FINANCE DEPARTMENT—COMPTROLLER'S OFFICE, October 31, 1878.

To the Board of Estimate and Apportionment:

I have the honor to present the Provisional Estimate, as agreed upon, for the year 1879. The total amount of appropriations made for the next fiscal year shows a reduction, as compared with those of the Final Estimate for the present year, of \$819,606.55.

The amount appropriated for expenses of the city government is reduced, and also the amount of interest on the city debt, on account of a reduction in the amount of the city debt, and of the rate of interest to five per cent. on a portion of the debt recently funded under the provisions of an Act passed June 3, 1878, commonly known as the "Bonded Indebtedness Act." On State taxes there is a decrease of \$160,264.47.

City Bonds and Stocks, issued by authority of laws making them payable from taxation, fall due in the year 1879 to the amount of \$4,447,155.85. The amount to be raised by tax for the payment of these bonds and stocks has been fixed by the Commissioners of the Sinking Fund, under the provisions of the act referred to, at \$1,000,000. The remainder will be provided for under the same act. The whole amount would otherwise have to be added to the tax levy for 1879. The tay-payers are thus relieved of the burden of paying the entire amount next year.

ers are thus relieved of the burden of paying the entire amount next year.

The following table exhibits comparatively the appropriations made for all purposes in the Final Estimate for 1878, the amounts asked for by the Departmental Estimates for 1879, and the amounts allowed in the Provisional Estimate for 1879.

Respectfully,

JOHN KELLY, Comptroller.

## NOTICE

RELATION TO JURORS FOR STATE COURTS IN

OFFICE OF THE COMMISSIONER OF JURORS, NEW COUNTY COURT-HOUSE, NEW YORK, June 1, 1877.

New County Court-House,
New York, June 1, 1877.

A PPLICATIONS FOR EXEMPTIONS WILL BE liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interterence permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
