RE: City of New York Comprehensive Solid Waste Management Plan
dated September 2006

Dear Mr. Brezner:

On August 23, 2006, the Department of Sanitation (DSNY) received from the New York State Department of Environmental Conservation (NYSDEC) comments on the City's Draft Comprehensive Solid Waste Management Plan, dated July 2006. Having reviewed NYSDEC's comments, DSNY concurs that the updates and clarifications you identified need to be addressed. I am pleased to enclose, for your review and approval, the City's Comprehensive Solid Waste Management Plan, dated September 2006, which incorporates the updates and clarifications. The attached summary indicates how each comment was addressed.

Thank you for your quick review of the July 27th submission and I look forward to the prompt approval of the enclosed document.

Sincerely,

Harry Szarpanski
