# SCHOOL CONSTRUCTION AUTHORITY

**PLEASE TAKE NOTICE THAT** the New York City School Construction Authority ("SCA"), pursuant to Section 204 of the New York State Eminent Domain Procedure Law ("EDPL"), has made the following Determination and Findings related to the 380-seat primary public school facility-Queens Construction Project ("Project"): (1) The public purpose of the Project is to allow for the construction of a 380-seat primary public school facility, known as P.S. 287Q, accommodating students in pre-kindergarten through fifth grades in Community School District No. 24; (2) the Project

site consist of an assemblage of nine privately owned lots (i.e. Block 1247, Lots 1,3,4,7,8,11,12,13 & 56) , and was selected to relieve overcrowding at primary schools in the district. The site is located in the Corona section of Queens on the northeast corner of 110th Street and Northern Boulevard. (3) July 2, 2010, the SCA acquired eight of the lots by negotiated purchase, but was unable to acquire Lot 56 located at 33-15110th Street, Corona, New York. Acquisition of Lot 56 would expand recreational space and facilitate construction of the new school; (4) the SCA has issued a Negative Declaration under the New York State Environmental Quality Review Act for the Project; and (5) the SCA has determined that it should exercise its powers of condemnation under the EDPL to acquire Lot 56 for the Project. A complete copy of the SCA's Determination and Findings will be forwarded without cost upon written request directed to the New York City School Construction Authority, 30-30 Thomson Avenue, Long Island City, New York 11101, to the attention of Gregory P. Shaw, Principal Attorney.
