CITY AGENCIES REVITALIZING THE ECONOMY: OFFICE ANCHOR STRATEGY (STATEN ISLAND) - Request for Proposals - PIN#6616 - Due 1-5-23 at 11:59 P.M.

The New York City Economic Development Corporation ("NYCEDC"), in partnership with the City of New York (the "City" or "NYC"), acting by and through its Department of Citywide Administrative Services

("DCAS"), is pleased to release this Request for Proposals (the "RFP") for a long-term lease of approximately 75,000 carpetable square feet ("CSF"). The leased space is to be occupied by designated City agencies (collectively, the "City Tenant") and will be located in a transit-accessible area of Staten Island, with a preference for the commercial centers of the North Shore.

The objective of the RFP is to catalyze commercial development by leveraging the City as an anchor tenant in order to attract and spur private investment, while satisfying the City's need for office space. Proposals are expected to create office space in excess of the City's needs. Proposals involving either the construction of a new office building or the substantial revitalization of an existing building are encouraged.

NYCEDC, plans to select a landlord/developer on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, favorability of financial terms for the City, experience and quality of any subcontractors proposed, and demonstrated successful experience in performing services similar to those encompassed in the RFP.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties, to ensure certified Minority and Women-Owned Business Enterprises (MWBES) share in the economic opportunities generated by NYCEDC's projects and initiatives. Please refer, to the Equal Employment and Affirmative Compliance for Non-Construction and Construction Contracts Addendum in the RFP.

This project has Minority and Women-Owned Business Enterprise ("M/WBE") participation goals, and all respondents are strongly encouraged to submit an M/WBE Participation Proposal with their response. To learn more about NYCEDC's M/WBE program, visit <http://edc.nyc.gov/opportunity-mwdbe>. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go, to the www.nyc.gov/buycertified.

HIV CRIMINAL JUSTICE STAKEHOLDERS PROJECT -

Negotiated Acquisition - Other - PIN#81623N0009 - Due 11-11-22 at 5:00 A.M.

NYC DOHMH, intent to enter into a Negotiated Acquisition contract with the National Center for Civic Innovation (NCCI), for the provision of HIV Criminal Justice Stakeholders Project and HIV Criminalization Project. NCCI, through its partner project program, The Center of HIV Law and Policy (CHLP), will be carrying out the following anticipated services in a continued effort to support NYC 2020 goals to ending the HIV Epidemic Plan: HIV/infectious disease resources and literacy programs for criminal justice stakeholders and HIV criminalization confidentiality and intersection of public health and criminal justice portfolio (HIV Criminalization Project). The duration of this contract will be 1 year and 6 months. Potential vendors who are interested in future procurements as such services, can submit an expression of interest via email, to mnapolitano@health.nyc.gov, no later than 11/11/22, at 12:00 A.M.

The Agency has determined that it is in the best interest of the City, to utilize a Negotiated Acquisition method of source selection, as there are no other organizations or entities that have CHLP's depth and breadth of experience in HIV criminalization or have conducted seminars on this topic for prosecutors, defense attorneys and public health agencies. CHLP's long-term relationships with national and local criminal justice stakeholders are an essential element of the trust that is essential for these seminars to be productive. These unique relationships and array of services makes NCCI through its partner project program with CHLP, the only viable vendor.

PPE SERVICE - Negotiated Acquisition - Other - PIN#81623N0008 - Due 11-14-22 at 5:00 A.M.

NYC DOHMH, intends to enter into a Negotiated Acquisition (NA) contract with Nexera Inc., for Personal Protective Equipment (PPE) Service operations for a contract period of 10 months. DOHMH determined that it is in the city's best interest to enter into this NA directly with Nexera Inc. who's contract services are being transferred from NYC Emergency Management (NYCEM), to NYC DOHMH. For continuity of services, DOHMH will streamline the services provided by Nexera Inc., into its own processes while utilizing its current DOHMH vendor to take over some of the Nexera functions (ie storage, procurement, etc).

Vendors who believe they can provide these services are welcome to submit an expression of interest by emailing, swillia9@health.nyc.gov on or before the due date.

It is determined that NYC DOHMH, will procure a Negotiated Acquisition, limited pool of 1 vendor with Nexera Inc., for PPE services and operations. NYC Emergency Management has an existing emergency contract with Nexera Inc., that is set to expire on 12/31/2022, which is being transferred to NYC DOHMH for continuity of PPE services and operations. It is not practicable or advantageous, to the City to procure these services through Competitive Procurements. DOHMH will streamline the services provided by Nexera into its own processes while utilizing the current DOHMH vendor, Concordance Health Solution (CHS), to take over some of the Nexera functions (ie storage, procurement, etc). CHS is the vendor DOHMH uses for all of its current emergency stockpile and is in the process of getting CDC certification (exclusive to certified SNA warehouses). Thus, this is a transitional contract allowing DOHMH to transfer the PPE center into DOHMH's processes.
