NOTICE

On Wednesday, April 25, 2012, at 10:00 A.M., in the National Museum of the American Indian at the historic Alexander Hamilton U.S. Custom House located at One Bowling Green, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above

ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by New York University for a zoning map amendment and zoning text amendments as well as a special permit for a large-scale general development project (LSGD). The zoning map amendment would rezone the two blocks between LaGuardia Place, Mercer Street, West Houston Street, and West Third Street from R7-2 and R7-2/C1-5 to C1-7. It would also rezone several blocks between Washington Square East / University Place, Mercer Street, West Fourth Street, and the northern boundary of the existing R6-2 zoning district near East Eighth Street from R7-2 to R7-2/C1-5. The zoning text amendments would allow applications for LSGD special permits within the former Washington Square Southeast Urban Renewal Area to be submitted without meeting normally-applicable ownership requirements and allow public parks in the former Washington Square Southeast Urban Renewal Area to be treated as a street for all zoning purposes. The applicant is also requesting a special permit under ZR Section 74-74 to waive certain bulk requirements for their LSGD. Also being requested by the applicant under a concurrent application is a change to the City Map that would eliminate, discontinue and close (“demap”) four areas within the mapped rights-of-way of Mercer Street, LaGuardia Place, West 3rd Street and West 4th Street, and the subsequent disposition of portions of those demapped areas along with easements in other portions to the applicant, and the mapping of portions of two of the demapped areas as a public park. The proposed actions would facilitate a proposal by the applicant to expand their facilities at its academic core with two academic buildings, a mixed-use building containing academic, dormitory, hotel and conference space, faculty housing and retail uses, and a building containing academic and dormitory uses (the applicant anticipates making space available within this building to the New York City School Construction Authority for the provision of a public school). The proposal also includes below-grade space for academic use, an athletic center, and an accessory parking garage with 389 spaces; and approximately 3.8 acres of parkland and publicly-accessible open spaces. Comments are requested on the DEIS and will be accepted until Monday, May 7, 2012.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 11DCP121M.

ONE-YEAR ACTION PLAN

A **public hearing** on the formulation of the City of New York's Proposed 2013 Consolidated Plan: One Year Action Plan for U.S. Department of Housing and Urban Development (HUD) Formula Entitlement funds will be held on **Tuesday, April 17, 2012** beginning at **2:30 P.M.** at the Department of City Planning located at 22 Reade Street, Spector Hall, Manhattan.

CITY PLANNING

■ NOTICE

City of New York Department of City Planning Department of Homeless Services Substantial Amendment to the 2011 Consolidated Plan 30-day Public Comment Period Addendum - Emergency Solutions Grant (ESG)

Pursuant to 24 CFR 91.505 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding amendments, the City of New York Announces the 30-day public comment period for the substantial amendment to the 2011 Consolidated Plan: Addendum: Emergency Solutions Grant.

The public comment period will begin Monday, April 9 and end on Tuesday, May 8, 2012.

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program, and revises the Emergency Shelter Grants program

and renames it as the Emergency Solutions Grants (ESG) program. The HEARTH Act also codifies into law the Continuum of Care planning process, a longstanding part of HUD’s application process to assist homeless persons by providing greater coordination in responding to their needs.

On November 15, 2011, the US Department of Housing and Urban Development released an interim rule which revises the regulations for the Emergency Shelter Grants program by establishing the regulations for the Emergency Solutions Grants program. The change in the program’s name, from Emergency Shelter Grants to Emergency Solutions Grants, reflects the change in the program’s focus from addressing the needs of homeless people in emergency or transitional shelters to assisting people to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

Additional funding has been allocated in FY2011 in conjunction with the interim Emergency Solutions Grant rule. The City of New York is expected to receive \$4,448,535 in additional ESG funds.

All comments received at the end of the comment period (close of business) will be summarized and the City’s responses incorporated into the 2011 Consolidated Plan amendment addendum for submission to HUD.

The City of New York must submit the amendment to HUD by May 15, 2012 in order to be eligible to receive its allocation.

On Monday, April 9, copies of the 2011 Consolidated Plan - Addendum: Emergency Solutions Grant (ESG) will be made available at: The City Planning Bookstore, 22 Reade Street, New York, NY (Monday 12:00 P.M. to 4:00 P.M., Tuesday thru Friday 10:00 A.M. to 1:00 P.M.).

In addition, on Monday, April 9 at 10:00 A.M. an Adobe PDF version of the amendment will be available for free downloading from the internet via both the Department of Homeless Services’ and the Department of City Planning’s websites at: www.nyc.gov/dhs and www.nyc.gov/planning, respectively.
