January 8, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—A request has been received from the President of the Borough of Brooklyn for the removal of encroachments lying within the lines of Foster Avenue, from Flatbush Avenue to Rogers Avenue, in the Borough of Brooklyn, to permit the improvement of the street.

These encroachments consist of old barns and sheds on damage parcels Nos. 35-37, the estimated removal value of which is $10, which amount should be realized by their sale.

I therefore recommend that the Commissioners of the Sinking Fund, pursuant to the authority vested in them by Sections 205 and 1553 of the Revised Charter, adopt a resolution authorizing and ordering that the said encroachments be offered for sale at the upset or minimum price named above, and also authorizing and ordering the President of the Borough of Brooklyn to demolish and remove all those encroachments that are not sold at the said upset price, as encumbrances upon a public street, and such a resolution is herewith transmitted. Yours respectfully,

Whereas, The President of the Borough of Brooklyn has requested the removal of the encroachments lying within the lines of Foster Avenue, from Flatbush Avenue to Rogers Avenue, in the Borough of Brooklyn; and

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Licenses in a communication to your Board under date of January 6, 1915, requests a lease of Rooms 7, 8 and 9, in premises Nos. 381-387 Fulton Street, Borough of Brooklyn, for a period of one year, with the privilege of renewal for a further term of one year, at an annual rental of $1,635, payable quarterly; the lessor to furnish heat, light and janitor service, also to pay taxes and water rates.

The premises in question contain 1,635 square feet, and are for use of the Brooklyn office of said Department, which is at present occupying Room 12A in the Brooklyn Borough Hall, which space is inadequate, part of which is also used by the City Clerk, and the entire room is required by the Borough President.

The rent of the rooms proposed to be leased is at the rate of $1 a square foot. The City is now leasing space on the ground floor of this building at $1.25 a square foot.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of Rooms 7, 8 and 9 on the second floor of the premises Nos. 381-387 Fulton Street, Borough of Brooklyn, containing a total area of 1,635 square feet, for use of the Department of Licenses, for a term of one year from February 1, 1915, with the privilege of renewal for a further term of one year, at an annual rental of $1,635, payable quarterly; the lessor to pay taxes and water rates and furnish heat, light and janitor service; the lessee agreeing that it will not alter, change nor add to the electrical appliances in the premises or in said building without the written consent of the lessors, and that the provision calling for the lessors to furnish heat, light and water be understood and interpreted that they shall not be liable for any temporary intrruption due to necessity for repairs or other unavoidable cause, provided the landlords exercise all diligence in making such necessary repairs and in removing the cause of such interruption. Lessors, Mary E. Campbell, Mary Campbell, Sadie Campbell, Susan Campbell Kiernan and Alice Campbell Good, Nos. 381-387 Fulton Street, Borough of Brooklyn. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Mary E. Campbell, Mary Campbell, Sadie Campbell, Susan Campbell Kiernan and Alice Campbell Good, of Rooms 7, 8 and 9 on the second floor of the premises Nos. 381-387 Fulton Street, Borough of Brooklyn, containing a total area of 1,635 square feet, for use of the Department of Licenses, for a term of one year from February 1, 1915, with the privilege of renewal for a further term of one year, at an annual rental of Sixteen hundred and thirty-five dollars ($1,635), payable quarterly; the lessor to pay taxes and water rates and furnish heat, light and janitor service; the lessee agreeing that it will not alter, change nor add to the electrical appliances in the premises or in said building without the written consent of the lessors, and that the provision calling for the lessors to furnish heat, light and water be understood and interpreted that they shall not be liable for any temporary interruption due to necessity for repairs or other unavoidable cause, provided the landlords exercise all diligence in making such necessary repairs and in removing the cause of such interruption; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

Health Department—Rescinding Resolution Authorizing a Lease for, of Premises No. 660 4th Avenue, Borough of Brooklyn, and Authorizing the Payment of Rent. (Brought Up by Unanimous Consent.)

The Deputy and Acting Camptroller presented the following report and offered the following resolutions:

January 12, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—At a meeting of your Board held December 2, 1914, a resolution was adopted on the recommendation of the Comptroller, providing for a renewal of the lease of premises No. 660 Fourth Avenue, Borough of Brooklyn, for use of the Department of Health as an Infants' Milk Station, for a period of one year from January 15, 1915, at a rental of $312 a year, payable quarterly, and otherwise upon the same terms and conditions as contained in the existing lease.

The lease was prepared and sent to the lessor, who has refused to execute the same except at an increase of $48 a year, but is willing to rent the premises in question to the City on a monthly basis without a lease at a rental of $312 a year.

The Secretary of the Department of Health, in a communication under date of December 29, 1914, requests that the Health Department be allowed to remain in these premises at the increased rental, because of the expense involved in moving and the temporary interference with the attendance. This, in my opinion, does not justify the payment of an excessive rental, and while I believe the lease of these premises on a month to month basis is desirable, I recommend that the Department of Health be directed to select other quarters for this milk station, and that the same be leased for a period of three years, which will prevent the lessor from increasing the rent at the end of a short term lease.

I therefore respectfully recommend that the resolution adopted by the Commissioners of the Sinking Fund, December 2, 1914, providing for a renewal of the lease of the store and three rooms in the rear, and storage bin in rear part of cellar, at No. 660 Fourth Avenue, Borough of Brooklyn, for use as an Infants' Milk Station, for a period of one year from January 15, 1915, at a rental of $312 a year, payable quarterly, and otherwise upon the same terms and conditions, be rescinded.

I also recommend, the rent being reasonable and just, and it being the same as now paid by the City for these premises, that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay rent, without the necessity of entering into a lease, to John D'Allessio, 152 Twentieth Street, Borough of Brooklyn, for use of store 19 by 16 feet, on ground floor, and three rooms in the rear, with storage bin in rear part of cellar, at 660 Fourth Avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from January 15, 1915, on a month to month basis, at a monthly rental of $26, payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to furnish heat, light and

janitor service and make such interior alterations and repairs during occupancy as it may deem necessary. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved That the resolution adopted by this Board at meeting held December 2, 1914, authorizing a renewal of the lease to the City, of the store and three rear rooms and storage bin in the cellar at No. 660 Fourth Avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from January 15, 1915, at a rental of Three hundred and twelve dollars ($312) a year, payable quarterly, be and the same is hereby rescinded.

Resolved, That the Comptroller be and is hereby authorized to pay to John D'Allessio, 152 20th Street, Borough of Brooklyn, rental at the rate of Twenty-six dollars ($26) a month, payable quarterly, for use of store 19 feet by 16 feet on ground floor, and three rooms in the rear, with storage bin in rear part of cellar, at No. 660 Fourth Avenue, Borough of Brooklyn, for use of the Department of Health, for a period not exceeding one year, from January 15, 1915, on a month to month basis; the owner to pay taxes and water rates and make outside repairs; the City to furnish heat, light and janitor service and to make such interior alterations and repairs during occupancy as it may deem necessary.

The report was accepted, and the resolutions severally adopted, all the members present voting in the affirmative.

Department of Public Charities—Assignment to, of the Building Known as Nos. 57-59 Centre Street, Borough of Manhattan. (Brought Up by Unanimous Consent.)

The Deputy and Acting Comptroller presented the following report and offered the folowing resolution:

January 13, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Public Charities in a communication to your Board under date of January 5, 1915, requests that the second and third floors of the premises, No. 53 Lafayette Street, Manhattan, be assigned to his Department for use as a local office in connection with its Bureau of Social Investigations, and on January 8, 1915, this request was amended by substituting the premises at 57-59 Centre Street as being more desirable for the work of said Bureau.

These later premises consist of a four-story and basment brick building at the northwest corner of Centre and Pearl Streets, and contains approximately 8,000 square feet of floor space, and was acquired by the City of New York as part of the site for the new Court House. It is now being vacated by the Mayor's Bureau of Licenses.

The Bureau of Social Investigations represents a consolidation of the work formerly done in the Bureaus of Dependent Adults, the Children's Bureaus and other related activities. It is intended to organize the investigations made in these several bureaus on a district plan, and the premises in question are to be headquarters for the district south of Fourteenth Street, where applications will be received and investigations made for any kind of industrial or non-industrial care which the Department of Charities is in a position to give.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution assigning to the Department of Public Charities, for use of the Bureau of Social Investigations, the entire building known as 57 and 59 Centre Street, Borough of Manhattan, upon the removal of the Mayor's Bureau of Licenses, and that the President of the Borough of Manhattan be directed to care for and maintain this building in the same manner as other public buildings, until the premises are required by the Court House Board. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, pursuant to the provisions of Section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign to the Department of Public Charities, for use of the Bureau of Social Investigations, the entire building known as Nos. 57-59 Centre Street, Borough of Manhattan; said assignment to take effect when the premises have been vacated by the Mayor's Bureau of Licenses; and be it further

Resolved, That the President of the Borough of Manhattan be and is directed to care for and maintain the building Nos. 57-59 Centre Street, Borough of Manhattan, in the same manner as other public buildings, until the premises are required by the Court House Board.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

Note—At this point His Honor, the Mayor and the President of the Board of Aldermen arrived and Mr. Esterbrook, the Acting Mayor, withdrew from the meeting.

The following matters on the calendar requiring a unanimous vote and held pending their arrival, were then considered.

Report No. 13989. September 14, 1914.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—Herewith is transmitted a communication from the Commissioner of Public Works, Borough of The Bronx, bearing date of June 19, 1914, requesting the adoption of a map providing for decreasing the width of Holland Avenue between Baker Avenue and Hunt Avenue from 60 feet to 50 feet.

Holland Avenue as laid out on the Final Maps of the Borough has a width of 60 feet, and between the limits named it has a length of about 2,400 feet. The Commissioner of Public Works states that in view of the fact that this portion of Holland Avenue begins at a railroad yard and meets Hunt Avenue, a street 60 feet wide, at the intersection with another railroad, it is believed that it will not be required for other than local service and that under these conditions 50 feet is a sufficient width for the street.

Under date of June 25, 1914, the President of the Borough, in a communication to the Board, states that this map was prepared in accordance with a recommendation of the Local Board of the Chester District as adopted on May 19, 1914. He further

states that a number of owners of property fronting on the street have ceded the land in front of their premises within the lines of Holland Avenue as laid out 60 feet in width, and suggests that in the event of favorable action by the Board on the map now submitted the Sinking Fund Commission be requested to authorize the reconveyance of land not required for street purposes to the respective abutting owners for a nominal consideration of $1.00.

An examination of the damage map in the proceeding for acquisition of title to Holland Avenue shows that the proposed decrease in width will avoid damage to eight buildings, and will likewise avoid the taking of steps from 46 buildings.

At the meeting of the Board held on June 19, 1914, on the recommendation of the Borough President, the Board adopted a resolution requesting the Corporation Counsel to defer advancing the proceeding for acquiring title to Holland Avenue, as authorized on March 7, 1912, pending action upon the map as now presented.

In view of the building damage which would otherwise result, of the impracticability of giving this portion of the street a greater length with an unbroken continuity, and of the general adequacy of the street plan of the vicinity to the traffic requirements of this neighborhood, I believe that the plan may properly be approved and would recommend such action. Respectfully,

NELSON P. LEWIS, Chief Engineer.

Board of Estimate and Apportionment, Municipal Building, Manhattan:

Gentlemen—On June 18, 1914, there was forwarded to the Board of Estimate and Apportionment, a map entitled "Map showing the reduction of width of Holland Avenue from Baker Avenue to Hunt Avenue, and the adjustment of grades of the intersecting avenues necessitated thereby," dated June 5, 1914.

This map was prepared in accordance with the recommendation of the Local Board of Chester on May 19, 1914, providing for the reduction of width of Holland Avenue, from sixty (60) feet as previously laid out on Final Section 37 and 40, to fifty (50) feet.

A number of property owners on this street have ceded the land lying in front of their premises within the lines of Holland Avenue as laid out sixty feet in width, and in the event of favorable action by the Board of Estimate and Apportionment on this map change, I suggest that the Board recommend to the Sinking Fund Commission that the Sinking Fund Commission, in accordance with Section 205 of the Greater New York Charter, authorize the reconveyance of the lands not required for street purposes to the respective abutting owners, for a nominal consideration of one dollar. Very truly yours,

DOUGLAS MATHEWSON, President of the Borough of The Bronx.

In connection therewith, the Deputy and Acting Comptroller presented the following report and offered the following resolution:

December 30th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On October 23, 1914, the Board of Estimate and Apportionment adopted a resolution changing the lines of Holland Avenue, from Baker Avenue to Hunt Avenue, Borough of The Bronx, by reducing the width thereof from sixty feet to fifty feet. This change was made at the request of the Commissioner of Public Works of the Borough of The Bronx, who, in a communication to the Board of Estimate and Apportionment, stated that in view of the fact that this portion of Holland Avenue begins at a railroad yard and meets Hunt Avenue at its intersection with another railroad, fifty feet is a sufficient width for the street.

The President of the Borough of The Bronx in a communication to the Board of Estimate and Apportionment suggested that inasmuch as a number of property owners fronting on the street ceded the land in front of their premises to the City, that the Sinking Fund Commission be requested to authorize the reconveyance of land not required for street purposes to the respective abutting owners for a nominal consideration of $1.00.

The Regent Realty Company in a petition to the Commissioners of the Sinking Fund request them to reconvey that discontinued portion of Holland Avenue abutting their premises. On October 23, 1913, they ceded to the City the property lying in front of Lots 25, 26 and 27 in Block 4052, and Lots 26, 27 and 49 in Block 4051 on the tax maps of the City of New York.

I, therefore, respectfully recommend that the Commissioners of the Sinking Fund authorize a release to the Regent Realty Company of the City's interest in and to the flolowing described property:

All those certain pieces or parcels of land, situate, lying and being in the Borough and County of The Bronx, City and State of New York, more particularly bounded and described as follows:

Tabernacle Baptist Church—Petition of, for the Cancellation of Certain Water Charges.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

December 28, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Tabernacle Baptist Church has presented to you a petition for the cancellation of a certain water charge, affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 2, Block 365, Lot 33.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, sub-division seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same in the year 1874 or 1875; that it has owned the above described premises continuously since said date, and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a church and Sunday School.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1882, and since, and the assessed valuation for the year 1915 is $32,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following water charge for local improvements was levied against said property and is now open and unpaid on the records of the Department, namely:

Water Charges.

(Confirmed May 1, 1883):
Year 1883, Section 2, Block 365, Lot 33 ..... $23 37

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

The total amount involved as principal in the above water charge is $23.27. The property affected by this water charge is located in the Borough of Brooklyn, northwest corner of Clinton Street and 3d Place.

The petitioner, Tabernacle Baptist Church, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be $2,861.75, and the expenditures for all objects, $2,756.33, leaving a balance of $105.42.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said water charge, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221a of the Greater New York Charter, and I would, therefore, certify my approval of the application of Tabernacle Baptist Church, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of $10, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of Ten Dollars ($10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221-A of the Charter, to cancel the following water charge against property owned by Tabernacle Baptist Church, in the Borough of Brooklyn, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected and that the same is not under contract of sale.

Church of the Immaculate Conception of the Blessed Virgin Mary—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

December 18th, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Church of the Immaculate Conception of the Blessed Virgin Mary has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Richmond, designated on the official tax map as Ward 2, Volume 1, Plot 5, Lots 346 and 358.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about December 1, 1895; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a church, school and parish hall.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1912, and since, and the assessed valuation for the year 1915 is as follows: Lot 346, $6,500; Lot 358, $80,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

No. 33, Ward 2, Plot 5, Lot 346..... $30 60
No. 34, Ward 2, Plot 5, Lot 358..... 146 88

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is $177.48. The property affected by these assessments is located in the Borough of Richmond, from Targee to Gordon Streets, north of Broad Street, Stapleton.

The Rev. William J. McClure, Rector, in response to a request, has submitted a financial statement for the year ending December 31, 1912, showing the total receipts from all sources to be $14,820.70 and the expenditure for all objects $14,802.21, leaving a balance of $18.49.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessment, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Church of the Immaculate Conception of the Blessed

Virgin Mary, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of $10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars ($10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by Church of the Immaculate Conception of the Blessed Virgin Mary, in the Borough of Richmond, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

The foregoing installments for the years 1903 to 1913, inclusive, of the assessment described as "General Improvement Commission of Long Island City. Chapter 644, Laws 1893," first began to be levied in the year 1903, and such installments are the first to the eleventh, inclusive. In view of the fact that the property was acquired by the petitioner and was exempt from taxation prior to the year when the first installment of said assessment was levied, it was owned by the petitioner and entitled to exemption from local taxation during the time that such installment assessment accrued and became a lien thereon, as required by said Section 221A of the charter, and I would therefore certify my approval of the cancellation of such installments.

The petitioner has included in its application certain open charges against the property known as Lot 38, Block 80, Section 12, Ward 1, Borough of Queens, but inasmuch as it appears from the records of the Department of Taxes and Assessments that said lot 38 is used and occupied as a parsonage, and was so used and occupied during the times that such charges accrued and became liens thereon, and conesquently is not entitled to exemption from local taxation under article one, section four, subdivision seven of the Tax Law, as required by said section of the charter, I refuse to certify my approval of the application so far as respects the cancellation of such open charges against said lot 38.

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is $1,424.76. The property affected by these assessments is located in the Borough of Queens, Northeast corner Temple and Crescent Streets, Astoria.

The Messrs. John Hetherington, Secretary, and C. L. Vaughan, Treasurer, in response to a request, have submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be $4,226.10, and the expenditures for all objects, $4,368.86, leaving a deficit of $142.76.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question (Lot 40) and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of Section 221A of the Greater New York Charter, except as to the open charges against Lot 38, which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of First Methodist Episcopal Church of Astoria, N. Y., to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of $10, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of Ten Dollars ($10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by The First Methodist Episcopal Church of Astoria, N. Y., in the Borough of Queens, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected, and that the same is not under contract of sale.

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The total amount involved as principal in the above water charges is $55.20. The property affected by these water charges is located in the Borough of Brooklyn, southerly side of Debevoise Street, between Humboldt Street and Graham Avenue.

The Rev. John Manning, as Treasurer, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be $460.84 and the expenditures for all objects $531.75, leaving a deficit of $70.91.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when the said water charges, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Trustees of the Protestant Episcopal Church of the Holy Comforter, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of $10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of Ten Dollars (10), the Commissioners of the Sinking Fund by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221A of the Charter, to cancel the following water charges outstanding against property owned by the Trustees of the Protestant Episcopal Church of the Holy Comforter, in the Borough of Brooklyn, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected, and that the same is not under contract of sale.

Lutheran Hospital Association of The City of New York and Vicinity—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

December 28, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Lutheran Hospital Association of The City of New York and Vicinity has presented to you a petition for the cancellation of certain assessments for public improvements, affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 12, Block 3678, Lot 10 (Lot 49, Block 89, Ward 26) and Lot 32 (Lot 50, Block 89, Ward 26); Lot 10 (49) being formerly known as Lots 1 to 14, inclusive, and 42 to 47, inclusive, and Lot 32 (50) being formerly known as Lots 15 to 17, inclusive.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same in or about the year 1883; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for hospital purposes.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation as follows:

Old Lots 1 to 14, inclusive, and 43 to 47, inclusive, exempt in 1886 and since;

Old Lots 15 to 17, inclusive, exempt from 1886 to 1898, inclusive; taxes thereon from 1899 to 1908, inclusive, cancelled by Comptroller's order dated June 14, 1912; and exempt in 1909 and since;

Old Lot 42, exempt in 1897 and since; taxes thereon from 1890 to 1896, inclusive, cancelled by various Comptroller's orders; taxes thereon from 1887 to 1889, inclusive, paid.

It would appear from the records, therefore, that all of the property hereinbefore described, with the exception of old Lot 42 (now a part of Lot 10), was either actually exempt or entitled to exemption from local taxation from and including the year 1886 to date. As to said lot (old 42), such records show that the same was either actually exempt or entitled to exemption from and including the year 1890 to date.

Although it appears that the taxes on said lot (old 42) for some years prior to 1890 were paid, the petition upon which the taxes for the years 1890 to 1893, inclusive, against the same, were cancelled by the Comptroller's order, sets forth the fact that said lot had been owned by the petitioner since the year 1883.

The application now under consideration also alleges that all of the property covered by such application (including old Lot 42), was acquired in or about the year 1883, and that such property has always been used for the purposes of the corporation.

It would appear, therefore, notwithstanding the payment of such taxes on old Lot 42, for several years prior to 1890, that the entire property covered by this application, including said lot, was actually entitled to exemption from local taxation from and including the year 1884 to date.

The assessed valuation for the year 1914 is as follows: Lot 10, $75,000; Lot 32, $7,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

The installment assessment for "Town Grade, Town of New Lots," the installments of which are set forth above, was levied pursuant to Chapter 406, Laws of 1885. The first installment thereof was confirmed and entered and became a lien in the year 1885. The petitioner having acquired the property in 1883, and the property having been entitled to exemption from and including the year 1884, prior to the time when such installment assessment accrued and the installments thereof became liens thereon, I hereby certify my approval of the cancellation of such installments.

The installment assessment for "Flagging, Curbing, Guttering and Paving Streets in the 26th Ward," the installments of which are set forth above, was levied pursuant to Chapters 311 and 335, Laws of 1886. The first installment thereof was not confirmed and entered, and did not become a lien until subsequent to the year 1886. The petitioner having acquired the property and the same having been entitled to exemption prior to the time when such installment assessment accrued and the installments thereof became liens thereon, I hereby certify my approval of the cancellation of such installments.

The installment assessment for sewers, "Map S—Drainage District No. 39," the installments of which are set forth above, was levied pursuant to Chapter 91, Laws of 1889, Chapter 72, Laws of 1891, and Chapter 516, Laws of 1896. The first installment thereof was confirmed and entered and became a lien in the year 1895. The petitioner having acquired the property and the same having been entitled to exemption prior to the time when such installment assessment accrued and the installments thereof became liens thereon, I hereby certify my approval of the cancellation of such installments.

Mr. Diedrich Tietjen, President of the petitioner, has submitted a statement showing in detail the relative proportions of free and paid work done by the institution during the year 1912, and the proportions that such free and paid work bear to the whole work done by the institution during that year, reduced to percentage, viz.:

Class of Patients.	Number of Patients Treated.	Days of Hospital Treatment.	Free Days of Treatment.	Paid Days of Treatment.
Full paid	....	137	....	137
$15 a week				
$12 a week	466	1,189	475	714
$10 a week				
$8 a week		3,210	1,926	1,284
$7 a week		144	94	50
$6 a week	31	533	374	159
$5 a week		207	155	52
$4 a week		365	292	73
Free	489	3,579	3,579	....
Totals	986	10,963	7,418	3,545

Percentage of free treatment, 68 per cent.

It appears from the foregoing that the proportion of actually free work done by the petitioner during the year 1912 was 68 per cent., and the work paid for 32 per cent.

On the foregoing basis, an equitable adjustment of the matter, in my opinion, would be to cancel the aggregate amount of the open charges, viz., $5,363.03, upon the payment by petitioner of 32 per cent. thereof, or $1,716.17.

The total amount involved as principal in the above assessments is $5,363.03. The property affected by these assessments is located in the Borough of Brooklyn, East New York Avenue, from Powell Street to Junius Street.

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

Mr. F. J. Zitzmann, Financial Secretary, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be $33,427.42, and the expenditures for all objects $32,955.81, leaving a balance of $471.61.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Lutheran Hospital Association of the City of New York and Vicinity, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of $1,716.17, provided that payment be made within sixty days from the date of the resolution authorizing such payment, and also provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of one thousand seven hundred and sixteen dollars and seventeen cents ($1,716.17) within sixty days from date the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property in the Borough of Brooklyn owned by the Lutheran Hospital Association of The City of New York and Vicinity, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale:

St. Margaret's Chapel of St. Jude's Parish—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

December 18th, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—St. Margaret's Chapel of St. Jude's Parish has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 17, Block 5591, Lot 47, formerly known as Lots 47 and 48.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were or might thereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about May 16, 1907; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for religious purposes.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1910, and since; taxes for 1909 remitted by Department of Taxes and Assessments; and taxes for 1908 concelled by the Comptroller's order dated December 27, 1913; and the assessed valuation for the year 1915 is $4,800.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is $527.43. The property affected by these assessments is located in the Borough of Brooklyn, northerly side of 42d Street, between New Utrecht and Fort Hamilton Avenues.

The Rev. Henry S. Sizer, Rector, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be $358.16 and the expenditures for all objects $350.86, leaving a balance of $7.30.

It appearing therefore that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would therefore certify my approval of the application of St. Margaret's Chapel of St. Jude's Parish, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, be cancelled upon the payment of $10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of Ten Dollars ($10.00), the Commissioners of the Sinking Fund by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments, levied and assessed against property owned by St. Margaret's Chapel of St. Jude's Parish, in the Borough of Brooklyn, provided that at the time of such payment said corporation furnish proof by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

Episcopal Church of St. Peter's, in Westchester—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

December 18th, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Episcopal Church of St. Peter's in Westchester has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx, designated on the official tax map as Plot 23-6, Cornell Ferris Map.

This application is made pursuant to the provisions of Section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about January 20, 1795; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as follows:

Over ninety-nine and one-half per cent. of the total area of the property is actually used for cemetery purposes. Under the church building are graves. The small Sunday School building which occupies the remaining one and four-fifths per cent. of the area is used exclusively for religious services and religious teachings and catechisings.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1907 and since, and the assessed valuation for the year 1914 is $88,700.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Although, as appears from the foregoing, the petitioner has been paid an award in the proceeding for "Opening and extending Benson Ave. from West Farms Road to Westchester Ave.," amounting to $1,814.90, and one of the aforesaid assessments which it requests to have cancelled is an assessment for benefit in the same proceeding in which said award was paid, nevertheless, it appears that said award did not affect the property which is the subject of this application, but another plot in the borough of the Bronx owned by the petitioner, and it appears from the records of this Department that prior to the payment of said award to petitioner, open charges against the property affected by the same, known as Lot M—, Hutschler Map, aggregating $1,500.94, were paid, including the assessment for benefit in the same proceeding, amounting to $1,209.64. I would therefore certify my approval of the cancellation of the assessment in question.

Petitioner has included in its application the assessment for "acquiring title to Westchester Avenue, from Bronx River to Main Street," the principal of which amounts to $382.05.

I refuse to certify my approval of the cancellation of such assessment, however, for the reason that in the same proceeding in which said assessment was levied, the petitioner was paid certain awards, as hereinbefore shown, which awards affected the property that is the subject of this application, as well as other parcels owned by the petitioner, and the award affecting the property included herein was greatly in excess of the assessment sought to be cancelled.

The records of this Department show no lease to the City of New York of the property hereinbefore described.

The total amount involved as principal in the above assessments is $938.81. The property affected by these assessments is located in the Borough of The Bronx, Westchester and St. Peters Avenue.

Mr. W. Hart Brown, treasurer, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be $39,489.71, and the expenditures for all objects $35,750.46, leaving a balance of $3,739.25.

In connection with said statement, Mr. Brown further states as follows:

"In order to meet assessments, the Church has been obliged to borrow on mortgage $40,000, all of which (with the exception of the cost of obtaining loan, $942.02) has been paid to the City of New York for assessments levied for street opening proceedings.

"In addition to the above amount, the church owes to the City for additional assessments $13,830.65, for which the church is unable at this time to provide.

"The item of $3,733.07, cash in bank, shown in statement attached hereto, represents money from all sources necessary to meet the usual current expenses."

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the assessment which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of Episcopal Church of St. Peter's in Westchester, to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of $10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of Ten dollars ($10.00), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the charter, to cancel the following assessments levied and assessed against property in the Borough of The Bronx owned by the Episcopal Church of St. Peters in Westchester, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

To the Honorable, the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Peabody Home for Aged and Indigent Women has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Bronx, designated on the official tax map as Section 12, Block 3140, Lot 1 (including old Lot 4).

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same in May, 1886; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for charitable purposes.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1900, and since, and the assessed valuation for the year 1915 is $50,000,

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

The records of this Department show the following awards paid to "Peabody Home and Reformed Relief Association," affecting the property which is the subject of this application, viz.:

Manhattan—B—Warrant No. 10507, dated Nov. 23, 1900, in favor of Peabody Home and Reformed Relief Association:
Opening Boston Road, from Tremont Avenue to Bronx Park, in the 24th Ward, Borough of The Bronx—
Parcel Nos. 29 and 30, Award $3,084 00
Int. from Dec. 15, 1896 to Nov. 30, 1900 ..... 732 45
Paid April 24, 1901 ..... $3,816 45

Manhattan—B—Warrant No. 2027, dated Feb. 11, 1904, in favor of Peabody Home and Reformed Relief Association:
Opening East 179th Street, from 3d Avenue to Bronx Street, in the 24th Ward, Borough of The Bronx—
Parcel No. 86, Award $5,000 00
Int. from Dec. 24, 1897, to Dec. 4, 1903 ..... 1,783 33
Paid Feb. 26, 1904 ..... $6,783 33

The award first above referred to affected Lots 1 and 4, Block 3140, both of which are now known as Lot 1. The assessment for benefit (in the same proceeding in which said award was paid) against original Lot 1 was $1,231.19, and against Lot 4, $904.95, aggregating $2,136.14. The records of this Department show that said assessment against both lots was paid on December 3, 1900.

As to the award in the proceeding for "Opening East 179th Street, from 3d Avenue to Bronx Street, Etc.," referred to above, it appears that the assessments for benefit in the same proceeding against Lots 1 and 4, amounting respectively to $690 and $153.86, are included in the schedule of open assessments against the property hereinbefore set forth. It appears that said assessments did not accrue or become liens until some years after the payment of said award.

In view of the fact that the amount of the award paid in said proceeding, i. e., $6,783.33, exceeds the amount of the open assessments against said Lots 1 and 4 in the same proceeding, i. e., $843.86, I would recommend, as a condition to the cancellation of all of the open charges above set forth, including the assessments in ques-

tion, that the petitioner be required to pay the principal of such assessments, together with interest at the rate of four (4) per cent. per annum, from the date when such assessments became a lien, to wit, July 26, 1906.

The records of this Department show no lease to The City of New York of the property hereinbefore described.

The total amount involved as principal in the above assessments is $4,462.32. The property affected by these assessments is located in the Borough of Bronx, northeast corner Boston Road and East 179th Street.

The Messrs. Hill, Lockwood, Redfield and Lydon, attorneys for petitioner, in response to a request, have submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be $12,761.17, and the expenditures for all objects, $9,257.19; leaving a balance of $3,503.98.

It appears, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon. I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Peabody Home for Aged and Indigent Women, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of $843.86, together with interest thereon at the rate of four (4) per cent. per annum from July 26, 1906, to the date of payment, provided that payment be made within sixty days from the date of the resolution authorizing such payment; and also provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of eight hundred and forty-three dollars and eighty-six cents ($843.86), together with interest thereon at the rate of four (4) per cent. per annum from July 26, 1906, to the date of payment, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the Peabody Home for Aged and Indigent Women in the Borough of The Bronx, provided that payment be made within sixty days from date; and also provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—The Methodist Episcopal Church of Glendale, L. I., has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Queens, designated on the official tax map as Ward 2, Volume 3, Block 51, Lot 13.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about December 10, 1899; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for religious purposes.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1909, and since, and the assessed valuation for the year 1914 is $3,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.

Sewer in Scott Avenue, from Newtown Creek, north of Metropolitan Avenue, to St. Nicholas Avenue, Etc., Chapter 378, Laws 1897, as amended 1901; No. 442 (confirmed and entered September 26, 1911):
No. 7909, Section 3, Block 51, Lot 13, Ward 2..... $105 00
Olmstead Place, Acquiring Title, No. 99-B (confirmed October 21, 1913; entered November 28, 1913);
No. 185, Section 3, Block 51, Lot 13, Ward 2..... 29 96

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

The total amount involved as principal in the above assessment is $134.96. The property affected by these assessments is located in the Borough of Queens, westerly side of Washington Avenue, between Central and Cooper Avenues.

Mr. Robert F. D. Kettles, Treasurer, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be $417.02, and the expenditures for all objects $411.56, leaving a balance of $5.46.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of Section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of The Methodist Episcopal Church of Glendale, L. I., pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of $10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of Ten Dollars ($10.00), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property in the Borough of Queens owned by the Methodist Episcopal Church of Glendale, L. I., provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

Church of the Mediator, Yonkers—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

December, 21, 1914.

To the Honorable the Commissioners of the Sinking Fund of the City of New York:

Gentlemen—Church of the Mediator, Yonkers, has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Bronx, designated on the official tax map as Section 13, Block 3403, Lot 20, including the property formerly known as Lot 20, Lot 20 of 1, and Lot 27.

This application is made pursuant to the provisions of Section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, sub-division seven of the law tax, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same in the years 1855, 1867 and 1902; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a site for a church and parish school house.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1911, and since, and the assessed valuation for the year 1914 is $107,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

The records of this Department show the following paid and unpaid awards affecting the property hereinbefore described, viz.:

An award known as Parcel Damage No. 15, In the Matter of Opening 231st Street affecting block 3403, lot 20, was made to Unknown Owner in the sum of $17.45, and still remains unpaid;

An award for Parcel Damage No. 5k, In Kingsbridge Avenue Opening was made to the Church of the Mediator, Yonkers, in the sum of $550, for damage to building, and was paid on October 7, 1912;

An award for Parcel Damage Nos. 33-34-35, In the Matter of Opening Tibbitt Avenue was made to the Church of the Mediator, Yonkers, in the sum of $4,621.01, and still remains unpaid.

As to the award referred to above, in the proceeding for Opening Kingsbridge Avenue, amounting to $550 paid to the petitioner on October 7, 1912, it appears that such award was taken into consideration in disposing of a former application made to the commissioners of the sinking fund under said section 221A of the charter, by the

DAMAGED PAGE(S)

petitioner herein, for the cancellation of certain other assessments affecting the property hereinbefore described, and that on March 27, 1912, upon the recommendation of the Comptroller, the commissioners of the sinking fund passed a resolution authorizing the cancellation of such assessments upon payment of the sum of $500, which sum so required to be paid as a condition to cancellation, represented the award last re-referred to, at that time unpaid, i.e., $550, plus the nominal sum of $10.

It further appears that among the assessments authorized to be cancelled as aforesaid by said resolution of March 27, 1912, was the assessment in the same proceeding in which said award of $550 was made, the principal of which assessment amounted to $3,467.36.

The records of this Department show further that said assessment last mentioned was subsequently cancelled, as provided by said resolution, together with the other assessments included in the resolution, and that the sum of $560 required to be paid, representing the amount of said unpaid award, plus $10, was paid by the petitioner as a condition to such cancellation.

The two remaining awards above referred to are unpaid at the present time. The assessments for benefit in the same proceedings in which said awards were made are included in the foregoing schedule of assessments which the petitioner seeks to have cancelled. In view of the fact that the assessment in each proceeding exceeds the award in such proceeding, I would recommend, as a condition to the cancellation of said two assessments, that the petitioner be required to pay to the City the aggregate amount of said two unpaid awards, viz: $4,638.46, and as a condition to the cancellation of the remaining assessments above set forth, that it be required to pay the nominal sum of $10, making the total sum to be paid, as a condition to the cancellation of all of the foregoing assessments, $4,648.46.

The records of this Department show no lease to The City of New York of the property hereinbefore described, or any part thereof.

The total amount involved as principal in the above assessments is $25,632.09. The property affected by these assessments is located in the Borough of The Bronx, southerly side West 231st Street, from Corlear to Kingsbridge Avenues.

The Rev. John Campbell, Rector, in response to a request, has submitted a financial statement for the year ending November 1, 1912, showing the total receipts from all sources to be $18,501.89, and the expenditures for all objects $18,788.86, leaving a deficit of $286.97.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Church of the Mediator, Yonkers, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of $4,648.46, provided that payment be made within sixty days from the date of the resolution authorizing such payment; and also provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of four thousand six hundred and forty-eight dollars and forty-six cents ($4,648.46), within 60 days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the Church of the Mediator, Yonkers, in the Borough of The Bronx, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected and that the same is not under contract of sale:

DEPARTMENT OF FINANCE.

WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE MONDAY, JANUARY 25, 1915.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that, when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice date.

Where the word "final" is shown after the name of the payee, payment will not be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

In making a written or verbal inquiry at this office for any of the above mentioned warrants, it is requested that reference be made by the Department of Finance voucher number.

WILLIAM A. PRENDERGAST, Comptroller.

They shall have the right to examine any of the books of the Company and its officers under oath. The valuations so ascertained, fixed and determined shall be conclusive upon both parties. If such appraisers shall determine that any compensation shall be paid to the City during the renewal term, the parties shall enter into a written agreement providing for the payment of the compensation so fixed and the time and manner of making such payment. The compensation and expenses of the said appraisers shall be borne jointly by the City and the Company, each paying one-half thereof.

Second—The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the title thereto, or right, interest or property therein pass to or vest in any other person or corporation whatsoever, either by the act of the company, or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, unless the proposed successor in title to the rights of the Company shall file with the Board an instrument under seal, agreeing to assume and be bound by all of the terms and conditions of this contract, and agreeing to waive any more favorable conditions created by its charter or any statute relating to the consolidation or merger of corporations, or otherwise. The filing of such agreement shall constitute a condition precedent to the passing or vesting of the rights hereby granted, or of any portion thereof, or of any right, interest or property therein. In case of the failure of such proposed successor in title to the rights of the Company to file such agreement within sixty (60) days after the date on which the consolidation, merger, etc., is to take effect, the rights hereby granted shall cease and determine.

Third—Nothing in this contract shall be deemed to affect in any way the right of the City to grant to any individual or other corporation a similar right or privilege upon the same or other terms and conditions, over the same streets and avenues hereinbefore described.

Fourth—Upon the termination of this original contract, or if the same be renewed, then at the termination of the said renewal term, or upon the termination of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the retaining walls, guard rails, tracks and equipment of the Company constructed pursuant to this contract within the streets and avenues shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

If, however, at the termination of this contract as above, the Board shall so order by resolution, the Company shall, upon thirty (30) days' notice from the Board, remove all of its tracks and other equipment constructed pursuant to this contract and the said streets and avenues shall be restored to their original condition at the sole cost and expense of the Company.

Fifth—Said retaining walls, guard rails, tracks, bridges and other structures authorized or required by this contract shall be constructed, maintained and operated subject to the supervision and control of all the authorities of the City who have jurisdiction in such matters, as provided by the Charter of the City.

No construction upon said retaining walls, tracks, bridges or other structures shall be commenced until written permits have been obtained from the proper City officials.

In any permits so issued such officials may also impose such conditions, as a condition of the granting of the same, as are necessary for the purpose of protecting any structures, in the streets and avenues, over which such officials have jurisdiction and the Company shall comply with such conditions.

The electrical equipment to be installed by the Company for the operation of the tracks hereby authorized, whether the same be upon streets and avenues or upon private property, shall be constructed and maintained under the supervision and control of the Commissioner of Water Supply, Gas and Electricity.

Sixth—The Company shall commence and complete construction of the structures herein authorized or required within ten (10) years from the date of the adoption by the Board of a resolution changing and re-establishing the grades of the streets to permit the construction of the structures as contemplated should it be necessary to change or re-establish the grades of any of the streets in which structures are herein authorized or required, or in case it shall be unnecessary to change such grades, or in case said grades shall be changed or re-established before the date on which this contract is signed by the Mayor, then the Company shall commence and complete the construction within ten (10) years from the date on which the contract shall be so signed, otherwise this right shall cease and determine, and the sum of five thousand dollars ($5,000), which sum is a portion of the amount heretofore deposited with the Comptroller of the City as security for the faithful performance of the terms and conditions of a contract hereinafter referred to and dated May 4, 1914, and which is hereinafter made likewise a fund which shall be security for the faithful performance of the terms and conditions of this contract, shall thereupon be forfeited to the City. In case of the forfeiture of the rights hereby granted as above and the forfeiture to the City of the sum of five thousand dollars ($5,000), as provided herein, the Company shall immediately deposit with the Comptroller of the City an additional sum of five thousand dollars ($5,000), to replace such sum forfeited for the purpose of completing and making up the sum of ten thousand dollars ($10,000) required to be deposited with and held by the Comptroller as security for the faithful performance of the terms and conditions of the aforementioned franchise contract of May 4, 1914; provided that the period for commencement and completion may be extended by the Board, but the total extension of time shall not exceed in the aggregate six (6) months; and provided further that when the commencement or completion of said construction shall be prevented by legal proceedings in any court or by works of public improvement, or from other causes not within control of the Company, the time for the commencement and completion of such construction may be extended for the period of such prevention, but no delay shall be allowed for unless the court proceedings shall be diligently prosecuted by the Company, and provided further, that in no case shall such delay be deemed to begin until the Company shall have given written notice to the Board of any such court proceedings or other occasion of delay, and deliver to the Board copies of any injunction or other orders, and the papers upon which the same shall have been granted, and unless upon the request of the Board the Company shall in writing, consent that the Board either in its own name as a party, or in the name of the City as a party, may intervene in any such proceedings.

Seventh—It is agreed that the right hereby granted to construct, maintain and operate the structures authorized or required herein shall not be in preference or in hindrance to public work of the City, and should the said structures in any way interfere with the construction of public works in the streets and avenues, whether the same is done by the City directly or by a contractor for the City, the Company shall, at its own expense, support and protect the retaining walls, tracks, bridges and appurtenances in the manner directed by the City officials having jurisdiction over such public work.

Eighth.—The retaining walls herein authorized, where they occupy the bed of streets, shall be so constructed as to permit the laying of pavement over the same at the established sidewalk and roadway grades, and wherever necessary for the protection of the public said walls shall be surmounted by good and sufficient guard rails or fences. Said retaining walls shall be constructed of concrete under the direction of the President of the Borough of Queens and shall be of sufficient strength and thickness to support the surface of the streets within which they are constructed and the subsurface structures in such streets.

Ninth—Vernon Avenue, East Avenue and Jackson Avenue shall be carried at their established widths and grades over the tracks of the Company hereby authorized, by means of bridges. Plans for such bridges shall be submitted to the Board for its approval, and must receive such approval before the work of construction thereon shall be commenced.

Such bridges shall be so constructed and maintained as to accommodate thereon the existing twelve (12) inch water mains of the City crossing the tracks of the Company at East Avenue, Jackson Avenue and Vernon Avenue, and also the proposed thirty (30) inch water main to be constructed across the Company's tracks at East Avenue. Should the City at any time during the term of this contract desire to construct across the tracks of the Company herein authorized any additional water mains or pipes other than those specified above, the Company shall permit the same to be carried on the bridges herein required, provided said bridges shall be of sufficient strength to accommodate such pipes or mains or be properly strengthened in order to accommodate them.

Tenth—The Company shall do all the work and pay the entire cost:

(a) Of constructing and maintaining the retaining walls, guard rails or fences and tracks hereby authorized or required.

(b) Of constructing the necessary bridges to carry the streets over the tracks hereby authorized at the established grades thereof, and maintaining such bridges or portions thereof as and in the manner provided by the Railroad Law.

(c) Of changing the street grades, water supply and drainage systems as may be necessary in the construction of the structures hereby authorized or required, and of all work of any kind incidental thereto, including reflagging, repaving and recurbing of the streets and the roadway of the bridges constructed as herein required.

(d) Of protecting all the surface and subsurface structures which shall in any way be disturbed by the construction of the structures hereby authorized or required.

The Company shall pay the entire cost:

Of all damages to the lands, tenements and hereditaments caused by and in consequence of the changes in grades which may be made in the said streets or other streets affected thereby in connection with the structures herein authorized, and the grantee shall also indemnify The City of New York from and against any and all liability for such damage.

Eleventh—The City shall have the right, without cost, during the term of this contract, whether original or renewal, to construct and maintain under and across the existing tracks of the Company and the tracks and structures hereby authorized to be constructed across Vernon Avenue, East Avenue and Jackson Avenue, all such sewer pipes which in the opinion of the President of the Borough of Queens shall be necessary or proper and which shall not conflict with the maintenance and operation of the railroad of the Company.

Twelfth—The privilege hereby granted so far as it shall affect the use or occupation of any lands or property of the City under the jurisdiction of the Department of Parks, is and shall be subject to the further consent of such department.

Thirteenth—In case of any violation or breach or failure to comply with any of the provisions herein contained or with any orders of the Board acting under the powers herein reserved, the franchise or consent herein granted may be forfeited by a suit brought by the Corporation Counsel, on notice of ten (10) days to the Company, or at the option of the Board by resolution of said Board, which said resolution may contain a provision to the effect that the structures constructed and in use by virtue of this contract shall thereupon become the property of the City without proceedings at law or in equity. Provided, however, that such action by the Board shall not be taken until the Board shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice, to show cause why such resolution declaring the contract forfeited should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

Fourteenth—If the Company shall fail to maintain its structures and equipment as herein provided in good condition throughout the whole term of this contract, the Board may give notice to the Company specifying any default on the part of the Company, and requiring the Company to remedy the same within a period to be fixed by the Board when giving such notice, and upon failure of the Company to remedy such default within the period fixed the Board, in case such structures or equipment which may affect the surface of the streets shall not be put in good condition within a reasonable time after notice by the Board as aforesaid, shall have the right to make all needed repairs at the expense of the Company, in which case the Company shall pay to the City the amount of the cost of such repairs, with legal interest thereon, all of which sums may be deducted from the fund hereinafter provided for.

Fifteenth—The Company shall assume all liability for damages to persons or property occasioned by reason of the construction, maintenance or operation of the structures authorized or required by this contract, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company hereby agrees to repay to the City any damage which the City shall be compelled to pay by reason of any acts or default of the Company.

Sixteenth—This grant is upon the express condition that the sum of ten thousand dollars ($10,000) heretofore deposited with the Comptroller of the City by the Company under and pursuant to the franchise granted to the Company by the City by contract dated May 4, 1914, authorizing the construction of certain tracks across Hamilton Street, South Street and Farmers Avenue in the Borough of Queens, for the faithful performance by the Company of the terms and conditions of said contract, shall likewise form a fund which shall be security for the performance by the Company of all the terms and conditions of this contract and compliance with all orders of the Board acting under the powers herein reserved, especially those which relate to the construction and maintenance of the structures herein authorized, change of street grades, alterations to water supply and drainage systems, protection of the surface and subsurface structures interfered with during the course of construction and of the payment for the damages to lands, tenements and hereditaments occasioned by the change of street grades in connection with the structures herein authorized or required, and in case of default in the performance by the Company of such terms and conditions or compliance with such orders, or either or any of them, the City shall have the right to cause the work to be done and the materials to be furnished for the performance thereof after due notice, and shall collect the reasonable cost thereof from the said fund without legal proceedings, or after default in payment of the annual charges, should any be hereafter required, shall collect the same with interest from the said fund after ten (10) days' notice to the Company, or in case of default to observe the said terms and conditions of this contract and orders of the Board acting hereunder, the Company shall pay a penalty of ten dollars ($10) a day for each day of failure; all of which sums may be deducted from said fund.

The procedure for the imposition and collection of the penalties in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President or other officer to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not be penalized in accordance with the foregoing provisions. If the Company fails to make an appearance, or after a hearing appears in the judgment of the Board to be in fault, said Board shall forthwith impose the prescribed penalty, or where the amount of the penalty is not prescribed herein, such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw the amount of such penalty from the security fund heretofore deposited with him, as specified herein. In case of any drafts made upon the security fund the Company shall, upon ten (10) days' notice pay to the City a sum suf-

ficient to restore said security fund to the original amount of ten thousand dollars ($10,000), and in default thereof this contract shall be cancelled and annulled at the option of the Board, acting in behalf of the City. No action or proceeding or right under the provisions of this contract shall affect any other legal rights, remedies or causes of action belonging to the City. These provisions for the recovery of penalties are in addition to the right to forfeit the franchise conferred by Section 2, Fourteenth, of this contract.

Seventeenth.—The words "notice" or "direction," wherever used in this contract shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

Eighteenth—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned, shall be transferred by law to any other board, authority, officer or officers then and in such case such other board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

SEC. 3. Nothing contained in this contract, nor any act, order or direction of the City or any of the boards, departments or officials thereof, performed or given pursuant thereto, shall be construed as a recognition of the legality or validity of the tracks of the Company now laid and existing across Vernon, East and Jackson Avenues in the First Ward, Borough of Queens, said to have been constructed under the charter rights of the Company's predecessor in title, the Flushing and North Side Railroad Company, nor as a waiver or surrender by the City of any right or cause of action, legal or otherwise, that it may now or shall hereatter possess, by reason of the failure of the Company or of any of its predecessors in title to comply with any provision of law governing or controlling the laying of such existing tracks.

SEC. 4. Nothing in this contract shall be construed as in any way limiting the present or future jurisdiction of the Public Service Commission under the laws of the State of New York.

SEC. 5. This grant is also upon the further and express condition that the provisions of the Railroad Law, pertinent hereto, shall be strictly complied with by the Company.

SEC. 6. The Company promises, covenants and agrees on its part and behalf to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of $50, the sum of $50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupany of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beamholes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the sunervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
