New York City

**Do You Know
NYC's COVID-19
Alert Level?**

Current Level:

High

COVID-19 Alert Level - HIGH
Wear a Mask Indoors

COVID-19 ADVISORY:

- ◆ **Wear a mask in all indoor public settings, including at groceries, building lobbies, offices, stores and other common or shared spaces.**
- ◆ **All masks should cover the nose and the mouth. Higher-quality masks, such as KN95 and KF94 masks and N95 respirators, can offer additional protection.**
- ◆ **If you are at high risk of severe illness, are over 65, or are unvaccinated, take additional precautions. Avoid crowded settings and non-essential get-togethers.**

The Alert Level has been raised to High. The NYC Health Commissioner now advises all New Yorkers to wear a mask in any public indoor setting. People who are older than 65 or otherwise at a high risk of severe illness from COVID-19 should also wear a mask in crowded outdoor settings and avoid gatherings

when possible. The alert system can be found on NYC Health's [website](#).

Participating Organizations:

Safe in the City Grant

The Mayor's Office of Neighborhood Safety is inviting applications from New Yorkers for small grants – ranging up to \$10,000 –to incentivize and encourage resident leaders and organizations to promote peace in communities across the city. Proposals should be creative and specific, encourage community cohesion and empowerment and be geared toward violence reduction and promotion of positive lifestyle choices.
