The Department of Public Charities and Correction re-  
serves the right to decline any and all bids or estimates if  
deemed to be for the public interest, and to accept any  
bid or estimate as a whole, or for any one or more articles  
included therein. No bid or estimate will be accepted  
from, or a contract awarded to, any person who is in  
arrears to the Corporation upon debt or contract, or who  
is a defaulter, as surety or otherwise, upon any obligation  
to the Corporation.

The award of the contract will be made as soon as prac-

Any bidder for this contract must be known to be en-

amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or  
them therein; and if no other person be so interested, it  
shall distinctly state that fact; that it is made without any  
connection with any other person making an estimate for  
the same purpose, and is in all respects fair and without  
collusion or fraud; and that no member of the Commor.  
Council, Head of a Department, Chief of a Bureau, Deputy  
thereof or Clerk therein, or other officer of the Corpora-  
tion, is directly or indirectly interested therein, or in the  
supplies or work to which it relates, or in any portion of  
the profits thereof. The bid or estimate must be verified  
by the oath, in writing, of the party or parties making the  
estimate, that the several matters stated therein are in all  
respects true. Where more than one person is interested,  
it is requisite that the verification be made and subscribed  
by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in the  
City of New York, with their respective places of  
business or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for its  
faithful performance; and that if he shall omit or refuse to  
execute the same, they shall pay to the Corporation any  
difference between the sum to which he would be entitled  
on its completion and that which the Corporation may be  
obliged to pay to the person or persons to whom the con-  
tract may be awarded at any subsequent letting; the  
amount in each case to be calculated upon the estimated  
amount of the work by which the bids are tested. The  
consent above-mentioned shall be accompanied by the  
oath or affirmation, in writing, of each of the persons sign-  
ing the same that he is a householder or freeholder in the  
City of New York, and is worth the amount of the security  
required for the completion of this contract, over and  
above all his debts of every nature, and over and above  
his liabilities, as bail, surety, or otherwise; and that he  
has offered himself as a surety in good faith and with the  
intention to execute the bond required by section 27 of  
chapter 8 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the person or  
persons for whom he consents to become surety. The  
adequacy and sufficiency of the security offered to be ap-  
proved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-  
panied by either a certified check upon one of the national  
banks of the City of New York, drawn to the order of the  
Comptroller, or money, to the amount of five per centum  
of the amount of the security required for the faithful per-  
formance of the contract. All such deposits, except that  
of the successful bidder, will be returned to the persons  
making the same within three days after the contract is  
awarded. If the successful bidder shall refuse or neglect,  
within five days after notice that the contract has been  
awarded to him, to execute the same, the amount of the  
deposit made by him shall be forfeited to and retained by  
the City of New York as liquidated damages for such neglect or re-  
fusal; but if he shall execute the contract within the time  
aforesaid, the amount of his deposit will be returned to  
him.

Should the person or persons to whom the contract may  
be awarded neglect or refuse to accept to contract within  
five days after written notice that the same has been  
awarded to his or their bid or proposal, or if he or they  
accept but do not execute the contract and give the  
proper security, he or they shall be considered as hav-  
ing abandoned it and as in default to the Corporation, and  
the contract will be readvertised and relet as provided by  
law.

The quality of the articles, supplies, goods, wares, and  
merchandise must conform in every respect to the samples  
of the same respectively at the office of the said Depart-  
ment. Bidders are cautioned to examine the specifica-  
tions for particulars of the articles, etc., required, before  
making their estimates.

Bidders will state the price for each article, by which  
the bids will be tested.

Bidders will write out the amount of their estimate, in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Compt-  
roller, issued on the completion of the contract, or from  
time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless under the written instruc-  
tion of the Commissioners of Public Charities and Correc-  
tion.

The Department of Public Charities and Correction  
reserves the right to decline any and all bids or esti-

mates if deemed to be for the public interest, and to accept  
any bid or estimate as a whole, or for any one or more  
articles included therein. No bid or estimate will be ac-  
cepted from, or a contract awarded to, any person who is  
in arrears to the Corporation upon debt or contract, or  
who is a defaulter, as surety or otherwise, upon any  
obligation to the Corporation.

showing the manner of payment, can be obtained at

estimates upon the following express conditions, which  
shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves by personal examina-  
tion of the location of the proposed work, and by such  
other means as they may prefer, as to the accuracy of the  
foregoing Engineer's estimate, and shall not, at any time  
after the submission of an estimate, dispute or com-  
plain of the above statement of quantities, nor assert  
that there was any misunderstanding in regard to the  
nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work  
to the satisfaction of the Department of Docks, and in  
substantial accordance with the specifications of the  
contract and the plans therein referred to. No extra  
compensation, beyond the amount payable for both classes  
of work before mentioned, which shall be actually per-  
formed at the prices therefor, to be specified by the lowest  
bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be com-  
menced within five days after the date of the contract, and  
the entire work is to be fully completed on or before the  
15th day of October, 1881, and the damages to be paid by  
the contractor, for each day that the contract may be  
unfulfilled, after the time fixed for the fulfillment thereof  
has expired, Sundays and holidays not to be excepted, are,  
by a clause in the contract, fixed and liquidated at Fifty  
Dollars per day.

Bidders will state in their estimates a price for the  
whole of the work to be done in each class, in conformity  
with the approved form of contract and the specifications  
therein set forth; by which prices the bids will be  
tested. These prices are to cover all expenses of every  
kind involved in or incidental to the fulfillment of the con-  
tract, including any claim that may arise through delay,  
from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in  
figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be  
awarded will be required to attend at this office with the  
sureties offered by him or them, and execute the contract  
within five days from the date of a service of a notice to  
that effect; and in case of failure to do so, he or they  
or they will be considered as having abandoned it, and as  
in default to the Corporation; and the contract will be re-  
advertised and re-let, and so on until it be accepted and  
executed.

Bidders are required to state in their estimates their  
names and places of residence; the names of all persons  
interested with them therein; and if no other person be so  
interested, the estimate shall distinctly state the fact; also  
that the estimate is made without any connection with any  
other person making an estimate for the same work, and  
that it is in all respects fair and without collusion or  
fraud; and also, that no member of the Common Council,  
Head of a Department, Chief of a Bureau, Deputy thereof,  
or Clerk therein, or other officer of the Corporation, is  
directly or indirectly interested therein, or in the supplies  
or work to which it relates, or in any portion of the profits  
thereof; which estimate must be verified by the oath, in  
writing, of the party making the estimate, that the several  
matters stated therein are in all respects true. Where  
more than one person is interested, it is requisite that the  
verification be made and subscribed by all the parties  
interested.

Each estimate shall be accompanied by the consent, in  
writing, of two householders or freeholders in the City of  
New York, with their respective places of business or resi-  
dence, to the effect that if the contract be awarded to the  
person or persons making the estimate, they will, on its  
being so awarded, become bound as his or their sureties for  
its faithful performance; and that if he or they shall omit  
or refuse to execute the same, they shall pay to the Corpora-  
tion any difference between the sum to which he or they  
would be entitled on its completion and that which the Cor-  
poration may be obliged to pay to the person or persons to  
whom the contract may be awarded at any subsequent letting;  
the amount in each case to be calculated upon the esti-  
mated amount of the work to be done, by which the bids  
are tested; the consent above-mentioned shall be accompa-  
nied by the oath or affirmation, in writing, of each of the  
persons signing the same, that he is a householder or free-  
holder in the City of New York, and is worth the amount  
of the security required for the completion of this contract,  
over and above all his debts of every nature, and over and  
above his liabilities, as bail, surety, and otherwise; and that  
he has offered himself as surety in good faith, and with the  
intention to execute the bond required by law. The adequacy  
and sufficiency of the security offered to be approved by the  
Comptroller of the City of New York, after the award is made  
and prior to the signing of the contract.

No estimate will be received or considered unless  
accompanied by either a certified check upon one of the  
National Banks of the City of New York, drawn to the  
order of the Comptroller, or money, to the amount of five  
per centum of the amount of security required for the faithful  
performance of the contract. All such deposits, except that  
of the successful bidder, will be returned to the persons making  
the same within three days after the contract is awarded. If  
the successful bidder shall refuse or neglect, within five  
days after notice that the contract has been awarded to him,  
to execute the same, the amount of the deposit made by him  
shall be forfeited to and retained by the City of New York  
as liquidated damages for such neglect or refusal; but if he  
shall execute the contract within the time aforesaid, the  
amount of his deposit will be returned to him.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless under the written instruc-  
tions of the Engineer-in-Chief.

No estimate will be accepted from, or a contract awarded  
to, any person who is in arrears to the Corporation, upon  
debt or contract, or who is a defaulter, as surety or other-  
wise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if  
deemed for the interest of the Corporation of the City of  
New York.

Bidders are requested, in making their bids or estimates,  
to use the blank prepared for that purpose by the De-  
partment, a copy of which, together with the form of the  
agreement, including specifications, and showing the  
manner of payment for the work, can be obtained upon  
application therefor at the office of the Department.

### NOTICE TO TAXPAYERS.

RELATING TO THE PAYMENT OF UNPAID TAXES, ASSESSMENTS, AND CROTON WATER RENTS.

THE COMPTROLLER OF THE CITY OF NEW YORK hereby gives notice to owners of real and personal estate in this city, that all unpaid taxes, assessments, and Croton water rents may now be paid with interest thereon at the rate of seven per cent. per annum, as provided by chapter 33 of the Laws of 1881, which is as follows:

#### CHAPTER 33.

AN ACT relative to the collection of taxes and assessments, and of arrears of taxes and assessments, and Croton water rents, in the City of New York.

(Passed March 16, 1881; three-fifths being present.)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. If any taxes of any year shall remain unpaid on the first day of November, after the assessment-rolls and the warrants to collect such taxes have been delivered to the Receiver of Taxes in the City of New York, it shall be the duty of said Receiver to give public notice, by advertisement for at least ten days in two of the daily newspapers, and in the CITY RECORD, printed and published in said city, respectively, that unless the same shall be paid to him at his office on or before the first day of December, in any such year, he will immediately thereafter proceed to collect such unpaid taxes, as provided in the following section of this act:

Section 2. If any such tax shall remain unpaid on the said first day of December, it shall be the duty of the said Receiver of Taxes in said city to charge, receive, and collect upon such tax so remaining unpaid on that day, in addition to the amount of such tax, one per centum on the amount thereof; and to charge, receive, and collect upon such tax so remaining unpaid on the first day of January thereafter, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated from the day on which said assessment-rolls and warrants shall have been delivered to the said Receiver of Taxes to the date of payment.

The same rate of interest shall be so charged and collected upon any tax levied in the year eighteen hundred and eighty, remaining unpaid at the date of the passage of this act.

Section 3. All existing provisions of law which impose a charge and require the collection of interest at the rate of twelve per centum per annum upon arrears of taxes on real and personal estate within the City of New York, upon arrears of assessments for local improvements and street openings in said city, and upon arrears of Croton water rents in said city, are hereby repealed; and in lieu of such charge of interest at the rate of twelve per centum per annum, there shall be charged and collected by the officer authorized to collect and receive any such arrears of taxes and assessments and Croton water rents, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated for the same period as interest at the rate of twelve per centum per annum is now required by law to be calculated thereon. This provision shall apply to taxes, assessments, or Croton water rents remaining unpaid and due, for the non-payment of which the lands and tenements liable therefor shall be hereafter sold at public auction as now provided by law; provided, however, that nothing in this act shall be construed to affect the rights of purchasers at sales for taxes, assessments, or Croton water rents, heretofore made, or to authorize the redemption of lands and tenements from sales heretofore made for any lesser sums than the sums collectible for such redemption under the provisions of existing laws.

Section 4. It shall be the duty of the Comptroller of the City of New York to give public notice, by advertisement, for at least ten days, in the CITY RECORD, printed and published in said city, immediately after the confirmation of any assessment for a local improvement or street opening in said city, that the same has been confirmed and confirmed by the Board of Revision and Correction of Assessments in proceedings for local improvements, and by the Supreme Court in proceedings for street openings, and also the date of entry in the record of titles of assessments kept in the Bureau for the Collection of Assessments, and of Arrears of Taxes and Assessments, and of Croton water rents, notifying all persons, owners of property affected by any such assessment, that, unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of any such assessment, interest shall thereafter be collected thereon as provided in the following section of this act, and all provisions of law or ordinance requiring any other or different notice of assessments and interest thereon are hereby repealed.

Section 5. If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said record of titles of assessments, it shall be the

duty of the officer authorized to collect and receive the amount of such assessment, to charge, collect, and receive legal interest thereon, at the rate of seven per centum per annum, to be calculated from the date of such entry to the date of payment.

Section 6. This act shall take effect immediately.
