For electronic bid submissions, please note the following procedures:

Bid submissions must be sent via electronic mail ("The Bid Submission Email") to DCPSubmissions@schools.nyc.gov (the "Bid Submission Email Address"). Bid Submissions sent to any other email address will be disregarded. The subject line of your Bid Submission Email must

include the solicitation number and the name of the submitting vendor (e.g. B5698 – Enter Company Name). Please attach the completed Request for Bids and the Bid Blank documents to the Bid Submission Email as separate files. Please name the bid blank attachment "Bid Blank" and the completed Request for Bids attachment "RFB."

If the files accompanying your bid submission are too large to be transmitted as email attachments, please include in the first line of your Bid Submission Email a link to a Microsoft OneDrive folder containing all of your bid-related documents. Please note that if you are using OneDrive, do not attach any documents to the Bid Submission Email. Further, please include a separate folder within your OneDrive folder which includes the separate bid blank file. Please name this folder and the bid blank file "Bid Blank." The name of your OneDrive folder must match the subject line of your bid submission, and your OneDrive folder must not contain any files unrelated to the Bid Submission.

Guidance for first-time Microsoft One-Drive Users:

Microsoft OneDrive ("OneDrive") is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those bid submission documents which are too large to transmit via electronic mail:

1. Conduct an internet search for "Microsoft OneDrive;"
2. Navigate to the official Microsoft website and sign up for a free account.
3. Once you have created a folder for the solicitation whose name matches the subject line of your Bid Submission Email, upload the documents relevant to your bid submission in this folder.
4. Create a share link for this folder.
5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted (e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and
6. Include the link which you have created as the first line of your Bid Submission Email.

For hard copy (paper) bid submissions, please follow the below instructions:

Further to prior instructions regarding submissions of bids. In addition to electronic submission via email, Bidders may choose to hand deliver their bid packages to NYC DOE at any time prior to the Bid Due Date/Time. If you plan to submit a paper bid, you must provide notice by e-mailing DCPSubmissions@schools.nyc.gov, including "Paper Submission Request for Solicitation # B5698" in the subject line, at least three (3) business days in advance of the anticipated date and time and place you or your agent plan to arrive at 65 Court Street, Brooklyn, NY 11201, Room 1201 to drop off your bid. Bidders should include in their notification e-mail the name of the person who will be delivering the bid or advise that the Bid Package will be arriving by messenger. Bidders who fail to provide advance notification of intent to hand-deliver a bid risk not having anyone receive the bid.

The Bid opening will be conducted virtually via Microsoft Teams on Tuesday, July 29, 2025, at 11:00 A.M. Bidders who have submitted their Bid Submission Email by the Bid Submission Deadline will receive a reply to their Bid Submission Email with a link to be able to view a livestream of the Bid opening online. If you do not receive a confirmation email of the DOE's receipt of your electronic bid submission, please email: Gabriel.Soriano@GSoriano@schools.nyc.gov.

Please continue to check the DOE website and/or Vendor Portal for updates.

■ VENDOR LIST

Services (other than human services)

M/WBE PQL FOR RESIDENT ENGINEERING AND INSPECTION SERVICES (REI)

The New York City (the "City") Department of Transportation ("DOT" or the "Department") is in the process of establishing a Minority and Women-Owned Business Enterprises (M/WBE) only pre-qualified list ("PQL") of engineering firms to provide Bridge Resident Engineering Inspection (REI) Services.

Qualified firms are encouraged to take advantage of this opportunity and apply for this PQL, detailing their credentials. The pre-qualification process ensures that future Request for Proposals (RFPs) for the various projects are only received from highly qualified consultants with the requisite prior experience.

Applicants for this PQL are expected to meet the minimum requirements as noted in Section XIX of the Request for Qualifications (RFQ).

DOT will use this PQL to solicit project-specific proposals for work in various locations throughout the City. NYCDOT will evaluate to determine a shortlist of firms for consideration of future Resident Engineering and Inspection Services (REI) Request for Proposals (RFP). Please note that the selected prime consultant on future RFP solicitations will not be allowed to subcontract more than 30% of the total contract hours.

Please note that the Division of Bridges Request for Qualifications (RFQ) for Resident Engineering and Inspection (REI) Services has been revised. The minimum requirements have been updated by omitting item I in section XIX of the RFQ.

The revised RFQ is available on the NYC DOT webpage <https://www.nyc.gov/html/dot/html/about/doing-business.shtml#mwbebridges> under the M/WBE Pre-Qualified List for Bridge Projects section.

To apply for the M/WBE pre-qualification list, firms must download, complete, and submit the pre-qualification application package with the additional required documents indicated on each form to mwbepql@dot.nyc.gov with the subject line: Resident Engineering and Inspection Services (REI) M/WBE.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

TRANSPORTATION

■ NOTICE

Notice of Adoption

NOTICE OF ADOPTION relating to amendments of the New York City Department of Transportation's (DOT) "Traffic Rules" contained in Chapter 4 of Title 34 of the Rules of the City of New York to remove the prohibition on the operation of mopeds (limited use motorcycles) on the Brooklyn Bridge and the lower roadway of the Ed Koch Queensboro Bridge.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the New York City Department of Transportation (DOT) by Section 2903(a) of the New York City Charter and in accordance with the requirements of Section 1043 of the New York City Charter that DOT hereby amends Chapter 4 of Title 34 of the Rules of the City of New York.

This rule was first published in the *City Record* on March 13, 2025, and a public hearing was held on April 14, 2025. DOT carefully reviewed the seven verbal and written comments that were submitted in response to the proposed rule. The majority of comments support providing a legal route for moped riders to cross the East River while maintaining the ban on mopeds from operating in bike and pedestrian paths. Other comments expressed concern for the safety of moped riders and proposed that moped riders be required to wear appropriate safety equipment. Another comment suggested that moped users be licensed and registered. While valid, these concerns are already addressed in the Rules of the City of New York, the New York City Administrative Code, and the New York State Vehicle and Traffic Law. For that reason, no changes were made to the proposed rule.

Statement of Basis and Purpose of the Adopted Rule

The Commissioner of the New York City Department of Transportation (DOT) is authorized to issue rules regarding parking and traffic operations in the City pursuant to Section 2903(a) of the New York City Charter. The adopted rule will be contained within Chapter 4 of Title 34 of the Rules of the City of New York, relating to the "Traffic Rules."

The adopted rule amends Section 4-07(n) of the Traffic Rules to remove the prohibition on the operation of mopeds on the Brooklyn Bridge and the lower roadway of the Ed Koch Queensboro Bridge while leaving in place the prohibition on the operation of mopeds on the Manhattan Bridge and the Williamsburg Bridge. The decision to allow mopeds to operate on the Brooklyn Bridge and the lower roadway of the Ed Koch Queensboro Bridge was based on data showing that, while the speed limit on the Ed Koch Queensboro Bridge is 35 miles per hour and the speed limit on the Brooklyn Bridge is 30 miles per hour, the traffic speeds on these bridges are slower (including during the overnight hours) than those on the Manhattan Bridge, Williamsburg Bridge, and the upper roadway of the Ed Koch Queensboro Bridge. In addition, there are barriers or bridge structures running along the Brooklyn Bridge and the lower roadway of the Ed Koch Queensboro Bridge that help protect riders in the event of a crash, while the configurations of the Manhattan Bridge, Williamsburg Bridge, and the upper roadway of the Ed Koch Queensboro Bridge do not provide the same protections. These changes were made due to the increasing need for mopeds to be able to travel directly from Brooklyn and Queens to Manhattan and back. Prior to the adoption of this rule, there was no legal route for mopeds to travel across the East River, as they are prohibited from operating on both the motor vehicle lanes and protected bicycle and pedestrian paths on all of the roadways that cross the river.

New material is underlined.
[Deleted material is in brackets.]

Section 1. Subdivision (n) of section 4-07 of chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:

(n) *Mopeds restricted.* No moped as defined in 34 RCNY § 4-19(a) is permitted to operate on the [Brooklyn Bridge,] Manhattan Bridge, the Williamsburg Bridge, the upper roadway of the Ed Koch Queensboro

Bridge, or on any limited access highway, or on any bicycle lane or path.

Notice of Adoption

NOTICE OF ADOPTION relating to amendments of the New York City Department of Transportation's (DOT) "Traffic Rules" contained in Chapter 4 of Title 34 of the Rules of the City of New York to decriminalize jaywalking, aligning New York City's traffic rules with section 19-195 of the New York City Administrative Code, as amended by Local Law 98 of 2024.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the New York City Department of Transportation (DOT) by Section 2903(a) of the New York City Charter and in accordance with the requirements of Section 1043 of the New York City Charter that DOT hereby amends Chapter 4 of Title 34 of the Rules of the City of New York.

This rule was first published in the *City Record* on March 17, 2025, and a public hearing was held on April 17, 2025. DOT carefully reviewed the eight verbal and written comments that were submitted in response to the proposed rule. The comments in support applauded the City's decision to decriminalize jaywalking while others expressed concern for the safety of drivers and other road users. The adopted rule was mandated by Local Law 98 of 2024, which amended section 19-195 of the New York City Administrative Code to decriminalize jaywalking. For that reason, no changes were made to the proposed rule.

Statement of Basis and Purpose of the Adopted Rule

The Commissioner of the New York City Department of Transportation (DOT) is authorized to issue rules regarding parking and traffic operations in the City pursuant to Section 2903(a) of the New York City Charter. The adopted rule will be contained within Chapter 4 of Title 34 of the Rules of the City of New York, relating to the "Traffic Rules."

The adopted rule amends various provisions within Chapter 4 of the Traffic Rules to decriminalize jaywalking. Specifically, the amendments are as follows:

- Section 4-02 is amended to allow pedestrians to cross any roadway, other than a limited access highway, while clarifying that pedestrians who fail to yield to the right-of-way of other traffic would not be subject to a violation of the traffic rules.
- Section 4-03(a) is amended to update the requirements for vehicle operators and pedestrians facing green, yellow, and red traffic control signals.
- Section 4-03(b) is amended to update the requirements for vehicle operators facing blinking traffic control signals.
- Section 4-03(c) is amended to update the requirements for pedestrians facing pedestrian control signals.
- Section 4-04 is amended to replace "shall" with "are advised" or "are cautioned" as it relates to pedestrians abiding by traffic and pedestrian control signals, and to update vehicle operator and pedestrian responsibilities as it relates to the right-of-way and duty of care inside and outside of crosswalks.
- Section 4-05 is amended to update a vehicle operator's responsibilities when making U-turns.

New material is underlined.

[Deleted material is in brackets.]

Asterisks (***) indicate unamended text.

Section 1. Paragraph (1) of subdivision (d) of section 4-02 of chapter 4 of Title 34 of the Rules of the City of New York is amended by adding a new subparagraph (vi) to read as follows:

(vi) *Pedestrians.* Pedestrians may cross any roadway, other than a limited access highway, at any point, including points outside of a marked or unmarked crosswalk, but must yield to other traffic that has the right of way, provided that a failure to yield shall not be a violation of these rules.

§ 2. Subdivisions (a) and (b) of section 4-03 of chapter 4 of Title 34 of the Rules of the City of New York are amended to read as follows:

(1) *Green alone:*

(i) Vehicular traffic facing such signals may proceed straight through or turn right or left unless a sign at such place prohibits any such movement. But vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians [lawfully within the intersection or an adjacent crosswalk at the time such signal is exhibited].

(ii) Pedestrians facing such signal may proceed across the roadway, [within any crosswalk] other than a limited access highway, at any point, including points outside of a marked or unmarked crosswalk, but must yield to other traffic that has the right of way, provided that a failure to yield shall not be a violation of these rules.

(2) *Steady yellow alone, dark period, or red-green combined when shown following the green signal:*

(i) Vehicular traffic facing such signal is thereby warned that the red signal will be exhibited immediately thereafter and such vehicular traffic shall not enter the intersection when the red signal is exhibited.

(ii) Pedestrians facing such signal are advised that there may be insufficient time to cross the roadway. Pedestrians already in the roadway [must] are cautioned to proceed to the nearest safety island or sidewalk in the direction of such signal. Other traffic must yield the right of way to pedestrians proceeding across the roadway within the crosswalk towards such signal for as long as such signal remains flashing.

(3) *Steady red alone:*

(i) Vehicular traffic facing such signal [shall] must stop before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection and [shall] must remain standing until an indication to proceed is shown.

(ii) Notwithstanding the foregoing provisions of this subdivision (a), or any provisions of state law, an operator approaching an intersection where a sign authorizes right or left turns on red signal may make such turn after coming to a complete stop, but [shall] must yield the right-of-way to all vehicles [and pedestrians] lawfully within the intersection and pedestrians.

(iii) Pedestrians facing such signal [shall not enter or cross the road way] do not have the right of way. Pedestrians entering the roadway in the direction of such signal will be at risk of injury due to other traffic that has the right of way. (iv) Notwithstanding any other provision of these rules, a pedestrian must exercise all duty of care when entering a roadway at a crosswalk facing a pedestrian signal with a steady upraised hand or at a point other than a marked or unmarked crosswalk. Nothing in these rules shall be construed to relieve any person from the duty of due care for their safety or the safety of others in a roadway.

(b) *Blinking traffic control signals.*

(1) *Red.* Vehicular traffic facing such signals [shall] must come to a complete stop and shall proceed only after yielding to any pedestrians and vehicles approaching from the cross street.

§ 3. Paragraphs (2) and (3) of subdivision (c) of section 4-03 of chapter 4 of Title 34 of the Rules of the City of New York are amended to read as follows:

(2) *Flashing upraised hand or flashing upraised hand with pedestrian countdown display.* Pedestrians facing such signal are advised that there may be insufficient time to cross the roadway. Pedestrians already in the roadway [must] are cautioned to proceed to the nearest safety island or sidewalk in the direction of such signal. Other traffic must yield the right-of-way to pedestrians proceeding across the roadway [within the crosswalk] towards such signal for as long as such signal remains flashing.

Pedestrians entering the roadway in the direction of such

signal will be at risk of injury due to other traffic that has the right of way. Pedestrians may proceed across the roadway in the direction of a steady upraised hand but must yield to other traffic that has the right of way, provided that a failure to yield shall not be a violation of these rules.

§ 4. Section 4-04 of chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows:

(a) *Pedestrians subject to traffic rules, except as otherwise provided herein.* Pedestrians [shall be subject to] are advised to abide by traffic control signals and pedestrian control signals as provided in 34 RCNY § 4-03(a) and (c) and to the lawful orders and directions of any law enforcement officer, but at all other places pedestrians shall be accorded the privileges and shall be subject to the restrictions stated in this section.

(b) *Right-of-way in crosswalks.*

Statement of Basis and Purpose of Proposed Rule

The Commissioner of the New York City Department of Transportation (DOT) is authorized to issue rules regarding parking and traffic operations in the City pursuant to Section 2903(a) of the New York City Charter. The rules that DOT is seeking to amend are contained within Chapter 4 of Title 34 of the Rules of the City of New York, relating to the "Traffic Rules."

In 2019, 14th Street in Manhattan was transformed by restricting through vehicle movement, which reduced traffic volume and congestion, allowing buses and trucks to travel more efficiently along a busway corridor. For other vehicles, such as taxis and cars, travel

through the busway corridor is prohibited, but essential local access to certain vehicles is maintained. The 14th Street Busway has successfully increased bus speeds by as much as 24% and ridership by as much as 30%. Based on the success of the 14th Street Busway, DOT implemented five additional busways in 2020 and 2021, and it is now an integral part of its bus priority approach.

Although busways also use marked bus lanes, they limit vehicle access in ways that differ from bus lanes. For example, busways may restrict vehicles other than buses and trucks from entering designated blocks altogether. In other cases, vehicles on busways must make a turn at an intersection rather than continuing straight. The current rules do not make it clear that a busway violation is a type of bus lane violation for which a vehicle can be ticketed.

To ensure that both busway and bus lane violations can be properly issued, the proposed rule updates the Traffic Rules to define the terms “bus lane” and “busway” to clarify that a “busway” is a type of “bus lane,” and that busway violations are a type of bus lane violation.

Specifically, the proposed amendments are as follows:

- Section 4-01 (“Definitions”) would be amended to add definitions of “bus lane” and “busway.”
- Section 4-12(m) would be amended to clarify bus lane restrictions by establishing specific restrictions relating to busways.

New material is underlined.
[Deleted material is in brackets.]

Section 1. Subdivision (b) of section 4-01 of Title 34 of the Rules of the City of New York is amended by adding the following definitions in alphabetical order, to read as follows:

Bus lane. The term “bus lane” means a traffic lane or lanes designated for the exclusive use of buses with the exceptions allowed under sections 4-12(m) and 4-08(a)(3) of these rules.

Busway. The term “busway” means a bus lane that consists of the entire roadway and is designated for the exclusive use of buses, with access to such roadway(s) restricted to other vehicles, except wheelchair accessible Access-A-Ride vehicles having a seating capacity of four or more passengers, unless otherwise indicated by authorized posted signs.

§ 2. Subdivision (m) of section 4-12 of Title 34 of the Rules of the City of New York is amended to read as follows:
(m) Bus lane restrictions on city streets.

(1) Bus lanes.

(i) When signs are erected giving notice of bus lane restrictions, except as otherwise posted, no person shall drive a vehicle other than a bus or a wheelchair accessible Access-A-Ride vehicle having a seating capacity of four or more passengers, within a designated bus lane during the restricted hours, except:

- [(i)] (A) to use such a bus lane that is not a busway in a safe manner in order to make a right hand turn where permitted into a public or private street or driveway provided that the vehicle does not drive through an intersection; or
- [(ii)] (B) to use such a bus lane that is not a busway in a safe manner to make a right hand turn where permitted, within two hundred feet of entry into such bus lane, into a public or private street or driveway even if such activity requires driving through an intersection; or
- [(iii)] (C) to approach to or leave the curbside space, unless standing or stopping at the curb is prohibited by sign or rule; or
- [(iv)] (D) temporarily to enter or leave the bus lane for the purpose of and while actually engaged in expeditiously receiving or discharging passengers, except when such activity is prohibited by signs or rules; or
- [(v)] (E) to avoid an obstacle which obstructs the roadway and leaves fewer than ten feet of roadway width available for the free movement of vehicular traffic (except for temporary situations such as slow moving traffic and vehicles loading refuse); or
- [(vi)] (F) to comply with the direction of any law enforcement officer or other person authorized to enforce this rule.

[(2)] (ii) With respect to the exceptions in [subparagraphs (iii) through (vi)] clauses (C) through (F) of [paragraph (1)] subparagraph (i) of this [subdivision] paragraph, a vehicle must exit the bus lane at the nearest opportunity where it is safe and legal to do so.

(2) Busways.

(i) When signs are erected giving notice of bus lane restrictions relating to busways, no person shall drive a vehicle other than a bus or a wheelchair accessible Access-A-Ride vehicle having a seating capacity of four or more passengers during restricted hours except where permitted by sign or at the direction of a law enforcement officer or other person authorized to enforce this rule.

(ii) A vehicle must follow posted signs when exiting a busway.

(3) Notwithstanding any other provision of these rules, no person may drive a vehicle within a designated bus lane or busway in a manner that interferes with the safety and passage of buses operating thereon.

(4) The same rights and restrictions that apply to vehicles pursuant to this subdivision also apply to horse-drawn vehicles and devices moved by human power.

EMERGENCY EXECUTIVE ORDER NO. 801

May 18, 2025

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated that steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which “represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island”; and

WHEREAS, although there has been improvement in excessive staff absenteeism, extraordinarily high rates of attrition due to staff retirements and other departures continue to seriously affect the Department of Correction’s (DOC’s) staffing levels and create a serious risk to DOC’s ability to carry out the safety and security measures required for the maintenance of sanitary conditions; and access to basic services, including showers, meals, visitation, religious services, commissary, and recreation; and

WHEREAS, this Order is given to prioritize compliance with the *Nunez* Action Plan and to address the effects of DOC’s staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140 of 2022, Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that section 1 of Emergency Executive Order No. 798, dated May 13, 2025, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 802

May 18, 2025

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction (“DOC”), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in *Nunez v. City of New York*, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the *Nunez* Monitor (“Monitor”) prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as by transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the *Nunez* Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to “evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect” [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024, and Emergency Executive Order 682, dated October 30, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct section 1 of Emergency Executive Order No. 799, dated May 13, 2025 is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

WHEREAS, over the past several months, thousands of asylum seekers have been arriving in New York City, from the Southern border, without having any immediate plans for shelter; and

WHEREAS, the City now faces an unprecedented humanitarian crisis that requires it to take extraordinary measures to meet the immediate needs of the asylum seekers while continuing to serve the tens of thousands of people who are currently using the DHS Shelter System; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 224, dated October 7, 2022, and Emergency Executive Order No. 538, dated December 27, 2023; and

WHEREAS, the state of emergency based on the arrival of thousands of individuals and families seeking asylum, first declared in Emergency Executive Order No. 224, dated October 7, 2022, and extended by subsequent orders, remains in effect;
