## PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Pregualification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### **Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA)

Department of Health and Mental Hygiene (DOHMH)

# AGENCY RULES

#### TAXI AND LIMOUSINE COMMISSION

■ NOTICE

#### Notice of Promulgation of Rules

NOTICE IS HEREBY GIVEN in accordance with Section 1043(b) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates rules which amend the TLC current rules by deleting those related to the Owner-Must-Drive (OMD) requirement.

These rules are promulgated pursuant to Sections 1043 and 2303 of the Charter and Section 19-503 of the Administrative Code of the City of New York.

These rules were published on January 25, 2016 for public comment in the City Record. On February 25, 2016, a public hearing on these rules was held by the TLC at its offices at 33 Beaver Street, 19th Floor, New York, NY. The rules were adopted by the Commission at a public meeting held on February 25, 2016. Pursuant to Section 1043(e)(1)(c) of the Charter, these rules will take effect 30 days after publication.

#### STATEMENT OF BASIS AND PURPOSE

These rules amend the Taxi and Limousine Commission's (TLC) current rules by repealing the Owner-Must-Drive (OMD) medallion requirement.

#### **Background**

The TLC's current OMD rules include requirements that owners of independent taxicab medallions who purchased their medallions after January 6, 1990, personally drive their taxicabs a minimum number of hours (previously shifts) each year. This requirement was intended to promote safety and quality customer service, in the belief that taxicab drivers who own a medallion would operate the medallion more responsibly than those who did not because of their financial stake in their medallion.

In response to an industry petition in 2010, and discussions with industry groups in 2011, the TLC amended its OMD rules to provide flexibility to owners of OMD medallions while preserving the advantages of owner-driven taxicabs. These amendments included reducing the number of shifts the owner must drive and allowing the owner to designate another driver to meet the required number of shifts.

In January 2015, the TLC again revised its OMD rules to provide more flexibility to OMD medallion owners by reducing the driving requirements as well as the payments required for utilizing the Designated Driver option. This change was prompted by the TLC's Vision Zero initiatives which promote safe driving habits for all drivers, not just independent medallion owner drivers. Vision Zero, launched in 2014, is Mayor de Blasio's ambitious plan to reduce traffic fatalities in New York City.

TLC's current Vision Zero driver safety initiatives, which include expanding and enhancing driver education as well as increasing penalties for unsafe driving, are intended to promote driving safety for all drivers, including those who own and drive their medallion taxicabs. Therefore, specific requirements to promote driver safety for this category of licensee are no longer needed.

#### Rule Amendments

Specifically the rules:

- Delete the Owner-Must-Drive and Independent Medallion Driver definitions in Chapters 51 and 58.
- Eliminate the minimum hours of operation for independent medallion owners and the associated penalties for non-compliance.
- Eliminate the independent driver option and the payment to TLC required for use of this option.
- Discontinue as unnecessary the option to request waivers from the OMD requirements, including any special rules or exceptions for inheriting spouses.
- Eliminate the OMD requirement in Chapter 65 for the sale of new independent taxicab medallions.

#### **Notice of Promulgation of Rules**

NOTICE IS HEREBY GIVEN in accordance with Section 1043(b) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates rules which amend the TLC current rules by deleting those related to the Driver Healthcare Fund (HCF).

These rules are promulgated pursuant to Sections 1043 and 2303 of the Charter and Section 19-503 of the Administrative Code of the City of New York.

These rules were published on January 25, 2016 for public comment in the City Record. On February 25, 2016, a public hearing on these rules was held by the TLC at its offices at 33 Beaver Street, 19th Floor, New York, NY. The rules were adopted by the Commission at a public meeting held on February 25, 2016. Pursuant to Section 1043(e)(1)(c) of the Charter, these rules will take effect 30 days after publication.

#### STATEMENT OF BASIS AND PURPOSE

These rules amend the TLC's rules by deleting those related to the Driver Healthcare Fund (HCF). The TLC adopted rules that became effective on September 4, 2012 to allow Medallion Owners to deduct \$.06 per trip for all trips to fund driver healthcare services and disability coverage. On June 4, 2015 the New York Appellate Division issued a decision in Ahmed, Delorbe, and Friendly v City of New York, et al., finding that the TLC had exceeded its authority in promulgating the HCF rules. The TLC is now repealing rules that provide for the collection of this HCF fee.

Specifically, the rules:

- Delete references in Chapter 58 to the \$.06 per trip deduction and remove the authority for medallion owners to withhold money for a driver health care and disability fund.
- Delete the requirement in Chapter 75 that a TPEP system capture the \$.06 per trip item.

New material is underlined.

[Material inside brackets indicates deleted material.]

Section 1. Items (A) and (B) of subparagraph (viii) of paragraph (5) of subdivision (c) of Section 58-21 of Title 35 of the Rules of the City of New York are deleted in their entirety, and items (C) and (D) are renumbered items (A) and (B), to read as follows:

(viii) In addition to these charges, an Owner can deduct from credit card receipts payable to the Driver amounts collected by the T-PEP Provider, pursuant to the T-PEP Provider's authorization by the Commission, provided that

A. [such amounts are dedicated for the purpose of providing health care services and disability coverage for drivers;

B. such amounts do not exceed \$0.06 per trip

C.] such amounts are provided by rule of the Commission; and [D.] <u>B.</u> such amounts are timely remitted to the Owner's TPEP Provider or other recipient as approved by the TLC.

Section 2. Paragraphs (1) and (2) of subdivision (f) of Section 58-21 of Title 35 of the Rules of the City of New York are amended to read as follows:

#### NOTE:

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

#### REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E70, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.
