Property Clerk.

POLICE DEPARTMENT OF THE CITY OF NEW YORK,
300 MULBERRY STREET,
NEW YORK, January 6, 1881.

PUBLIC NOTICE.

SEALED ESTIMATES FOR BUILDING A Station-house, Lodging-house, and Prison on Elizabeth street, in the City of New York, will be received at the Central Office of the Department of Police, in the City of New York, until ten o'clock A. M., of Friday, the 21st day of January, 1881.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for building a Station-house, Lodging-house, and Prison," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read.

The nature and extent of the work to be done, as near as it can be stated, is as follows: The building of a Station-house, Lodging-house, and Prison on the lot belonging to the Corporation of the City of New York, on the west side of Elizabeth street, 100 feet south of Canal street, New York City, to consist of two buildings, one 50 feet by 62 feet 4 inches, of brick, with granite and marble trimmings, four stories and basement high, and covered with a flat roof and galvanized iron cornice, and the other 50 feet by 21 feet 8 inches, of brick, blue stone, and iron, two stories and basement high, and covered with a flat tin roof.

All the old buildings, walls, and other materials now on the lot are to be removed by the Contractor, and shall be his property. And bidders, in making their estimates, will consider the value of such materials.

For further particulars reference must be made to the plans and specifications on file in the office of the Chief Clerk of the Department.

The Police Department reserves the right to reject any or all estimates not deemed beneficial or satisfactory.

No estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal sum of twenty thousand dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making

the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Plans may be examined and specifications and blank proposals obtained by application to the undersigned, at his office in the Central Department.

S. C. HAWLEY,

Chief Clerk.
