2020 and 2021; the cost is comparable to the market-price for similar services; therefore, the ACCO has determined the offered price is fair and reasonable.
