## CONSTRUCTION OF A SEWER AND APPURTENANCES IN ONE HUNDRED AND FORTIETH STREET, FROM ALEXANDER AVENUE TO BROOK AVENUE, WITH BRANCHES IN ALEXANDER AVENUE AND WILLIS AVENUE.

**PROPOSALS, IN SEALED ENVELOPES, WILL**  
be received at the office of the Department of Public Parks, No. 36 Union Square, New York City, until Wednesday, the 23d day of October, 1878, at the hour of half-past nine o'clock A. M., when they will be publicly opened and read—

For Constructing a Sewer and Appurtenances in One Hundred and Fortieth street, from Alexander avenue to Brook avenue, with branches in Alexander avenue and Willis avenue, in the Twenty-third Ward of the City of New York.

The Engineer's estimate of work and materials by which the bids will be tested is as follows, to wit:

1,512 linear feet of 12-inch pipe sewer,  
1,028 " " " "

3 Receiving-basins, complete.  
27 Man-holes, complete.

The above estimated quantities are approximate, and bidders are notified that the Department of Public Parks reserves the right to increase or diminish the gross length of the Sewers, Culverts, and Drains, or any part thereof, the number of Basins, Man-holes, Piles, or amount of Foundation Plank or other items, and that no allowance will be made in case of increase thereof for any sum above the prices bid, nor in case of decrease, for any real or supposed damage or loss of profit occasioned by such diminution. The time bid for the completion of the work will be proportionately increased or diminished.

Each proposal must state, in writing, a price per linear foot for each of the first two items above mentioned, a price for each Receiving-basin complete, and for each Man-hole complete, which prices, together with those fixed in the contract, are to cover the whole cost of the work.

The time required for completion, which will be tested at the rate of \$4 per day, must also be stated.

No proposal will be received which contains prices for other items than those above mentioned, or which does not contain prices for all of said items.

No proposal will be considered unless accompanied by the consent, in writing, of two responsible householders or freeholders of the City of New York, their respective places of business or residence being named, to the effect that they will become bound as sureties in the sum of three thousand dollars for the faithful performance of the contract, should it be awarded upon that proposal.

Each proposal must state the name and place of residence of the person making the same; the names of all persons interested with him therein; that it is made without collusion with any other person making an estimate for the same work; and that no member of the Common Council or

The Engineer's estimate of the work to be done and by which the bids will be tested, is as follows:

- 200 cubic yards of excavation.
- 23,000 cubic yards of filling.
- 110,000 square feet of pavement, bridge or crossing stones, and flag-stones of sidewalks, taken up, removed, piled, and preserved.
- 3,000 lineal feet of curb and gutter stones taken up, removed, piled, and preserved.

Also, the Engineer's estimate of work to be done without charge therefor, is as follows:

- 10 sewer man-holes to be raised and curbs reset, requiring 18,000 br cks.
- 12 receiving-basins to be raised and one new head-stone to be furnished, requiring 15,000 bricks.

These quantities are considered as approximate, and are not to be held as entitling the contractor to any claim for extra time in the completion of the work, or to any other claim for damages, if the quantity of work between the points stated should prove to be greater than here estimated; and the Department of Public Parks expressly reserves the right of increasing or diminishing the said quantities, as in its opinion may be necessary.

Each proposal must state, in figures and in writing, a price for each of the following four items, namely:

1. For excavation, per cubic yard.
2. For filling, per cubic yard.
3. For pavement, bridge or crossing stones, and flag-stones of sidewalks, taken up, removed, piled, and preserved, per square foot.
4. For curb and gutter stones taken up, removed, piled, and preserved, per lineal foot.

These prices, together with those fixed in the contract, are to cover the whole cost of the work.

The time required for completion, which will be tested at the rate of \$4 per day, must also be stated.

No proposal will be received which contains prices for other items than those above mentioned, or which does not contain prices for all of said items.

No proposal will be considered unless accompanied by the consent, in writing, of two responsible householders or freeholders of the City of New York, their respective places of business or residence being named, to the effect that they will become bound as sureties in the sum of five thousand dollars for the faithful performance of the contract, should it be awarded upon that proposal.

Each proposal must state the name and place of residence of the person making the same; the names of all persons interested with him therein; that it is made without collusion with any other person making an estimate for the same work; and that no member of the Common Council or other officer of the Corporation is directly or indirectly interested therein, or in any portion of the profits thereof.

The Department reserves the right to reject any or all proposals. Proposed sureties must verify their consent by affidavit.

Forms of proposals may be obtained, and the terms of the contract (including the specifications) settled as required by law, and also the plans for the work, seen at the office of the Secretary, at the above address.

Proposals must be addressed to the President of the Department of Public Parks, and indorsed "Proposal for Grading Third Avenue," and shall also be indorsed with the name or names of the person or persons presenting the same and the date of presentation.
