The Board met pursuant to the following call :

OFFICE OF THE MAYORALTY,
EXECUTIVE DEPARTMENT, CITY HALL,
NEW YORK, August 5, 1875.

In pursuance of the authority contained in the 112th section of chapter 335, being an act entitled "An act to reorganize the local government of the City of New York," passed April 30, 1873; and section 2 of chapter 779, being an act entitled "An act in relation to raising money by taxation in the County of New York, for county purposes," passed June 14, 1873; and chapter 304, being an act entitled "An act to consolidate the government of the City and County of New York, and further to regulate the same," passed April 30, 1874; and chapter 303, being an act entitled "An act in relation to the estimates and apportionment for the support of the government of the County of New York," passed April 30, 1874; and chapter 308, being an act entitled "An act in relation to the estimates and apportionment for the support of the government of the City of New York," passed May 1, 1874—a meeting is hereby called of the Mayor, Comptroller, President of the Board of Aldermen, and the President of the Department of Taxes and Assessments, constituting a Board of Estimate and Apportionment, to be held at the office of the Mayor, on Monday, August 9, 1875, at 2 o'clock P. M., for the purposes indicated in correspondence between the Mayor and Comptroller, of August 4 and 5, 1875, and of transacting such other business as may come before said Board.

WM. H. WICKHAM, Mayor.

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,
CITY OF NEW YORK, August 4, 1875.

Hon. WILLIAM H. WICKHAM, Mayor :

SIR—I have to advise you that there are unpaid claims, including pay-rolls for Boulevard laborers, in this office, payable only from proceeds of assessment bonds and from bonds provided for judgments, and the authority heretofore granted by the Board of Estimate and Apportionment for the issue of said bonds is exhausted.

The matter is referred to you for such action as you may deem proper.

Respectfully,
ANDREW H. GREEN, Comptroller.

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, August 5, 1875.

ANDREW H. GREEN, Comptroller :

SIR—I have this morning received your letter of the 4th inst., advising me that there are unpaid claims, including pay-roll for Boulevard laborers, in your office, payable only from proceeds of assessment bonds, and from bonds provided for judgments. You do not explain why you should address to me that communication, instead of the usual request that a meeting of the Board of Estimate and Apportionment be called for the purpose of taking the action proper in such a case.

But in view of the facts stated by you, it seems that there should be authority granted by that Board for the issue of such bonds as you have indicated, and for that purpose you will please furnish to me, at the earliest possible moment, the specific information which is expected in calling a meeting of the Board, and which is necessary in framing a resolution to meet the emergency—such resolution as has been heretofore in like cases usually drawn in the Finance Department and offered by you.

Very respectfully,
WM. H. WICKHAM, Mayor.

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,
CITY OF NEW YORK, August 5, 1875.

Hon. WM. H. WICKHAM, Mayor :

SIR—I have received yours of this date in reply to mine of 4th instant, in relation to unpaid claims and pay-rolls payable from proceeds of bonds.

The amount now required for claims already presented, and to be provided from Assessment Bonds is \$100,000, and from Judgment Bonds, \$9,844.96.

Claims on these accounts are, however, being presented daily, the payment of which are necessarily delayed until the Board authorizes the issue of an amount of bonds sufficient to meet them.

Any further information which you may desire on this subject, I shall be happy to communicate.

Respectfully,
ANDREW H. GREEN, Comptroller.

OFFICE OF THE CLERK OF THE BOARD OF EDUCATION,

NEW YORK, August 3, 1875.

To the Board of Estimate and Apportionment, New York:

GENTLEMEN—The undersigned respectfully represent, that a resolution was adopted by the Board of Education on the 16th of June last, a copy of which was sent to your Honorable Board, requesting an additional appropriation of one hundred and twenty thousand dollars (\$120,000), to enable the Board to rebuild Grammar School No. 36, recently destroyed by fire. To accommodate the pupils of said school until a new building can be erected, the Board has hired the premises on the corner of Tenth street and Avenue D, which are the best that can be obtained in the vicinity of the building lately destroyed, but these are very far from affording proper accommodation for the 1,700 pupils that have usually attended No. 36; hence the Board is desirous that a compliance with this request should be made by you at an early day, to enable them to commence the new building this fall, and to complete it for the reception of pupils at the date of the expiration of the lease of said premises.

The undersigned, therefore, beg leave to urge the immediate attention of the Board of Estimate and Apportionment to this matter, in the confidence of a favorable response to the request suggesting that a portion of the sum asked for may be thus applied, by transfer from the amount relinquished by the Board of Education from the Fund of 1874.

Very respectfully,

S. P. PATTERSON, } Committee on
WM. DOWD, } Buildings of
DAVID F. BAKER, } the Board of
WILLIAM HERRING, } Education.

Whereupon, the Comptroller offered for adoption the following resolution:

Resolved, That the sum of seventy thousand dollars (\$70,000) is hereby transferred from the appropriation "Public Instruction," for the year 1874, the same being in excess of the amount required for the purposes and objects thereof, to the same title of appropriation for the year 1875, for which it is required.

The Chairman put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The Mayor of the City of New York (Chairman), the Comptroller of the City of New York, the President of the Board of Aldermen, and the President of the Department of Taxes and Assessments—4.

Resolved, That section 37 of the Sanitary Code be and is hereby amended as follows: Sec. 37. That no meat, fish, fruit, vegetables, or milk, or unwholesome liquid, shall knowingly be bought, sold, held, offered for sale, labeled, or any representation made in respect thereof, under a false name or quality, or as being what the same is not, as respects wholesomeness, soundness, or safety for food or drink.

Resolved, That section 38 of the Sanitary Code be and is hereby amended to read as follows: Sec. 38. That every person, being the owner, lessee, or occupant of any room, stall, or place where any meat, fish, fruit, or vegetables, designed or held for human food, shall be stored or kept, or shall be held or offered for sale, shall put and keep such room, stall, and place, and its appurtenances, in a cleanly and wholesome condition; and every person having charge, or interested, or engaged, whether as principal or agent, in the care, or in respect to the custody or sale of any meat, fish, fruit, birds, fowl, or vegetables, designed for human food, shall put and preserve the same in a cleanly and wholesome condition, and shall not allow the same, or any part thereof, to be poisoned, infected, or rendered unsafe or unwholesome for human food.

Resolved, That section 40 of the Sanitary Code be and is hereby amended to read as follows: Sec. 40. That it shall be the duty of every person knowing of any fish, meat, fowl, birds, fruit, or vegetables being bought, sold, or offered, or held for sale as food for human beings, or being in any market, public or private, in said city, and not being sound, healthy, or wholesome for such food, to forthwith report such facts, and the particulars relating thereto, to this Department, or to one of its officers or inspectors.

Resolved, That section 42 of the Sanitary Code be and is hereby amended to read as follows: Sec. 42. That upon any cattle, meat, birds, fowl, fish, fruit, or vegetables being found by any inspector, or other officer of this Department, in a condition which is, in his opinion, unwholesome and unfit for use as human food, or in a condition of a weight or quality in this code condemned or forbidden, he shall cause the same to be examined by two reputable persons, reasonably competent to judge in respect thereto, whom he may conveniently find; and if both said persons disagree with him in opinion in respect thereto, he shall take no action, and give no order, relative to the same, till he has been instructed by the Sanitary Superintendent; and if one or both of said persons agree with him in respect to said articles, then such inspector or officer may forbid the same being offered or exposed for sale, or being sold, for human food, till the owner or party in charge or other proper person has obtained the consent of the Sanitary Superintendent, or of this Board, to their being so offered, used, or sold. And if both such persons agree with him in opinion, he may order the same to be removed; and thereupon, or if this Board shall have approved the judgment of said inspector, it shall be the duty of the owner and party in charge to speedily remove such article from any market, street, or public place, and not to sell or dispose, or offer to sell or dispose thereof for the purpose of human food. And in default of such removal, and also in case of disobedience to such order, and also in all cases where, in his opinion, such articles, by reason of their being in a decayed or offensive condition, would, if allowed longer to remain, be dangerous to health, the same (as this Board may provide) may be caused to be removed by any inspector, police officer, or officer of this Department, to some suitable place, at the expense of the party who should have removed the same, and the owner and party in interest must take notice thereof.
