Please visit, https://council.nyc.gov/land-use/, in advance for information about how to testify and how to submit written testimony.

Pursuant Section 576-a(2) of the Private Housing Finance Law, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of Staten Island:

Block/Lot(s)

Block 487/ Part of Lot 100

Under HPD's New Construction Finance Programs, sponsors purchase City-Owned or privately owned land or vacant buildings and construct or rehabilitate multifamily buildings in order to create affordable rental housing units with a range of affordability, including units for formerly homeless families. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits.

Under the proposed project, the City will sell the Disposition Area to Stapleton Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct, at least one building containing a total of approximately 359 rental dwelling units, plus one unit for a superintendent. The building will also contain approximately 9,000 square feet of community facility space on the Disposition Area.

The Land Debt or the City's capital subsidy may be repayable out of resale or refinancing profits for a period of, at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven, at the end of the term.

- (d) A licensee or applicant must notify the Department in writing of any change to the websites, mobile applications, third-party food delivery platforms, uniform resource locators, or operating systems contained in the licensee's or applicant's basic license application or third-party food delivery service license application supplement within 10 days of the change.

§ 2-462 Records.

- (b) Every third-party food delivery service must provide for what is required by this section prior to the customer completing a prospective order and on the same page of its website, mobile application, or other platform where the customer is completing such prospective order.
- § 2. Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York is amended by adding a new Section 6-79 to read as follows:

§ 6-79 Third-Party Food Delivery Services Penalty Schedule.

All citations are to Title 20 of the Administrative Code of the City of New York or Title 6 of the Rules of the City of New York.

Unless otherwise specified, the penalties set forth for each section of law or rule shall also apply to all subdivisions, paragraphs, subparagraphs, clauses, items, or any other provision contained therein. Each subdivision, paragraph, subparagraph, clause, item, or other provision charged in the Notice of Violation shall constitute a separate violation of the law or rule.

In certain cases, the Department may ask for license suspension or revocation, as permitted by statute. If a respondent is found in violation of multiple provisions that require a suspension period, the suspension periods shall run concurrently.

Unless otherwise specified by law, a second, or third and subsequent violation means a violation by the same respondent, whether by pleading guilty, being found guilty in a decision, or entering into a settlement agreement for violating the same provision of law or rule, within two years of the prior violation(s).

Violations by third-party food delivery services accrue on a daily basis for each day and for each food service establishment with respect to which a violation is committed.
