BOARD OF ESTIMATE AND APPORTIONMENT.

Franchise Matters.

PUBLIC NOTICE IS HEREBY GIVEN THAT at the meeting of the Board of Estimate and Apportionment held this day, the following resoations were adopted:

Whereas, The Jay Street Connecting Railroad has, under date of October 11, 1910, made application to this Board for the grant of the right, privilege or franchise to construct, maintain and operate railroad tracks upon and along Jay, John, Pearl and Plymouth streets, in the Borough of Brooklyn and Brooklyn, and
Whereas, Section 172 of the Railroad Law,
and sections 72, 73 and 74 of the Greater New

York Charter, as amended by chapters 629 and 630 of the Laws of 1905, provide for the man-ner and procedure of making such grants, and Whereas, In pursuance of such laws this Board adopted a resolution on October 28, 1910, fixing the date for public hearing thereon, as November 25, 1910, at which citizens were entitled to appear and be heard, and by motion duly adopted November 18, 1910, said hearing was adjourned to December 9, 1910, and publication was had for at least fourteen (14) days in the Brooklyn "Citizen" and "Standard Union," Sundays and legal holidays excepted.

Telephone, 407 Bay Ridge.

Sixth District—The Sixth District embraces the Ninth and Twenty-ninth Wards and that portion of the Twenty-second Ward north of the centre line of Prespect avenue; also that portion of the Eleventh and the Twentieth Wards beginning at the intersection of the centre lines of Prespect avenue; also that portion of the money value for the money value for the centre lines of Prespect avenue; also that portion of the line of Prespect

Resolved, That the following form of the resolution for the grant of the franchise or right applied for by The Jay Street Connecting Railroad, containing the form of proposed contract for the grant of such franchise or right be here-

by introduced and entered in the minutes of this Board, as follows, to wit:

Resolved, That the Board of Estimate and Apportionment hereby grants to The Jay Street Connecting Railroad the franchise or right fully set out and described in the following form of proposed contract for the grant thereof embody. proposed contract for the grant thereof embodying all of the terms and conditions, including the provisions as to rates, fares and charges upon and subject to the terms and conditions in said proposed form of contract contained, and that the Mayor of The City of New York be, and he hereby is, authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to

PROPOSED FORM OF CONTRACT.

This contract, made this day of 191 , by and between The City of New York (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and The Jay Street Connecting Railroad (hereinafter called the Company), party of the second part, witnesseth: In consideration of the mutual covenants and agreements herein contained, the parties here-Section 1—The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to construct, maintain and operate railroad tracks, either at the same grade as the surface of the streets, or above or below the grade thereof, as shall be determined by the Public Service Commission for the First District of the State of New York, pursuant to law, for

(8) inches westerly from the westerly side line of Jay street.

Also two spurs or turnouts from said Track A as follows:

ine a distance of about thirty-nine (39) feet by and within Maspeth avenue, Maurice avenue, to a point in the southerly side line of John Calamus road, Long Island Railroad, Trotting Street, which point is about fifty (50) feet six Street. Nothing in this contract shall be deemed Course lane, Metropolitan avenue, boundary line (6) inches from the westerly side line of Jay to affect in any way the right of the City to street.

> (2) One spur or turnout beginning at a point in the centre line of Track A situated about fifty-five (55) feet from the southerly side line of John street, measured along the centre line of Track A; thence southwesterly on a curve whose radius is one hundred and fifty (150) feet for a distance of fifty-five (55) feet to a point on the southerly side line of John street situated about ten (10) feet six (6) inches from the westerly side line of Jay

> B. One track beginning at a point on the easterly side line of Pearl street situated about eight (8) feet southerly from the southerly side line of John street; thence northwesterly on a curve whose radius is about two hundred (200) feet for a distance of about sixty-five feet to a point on the northerly side line of John street.

> C. One track beginning at a point in the easterly side line of Pearl street situated about ninety (90) feet southerly from the southerly side line of John street; thence on a curve whose radius is about two hundred (200) feet for a distance of about fifty-two (52) feet to a point on the westerly side line of Pearl street.
>
> D. One track beginning at a point on the northerly side line of Plymouth street situated about twenty (20) feet westerly from the westerly side line of Jay street; thence southerly at right angles to the centre line of Plymouth street for a distance of about forty (40) feet to the southerly side line of Plymouth street. E. One track beginning at a point on the

northerly side line of Plymouth street situated about ten (10) feet west from the westerly side line of Jay street; thence southeasterly crossing Plymouth and Jay streets for a distance of placing the railway in full operation may be exabout one hundred and fifty-five (155) feet to a point on the easterly side line of Jay street, situated about ninety-five (95) feet southerly Thomas C. Brown, Justice. Thomas E. Cremins, rom the southerly side line of Plymouth street. The said track, spurs and turnouts hereby authorized are shown upon a map entitled, "Plan showing proposed tracks on John, Jay, Pearl and Plymouth streets, Borough of Brooklyn, City of New York, to accompany amended application dated 11th day of October, 1910, The Jay Street Connecting Railroad to the Board of Estimate and Apportionment," and signed "The Jay Street Connecting Railroad by William A. Jamison, President, and F. E. Pratt, Engineer," a copy of which is attached hereto, is to be deemed a to begin until the Company shall have given written the connection of completion of the period of such prevention, but no delay shall be allowed for unless the court proceedings shall be diligently prosecuted by the Company, and provided further, that in no case shall such delay be deemed of which is attached hereto, is to be deemed a to begin until the Company shall have given written.

part of this contract, is to be construed with the text thereof, and is to be substantially followed, provided that deviations therefrom and additional turnouts, switches and crossovers which are consistent with the foregoing description, and the other provisions of this contract may be permitted by resolution of the Board.

Sec. 2-The grant of this privilege is subject to the following conditions, which shall be com-plied with by the Company:

First—The consent in writing of the owners of half in value of the property bounded on said streets and avenues to the construction and operation of said railroad shall be obtained by the Company within one (1) month from the signing of this contract by the Mayor, and a copy of such consents shall be filed with the Board within such time or in the event that such within such time, or in the event that such consents cannot be obtained within such time, the Company shall within said one (1) month or within one (1) month thereafter, make application to the Appellate Division of the Supreme plication to the Appellate Division of the Supreme Court for the appointment of Commissioners in the manner provided by the Railroad Law to determine if said railroad ought to be constructed; otherwise this grant shall cease and determine.

Second—The said right to construct, maintain and operate said railroad shall be held and en-joyed by the Company for the term of hiteen (15)

which date it was concluded and continuous constructed purchased which date it was concluded and continuous constructed purchased streets and avenues shall become the streets and avenues shall become the continuous constructed purchased with constructed purchased and constructed purchased streets and avenues shall become the construction of the con

tract, as above, the Board shall so order by resolution, the Company shall, upon thirty (30) days' notice from the Board, remove any and all of its tracks and other equipment constructed pursuant to this contract and the said streets and avenues shall be restored to their original condition at the sole cost and expense of the

Company.

Fourth—The Company shall pay to the City for the privilege hereby granted the following

sums of money:
(a) The sum of three thousand dollars (\$3,000 in cash within thirty (30) days after the date on which this contract is signed by the Mayor and before anything is done in exercise of the

privilege hereby granted. (b) During the first ten (10) years of this contract an annual sum of five hundred dollars (\$500).

During the succeeding five (5) years of this contract an annual sum of one thousand dol-

lars (\$1,000).

The annual charges shall commence from the date upon which this contract is signed by the

Mayor.
All annual charges, as above, shall be paid of each year and shall be for the amount due to September 30 next preceding. Provided that the first annual payment shall be only for that proportion of the first annual charge as the time between the date upon which this contract is signed by the Mayor and September 30 following shall bear to the whole of one year. Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner. pany shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any iaw of the State of New York.

tain a covenant on the part of the assignee or lessee that the same is subject to all the conditions of this contract; and that the assignee or lessee assumes and will be bound by all of said (1) One spur or turnout beginning at a point in Track A situated about seventy (70) feet from the southerly side line of John street, measured along the centre line of Track A; thence southwesterly on a curve whose radius signee or lessee waives any more favorable constitutions. is one hundred and fifty (150) feet, for a ditions created by such statute or its charter, distance of fifty-three (53) feet, to a point and that it will not claim by reason thereof or in John street; thence continuing in a straight otherwise exemption from liability to perform each and all of the conditions of this con-

grant to any person or corporation a franchise or right to use the streets hereinbefore described

or any part of them for railway purposes.

Seventh—The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein, pass to or vest in any other persons. son or corporation whatsoever, either by the act of the Company, or by operation of law, whether under the provisions of the statute relating to the consolidation or merger of corporations or otherwise, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in anywise not-withstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents.

Eighth—The Company shall commence con-struction of the railroad herein authorized within six (6) months from the date upon which the consents of the property owners are filed with the Board, or from the date of the order of the Appellate Division of the Supreme Court made pursuant to section 174 of the Railroad Law confirming the determination of the Commissioners appointed thereunder, that such railroad ought to be constructed, and shall complete the construction and place the same in full operation within nine (9) months from the date of filing such consents or the date of such order, otherwise this right shall cease and de termine, and all sums paid, or which may be deposited with the Comptroller of the City, as hereinafter provided, shall thereupon be forfeited to the City; provided that the period for complacing the railway in full operation may be extended by the Board, but the total extension of time for either of such periods shall not exceed in the aggregate six (6) months; and provided further, that when the commencement or com pletion of said construction shall be prevented by legal proceedings in any court or by works of public improvement, or from other causes not within the control of the Company, the time for the commencement or completion of such con-

ten notice to the Board of any such court pro ceedings or other occasion of delay, and deliver to the Board copies of any injunction or other orders, and the papers upon which the same shall have been granted, and unless upon the request of the Board the Company shall, in writing, consent that the Board, either in its own name as a party, or in the name of the City as a party may intervene in any such proceedings.

Ninth-Said railroad shall be constructed maintained and operated subject to the supervision and control of all the authorities of the City who have jurisdiction in such matters, as provided by the Charter of the City.

No construction upon said railroad shall be

by the Company for the operation of the railroad within the limits of the City, whether the same be upon streets and avenues or upon private property, shall be constructed and maintained under the supervision and control of the Com-missioner of Water Supply, Gas and Electricity. Tenth—The work of construction of the tracks

hereby authorized shall be done in such man-ner as shall not substantially interfere with the ordinary use of any street or avenue as a pub-Eleventh-Cars may be operated upon said

tracks by steam locomotives, which shall be housed or boxed so as to conform with the type commonly known as the dummy engine, or by any other motive power which may be approved by the Board and consented to by the abutting property owners, in accordance with the pro-visions of law, and by the Public Service Com-mission for the First District of the State of New York, provided, however, that the Board, upon giving to the grantee one year's notice, may require the Company to operate its rail-road upon the whole or any portion of the tracks hereby authorized by such system of electric power as may be designated by the Board, and the Company shall thereupon discontinue the use of steam locomotives from such tracks.

Twelfth—Neither passengers nor vehicles shall be prevented from crossing the tracks hereby authorized by the occupation of such tracks by cars or trains operated thereon, for a greater period than five consecutive minutes at any time, and the aggregate of such periods shall not exceed ten minutes in any hour between 7 o'clock

a. m. and 6 o'clock p. m.

Thirteenth—Should the Company be allowed to operate at the same grade as the streets and avenues, the Company shall station flagmen at such points as shall be necessary to exclude pedestrians and vehicles from the tracks at all times when cars or trains shall be operated there-on. Should it seem necessary in the opinion of the Board at any time during the term of this contract, that gates be erected, maintained and operated across any of the streets or avenues for the purpose of excluding pedestrians and vehicles from the tracks hereby authorized, then the Company shall erect, maintain and operate such gates as may be designated, upon thirty days' notice by the Board to the Company.

Fourteenth—As long as said tracks or any portion thereof remain in any street or avenue, the Company shall set the curbs, pave the road-ways and sidewalks and keep in permanent re-pair that portion of the surface of the streets and avenues in which said railroad is constructed, between its tracks, the rails of its tracks for a distance of two (2) feet beyond the rails on either side thereof under the supervision of the do so, and in such manner as they may pre-scribe. In case of the neglect of the Company to make pavement or repairs after the expiration of thirty (30) days' notice to do so from the President of the Borough of Brooklyn, said President may make the same at the expense of the Company. And the City shall have the right to change the material or character of the pavement of any street or avenue, and in that event the Company shall be bound to replace such pave-

constructed, between its tracks, the rails of its track and for a distance of two (2) feet beyond the rails, on either side thereof, free and clear from ice and snow; provided, however, that the Company shall, at the option of the Commissioner of Street Cleaning, enter into an agreement for each winter season, or part thereof, to clean an equivalent amount of street surface

term of this contract, the Company shall, at its of such notice, to show cause why the Comoun expense, change its tracks and appurtenances to conform with such new grades and lines, and the foregoing provisions. If the Company fails during the construction of any public improvement upon said streets and avenues the Company shall take care of and protect the tracks and appurtenances at its own expense, all to be done subject to the direction of the City official having jurisdiction over the construction of such

Seventeenth-It is agreed that the right hereby granted to operate a railroad shall not be in preference or in hindrance to public work of the City, and should the said railroad in any way interfere with the construction of public works in the streets and avenues, whether the same is done by the City directly or by a contractor for the City, the Company shall, at its own expense, protect or move the tracks and appurtenances in the manner directed by the City officials having jurisdiction over such public work.

Eighteenth-Any alterations to the sewerage or drainage systems, or to any other subsurface or to any surface structures in the streets, required on account of the construction or operation of the railroad, shall be made at the sole cost of the Company, and in such manner as the proper City officials may prescribe.

Nineteenth-Said railroad shall be constructed and operated in the latest approved manner of street railroad construction and operation, and it is hereby agreed that the Board may require the Company to improve or add to the railroad equipment, including rolling stock and railroad appurtenances, from time to time, as such additions and improvements are necessary, in the opinion of the Board. Upon failure on the part of the Company to comply with the direction of the Board within a reasonable time the rights

hereby granted shall cease and determine.

Twentieth—The rates for carrying property upon the tracks hereby authorized shall in all cases be reasonable in amount, subject to the control of the Board, and may be fixed by the

City, and shall, on or before November 1 of each year, make a verified report to the Comptroller of the City of the business done by the Comulation authority, officer or officers, then and in such pany, for the year ending September 30 next preceding, in such form as he may prescribe. Such report shall contain a statement of such gross receipts, the total miles in operation within the limits of the City and the miles of railroad constructed and operated under this contract and such other information as the Comptroller may require. The Comptroller shall have access to all books of the Company for the purpose of ascertaining the correctness of its report, and may examine its officers under oath.

Twenty-second-In case of any violation or also impose such conditions, as a condition of the granting of the same, as are necessary for the purpose of protecting any structures, in the streets and avenues, over which such officials have jurisdiction, and the Company shall comply with such conditions.

The electrical equipment to be interested as a comply with such conditions. this contract shall thereupon become the property of the City without proceedings at law or in equity. Provided, however, that such action be taken until the Board of the second part, by its officers, thereunto duly shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice, to show cause why such resolution declaring the contract for-feited should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

Twenty-third-If the Company shall fail to give efficient public service at the rates herein hxed, or fail to maintain its structures and equip-ment as herein provided in good condition throughout the whole term of this contract, the Board may give notice to the Company specifying any default on the part of the Company, and requiring the Company to remedy the sam within a reasonable time; and upon failure of the Company to remedy such default within a mains, pay to the City the sum of two hundred and fifty dollars (\$250), as fixed or liquidated damages, or the Board, in case such structures or equipment which may affect the surface of the streets shall not be put in good condition within a reasonable structure of the streets shall not be put in good condition within a reasonable structure of the streets shall not be put in good condition within a reasonable structure of the streets shall not be put in good condition to the inquiry made of the franchise or right proposed to be granted and the adequacy of the compensation proposed to be granted and within a reasonable time after notice by the Board as aforesaid shall have the right to make all needed repairs at the expense of the Company, in which case the Company shall pay to the City the amount of the cost of such repairs, with legal interest thereon, all of which sums may be deducted from the fund hereinafter provided for.

Twenty-fourth-The Company shall assume all liability to persons or property by reason of the construction or operation of the railroad authorzed by this contract, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company hereby agrees to repay to the City any damage which the City shall be compelled to pay by reason of any acts or default of the Company.

contract and compliance with all orders of the Board acting under the powers herein reserved, especially those which relate to the payment of the annual charges for the privilege hereby granted, the rendering of efficient public service at reasonable rates, the repairs of the street pavement, the removal of snow and ice, the quality of construction of the railroad, and the maintenance of the property in good condition throughout the whole term of this contract, and in case of default in the performance by the Company of such terms and conditions, or compliance with such orders or either or any of them, the City shall have the right to cause the work to be done and the materials to be furthe Company shall be bound to replace such pavement in the manner directed by the proper City official at its own expense, and the provisions as to repairs herein contained shall apply to such renewed or altered pavement.

Fifteenth—Should the Company be allowed to operate at the same grade as the streets and avenues, it shall at all times keep the streets and avenues, it shall at all times keep the streets and avenues upon which the said railroad is constructed, between its tracks, the rails of its contract and orders of the Board acting here.

Work to be done and the materials to be furnished for the performance thereof after due notice, and shall collect the reasonable cost the reasonable cost the reasonable cost thereof from the said fund without legal proceedings; or after default in the payment of the right, privilege and franchise to construct, maintain and operate a street surface railway, as an extension to its existing system, upon and avenue and other streets and observe the said fund after ten (10) days notice to the Company; or in case of failure to observe the said terms and conditions of this contract and orders of the Board acting here.

Sections 72 73 and 74 of the Company; these two shall of the company; these two shall constructed. contract and orders of the Board acting hereunder, relating to the obstruction of traffic, the maintenance of gates and flagmen, the Company shall pay a penalty of fifty dollars (\$50) per day for each day of violation, all of which sums may be deducted from said fund.

The procedure for the imposition and collecion of the penalties in this contract shall be as

Sixteenth—Should the grades or lines of the streets and avenues in which the railroad is hereby authorized be changed at any time after the railroad has been constructed and during the term of this contract, the Company shall at the contract of the to make an appearance, or, after a hearing appears, in the judgment of the Board, to be in fault, said Board shall forthwith impose the prescribed penalty, or where the amount of the penalty is not prescribed herein, such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw the amount of such penalty from the se-curity fund deposited with him. In case of any drafts made upon the security fund the Com-pany shall, upon ten (10) days' notice, pay to the City a sum sufficient to restore said security fund to the original amount of five thousand dollars (\$5,000), and in default thereof, this contract shall be cancelled and annulled at the option of the Board, acting on behalf of the City. No action or proceeding or right under the pro-visions of this contract shall affect any other legal rights, remedies or causes of action belonging to the City.

Twenty-sixth—The grant of this privilege is

subject to whatever right, title or interest the

Company is hereby authorized to operate.

Twenty-seventh—The Company hereby agrees that it will not institute any proceedings to acquire by condemnation any land, property, appurtenances or rights pursuant to any law, un-less and until permitted to do so by resolution of the Board, otherwise this grant shall cease and determine.

Twenty-eighth-The words "notice" or "direc wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed Board after notice to the Company, and a hearing had thereon, and when so fixed such rates shall be binding upon the Company, and no rates in excess of those fixed shall be charged for such service.

Twenty-first—The Company shall at all times keep accurate books of account of the gross.

case such other Board, authority, officer or officers, shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

Sec. 3—Nothing in this contract shall be constructed in the contract of the standard or other authorities.

strued as in any way limiting the present or future jurisdiction of the Public Service Com-mission under the Laws of the State of New

Sec. 4—This grant is also upon the further and express condition that the provisions of Article 5 and other provisions of the Railroad Law, pertinent hereto, shall be strictly complied with by

Sec. 5—The Company promises, covenants and behalf to conform to and agrees on its part and behalf to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

In Witness Whereof, the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of authorized, has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed, the day and year first above written.

(Here add acknowledgments.)
Resolved, That the result of the inquiry made or right.

Resolved, That these preambles and resolutions for the grant of a franchise or right applied for by The Jay Street Connecting Railroad and the said form of proposed contract for the grant of such franchise or right containing said results of such inquiry, after the same shall be entered in the minutes of this Board, shall be published for at least twenty (20) days immediately prior to Thursday, June 8, 1911, in the CITY RECORD, and at least twice during the ten (10) days immediately prior to Thursday, June 8, 1911, in two daily newspapers to be designated by the Manager that the Alexander and published in The City by the Mayor therefor, and published in The City of New York, at the expense of The Jay Street Connecting Railroad, together with the follow-

any acts or default of the Company.

Twenty-fifth—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of rights conferred hereby, shall deposit with the Comptroller of the City the sum of Five Thousand dollars (\$5,000), either in money or securities, to be approved by him, which fund shall be security for the performance by the Combined in the Old Council Chamber, City Hall, Borheld in the Old Council Chamber, City Hal ing notice to wit:

Notice is hereby given that the Board of Estimate and Apportionment before authorizing any contract for the grant of a franchise or right applied for by The Jay Street Connecting Railroad, and fully set forth and described in the foregoing form of proposed contract, for the grant of such franchise or right, and before adopting any resolution authorizing any such ough of Manhattan, City of New York, on Thursday, June 8, 1911, at 10.30 o'clock a.m. hold a public hearing thereon, at which citizens shall be entitled to appear and be heard.

(The New York "Press" and "Morning Telegraph" designated.)

JOSEPH HAAG, Secretary.

Dated New York, April 27, 1911.

PUBLIC NOTICE IS HEREBY GIVEN THAT at the meeting of the Board of Estimate and Apportionment held this day the following reso-

procedure of making such grants; and

2, 1911, at which citizens were entitled to appear and be heard, and publication was had for at least fourteen (14) days in "The Sun" and "New York Commercial," newspapers designated by the Mayor, and in the CITY RECORD for ten (10) days immediately prior to the date for ten (10) days immediately prior to the date for the communication of the control of the contro of hearing, and the public hearing was duly held on such day; and

Whereas, This Board has made inquiry as to

be hereby introduced and entered in the min-

utes of this Board, as follows, to wit: Resolved, That the Board of Estimate and Apportionment hereby grants to the Richmond thereof. Light and Railroad Company the franchise or right fully set out and described in the following form of proposed contract for the grant thereof, embodying all the terms and conditions, including the provisions as to rates, fares and charges upon and subject to the terms and conditions in said proposed form of contract contained, and that the Mayor of the City of New tained, and that the Mayor of the City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to four hundred and seventy-five dollars (\$475), owners of abutting property or others may have in and to the streets and avenues in which the and deliver such contract in the name and on

> PROPOSED FORM OF CONTRACT. This contract, made this

This contract, made this

1911, by and between The City
of New York (hereinafter called the City),
party of the first part, by the Mayor of said
City, acting for and in the name of said City,
under and in pursuance of the authority of the
Board of Estimate and Apportionment of said
City (hereinafter called the Board), and the
Richmond Light and Railroad Company (here. day of Richmond Light and Railroad Company (here-inafter called the Company), party of the second

part, witnesseth: In consideration of the mutual covenants and agreements herein contained, the parties hereto do hereby covenant and agree as follows:

Section 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to construct, maintain and operate a double track street surface railway, as an extension to its present railway, with the necessary wires and

The City of New York upon the following route to wit:

Beginning at and connecting with the existing tracks of the Company in New York avenue at or near its intersection with a private street known as Wadsworth avenue; thence by double track southwesterly in and upon said Wadsworth avenue to Tompkins avenue; thence across said Tompkins avenue to a private right-of-way; thence in a southerly direction along said private right-of-way to Sea avenue; thence across Sea avenue to a private right-of-way; thence southerly along said private right-of-way to Florida avenue; thence along Florida avenue to Richmond avenue; thence across Richmond avenue; nue to Ocean avenue and there connecting with the existing tracks of the Company.

And to cross such other streets and avenues,

named and unnamed, as may be encountered in said route.

The said toute with turnouts, switches and crossovers hereby authorized is shown upon a map entitled:

"Map showing proposed alteration in the Richmond Light and Railroad Company, in the Borough of Richmond, to accompany petition dated January 6, 1911, to the Board of Estimate and Apportionment, City of New York,"
—and signed by S. F. Hazelrigg, Vice-President,
and Walter E. Pettigrew, Engineer; a copy of
which is attached hereto, is to be deemed a part
of this contract, is to be construed with the text thereof, and is to be substantially followed provided that deviations therefrom and additional turnouts, switches and crossovers which are consistent with the foregoing description, and the other provisions of this contract may be permitted by resolution of the Board.

Sec. 2. The grant of this privilege is subject to the following conditions, which shall be complied with by the Company:

First—The consent in writing of the owners

of half in value of the property bounded on said streets and avenues to the construction and operation of said railway shall be obtained by the Company within three (3) months from the signing of this contract by the Mayor, and a copy of such consents shall be filed with the Board within such time, or in the event that such consents cannot be obtained within such time, the Company shall, within said three (3) months or within one (1) month thereafter make application to the Appellate Division of the Supreme Court for the appointment of Commissioners in the manner provided by the Railroad Law to determine if said railway ought to be constructed; etherwise this grant shall cease and

determine.
Second—The said right to construct, maintain Second—The said right to construct, maintain and operate said railway shall be held and enjoyed by the Company from the date upon which this contract is signed by the Mayor until* with the privilege of renewal of said contract for the further period of twenty-

five (25) years, upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its

It the Company shall determine to exercise its privilege of renewal it shall make application to the Board, or any authority which shall be authorized by law to act for the City in place of the Board. Such application shall be made at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach

such agreement on or before the day one (1) year before the expiration of the original term of this contract, then the annual rate of compensation for such succeeding twenty-five (25) years shall be reasonable, and either the City (by the Board) or the Company shall be bound upon request of the other to enter into a written agreement with each other fixing the rate of such compensation at such amount as shall be reasonable, but in no case shall the annual rate so fixed be less than the sum required to be utions were adopted:

Whereas, The Richmond Light and Railroad of the original term of this contract, and if the

Sections 72, 73 and 74 of the Greater New York choose a third disinterested freeholder, and the Charter, as amended by Chapters 629 and 630 of three so chosen shall act as appraisers and shall the Laws of 1905, provide for the manner and make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to Whereas, In pursuance of such laws, this Board the expiration of this original contract, and adopted a resolution on January 19, 1911, fixing the date for public hearing thereon as March three (3) months after they are chosen. They Company and its officers under oath. The valua-tions so ascertained, fixed and determined shall be conclusive upon both parties, but no annual the money value of the franchise or right ap sum shall, in any event, be less than the sum plied for, and proposed to be granted to the required to be paid for the last year of the Richmond Light and Railroad Company, and the adequacy of the compensation proposed to be the annual rate shall not be fixed prior to the paid therefor; now, therefore, it is

Resolved, That the following form of the resolution for the grant of the franchise or right resolution for the grant of the franchise or right rate theretofore prevailing until the new rate shall be determined, and shall then make up to applied for by the Richmond Light and Rail-road Company, containing the form of proposed contract for the grant of such franchise or right, nual rate then determined over the previous annual rate. The compensation and expenses of the said appraisers shall be borne jointly by the City and the Company, each paying one-half

Third-The Company shall pay to the City for the privilege hereby granted, the following sums of money:

(a) The sum of five hundred dollars (\$500) in cash within sixty (60) days after the date on which this contract is signed by the Mayor, and before anything is done in exercise of the privi-

and which shall be equal to three (3) per cent. of its gross annual receipts if such percentage shall exceed the sum of four hundred and seven-

ty-five dollars (\$875).

During the third term of five (5) years an an nual sum which shall in no case be less than nine hundred and seventy-five dollars (\$975) and which shall be equal to five (5) per cent. of its gross annual receipts, if such percentage shall exceed the sum of nine hundred and seventy-five dollars (\$975).

During the fourth term of five (5) years an annual sum which shall in no case be less than

*Limit 25 years. To be made coterminous keep accurate books of account of the gross receipts from all sources within the limits of the Board or any other of the authorities and property in the Borough of Richmond, in application is now pending.

During the remaining term, expiring an annual sum which shall in no case be less than one thousand one hurdred and seventy-five dollars (\$1,175), and which shall be equal to five (5) per cent. of its gross annual receipts, if such percentage shall exceed the sum of one thousand one hundred and seventy-five dollars thousand one hundred and seventy-five dollars.

All annual charges as above shall be paid into the treasury of the City on November 1 of each lowing shall bear to the whole of one year.

Whenever the percentage required to be paid shall exceed the mirimum amount as above, then such sum over and above such minimum shall be paid on or before November 1 in each year for the year ending September 30 next pre-

The annual charges herein provided are in-Law as amended.

The sum of five hundred dollars (\$500) which is hereinbefore required to be paid to the City by the Company within sixty (60) days after the date on which this contract is signed by the Mayor shall not be considered in any manner in the nature of a tax, but such payment shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Fourth-The annual charges or payments shall continue throughout the whole term of this contract (whether original or renewal), notwithstanding any clause in any statute or in the charter of any other railway or railroad company providing for payment for railway or rail-road rights or franchises at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted (whether original or renewal), or of any part thereof, or of any part thereof, shall be valid or effectual for any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all the conditions of this contract; and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said conditions, and especially said conditions as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its favorable conditions of the corporation of the company for the operation of the railway with the conditions.

The electrical equipment to be installed by the charter, and that it will not claim by reason thereof or otherwise exemption from liability to perform each and all of the conditions of this perform each and all of the conditions of this

and private property hereinbefore described shall be permitted by the Company, to any individual or corporation to which the City may have granted, or may hereafter grant, the right or privilege to use such streets and avenues for privilege to use such streets and avenues for cents and the Company shall not charge any street railway numbers, in accordance with the provisions of law, and by the Construction of the City official having jurisdiction over the construction of such construction of such construction of the City official having jurisdiction over the construction of such ing jurisdiction over the construction of such construction of the City official having jurisdiction over the construction of such construction of the City official having jurisdiction over the construction of such construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City official having jurisdiction over the construction of the City of the C the Company, which shall equal the legal in-terest on such proportion of the actual cost of the construction of such railway and structures, and additions and betterments thereto, as the num-ber of cars operated by such individual or cor-poration shall bear to the number of cars op-way hereby erated by the companies then using the same; and also such proportion of the cost of keeping the tracks and electrical equipment in repair, and the cost of additions and betterments thereto, such proportion of laying and repairing of pave-ment and removal of snow and ice and all other duties imposed upon the Company by the terms of this contract in connection with the main-pair or maintenance of the rankay, and no tenance or the operation of said railway so freight cars shall be operated upon the tracks used, as the number of cars operated by such individual or corporation shall bear to the The rate for the individual or corporation shall bear to the number of cars operated by the companies then using the same, together with the actual cost of shall in all cases be reasonable in amount, subthe power necessary for the operation of the ject to the control of the Board, and may be cars thereon of such individual or corporation. Provided, however, that if in the opinion of the Company, the legal rate of interest upon the cost of such railway shall be an insufficient sum to be paid for the use of such tracks, it may appeal to the Board and the Board may fix a population. In the Board and the Board may fix a provided for by it.

Fourteenth—The Company shall attach to each appeal to the Board and the Board may fix a population. In the Board and the Board may fix a population. In the Board and the Board may fix a population. In the Board after notice to the Company and a hearing had thereon, and when so fixed such rates shall be binding upon the Company, and no greater sum shall be charged for such services than provided for by it.

Fourteenth—The Company shall attach to each appeal to the Board and the appeal to the Board and the Board may fix a percentage upon the cost to be paid to the Company, at a sum in excess of the legal rate of interest, if, in its opinion, such action is justified.

The Company shall not at any time oppose, but shall, upon the request of the Board, consent to the construction or operation of any street ties, or surface railway which may necessitate the use Board. of any portion of the railway which shall be constructed by the Company, pursuant to this

Sixth-The rights and privileges hereby granted shall not be assigned, either in whole or in part or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein, pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, without the consent of the City, acting by the Eoard, evidenced by an instrument under seal, anything herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents.

Seventh—Upon the termination of this original contract, or if the same be renewed, then at the termination of the said renewal term, or upon the termination of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the tracks and equipments of the Company constructed, pursuant to this contract, within the streets and avenues in which said railway shall be constructed, shall, if required by the President of the Borough of Richmond, cause to be watered avenues shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

day, unless the Board shall determine after a hearing had thereon that public convenience requires the operation of cars during said hours.

Eighteenth—The Company, so long as it shall at any time during the term of this contract, and in case of the property in good condition through-loud the portion of such new street immediate-lay out the portion of such new street or any portion of the same at any time during the term of this contract, within the size of the value of the same at any time during the term of this contract, which lay out the portion of s Seventh-Upon the termination of this orig-

thousand one hundred and seventy-five dollars three (3) months from the date upon which the consents of the property owners are filed with As the Company is operating both railway and electric light and power properties, it is agreed that the gross annual receipts mentioned above shall be the pertion of the gross receipts from the railway property of the Company, as distinguished from the electric light and power properties, it is agreed that the gross annual receipts mentioned above shall be the pertion of the gross receipts from the railway property of the Company, as distinguished from the electric light and power proporties. It is agreed to such a small be the pertion of the gross receipts from the railway property of the Company, as distinguished from the electric light and power proporties. It is agreed to such a small so oil such portions of the surface of the streets and avenues, and shall not be required to water to be constructed and shall complete the company shall not be required to water to be constructed and shall complete the company shall not be required to water to be constructed and shall complete the company shall not be required to water to be constructed and shall complete the company shall not be required to water to be constructed and shall complete the company shall not be required to water to be constructed and shall complete the company shall at all times. erty, as shall bear the same proportion to the whole gross receipts from such railway property as the length of the extension hereby authorized such consents or the date of such order, otheras the length of the extension hereby authorized shall bear to the entire length of the railway of the Company in operation within the limits of the City.

The annual charges shall commence from the date upon which this contract is signed by the Mayor.

The annual charges shall commence from the Mayor.

The annual charges shall commence from the date upon which this contract is signed by the Mayor.

The annual charges shall commence from the Mayor.

The annual charges shall commence from the date of such order, otherwise said railway is constructed, between its tracks, the rails of its tracks and for a distance of two (2) feet beyond the rails, on either side there-vided, shall thereupon be forfeited to the City; however, that the Company shall, at the option of the President of the Borough, enter into an option of the President of the Borough, enter into an option of the President of the Presi the period for completion and placing the railway in full operation may be extended by the Board, but the total extension of time for either of such periods shall not exceed in the aggregate with the such periods shall not exceed in the aggregate with the such periods with the such period for the such periods with the such period for the such periods with the such period for the such period for the such period for the such period for completion and placing the rail agreement for each winter season, or part therefore the such period for completion and placing the rail agreement for each winter season, or part therefore the such periods with the such per tember 30 next preceding. Provided that the first annual payment shall be only for that proportion of the first annual charge as the time between the date upon which this contract is signed by the Mayor and September 30 following shall bear to the whole of one way. provement, or from other causes not within the control of the Company, the time for the commencement or completion of such construction may be extended for the period of such prevention, but no delay shall be allowed for unless the court proceedings shall be diligently prosecuted by the Company, and provided, further, that in no case shall such delay be deemed to begin until the Company shall have given written notice to the Board of any such court proceedings or other occasion of delay, and deliver to expense of the Company. And the City shall is strect or avenue in which the said railway is constructed between its tracks, the rails of its tracks and for a distance of two (2) feet beyond the rails on either side thereof, under the supervision of the local authorities, whenever required by them to do so, and in such manner as they may prescribe. In case of the neglect of the Company to make pavement or repairs after the expiration of thirty (30) days' notice to do so from the President of the Borough of Richmond, said President may make the same at the expiration of the Company. And the City shall tended to include the percentages of gross re- notice to the Board of any such court proceedceipts now required to be paid by railway com. ings or other occasion of delay, and deliver to panies to the City, pursuant to the Railroad the Board copies of any injunction or other orders, and the papers upon which the same shall have been granted, and unless upon the request of the Board the Company shall, in writing, consent that the Board either in its own name as a party, or in the name of the City as a party, may intervene in any such proceed-

> Ninth-Said railway shall be constructed and operated in the latest approved manner of street railway construction and operation, and it is hereby agreed that the Board may require the Company to improve or add to the railway equipment, including rolling stock and railway appurtenances, from time to time, as such additional control of the railway appurtenances. tions and improvements are necessary, in the opinion of the Board. Upon failure on the part of the Company to comply with the direction of the Board within a reasonable time, the rights

upon streets and avenues or upon private prop-

street railway purposes, upon payment of an passenger more than hve (5) cents tor one annual sum by such individual or corporation to continuous ride, from any point on its road or continuous ride, from any point on its road or

perform each and all of the conditions of this contract.

Fifth—Nothing in this contract shall be deemed to affect in any way the right of the City to grant to any individual or other corporation a similar right or privilege upon the same or other terms and conditions, over the route hereinbefore described.

The use of the railway constructed by the Company under this contract, including the tracks, and other equipment or any structures used in connection therewith, in streets and avenues or upon private property of the same and avenues in which the grades or lines of the streets and avenues in which the railway is hereby authorized be changed at any time after the supervision and control of the Company shall, at its own expense, change its tracks and appurtenances to the overhead electric power substantially similar to the overhead electric system now in use by street surface railways in the Borough of Richmond, or by any other motive power, except locomotive steam power or horse power, which will take care of and protect the tracks and appurtenances at its own expense, all to be done subject to the direction of the City without proceedings at law or in the streets and avenues in which the railway is hereby authorized be changed at any time after the streets and avenues in which the railway is hereby authorized be changed at any time after the streets and avenues in which the railway is hereby authorized be changed at any time after the streets and avenues in which the railway is hereby authorized be changed at any time after the streets and avenues in which the railway is hereby authorized be changed at any time after the streets and avenues in which the railway is hereby authorized be changed at any time after the streets and avenues and during the streets and appurtenances and appurtenances and appurtenances and avenues the Company shall, at its own expense, change its tracks and appurtenances and during the construction of any public improve the construction of said Board, which said resolution of said Boa Twenty-fourth—The Company covenants and agrees to abardon and relinquish and does hereby abandon and relinquish to the City all its days after the date of such notice, to show the contract of the contract o

Twenty-ninth—If the Company shall fail to give efficient public service at the rates herein fixed, or fail to maintain its structures and equipment as reasonable time, and upon failure of the Company to remedy such default within a reasonable time, the Company shall, for each day thereafter during which the default or defect remains, pay to the City the sum of two hundred and fifty dollars (\$250) as fixed or liquidated damages, or the Board, in case such structures or equipment which may affect the surface of the streets shall not be put in good condition withneeded repairs at the expense of the Company, months.

Twenty-fifth—Should the City at any time during the term of this contract lay out and aclegal interest thereon, all of which sums may

Thirtieth-The Company shall assume mately correspond with the proposed street liability to persons or property by reason of the shown upon the map hereinbefore described, and construction or operation of the railway authorized by this contract, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or prop-erty on account of the same, and the Company hereby agrees to repay to the City any damage which the City shall be compelled to pay by

reason of any acts or default of the Company.
Thirty-first—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of the rights conferred hereby, shall deposit with the Comptroller of the City the sum of one thousand July (1990). sand dollars (\$1,000), either in money or se-curities, to be approved by him, which fund shall be security for the perfermance by the Company of all the terms and conditions of this default in the payment of the annual charges, shall collect the same, with interest, from the said fund after ten (10) days' notice to the Company; or in case of failure to observe the said terms and conditions of this contract and orders of the Board acting hereunder, relating to the headway, heating and lighting of cars, fenders and wheel guards, the Company shall pay a penalty of fifty dollars (\$50) per day for each day of violation, and the further sum of ten dollars (\$10) per day for each car that shall not be properly heated, lighted or supplied with fenders or wheel guards, in case of a violation of the provisions relating to those matters, all of which sums may be deducted from said fund.

The procedure for the imposition and col lection of the penalties in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President, or other officer, to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not be penalized in accordance with the foregoing provisions. If the Company fails to make an appearance, or, after a hearing appears in the judgment of the Board to be in fault, said Board shall forthwith im-pose the prescribed penalty, or where the amount of the penalty is not prescribed herein, such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw the amount of such penalty from the security fund deposited with him. In case of any drafts made upon the security fund the Company shall, upon ten (10) days' notice, pay to the City a sum sufficient to restore said se curity fund to the original amount of one thousand dollars (\$1,000), and in default thereof this contract shall be cancelled and annulled at the option of the Board, acting in behalf of the City. No action or proceeding or right under the the Old Council Chamber, City Hall, provisions of this contract shall affect any other legal rights, remedies or causes of action belong-

to the Company at the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

Thirty-third-The words "streets or avenues." and "streets and avenues." wherever used in this contract, shall be deemed to mean "streets, avenues, highways, driveways, concourses, boulevards, bridges, viaducts, public places or any other property to which the City has title or over which the public has an easement," encountered in the route hereinabove described, and upon or in which authority is hereby given the Company to construct a railway.

Thirty-fourth-If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned, shall thority, officer or officers, then and in such case such other board, authority, officer or officers, then and in such case such other board, authority, officer or officers, shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

Sec. 3. This grant is also upon the further and express condition that the provisions of article 5, and the other provisions of the Railroad Law pertinent hereto shall be strictly complied with by the Company.

Sec. 4. Nothing in this contract shall be construed as in any way limiting the present or fu-ture jurisdiction of the Public Service Commission under the laws of the State of New York.

Sec. 5. The Company promises, covenants and agrees on its part and behalf to conform to and abide by and perform all the terms and conditions and requirements in this contract fixed and con-

In witness whereof, the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed, and the party of the second part by its officers there-unto duly authorized, has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed, the day and year at 10.30 o'clock a. m., to all persons affected by first above written.

THE CITY OF NEW YORK, By [CORPORATE SEAL.] Attest:

City Clerk. RICHMOND LIGHT AND RAILROAD COMPANY, President.

SEAL. Attest:

Secretary.

(Here add acknowledgments.)

Resolved, That the results of the inquiry made by this Board as to the money value of the franchise or right proposed to be granted and the adequacy of the compensation proposed to be paid therefor, and of the terms and conditions, including the provisions as to rates, fares and charges, are as hereinbefore specified and fully set forth in and by the foregoing form of pro-posed contract for the grant of such franchise or right.

Resolved, That these preambles and resolutions, including the said resolution for the grant of a franchise or right applied for by the Richmond Light and Railroad Company, and the said form of a proposed contract for the grant of such franchise or right containing said re-sults of such inquiry, after the same shall be entered in the minutes of this Board, shall be of Manhattan be and he is hereby authorized published for at least twenty (20) days immediately prior of Thursday, June 8, 1911, in the all said encroachments or encumbrances in CITY RECORD, and at least twice during the ten (10) days immediately prior to Thursday, June 8, 1911, in "The New York Press" and "The Evening Mail," two daily newspapers designated for distances greater than those given in the by the Mayor therefor in a communication presented to this Board at the meeting of April 13, 1911, and published in The City of New York, at the expense of the Richmond Light and Railroad Company, together with the following notice, to wit:

"Notice is hereby given that the Board of Estimate and Apportionment, before authorizing any contract for the grant of the franchise or right applied for by the Richmond Light and Railroad Company, and fully set forth and described in the foregoing form of proposed contract for the grant of such franchise or right, and before adopting any resolution authorizing such contract, will, at a meeting of said Board, to be held in the Old Council Chamber, City Hall, Borough of Manhattan, City of New York, on Thursday, June 8, 1911, at 10.30 o'clock a. m., hold a public 'earing thereon, at which citizens shall be entit'd to appear and be heard." [The lines of streets herein referred to which are not incorporated upon the City map are intended to be those in

use and as commonly recognized.]
Resolved, That this Board consider the proosed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 1st day of June, 1911, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all per-sons affected thereby to be published in the CITY RECORD for ten days prior to the 1st day

June, 1911. Dated May 18, 1911. JOSEPH HAAG, Secretary, 277 Broadway, Room 1406. Telephone, 2280 Worth. m18,29

NOTICE IS HEREBY GIVEN THAT AT THE meeting of the Board of Estimate and Apportionment held on May 4, 1911, the following reso-

lutions were adopted:

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of amending the proceeding instituted by said Board on November 19, 1909, for acquiring title to Fosdick avenue, from Otto street to Luther place; Luther place, from Fosdick avenue to Lafayette street; Lafayette street, from Otto street to Indiana place; and Tompkins place, from Edsall avenue to Indiana place, Borough of Queens, so as to relate to the streets as shown upon Section 34 of the Fina

Maps of said Borough, adopted by the Board of

and approved by the Mayor February 16, 1911. Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proposed amend-

the prolongation of the southerly line of Luther place, the said distance being measured at right angles to Luther place, and running thence northwardly along the said line midway between Folsom avenue and Fosdick avenue, and along the prolongations of the said line to a point distant 100 feet northerly from the northerly line of Otto street, the said distance being measured at right angles to Otto street; thence east wardly and always distant 100 feet northerly from and parallel with the northerly line of Otto street, and the prolongation thereof, to the intersection with the prolongation of a line midway between Tompkins place and Olmstead place; thence southwardly along the said line midway between Tompkins place and Olmstead place, and along the prolongations of the said line, to the intersection with a line distant 100 teet southerly from and parallel with the southerly line of Indiana place, the said distance being measured at right angles to Indiana place; thence westwardly along the said line parallel with Indiana place, and along the prolongations of the said line, to the intersection with the prolongation of a line distant 100 feet westerly from and paralle' with the westerly line of Lafayette street, the said distance being measured at right angles to Lafayette street; thence northwardly along the said line parallel with Lafayette street, and along the prolongation of the said line, to the intersection with a line parallel with Luther place and passing through the point of beginning; thence westwardly along the said line parallel with Luther place to the point or

place of beginning. Resolved, That this Board consider the proposed area of assessment at a meeting of proposed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall on the 1st day of June, 1911, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD for ten days prior to the 1st day

CITY RECORD for ten days prior to the 1st day

NOTICE IS HEREBY GIVEN THAT AT THE meeting of the Board of Estimate and Apportionment held on May 4, 1911, the following

resolutions were adopted: resolutions were adopted:

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of amending the proceeding instituted by said Board May 8, 1908, for acquiring title to Guerlain street, between Beach avenue and Unionport road; Archer street, between Beach avenue and White Plains road; Marrill street, between Beach avenue and White Plains road; Merrill street, between Rosedale avenue and Beach avenue; Beacon avenue, between Rose-dale avenue and Beach avenue; Wood avenue, between Beach avenue and Storrow street; Gray street, between Wood avenue and Tremont avenue; and Storiew street, between Wood avenue and the public place at the junction of Tremont avenue with Westchester avenue, Borough of The Bronx, so as to relate to the aforesaid streets as shown on the Final Map of Section 40 of said Borcugh, adopted by the Board of

Estimate and Apportionment March 9, 1911, and approved by the Mayor March 15, 1911.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of the Greater New York Charter, hereby gives

Beach avenue, the said distance being measured at right angles to the line of Beach avenue; thence northwardly and always distant 100 feet westerly from and parallel with the westerly line of Beach avenue to the intersection with the prolongation of a line midway between West wordly along the said line normal to the prolongation of a line midway between West wordly along the said line normal to the line of the prolongation of a line midway between West wordly along the said line normal to the line of the prolongation of a line midway between West wordly along the said line normal to the line of the prolongation of a line midway between West wordly along the said line normal to the line of the prolongation of a line midway between the prolongation of a line midway between the prolongation of a line normal to the northerly line of Amboy road and possing distant 1,000 feet southeasterly from the southeasterly line of Amboy road; thence north-Farms road and Guerlain street as laid out be-tween Taylor avenue and White Plains road; [The lines of streets herein referred to which have thence eastwardly along the said line midway not been incorporated upon the City plan are between West Farms road and Guerlain street intended to be those in use and as commonly rec and the prolongation thereof to the intersection ognized.] with a line which bisects the angle formed by the prolongations of the southerly line of West Farms road and the northerly line of Guerlain street as laid out easterly from White Plains road; thence eastwardly along the said bisecting line to a point distant 100 feet northeasterly from the northeasterly line of Unionport road, the said distance being measured at right angles the said distance being measured at right angles to the line of Unionport road; thence south-eastwardly and always distant 100 feet northeasterly from and parallel with the northeasterly line of Unionport road to the intersection with a line which bisects the angle formed by the prolongations of the centre lines of Guerlain street and Archer street; thence westwardly along the said bisecting line to the intersection with a line distant 100 feet easterly from and parallel with the easterly line of White Plains road, the said distance being measured at right angles to the line of White Plains road; thence southwardly along the said line parallel with White Plains road to the intersection with a line which bisects the angle formed by the prolongations of the centre line of Archer street and the centre line of Wood avenue as laid out easterly from the angle point easterly from White Plains road; thence eastwardly along the said bisecting line to the intersection with a line which bisects the angle formed by the intersection of the prolongations of the centre lines of Storrow street and Pugsley avenue; thence southwardly along the said bisecting line to the intersection with the centre line of Westchester avenue; thence westwardly along the centre line of Westchester avenue to the intersection with the prolongation of a line midway between White Plains road and Gray street; thence northwardly along the said line midway between White Plains road and Gray street and the prolongation thereof to the intersection with the prolongation of a line midway between Wood avenue and Mc-Graw avenue as laid out between White Plains road and Beach avenue; thence westwardly along the said line midway between Wood avenue and McGraw avenue and the prolongation thereof to a point distant 100 feet easterly from the easterly line of Beach avenue, the said distance being measured at right angles to the line of Beach avenue; thence southwardly and always 100 feet distant from and parallel with Beach avenue to the intersection with a line which bisects the angle formed by the prolongations of the centre lines of Beacon avenue and Randolph avenue as laid out between Beach avenue and Rosedale avenue; thence westwardly

avenue; thence northwardly and always distant 100 feet westerly and parallel with the westerly line of Rosedale avenue to the point or place of

beginning.
Resolved, That this Board consider the proof assessment for benefit in this proposed amended proceeding:

Beginning at a point on the prolongation of a line midway between Folsom avenue and Fosdick avenue distant 100 feet southerly from the proposed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 1st day of June, 1911, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD for ten days prior to the 1st day of

Dated May 18, 1911. JOSEPH HAAG, Secretary, 277 Broadwa Room 1406. Telephone, 2280 Worth. m18,29

NOTICE IS HEREBY GIVEN THAT AT the meeting of the Board of Estimate and Apportionment held on May 4, 1911, the fol-

owing resolutions were adopted: Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of Amboy road from Great Kills road to Ocean View Cemetery, in the Borough of Richmond, City of New York

Whereas, The Board of Estimate and Appor tionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.
Resolved, That the Board of Estimate and

Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter hereby gives notice that the following is the proposed area of assessment for benefit in this

proceeding: Beginning at a point on the northerly line of Amboy road distant 1,000 feet westerly from its through the said westerly terminus hereinbefore described where it is intersected by the prolongation of a line distant 1,000 feet northwest-Dated May 18, 1911.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with n the matter of the application of The City of New York, relative to acquiring title in fee nances and foundations of all kinds, except the wherever the same has not been heretofore acquired, to the lands, tenements and hereditations and the sidewalks and curb in front of said tions and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. bill of costs, charges and expenses incurred by than two feet below the curb opposite that point. reason of the proceedings in the above-entitled matter will be presented for taxation to one of taken down only to a plane whose elevation shall

service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply.

Gas and Electricity, and furnish the Department of Finance with a certificate from the De ings of construction work may also be seen there.

partment of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the

work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurte-

nances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the

manner, and must be completed within thirty days from the day of possession, and the suc-cessful bidder will provide and furnish all macessful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against against it, them or any of them, and against and from all damage and costs to which it, they and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate pur-

chasers. Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, heam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent build-ings shall be properly flashed and painted and

made watertight where they have been disturbed by the operations of the contractor. The Comptroller of The City of New York re-

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates THE BUILDINGS AND APPURTENANCES received will be publicly opened by the President

> person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of or traud, and that no member of the Board of Aldermen, head of a Department, chief of a Bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties mathe oath, in writing, of the party or parties ma-king the estimate that the several matters stated herein are in all respects true.
>
> Each bid or estimate shall be accompanied by

the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned be-

low.

No bid or estimate will be considered unless No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be in

The certified check or money should not be in closed in the envelope containing the bid or esti mate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No hid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any

obligation to the City.

The contract must be bid for separately, The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in

figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Cor-
