## JURORS.

NOTICE  
IN RELATION TO JURORS FOR  
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties.

If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment.

Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

**THOMAS DUNLAP, Commissioner,**  
County Court-house (Chambers street entrance).

## FINANCE DEPARTMENT.

PROPOSALS FOR \$6,900,000.  
CONSOLIDATED STOCK OF THE CITY OF NEW YORK; INTEREST AT 5 PER CENT. PER ANNUM.

REDEEMABLE, 1908. PAYABLE, 1928.  
SECURED BY THE SINKING FUND.

SEALED PROPOSALS WILL BE RECEIVED AT the Comptroller's Office, until Tuesday, October 8, 1878, at 2 o'clock P. M., when the same will be publicly opened in the presence of the Commissioners of the Sinking Fund, for the whole or any part of the sum of \$6,900,000 of Consolidated Stock of the City of New York, authorized by chapter 322, Laws of 1871, and issued pursuant to the provisions of chapter 383, Laws of 1878, and a resolution of the Commissioners of the Sinking Fund, adopted August 26, 1878.

The bonds are redeemable on and after the first day of November, 1908, and payable on the first day of November, 1928, with interest at 5 per cent. per annum, payable semi-annually, on the first day of May and November, in each year, at the office of the Comptroller, in the City of New York.

The bonds, principal and interest, will be made payable in either the gold coin or the currency of the United States, as may be desired, and bidders are requested to state distinctly in their proposals the description of bonds they desire and bid for, whether Gold Bonds or Currency Bonds.

Said stock will be issued for the redemption and cancellation of an equal amount of bonds of the Corporation, issued for local improvements, due on November 1, 1878, and its issue will therefore not increase the city debt.

The proposals may be made for Coupon Bonds of \$500 and \$1,000, and for Registered Bonds of \$500, or any multiples of this sum.

Coupon Bonds will be convertible by the holders into Registered Bonds, by the surrender thereof at the Comptroller's Office.

Proposals will state the amount of bonds desired, and the price per one hundred dollars thereof.

The law provides that "The Comptroller, with the approval of the Commissioners of the Sinking Fund, shall determine what, if any, part of said proposals shall be accepted, and upon the payment into the City Treasury of the amounts due by the persons whose bids are accepted, respectively, certificates therefor shall be issued to them as authorized by law."

Payment may be made on or before November 1, 1878, and the aforesaid bonds of the Corporation due on November 1, 1878, will be received from the holders thereof whose proposals are accepted as the highest bidders, at par with accrued interest thereon, on or before that date, in payment for stock that may be awarded to them.

Interest allowed from the date of payment. Receipts will be given, for which Bonds will be delivered to the holders on and after November 1, 1878.

Each proposal should be sealed and endorsed "Proposals for Consolidated Stock of the City of New York," and inclosed in a second envelope addressed to the Comptroller.

Said stock will be awarded to the highest bidders, and the right is reserved on the part of the Comptroller to reject any or all of the bids, if in his judgment the interests of the Corporation require it.
