The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement

Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

Statement of Basis and Purpose of Proposed Rule

The Office of Administrative Trials and Hearings (OATH) proposes a new Chapter 7 of Title 48 of the Rules of the City of New York, describing OATH's community service program, mandated by New York City Charter Section 1049(4).

The New York City Council passed the Criminal Justice Reform Act (CJRA) to create the opportunity for civil enforcement of low-level, non-violent offenses. This legislation became law on June 13, 2016. As part of the CJRA, Local Law 73 added new provisions to Section 1049 of the NYC Charter that require OATH Hearing Officers to offer an option to perform community service in lieu of paying a monetary civil penalty for certain specified violations of the Administrative Code and certain violation of rules of the Department of Parks and Recreation (DPR).

Local Law 73 added subsection 1049(4) to the NYC Charter. This section requires that an OATH Hearing Officer offer a respondent who has been accused of committing a specified violation of the Administrative Code or of DPR's rules the option to perform community service instead of paying a monetary civil penalty. Local Law 73 defines community service broadly to include attendance at programs that are either in-person or web-based, which are designed to benefit, improve, or educate either the community or the respondent. Section 1049(4)(b) provides a list of "Specified Violations" that are eligible for community service. The Charter also provides guidelines as to the amount of community service to be performed in lieu of payment of the monetary civil penalty. Section 1049(4)(g) grants OATH the authority to promulgate rules necessary for carrying out the Charter requirements concerning community service. Specifically, OATH is required to promulgate rules that specify the correspondence between the amount of community service offered and the amount of civil penalties imposed. OATH has structured several community service program offerings, each of which has a set number of hours that correlate to the benchmark set forth in Local Law 73 of 2016.

This proposed rule describes OATH's community service program and the procedures a respondent must follow to request and complete community service. Proposed new Chapter 7 contains the following:

- A definitions section, which defines terms such as Community Service, Community Service Provider, and Specified Violations;
- A chart of Specified Violations for which community service is an option, including the applicable monetary penalty and the corresponding number of community service hours;
- The procedures a respondent must follow to choose the community service option;
- The procedure and requirements to timely complete community service or request an extension to complete community service;
- The consequences for failure to timely complete community service; and
- The procedure for appealing a decision after a respondent has chosen the community service option.

New material is underlined.
[Deleted material is in brackets.]

Section 1. Title 48 of the Rules of the City of New York is amended by adding a new Chapter 7 to read as follows:

§ 7-01 Definitions.

As used in this chapter:

"Community Service" means the performance of a service for a public entity or not-for-profit corporation in place of payment of a monetary civil penalty. Performance of a service may include attendance at a program, either in person or web-based, authorized by OATH that is designed to benefit, improve, or educate either the community or the Respondent.

"Community Service Provider" is an entity contracted by OATH to manage Community Service.

"Decision" is a decision of a Hearing Officer sustaining or dismissing a charge and containing findings of fact and conclusions of law.

"Hearing Officer" means a person designated by the Chief Administrative Law Judge of OATH, or his or her designee, to carry out the adjudicatory powers, duties and responsibilities of OATH.

"Respondent" means a person against whom charges are alleged in a summons.

"Specified Violations" are the violations specified in New York City Charter Section 1049(4)(b), and set forth in § 7-02(a) below.

§ 7-02 Eligibility for Community Service.

(a) Except as provided in subdivision (c), a Respondent who admits the charge or is found responsible at a hearing for any Specified Violation can perform Community Service instead of paying a monetary civil penalty. by the specified date. The monetary civil penalty will be due and owing thirty (30) days from the date of the Decision or thirty-five (35) days if the Decision is mailed.

§ 7-04 Amount of Community Service in Place of a Monetary Civil Penalty.

The number of hours of Community Service imposed will correspond to the amount of the monetary civil penalty imposed for a Specified Violation, consistent with New York City Charter Section 1049(4)(e). The number of hours of Community Service for each Specified Violation is in the chart set forth in § 7-02(a).

§ 7-05 Completion of Community Service.

- (a) A Respondent must complete the Community Service assigned by the Community Service Provider.
- (b) A Respondent must complete the Community Service by the date specified in the Decision, unless otherwise specified in a notice granting an extension, or an order issued pursuant to § 7-07.
- (c) A Respondent may request an extension of time to complete the Community Service through the Community Service Provider up to one day prior to the deadline to complete the Community Service specified in the Decision.
 - (1) The Community Service Provider may grant a request for an extension for good cause shown. In determining whether there is good cause for an extension, the Community Service Provider will consider factors such as the following:
 - (A) The length of extension requested;
 - (B) The number of hours of Community Service to be completed and the amount of the monetary civil penalty that would be due;
 - (C) The number of prior extensions requested;
 - (D) Whether the need for the extension is due to factors beyond Respondent's control or due to extraordinary circumstances; and
 - (E) Whether a portion of the Community Service has been completed.
 - (2) A denial of a request for an extension is not subject to appeal.
 - (3) A request for extension of time to complete Community Service will not extend the date by which a Respondent must pay the monetary civil penalty. If a request for an extension is denied, the Respondent must either complete the Community Service by the date specified in the Decision, or pay the applicable monetary civil penalty thirty (30) days from the date of the Decision or thirty-five (35) days if the Decision is mailed.
- (d) Within two (2) days after the specified date of completion in a Decision, a notice granting an extension, or an order issued pursuant to § 7-07, the Community Service Provider must provide to Respondent either:
 - (A) a Certificate of Completion indicating that the Community Service was completed by the specified date; or
 - (B) a Certificate of Non-Completion indicating that the Community Service was not completed by the specified date.
- (e) If a Respondent who receives a Certificate of Non-Completion believes that he or she has timely completed Community Service, he or she may contact OATH's Clerk's Office. The Clerk's Office will review any information or documentation submitted in support of Respondent's claim that Community Service was completed on time. If the Clerk's Office finds that Community Service was completed on time, Respondent will not have to pay the monetary civil penalty.

- (b) A Respondent is eligible for Community Service if the Respondent appears in person before a Hearing Officer and admits to a Specified Violation alleged in a summons, or if the Specified Violation is sustained at a hearing.
- (c) A Respondent is not eligible for Community Service if the Specified Violation arose during the conduct of commercial activity or activity carried out for a commercial purpose, except when the commercial activity alleged is a violation of Administrative Code Section 18-146(c)(15).

§ 7-03 Choosing Community Service.

- (a) Except as provided in 48 RCNY § 7-07, a Respondent eligible for Community Service as set forth in § 7-02 must appear before a Hearing Officer who will offer the Community Service option, either on the hearing date specified in the summons or prior to the hearing date. Respondent must make the choice of Community Service in person and cannot do so by remote method of adjudication such as mail, online or by phone.
- (b) Where a Respondent has chosen the option of Community Service pursuant to subdivision (a), a Hearing Officer will issue a Decision that orders completion of the Community Service by a specified date and orders that the applicable monetary civil penalty be reinstated if Respondent fails to complete the Community Service

§ 7-06 Respondent Appeal of a Decision After Requesting Community Service

- (a) If a Respondent who has chosen to perform Community Service instead of paying a monetary civil penalty timely appeals the Decision sustaining the Specified Violation, pursuant to § 6-19 of this Title, the part of the Decision ordering completion of Community Service will be stayed until a decision on the appeal is issued. A Respondent will not be required to complete the Community Service or pay the applicable monetary civil penalty in order to file an appeal.

- (b) If a Respondent's appeal is denied, the Respondent must either complete the Community Service within twenty (20) days of the date of the appeal decision, or pay the monetary civil penalty, unless otherwise specified in a notice granting an extension.

§ 7-07 Choosing Community Service After a Specified Violation is Sustained on Agency's Appeal.

- (a) If a decision on an appeal sustains a Specified Violation, reversing a Hearing Officer's Decision to dismiss that violation, a Respondent may choose to perform Community Service instead of paying the monetary civil penalty. Within ten (10) days of the date of the appeal decision, the Respondent must inform OATH of his or her decision to perform Community Service by filing a request, on a form provided by OATH, with the Clerk's Office. If the Respondent fails to do so within ten (10) days of the date of the decision on the appeal, the monetary civil penalty will be due and owing immediately.
- (b) If the Respondent chooses to perform community service, Respondent will receive an order granting a timely request and imposing a deadline to complete the Community Service. The monetary civil penalty will be due and owing if the Respondent fails to perform the Community Service by the deadline in the order.

NOTE:

(A) Contract 3787121, item 5.0 will replace item 6.0 effective April 1, 2017.

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.
