Article VII Chapter 4 Special Permits by the City Planning Commission

74-60 PUBLIC SERVICE OR TRANSPORTATION FACILITIES

74-62 Railroad Passenger Stations

(a) Except as provided in paragraph (b), the City Planning Commission may permit the construction of railroad passenger stations in all districts, provided that the following findings are made:

- (a1) that the principal access for such #use# is not located on a local #street#;
(b2) that such #use# is so located as to draw a minimum of vehicular traffic to and through local #streets# in #residential# areas; and
(e3) that vehicular entrances and exits for such #use# are provided separately and are located not less than 50 feet apart.

The City Planning Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area, including requirements for shielding of floodlights or surfacing of access roads or driveways.

In addition, the Commission shall require the provision of adequate #accessory# off-street parking spaces necessary to prevent the creation of traffic congestion caused by the curb parking of vehicles generated by such #use#, and shall determine the required spaces in accordance with the purposes established in this Resolution with respect to other major traffic-generating facilities. The Commission shall require, in any event, not less than 20 spaces for the temporary parking of automobiles, and three spaces for buses.

(b) In Community Districts 4 and 5 in the Borough of Manhattan, the City Planning Commission may permit the construction of railroad passenger stations and ventilation facilities or other facilities or services used or required in connection with such railroad passenger station or in connection with an underground railroad right-of-way that provides access to such railroad passenger station, and may permit waivers of applicable #bulk# regulations, other than the #floor area ratio#, in connection with such ventilation facilities, or other facilities or services, provided that the following findings are made:

- (1) that the principal access for such railroad passenger station is not located on a local #street#;
(2) that such railroad passenger station is so located as to draw a minimum of vehicular traffic to and through local #streets# in #residential# areas;
(3) that any vehicular entrances and exits for such railroad passenger station are provided separately and are located not

less than 50 feet apart;

- (4) that the locations of at-grade entrances to such railroad passenger station are well situated in relation to existing at-grade pedestrian circulation patterns;
(5) that any below-grade pedestrian circulation elements provided in connection with the railroad passenger station are well integrated with any existing or planned below-grade pedestrian circulation networks providing connections to and from other transportation facilities; and
(6) for ventilation facilities or other facilities or services used or required in connection with a railroad passenger station or in connection with an underground railroad right-of-way that provides access to a railroad passenger station, that:
(i) any #bulk# modifications are the minimum necessary for the proper operation of the facility; and
(ii) that the design of the facility will blend harmoniously with the surrounding area or that a process has been created with the purpose of ensuring that the future design of the facility takes into account existing conditions and anticipated development in the surrounding area.

Railroad passenger station entrances provided pursuant to paragraph (b)(4) of this Section and railroad passenger station emergency access stairs, located within #publicly accessible open areas# of #zoning lots# subject to the provisions of Section 81-542 (Retention of floor area bonus for plazas or other public spaces), shall be permitted obstructions within such #publicly accessible open areas#, provided that the Commission finds that any encroachment within such #publicly accessible open areas# by such entrances or emergency access stairs will facilitate improved pedestrian circulation to, from and within the proposed railroad passenger station.

The special permit shall provide that such #publicly accessible open area# shall be designed and improved in connection with the installation of entrances or railroad passenger station emergency access stairs pursuant to a site plan accepted by the Chairperson of the City Planning Commission. The proposed site plan shall be referred to the affected Community Board, City Council Member and Borough President. Included with the site plan shall be a report to the Chairperson demonstrating that any comments and recommendations of the affected Community Board, City Council Member and Borough President have been considered, as set forth in a written response to such comments or recommendations. Where design modifications have been made in response to such comments and recommendations, the report shall identify how the design has been modified. The Chairperson shall not accept such site plan prior to sixty days after such referral. A #publicly accessible open area# improved pursuant to an accepted site plan shall be deemed to be certified pursuant to Section 37-625 (Design changes) and the standards set forth therein. Subsequent modifications of the site plan for such #publicly accessible open area#, including modifications involving the co-location of transportation facility entrances, shall be subject to this paragraph. An application to modify the site plan to facilitate the co-location of railroad passenger station entrances may be filed by the transportation agency seeking to co-locate a transportation facility entrance in the #publicly accessible open area# or by the property owner. Such application shall include evidence of consultation with any transportation agency with existing or planned facilities located in the #publicly accessible open area#. The modified site plan shall also be referred to such transportation agency by the Chairperson for comment.

The City Planning Commission may prescribe appropriate conditions and safeguards to minimize pedestrian and vehicular congestion and to minimize adverse effects on the character of the surrounding area, including requirements for shielding of floodlights, surfacing of access roads or driveways, mitigation of pedestrian impacts, signage requirements, or screening or placement of the facilities or services permitted pursuant to paragraph (b) this Section.

General Provisions

The Inclusionary Housing Program is established to promote

the creation and preservation of housing for residents with varied incomes in redeveloping neighborhoods and thus to promote the general welfare. The requirements of this program are set forth in this Section 23-90 (INCLUSIONARY HOUSING), inclusive.

Wherever the provisions of this Section 23-90 (INCLUSIONARY HOUSING), inclusive, provide that approval is required, #HPD# may specify the form of such approval in the #guidelines#.

23-93 Applicability

23-931 Lower income housing plans approved prior to (date of enactment)
Any #lower income housing plan#, as defined by Section 23-93 of this Resolution prior to (date of enactment), that has been approved by #HPD# prior to such date, and results, within one year after such approval, in the execution of a restrictive declaration pursuant to Section 23-95(e), as such Section existed prior to (date of enactment), shall be governed solely by the regulations in effect prior to (date of enactment) unless a #regulatory agreement# with respect thereto specifically provides to the contrary. However, Sections 23-954(b) and (c) shall apply to any permits or certificates of occupancy for #compensated developments# issued on or after (date of enactment).

The #floor area ratio# of a #compensated development# may be increased in exchange for #lower income housing#, pursuant to a #lower income housing plan#, as both terms were defined by Section 23-93 of this Resolution prior to (date of enactment), provided such #lower income housing# complies with all applicable provisions of Section 23-90 (INCLUSIONARY HOUSING) in effect prior to (date of enactment), except as provided in this Section. Where such a #compensated development# is located in an R10 district outside of #Inclusionary Housing designated areas#, the provisions of Section 23-951 (Floor area compensation in R10 districts other than Inclusionary Housing designated areas) shall not apply, and paragraph (a) of Section 23-94 (Floor Area Compensation) as such section existed prior to (date of enactment) shall apply;

Within a #general large-scale development# in a C4-6 or C5 District, the special optional regulations as set forth in this paragraph (a)(d), inclusive, modify the provisions of paragraphs (a) and (c) of this Section, Section 23-93 (Definitions) and Section 23-95 (Lower Income Housing Requirements) 952 (In inclusionary housing designated areas):

(1) For the purposes of this paragraph, (d), inclusive, the definitions of #moderate income household# and #fair rent# in Section 23-231 (Definitions) shall apply.

"Moderate income housing" shall be defined as #standard units# occupied or to be occupied by #moderate income households#, and "middle income housing" shall be defined as #standard units# occupied or to be occupied by #middle income households#. #Moderate income housing# and #middle income housing# shall be considered #lower income housing# for the purposes of the definition of #lower income housing plan# in Section 23-92.

(2) The #residential floor area# of a #development# or #enlargement# may not exceed the base #floor area ratio# set forth in the table in Section 23-942, except that the #floor area# of a #development# or #enlargement# may be increased up to the maximum #floor area ratio# specified in the table in 23-942, as follows:

(i) the #floor area# of a #development# or #enlargement# may be increased by one and one-quarter square feet for each square foot of #floor area# provided for #lower income housing#;

(ii) the #floor area# of a #development# or #enlargement# may be further increased by 0.833 square feet for each one square foot of #moderate income floor area# provided for #moderate income housing#, or by 0.625 square feet for each one square foot of #middle income floor area# provided for #middle income housing#, provided that for each square foot of such #floor area compensation# increase pursuant to this paragraph, (d)(2)(ii), there is one square foot of #floor area compensation# increase pursuant to paragraph (d)(2)(i) of this Section 23-952;

(iii)(2) However, the amount of #affordable lower income housing# #moderate income housing# and #middle income housing# required to receive such bonus #floor area compensation# need not exceed the amounts specified in this paragraph (d)(2)(iii). If #affordable housing# is provided for both #low income and #moderate income housing# and #lower income housing# are provided households#, the amount of #moderate income housing floor area# need not exceed 15 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, on the #zoning lot#, provided that the amount of #lower #low income housing floor area# is at least 10 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, on the #zoning lot#. If #affordable housing# is provided for both #middle income housing households# and #lower income housing# are provided households#, the amount of #middle income housing floor area# need not exceed 20 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, on the #zoning lot#, provided that the amount of #lower #low income #low income floor area# is at least 10 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, on the #zoning lot#.

For the purposes of this paragraph (a), inclusive, #low income floor area# may be considered #moderate income floor area# or #middle income floor area#, and #moderate income floor area# may be considered #middle income floor area#.

(3) The #lower income housing# must be provided in accordance with the provisions set forth in Section 23-95 (Lower Income Housing Requirements), except that:

(i) the provisions of paragraphs (a), (b) and (c)(i) of Section 23-233 shall apply; and

(ii) #moderate income housing# and #middle income housing# shall be considered #lower income housing# for the purposes of Sections 23-951, 23-952 and 23-953.

(b) Special provisions apply to #compensated zoning lots#:

(1) Within R6 and R8 districts in Waterfront Access Plan BK-1 and R7-3 Districts within Community District 1, Borough of Brooklyn, as set forth in Section 62-352,

(2) Within the #Special Hudson Yards District#, #Special Clinton District# and #Special West Chelsea District#, as set forth in Sections 93-23, 96-21 and 98-26, respectively.

23-954 Additional requirements for compensated developments

(a) Height and setback in #inclusionary housing designated areas#

(1) In #inclusionary housing designated areas#, except within #Special Mixed Use Districts#, the #compensated development# must comply with the height and setback regulations of Sections 23-633 (Street wall location and height and setback regulations in certain

districts) or 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts), as applicable.

(2) In #Inclusionary Housing designated areas# within #Special Mixed Use Districts#, the #compensated development# must comply with the provisions of paragraph (a) or (b) of Section 123-662 (All buildings in Special Mixed Use Districts with R6, R7, R8, R9 and R10 District designations), as applicable. However, where the #residence district# designation is an R6 District without a letter suffix, the #compensated development# must comply with the height and setback regulations of Section 23-633 regardless of whether the #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

(b) Compensated Development Building Permits

(1) #HPD# may issue a #permit notice# to the Department of Buildings at any time on or after the #regulatory agreement date#. The Department of Buildings may thereafter issue building permits to a #compensated development# that utilizes #floor area compensation# based on the #affordable housing# described in such #permit notice#.

(2) If #HPD# does not receive confirmation that the #regulatory agreement# has been recorded within 45 days after the later of (i) the #regulatory agreement date#, or (ii) the date upon which #HPD# authorizes the recording of the #regulatory agreement#, #HPD# shall suspend or revoke such #permit notice#, notify the Department of Buildings of such suspension or revocation and not reinstate such #permit notice# or issue any new #permit notice# until #HPD# receives confirmation that the #regulatory agreement# has been recorded. Upon receipt of notice from #HPD# that a #permit notice# has been suspended or revoked, the Department of Buildings shall suspend or revoke each building permit issued pursuant to such #permit notice# which is then in effect for any #compensated development#.

(c) Compensated Development Certificates of Occupancy

(1) The Department of Buildings shall not issue a temporary or permanent certificate of occupancy for any portion of the #compensated development# that utilizes #floor area compensation# until #HPD# has issued a #completion notice# with respect to the #affordable housing# that generates such #floor area compensation#. However, where any #story# of a #compensated development# contains one or more #affordable housing units#, the Department of Buildings may issue any temporary or permanent certificate of occupancy for such #story# if such temporary or permanent certificate of occupancy either includes each #affordable housing unit# located in such #story# or only includes #dwelling units# or #rooming units# that are #affordable housing units#. Nothing in the preceding sentence shall be deemed to prohibit the granting of a temporary or permanent certificate of occupancy for a #super's unit#.

(2) #HPD# shall not issue a #completion notice# with respect to any portion of any #generating site# unless:

(i) the Department of Buildings has issued temporary or permanent certificates of occupancy for all #affordable housing# described in such #completion notice# and such certificates of occupancy have not expired, been suspended or been revoked, or

(ii) where a #generating site# contains #affordable housing# that had a valid certificate of occupancy on the #regulatory agreement date# and no new temporary or permanent certificate of occupancy is thereafter required for the creation of such #affordable housing#, #HPD# has determined that all renovation and repair work required by the applicable #regulatory agreement# has been completed and all obligations with respect to the creation of such #affordable housing# have been fulfilled in accordance with the applicable #regulatory agreement#.

23-956 Lower Income Housing Requirements for Generating Sites

To qualify for the increased #floor area#, #compensated developments# must provide #lower income housing# for the life of the increased #floor area# in the #compensated development# pursuant to one or more of the options listed in Sections 23-951, 23-952 and 23-953, and such #lower income housing# must meet each of the following requirements:

(a) Standards All #lower income housing# shall be in #standard units#. Except in #buildings# in which all #standard units# are occupied by #lower income housing#, the #floor area# devoted to #lower income housing# shall be considered only the #floor area# within the perimeter walls of the #standard units# of the #lower income housing# and a pro rata share of the common areas of the #building# exclusive of those common areas for which a fee is charged to #lower income households# for its use. In

#buildings# in which all of the #standard units# are occupied by #lower income housing#, all of the #residential floor area# shall be considered as devoted to #lower income housing#.

(b) Tenant selection All incoming households of #standard units# in #lower income housing# must be #lower income households#.

Sublessees of a #lower income household# must also be #lower income households#. The #administering agent# shall verify the income of such sublessee households prior to their occupancy of the #lower income housing#, to assure that such households are #lower income households#.

On and after the issuance of a certificate of occupancy for #lower income housing#, the #administering agent# shall have a duty:

(1) to maintain in a habitable condition all #lower income housing#; and

(2) to rent such housing to #lower income households#.

This duty to rent shall be satisfied by the #administering agent#, if such agent has in fact rented all such units to #lower income households# or has, in good faith, made a continuing public offer to rent such units at rents no greater than the rents authorized by this program or otherwise at law.

(c) Rent levels All #standard units# in #lower income housing# shall be rented at #fair rents#. The total average annual rent for all #lower income housing# approved pursuant to a #lower income housing plan# shall not exceed an amount equal to the reasonable maintenance, operation, administration and contingency costs for such year as determined by the Commissioner of the Department of Housing Preservation and Development.

(d) Income verification Prior to renting #lower income housing#, the #administering agent# shall verify the income of each household to occupy such housing, to assure that the households are #lower income households#. The #administering agent# shall submit an affidavit to the Commissioner of Housing Preservation and Development upon initial occupancy and annually thereafter attesting that all incoming occupants of #lower income housing# are #lower income households#.

(e) Lower income housing plan A #lower income housing plan# acceptable to the Commissioner of Housing Preservation and Development shall be prepared and followed by the developer.

Such plan shall include the building plans, indicate the #floor area# devoted to #lower income housing# and shall demonstrate the feasibility of creating and maintaining the specified #lower income housing# required in accordance with the Inclusionary Housing program, including demonstrating that:

(1) the #lower income housing# will be managed and operated by a responsible #administering agent#;

(2) there will be sufficient income to provide for adequate maintenance, operation and administration of the #lower income housing#; and

(3) tenant selection will be on an equitable, non-discriminatory basis and achieves a reasonable range of tenant incomes within the permitted income levels and rent levels established pursuant to this program.

A restrictive declaration, satisfactory to the Commissioner of Housing Preservation and Development, shall be recorded against the #zoning lot# on which the #lower income housing# is constructed and shall set forth the obligations, running with such #zoning lot#, of the owner and all its successors in interest to provide #lower income housing# in accordance with the #lower income housing plan#. The #lower income housing plan# shall be incorporated by reference into the restrictive declaration, and attached as an exhibit thereto.

No later than the date on which a #lower income housing plan# is first submitted to the Department of Housing Preservation and Development, a copy of the plan shall be submitted to the affected Community Board(s). Such Community Board(s) shall have 45 days to review said plan. No #lower income housing plan# shall be accepted by the Commissioner of Housing Preservation and Development during the Community Board review period.

A copy of any #lower income housing plan# that is accepted by the Commissioner of Housing Preservation and Development within 24 months of May 21, 1987, shall be furnished by the developer to the Department of City Planning immediately after such acceptance.

(f) Permits and certificates of occupancy No building permit for the #compensated development# shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any part of the #compensated development# until a temporary certificate of occupancy for each unit of #lower income housing# has been issued or, in #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.

No permanent certificate of occupancy shall be issued for any part of the #compensated

development# until a permanent certificate of occupancy for each unit of the #lower income housing# has been issued or, in #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#. Prior to the issuance of any temporary or permanent certificate of occupancy for the #compensated development#, the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

(g) Insurance
The #administering agent# of the #lower income housing# shall have said housing insured against any damage or destruction in an amount equal to no less than the replacement value of such housing.

Any insurance proceeds received as a result of damage or destruction of all or part of such housing shall be used first for restoring such damaged or destroyed housing to #lower income housing#, free of violations under the New York City Building Code, the New York State Multiple Dwelling Law, the New York City Housing Maintenance Code and this Resolution. However, in #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may modify this requirement to provide priority for lenders participating in the financing of #lower income housing# that is assisted under City, State or Federal programs.

(h) Obligations for life of increased #floor area#
The obligation to provide a specified amount of #lower income housing# shall run with the #zoning lot# containing such #lower income housing# for the life of the increased #floor area# of the #compensated development#. In the event any portion of such housing is damaged or destroyed, no #floor area# may be replaced on said #zoning lot# unless such #floor area# contains the specified amount of #lower income housing#.

(i) Single #building# for #lower income housing#
Any #building# may contain #lower income housing# that satisfies the requirements of this program for more than one #compensated development#, provided that no #floor area# in the #lower income housing# is counted more than once in determining the amount of increased #floor area# for #compensated developments#.

(j) Subsequent compensation
The Commissioner of Housing Preservation and Development may certify that a #lower income housing plan# is in compliance with the requirements of this program and that #lower income housing# is in compliance with said plan prior to the filing of plans for a #compensated development#. #Developments# may subsequently be compensated with additional #floor area# under this program for such #lower income housing#.

(k) Applicability to rent regulation
Notwithstanding the provisions herein, no provision shall be applicable to tenants occupying units subject to the rent stabilization law or the rent control law, if such provision would be inconsistent with the rights of such tenants.

To provide for the effective implementation of the Inclusionary Housing program, guidelines consistent with and in furtherance of the purposes and intent of such program shall be adopted, and may be modified, as follows:

The Commissioner of Housing Preservation and Development shall develop guidelines for #lower income housing plans#, in consultation with the Board of Estimate, which shall be submitted to the Board of Estimate in time for consideration by the Board at its next regular meeting following the adoption of this Section. Such guidelines shall take effect as submitted, unless modified by the Board at the next meeting following such meeting, in which case the guidelines shall take effect as modified. The guidelines may be modified from time to time by the Commissioner of Housing Preservation and Development, provided, however, that the Commissioner of Housing Preservation and Development shall, within one year of initial adoption of the guidelines, submit the then existing guidelines to the Board, and the Board may, within thirty days of the first regular meeting following submission, modify such guidelines. If the Board does not modify such guidelines as herein provided, the then existing guidelines shall continue in effect. Thereafter, the Board may, not more frequently than once a year, request the Commissioner of Housing Preservation and Development to submit the then existing guidelines to the Board.

The Board may, within thirty days of the first regular meeting following submission modify such guidelines. If the Board does not modify such guidelines as herein provided, the then existing guidelines shall continue in effect. Any plan submitted to the Commissioner of Housing Preservation and Development under the then existing guidelines shall not be affected by any subsequent modification thereto.

(b) #Dwelling units# designated as #lower income housing# shall be distributed throughout the #development#. No #story# shall contain more than two such units unless at least 90 percent of all #stories# contains two such units. 950 - 1140 net square feet
1150 or more net square feet

In #Inclusionary Housing designated areas#, if the #lower income housing# is subject to the requirements of City, State or Federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

22-952

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

(c) On-site substantial rehabilitation units shall be those units on the same #zoning lot# as the #compensated development#.

22-953

The #lower income housing# shall be in an existing occupied #residential# or #mixed building#. Only #standard units# occupied by #lower income households# shall be #lower income housing#. For each #standard unit# designated as #lower income housing# the #administering agent# shall verify the income of the household in tenancy.

(c) The Commissioner of Housing Preservation and Development may require any improvements to the #building# or to the housing necessary to ensure that, with normal maintenance, the #lower income housing# will continue to provide a decent, safe and sanitary living environment for the life of the increased #floor area# in the #compensated development#.

(d) The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area# in the #compensated development#.

- (3) For a period of time specified in the #guidelines#, the #administering agent# shall maintain all records setting forth the facts that form the basis of any affidavit submitted to #HPD#. The #administering agent# shall maintain such records, and such other records as #HPD# may require, at the offices of the #administering agent# or at such other location as may be approved by #HPD#. The #administering agent# shall make such records, and all facets of the operations of the #administering agent#, available for inspection and audit by #HPD# upon request.
- (f) **Regulatory Agreement**
- (1) The #regulatory agreement# shall require compliance with and shall incorporate by reference the #affordable housing plan# and the applicable provisions of this Zoning Resolution and the #guidelines# and shall contain such additional terms and conditions as #HPD# deems necessary.
- (2) The #regulatory agreement# shall require that #HPD# be provided with documentation indicating the amount of #affordable floor area#. - (3) The #regulatory agreement# shall be recorded against all tax lots comprising the portion of the #zoning lot# within which the #generating site# is located and shall set forth the obligations, running with such tax lots, of the owner and all successors in interest to provide #affordable housing# in accordance with the #affordable housing plan# for the entire #regulatory period#.
- (4) #Affordable housing# may serve to secure debt with the prior approval of #HPD#. Any lien securing such debt shall be subordinated to the #regulatory agreement#.
- (5) The #regulatory agreement# may, but shall not be required to, provide that such #regulatory agreement# may be terminated prior to the issuance of a temporary or permanent certificate of occupancy for any #compensated development# by the Department of Buildings.
- (6) Where all of the #dwelling units#, #rooming units# or #supportive housing units# in a #generating site#, other than any #super's unit#, are #affordable housing units#, the #regulatory agreement# shall provide that, following a default and any applicable opportunity to cure, #HPD# may, in addition to any other remedies provided therein or by applicable law,
- (i) appoint a receiver to manage such #generating site# or
- (ii) take control of the board of directors of any housing development fund company or not-for-profit corporation that owns, controls or operates such #generating site#.

- Upon the date that #HPD# issues the #completion notice#, the #generating site# shall be entirely free of violations of record issued by any city or state agency pursuant to the Multiple Dwelling Law, the Building Code, the Housing Maintenance Code and this Zoning Resolution, except as may be otherwise provided in the #guidelines# with respect to non-hazardous violations in occupied #affordable housing units# of #preservation affordable housing# or #substantial rehabilitation affordable housing#.
- (h) **Insurance**
- The #affordable housing# in a #generating site# shall at all times be insured against any damage or destruction in an amount not less than the replacement value of such #affordable housing#. Any insurance proceeds resulting from damage or destruction of all or part of the #generating site# containing such #affordable housing# shall be used first to restore any damaged or destroyed #affordable housing#, except that #HPD# may provide priority for lenders participating in the financing of #affordable housing# that is assisted under city, state or federal programs.

SPECIAL REGULATIONS APPLICABLE TO CERTAIN AREAS

Special Regulations Applying in the Waterfront Area

62-35
Special Bulk Regulations in Certain Areas Within Community District 1, Brooklyn

62-352
Inclusionary Housing
The provisions of Section 23-90 (INCLUSIONARY HOUSING), inclusive, shall apply in R7-3 Districts in Community District 1, Borough of Brooklyn, and in R6, R7D and R8 Districts within Waterfront Access Plan BK-1, as modified in this Section.

(a) **Definitions**
For the purposes of this Section, matter in italics is defined in Sections 12-10; or in Section 23-90 (INCLUSIONARY HOUSING), inclusive or in this Section, as modified.

Fair rent

At initial occupancy of #lower income housing# that is occupied by a #moderate income household# as defined in this Section, "fair rent" shall include an annual rent for each such housing unit equal to not more than 30 percent of the annual income of the tenant of such housing (the "30 Percent Standard").

Upon renewal of a lease for such an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then-current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board, or its successor, for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

- (1) the then currently applicable "30 Percent Standard", or
- (2) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income# or #moderate income household# responsible for the payment of utilities as long as the sum of the following do not exceed 30 percent of said #lower income# or #moderate income household's# income:

- (i) the initial #fair rent#; and
- (ii) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment.

However, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of a #moderate income household's# income and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then currently applicable 30 Percent Standard or the Rent Stabilization Standard.

Lower income housing

For the purposes of this Section, "lower income housing" shall include #standard units# occupied, or to be occupied, by #lower income# or #moderate income households#.

Moderate income household

For the purposes of this Section, a "moderate income household" is a #family# having an income equal to or less than the following proportion of the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U. S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments: 125/80

(b) **#Floor area compensation# increase**
(1) For #zoning lots# located in R8 Districts, or located partially in R8 Districts and partially in R6 Districts, the maximum permitted #floor area ratio# on such #zoning lots# may be increased in R6 Districts from 2.43 to 2.75, and in R8 Districts from 4.88 to 6.5; and for #zoning lots# located in R7-3 Districts, the maximum permitted #floor area ratio# on such #zoning lots# may be increased from 3.75 to 5.0, provided that:

- (i) the amount of #low income floor area# is equal to at least 20 percent of the total #residential floor area#, exclusive of ground-floor non-residential floor area#, on the #zoning lot# is occupied by #lower income households#; or
- (ii) the amount of #low income floor area# is equal to at least 10 percent of the total #residential floor area#, exclusive of ground-floor non-residential floor area#, on the #zoning lot# is occupied by #lower income households#, and the #moderate income floor area# is equal to at least 15 percent of the total #residential floor area#, exclusive of ground-floor non-residential floor area#, on the #zoning lot# is occupied by #moderate income households#.

(2) For #zoning lots# located entirely within R6 Districts, the maximum permitted #floor area ratio# may be increased from 2.43 to 2.75, provided that:

- (i) the amount of #low income floor area# is equal to at least 7.5 percent of the total #residential floor area#, exclusive of ground-floor non-residential floor area#, on the #zoning lot# is occupied by #lower income households#; or

Where #lower# or moderate #income housing# is provided on a #zoning lot# other than the #zoning lot# occupied by the #compensated development#, the percentage of #residential floor area# required to be occupied by such households, pursuant to this Section, shall be determined as a percentage of the #residential floor area# on the #zoning lot# of such #compensated development#, inclusive of #floor area# bonused pursuant to this Section.

For the purposes of determining the amount of #lower income housing# required to increase the maximum permitted #floor area# pursuant to this paragraph, (b), community facility #floor area# used as a philanthropic or not for profit institution with sleeping accommodations shall be considered #residential floor area#.

For the purposes of this paragraph (b), inclusive, #low income floor area# may be considered #moderate income floor area#, and #moderate income floor area# may be considered #middle income floor area#.

Furthermore, on and after the issuance of a certificate of occupancy for #lower income housing#, the #administering agent# shall have a duty to rent such housing to lower or #moderate income households#, as provided in this Section and in the approved #lower income housing plan#.

This duty to rent shall be satisfied by the #administering agent#, if such agent has in fact rented all such units to #lower# or #moderate income households#, as provided in this Section or has, in good faith, made a continuing public offer to rent such units at rents no greater than the rents authorized by this program or otherwise at law.

- (2) The provisions of Section 23-95, paragraph (d), shall apply, except that prior to renting #lower income housing#, the #administering agent# shall verify the income of each household to occupy such housing, to assure that the households are #lower# or #moderate income households# as provided by this Section. The #administering agent# shall submit an affidavit to the Commissioner of Housing Preservation and Development upon initial occupancy and annually thereafter attesting that all incoming occupants of #lower income housing# are lower or #moderate income households# as required by the provisions of this Section and in the approved #lower income housing# plan.

ARTICLE IX SPECIAL PURPOSE DISTRICTS

Chapter 3 Special Hudson Yards District

93-23 Modifications of Inclusionary Housing Program The provisions of Section 23-90 (INCLUSIONARY HOUSING), inclusive, shall be applicable within Subdistrict C (34th Street Corridor) and Subareas D1 and D2 of Subdistrict D (Hell's Kitchen) of the #Special Hudson Yards District# and Area P2 of the #Special Garment Center District#, except as modified in this Section. However, the modifications set forth in this Section shall not be applicable in the area bounded by West 35th Street, Eighth Avenue, West 33rd Street, and a line 100 feet east of and parallel to Ninth Avenue, where the underlying provisions of Section 23-90, (INCLUSIONARY HOUSING), inclusive, shall apply shall be #Inclusionary Housing designated areas# pursuant to Section 12-10 (DEFINITIONS) for the purpose of making the Inclusionary Housing Program regulations of Section 23-90 (INCLUSIONARY HOUSING), inclusive, applicable as modified within the Special Districts.

93-231 Definitions

For the purposes of this Chapter, matter in italics is defined in Sections 12-10- or in Section 23-90 (INCLUSIONARY HOUSING), inclusive, the following definitions in Section 23-93 shall be modified:

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not for profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not for profit organization as the #administering agent# was unsuccessful. However, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to City, State or Federal funding sources, to serve as the #administering agent# during such compliance period.

If an entity other than a not for profit organization is proposed to serve as the #administering agent#, and the affected Community Board objects during its review period to the approval of the proposed entity, the Commissioner shall respond in writing to the Community Board's objections prior to approving the proposed entity to serve as #administering agent#.

Fair rent

"Fair rent" shall be as defined in Section 23-93 with respect to #standard units# occupied by #lower income households#, except that the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting

#lower income housing# will be considered "fair rent," provided that such rents do not exceed 30 percent of a #lower income household#'s income, and provided further that upon expiration or termination of the requirements of the city, state or federal program, rent increases and re-rents shall be subject to the higher of the then currently applicable Section 8 Standard or the Rent Stabilization Standard.

The following definition of "fair rent" shall apply to #moderate income households# and #middle income households#. At initial occupancy of #lower income housing# that is occupied by a #moderate income household# or a #middle income household# as defined in this Section, #fair rent# shall include an annual rent for each such housing unit equal to not more than 30 percent of the annual income of the tenant of such housing (the "30 Percent Standard").

Upon renewal of a lease for such an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

- (a) — the then currently applicable "30 Percent Standard"; or
(b) — the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income#, #moderate income# or #middle income household# responsible for the payment of utilities as long as the sum of the following does not exceed 30 percent of said #lower income#, #moderate income# or #middle income household#'s income:

- (1) — the initial #fair rent#; and
(2) — the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment.

The Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of a #moderate income# or #middle income household#'s income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rents shall be subject to the higher of the then currently applicable 30 Percent Standard or the Rent Stabilization Standard.

At initial occupancy of any #lower income housing# occupied by a #moderate income# or #middle income household#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of paragraph (c) of Section 23-95 (Lower Income Housing Requirements), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

#Lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with the U.S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

For the purposes of Section 93-23 (Modifications of Inclusionary Housing Program), inclusive, "lower income housing", as defined in Section 23-93, shall include #standard units# assisted under City, State or federal programs. #Lower income housing# shall also include #standard units# occupied or to be occupied by #lower income households#, as defined in Section 23-93, and #moderate income# or #middle income households#, as defined in this Section.

Moderate income household

For the purposes of Section 93-23, inclusive, a "moderate income household" is a #family# having an income equal to or less than the following proportion of the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments: 125/80.

Middle income household

For the purposes of Section 93-23, inclusive, a "middle income household" is a #family# having an income equal to or less than the following proportion of the income limits (the "90 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments: 175/80.

93-232 Floor area increase

The provisions of Section 23-9452 (Floor Area Compensation in Inclusionary Housing designated areas) shall not apply. In

lieu thereof, the #floor area# compensation provisions of this Section shall apply. In accordance with the provisions set forth in Section 93-22 (Floor Area Regulations in Subdistricts B, C, D and E) or 121-31 (Maximum Permitted Floor Area), the maximum permitted #residential floor area ratio# for #developments# or #enlargements# that provide #affordable housing# pursuant to the Inclusionary Housing program may be increased, as follows:

- (a) The permitted #floor area ratio# may be increased from 6.5, or as otherwise specified in Section 93-22, to a maximum of 9.0, provided that:
(1) the amount of #low income floor area# is equal to at least 10 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#; or
(2) the amount of #low income floor area# is equal to at least five percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#, and the amount of #moderate income floor area# is equal to at least 7.5 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #moderate income households#; or
(3) the amount of #low income floor area# is equal to at least five percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#, and the amount of #middle income floor area# is equal to at least 10 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #middle income households#.
(b) The permitted #floor area ratio# may be increased from 9.0 to a maximum of 12.0, provided that:
(1) the amount of #low income floor area# is equal to at least 20 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#; or
(2) the amount of #low income floor area# is equal to at least 10 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#, and the amount of #moderate income floor area# is equal to at least 15 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #moderate income households#; or
(3) the amount of #low income floor area# is equal to at least 10 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#, and the amount of #middle income floor area# is equal to at least 20 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #middle income households#.

For the purposes of this Section 93-232, inclusive, #low income floor area# may be considered #moderate income floor area# or #middle income floor area#, and #moderate income floor area# may be considered #middle income floor area#. Where #lower#, #moderate# or #middle income housing# is provided on a #zoning lot# other than the #zoning lot# occupied by the compensated #development#, the percentage of #residential floor area# required to be occupied by such households pursuant to this Section shall be determined as a percentage of the #residential floor area# on the #zoning lot# of such compensated #development#, inclusive of #floor area# bonused pursuant to this Section.

Lower income housing requirements #Developments# that increase #floor area# in accordance with the provisions of this Section shall comply with the lower income housing requirements of Section 23-95, except as modified in this Section.

(a) — The provisions of paragraph (b) (Tenant selection) of Section 23-95 shall apply, except that, in addition, incoming households of #standard units# in #lower income housing# may be #moderate# and #middle income households#, and sublessees of a #moderate# or #middle income household# may also be a #moderate# or #middle income household#. Furthermore, on and after the issuance of a certificate of occupancy for #lower income housing#, the #administering agent# shall have a duty to rent such housing to #lower#, #moderate# or #middle income households#, as provided in this Section and in the approved #lower income housing plan#.

This duty to rent shall be satisfied by the #administering agent# if such agent has in fact rented all such units to #lower#, #moderate# or #middle income households#, as provided in this Section and in the approved #lower income housing plan#, or has, in good faith, made a continuing public offer to rent such units at rents no greater than the rents authorized by this program or otherwise at law.

(b) — The provisions of paragraph (d) (Income verification) of Section 23-95 shall apply, except that prior to renting #lower income housing#, the #administering agent# shall verify the income of each household to occupy such housing to assure that the households are #lower#, #moderate# or #middle income households# as provided by this Section and in the approved #lower income housing plan#. The #administering agent# shall submit an affidavit to the Commissioner of Housing Preservation and Development upon initial occupancy and annually thereafter attesting that all incoming occupants of #lower income housing#

are #lower#, #moderate# or #middle income households# as required by the provisions of this Section and in the approved #lower income housing plan#.

(e) The provisions of paragraph (g) (Insurance) of Section 23-05 may be modified by the Commissioner of Housing Preservation and Development to provide priority for lenders participating in the financing of #lower income housing# that is assisted under City, State or Federal programs.

(d) Permits and certificate of occupancy

The requirements of paragraph (f) of Section 23-05 shall not apply. In lieu thereof, the provisions of this paragraph, (d), shall apply.

No building permit for any portion of the #compensated development# that utilizes #floor area# bonus pursuant to Section 93-222 (Floor area increase) shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any portion of the #compensated development# that utilizes #floor area# bonus pursuant to Section 93-222 until a temporary certificate of occupancy for each unit of #lower income housing# that is the subject of the #lower income housing plan# accepted by the Commissioner of Housing Preservation and Development has been issued, or, if the building has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#. No permanent certificate of occupancy shall be issued for any portion of the #compensated development# that utilizes #floor area# bonus pursuant to Section 93-222 until a permanent certificate of occupancy for each unit of #lower income housing# that is the subject of the #lower income housing plan# accepted by the Commissioner of Housing Preservation and Development has been issued or, if the building has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.

Prior to the issuance of any temporary or permanent certificate of occupancy for any portion of the #compensated development# that utilizes #floor area# bonus pursuant to Section 93-222 the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

(e) The provisions of Sections 23-051 (On site new construction option), 23-052 (Substantial rehabilitation and off site new construction option) and 23-053 (Preservation option) shall apply, except as follows:

(i) with respect to Sections 23-051, paragraph (a), 23-052, paragraph (b), and 23-053, paragraph (a), #lower income housing# shall be maintained and leased to #lower#, #moderate# or #middle income households#, as provided in this Section, for the life of the increased #floor area#, and in accordance with the approved #lower income housing plan#;

(ii) if the #lower income housing# is subject to the requirements of city, state or federal programs assisting the lower income housing that have size and distribution requirements conflicting with the size and distribution requirements of Section 23-051, paragraph (b), then the size and distribution requirements of Section 23-051, paragraph (b) may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#; and

98-261 Definitions

For the purposes of this Chapter, matter in italics is defined in Sections 12-10 or in Section 23-90 (INCLUSIONARY HOUSING), inclusive. The following definitions in Section 23-90 shall be modified:

Administering agent

The "administering agent" is not required to be a not for profit organization if the #floor area# of the #standard units# comprising the #lower income housing# constitutes less than half of the total #residential floor area# or community facility #floor area used# as a not for profit institution with sleeping accommodations in the #building#.

Fair rent

At initial occupancy of #lower income housing# that is occupied by a #moderate income household# or a #middle income household# as defined in this Section, "fair rent" shall include an annual rent for each such housing unit equal to not more than 30 percent of the annual income of the tenant of such housing (the "30 Percent Standard").

Upon renewal of a lease for such an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") shall be not more than the then current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board, or its successor, for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# shall be not more than the higher of:

- (a) the then currently applicable "30 Percent Standard"; or (b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income#, #moderate income# or #middle income household# responsible for the payment of utilities as long as the sum of the following do not exceed 30 percent of said #lower income#, #moderate income# or #middle income household's# income:

- (1) the initial #fair rent#; and (2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment.

However, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of a #moderate income# or #middle income household's# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then currently applicable 30 Percent Standard or the Rent Stabilization Standard.

#Fair rent# shall include, in addition to that rent permitted pursuant to Section 23-93, the payment of principal and interest on mortgage debt, and #lower income#, #moderate income# or #middle income housing# may secure such debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of paragraph (e) (Rent Levels) of Section 23-05 (Lower Income Housing Requirements), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

"Lower income households" shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with the U.S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

The image shall be reproduced with a dimension of at least 12 inches square in a #sign#, with a maximum dimension in one direction of 16 inches, that shall be mounted on a wall adjacent to and no more than five feet from the principal entrance of the #FRESH food store#. Certification for a #FRESH Food Store#

The Chairperson of the City Planning Commission may certify that a food store #use# is a #FRESH food store use# provided that:

- (a) Drawings have been submitted to the Chairperson that clearly designate all #floor area# or #cellar# space #used# as a #FRESH food store#. Such drawings shall also show, in the form of an illustrative layout, that such designated space is designed and arranged to meet the #floor area#, or #cellar# space #used# for retail, requirements for food and non-food grocery products pursuant to Section 63-01;
- (b) Drawings have been submitted to the Chairperson that clearly designate all #floor area# that will result from any permitted increase in #floor area# pursuant to Section 63-21, including the location of such #floor area#;
- (c) Drawings have been submitted to the Chairperson, documenting the size, format, and location of the required #sign# pursuant to Section 63-26. Such drawings shall include detailed information about dimensions of the #sign#, lettering, color, and materials;
- (d) A signed lease or written commitment from the prospective operator of #FRESH food store# has been provided in a form acceptable to the City, for occupancy of such space, and its operation as a #FRESH food store# space; and
- (e) A legal commitment, in the form of a declaration of restrictions has been executed, in a form acceptable to the Chairperson, binding upon the owner and its successor and assigns, and providing for continued occupancy of all #floor area# or #cellar# space as a #FRESH food store use# that shall commence within
- (f) a reasonable period following the issuance of Temporary Certificate of Occupancy for the #FRESH food store#, as set forth in the declaration of restrictions.

Such declaration of restrictions shall include provisions providing that there shall be no violation of the legal commitment for continued occupancy of the #floor area# or #cellar# space# for use as a #FRESH food store# : (a) during any six (6) month period from the date such #floor area# or #cellar# space# is vacated by the operator, provided that owner timely notifies the Department of City Planning of such vacancy in accordance with the requirements of the restrictive declaration; and (b) during any event of force majeure, as determined by the Chairperson.

The filing and recordation of the declaration of restrictions in the Borough Office of the Register of the City of New York, and receipt of a certified copy of such declaration, shall be a precondition to the issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# under this Chapter.

In granting the certification, the Chairperson of the City Planning Commission may specify that changes in design or #use# consistent with the definition of the #FRESH food store# in Section 63-01 would not warrant further certification pursuant to this Section.

63-31

Requirements for Certificate of Occupancy

No certificate of occupancy shall be issued for any portion of the #development# or #enlargement# identified in the drawings submitted pursuant to paragraph (b) of Section 63-30 until a temporary certificate of occupancy has been issued for the #FRESH food store# space. No final certificate of occupancy shall be issued for any such portion of the #development# or #enlargement# identified in the drawings submitted pursuant to paragraph (b) of Section 63-30 until the #FRESH food store# space has been completed in accordance with the drawings submitted pursuant to paragraph (a) of Section 63-30 and a final certificate of occupancy has been issued for the #FRESH food store# space. The declaration of restrictions shall be noted on any temporary or final certificate of occupancy for the #building#.

63-40

Certification for change of #use# of a #FRESH Food Store#

A #FRESH food store# for which a certification has been issued pursuant to Section 63-30 may be changed to any #use# permitted by the underlying districts upon certification by the Chairperson of the City Planning Commission that such change of #use# would not create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required #accessory# off-street parking spaces under the applicable zoning district regulations.

63-50

Authorization for Bulk and Parking modifications

The City Planning Commission may, by authorization, permit modifications to the #bulk# and #accessory# off-street parking requirements of the applicable zoning districts, when

a change of #use# of a #FRESH food store# for which a certification has been issued pursuant to Section 63-30 is requested, provided that such #use# is permitted by the underlying districts.

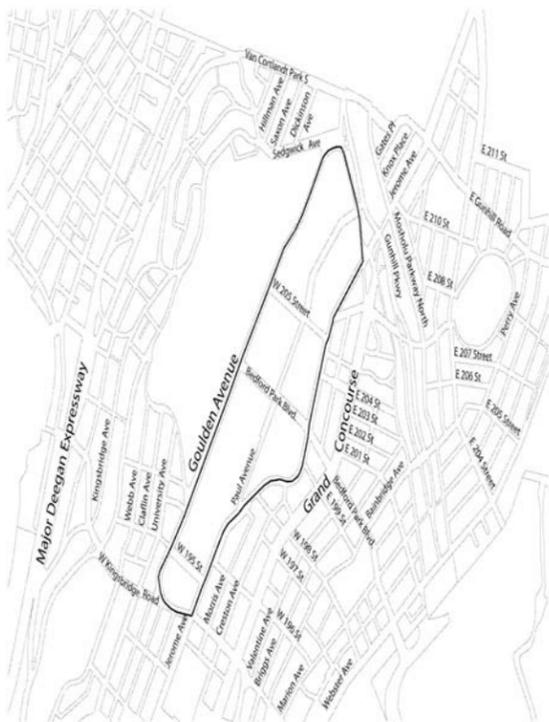

In order to grant such authorization, the Commission shall find that:

- (a) due to the prevalent market conditions at the time of the application, there is no reasonable possibility that the operation of a #FRESH food store use# will bring a reasonable return;
- (b) the applicant, the operator or a prior operator of such #FRESH food store# has not created, or contributed to, such unfavorable market conditions;
- (c) the applicant, the operator or a prior operator of such #FRESH food store# has undertaken commercially reasonable efforts to secure a new operator, and demonstrates to the City Planning Commission that such efforts have been unsuccessful;
- (d) any proposed #non-compliance# or increase in the degree of #non-compliance# will not be incompatible with or adversely affect adjacent #uses# including #uses# within the building; and
- (e) any reduction of required #accessory# off-street parking shall not create or contribute to serious traffic congestion and will not unduly inhibit surface traffic and pedestrian movement.

In issuing authorizations under this Section, the Commission may impose conditions and safeguards, to minimize adverse impacts on the character of the surrounding area.

150 Charles Street Public Parking Garage

The applicant, 150 Charles Street Holdings LLC, is seeking a special permit pursuant to ZR Sections 13-562 and 74-52 for a 92 space public parking garage. The proposed action would facilitate a proposal by the applicant to develop a 92 space attended public parking garage on the ground floor and in the cellar level of a 15 story residential building containing 97 dwelling units and 12 accessory parking spaces to be constructed at 150 Charles Street (Block 636, Lot 70). The project site is located in a C1-7 zoning district in the West Village neighborhood of Manhattan, Community District 2. The project site includes Historic Lamppost 92, a designated NYC landmark, and is adjacent to the Weehawken Historic District, a designation NYC historic district.

This Revised Negative Declaration, which supersedes the Negative Declaration issued on March 3, 2009, is being issued to reflect a reduction in the number of parking spaces from 110 to 92 and the addition of bicycle parking. These changes do not affect the substance or conclusions of the earlier Negative Declaration Issued on March 3, 2009.

The project site is a through lot with frontage on Charles Street and West 10th Street, and is currently developed with a four-story manufacturing building. The applicant intends to convert the existing building to residential use and enlarge it to 15 stories. Access to the garage would be via two 15' curb

cuts, inclusive of splays, to be located on Charles Street. One of these curb cuts would provide access to a through-driveway and drop off area. A 25' curb cut inclusive of splays on West 10th Street would serve as the exit for both the garage and the driveway. A flashing light and warning bell would be installed at the exit to alert pedestrians of exiting cars. The garage would be approximately 21,915 square feet in size, with 20,890 square feet of automobile parking and 1,025 square feet of bicycle parking.

Construction of the proposed facility is expected to be completed in 2010.

Development of the residential building was the subject of an earlier environmental review (CEQR No. 07DCP020Y), for which a Negative Declaration was issued on April 9, 2007.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Revised Environmental Assessment Statement, dated July 1, 2009, prepared in connection with the Revised ULURP Application (090036 ZSM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that no other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Negative Declaration, you may contact Jared Dubrowsky at 212-720-3425.
