#### Ownership

Except as otherwise provided in this Section, any #large-scale general development# for which application is made for a special permit in accordance with the provisions of Section 74-74 (Large-scale General Development) shall be on a tract of land which at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. No special permit shall be granted unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #large-scale general development#) of, or executed a binding sales contract for, all of the property comprising such tract.

When a #large-scale general development# is located within a designated urban renewal area, the City's urban renewal agency, or a person authorized by such agency, may apply for and be granted a special permit under the provisions of Section 74-74 even though such #large-scale general development# does not meet the ownership requirements set forth elsewhere in this Section. However, the consent or authorization of the owners and any party in interest to the other property shall be required if the proposed modification would impose an additional obligation or increase the degree of an obligation existing as of the date of the application for the modification on any such owner or any such party in interest; or

- (f) partially under State or City ownership, and is located within the boundaries of Community District 1 in the Borough of Brooklyn, on a #waterfront zoning lot# located within a C6-2 District that is mapped within a #Mandatory Inclusionary Housing area#, provided that the exception to the ownership requirements set forth herein shall apply only to tracts of land in State or City ownership; or

### NOTICE

On Wednesday, October 8, 2025, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by Broadway Junction Partners LLC. The Project Area includes Block 1555, Lots 1 and 19; Block 1576, Lots 1, 9, 13, 32, and 34; and Block 1577, Lots 1, 7, 17, 26, 32, 35, 51, 53, 56, and 58 in the East New York neighborhood of Brooklyn Community District 5. The Project Area is bounded by Fulton Street to the north and east, East New York Avenue to the south, and Van Sinderen Avenue to the west.

The Applicant is seeking CPC approval of discretionary actions, including: (i) a Zoning Map Amendment to rezone the Project Area from an M1-2 zoning district to C6-4 and M1-6 zoning districts; (ii) special permits within a Large-Scale General Development (LSGD) pursuant to Sections 74-743(a)(1) and (2) of the *Zoning Resolution of the City of New York* (ZR) to distribute floor area across the LSGD and to modify rear yard and height and setback regulations, respectively; (iii) a ZR Section 74-161 special permit to allow Use Group VI retail uses in excess of 20,000 sf of floor area in the proposed M1-6 zoning district; (iv) Zoning Text Amendments to (a) ZR Appendix F to designate a Mandatory Inclusionary Housing ("MIH") Area over the C6-4 zoning district-portion of the Project Area and (b) ZR Section 74-742 with respect to the contiguity of ownership of zoning lots in an LSGD when there is an intervening elevated rail line; and (v) a combination acquisition and site selection of real property by the City to construct a publicly accessible open space at 1519 Herkimer Street (also known as Parcel 1; Block 1555, Lot 19) within the LSGD (collectively, the "Proposed Actions"). DCAS is applicant and NYCEDC is co-applicant only for the combination acquisition and site selection action.

The Proposed Actions would facilitate the development of five new buildings within the Project Area, including a combined total of approximately 1,589,202 gross square feet (gsf), including approximately 435,766 gsf of commercial office space, 113,760 gsf of commercial retail space, 834,763 gsf of residential space (1,112 dwelling units), 22,985 gsf of community facility space, and 98,483 gsf of light industrial space, as well as 174 accessory parking spaces and 20,080 square feet of publicly accessible areas. Pursuant to the City's Mandatory Inclusionary Housing program, up to 20-30 percent or approximately 222-334 dwelling units would be designated as permanently affordable at an average of 40-80 percent of area median income depending on the selected option. The anticipated Build Year is 2036.

The public hearing will also consider a modification to the special permit application (ULURP No. C250286 (A) ZSK).

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00PM on Monday October 20, 2025.

Home+ is a citywide program of the Mayor Office to End Domestic and Gender-Based Violence (ENDGBV) focused on enhancing housing safety and stability for survivors of domestic and gender-based violence living in New York City. ENDGBV launched Home+ in 2021 by absorbing and expanding the Human Resources Administration (HRA) s Alternative to Shelter Program to provide survivors who want to stay in their homes with alarm systems, locksmith services, and case management services. Given research highlighting the positive impact of flexible funding on survivors housing stability, ENDGBV has further expanded Home+ in alignment with the priorities outlined in the

Mayoral Blueprint "Housing Our Neighbors" released in June 2022. As a result, Home+ provides survivors with security resources (i.e., alarm systems and locksmith services), flexible funding, and robust case management services and referrals to help them address various safety and economic factors that would otherwise impede their ability to remain or become stably housed. Service Area: Borough of Staten Island.

Judgment is required in evaluating competing proposals, and it is in the best interest of the City to require a balancing of price, quality and other factors.

**EARLY ADOLESCENT SKILLS FOR EMOTIONS RENEWAL** - Renewal - PIN# 99280A - Due 10-3-25 at 9:00 A.M.

In accordance with Section 4-04 of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) intends to renew the Early Adolescent Skills for Emotions (EASE) services. The EASE program is a psychological intervention designed by the World Health Organization (WHO) to support young adolescents experiencing symptoms of depression, anxiety, and stress, as well as their caregivers. EASE enables a task-sharing model of mental health support, which engages people without a formal background in mental health to develop the necessary skills to support members of their own community experiencing emotional distress. CBO staff often share cultural and personal experiences similar to those of the participants being served, so they can be seen as trusted helpers. EASE provides upskilling opportunities for these staff, thereby strengthening and diversifying the mental health workforce to better serve a highly vulnerable population: our city's youth.

The term will be from July 1, 2025 to December 31, 2025.

In accordance with section 3-04 (b)(2)(i)(B) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) is requesting approval to procure Youth Team Sports (YTS) services through the Negotiated Acquisition (NAQ) method. DYCD would release a competitive NAQ which could potentially lead to DYCD negotiating with those who respond and would be found viable to operate Youth Team Sports program and who do not currently hold a DYCD contract to expand the provider pool and capacity. DYCD makes this request pursuant to Section 3-04(b)(2)(i)(B) as funds available from the New York State Office of Children and Family Services (OCFS) will be lost to the City if DYCD is unable to start the competitive NAQ. The New York State Office of Children and Family Services (OCFS) created the new fund in the state's fiscal year 2024-2025 budget to provide awards to support youth team sports programs for underserved youth under age 18. The funding supports youth development through team sports programs and would be awarded to local community-based organizations and nonprofits. Grant requires the City to have funds awarded and expensed prior to the grant end date of September 30, 2025. Therefore, DYCD is allocating \$1,500,000 of this grant for an opportunity to recruit new providers.

In accordance with section 3-04 (b)(2)(i)(B) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) is requesting approval to procure Youth Team Sports (YTS) services through the Negotiated Acquisition (NAQ) method. DYCD would release a competitive NAQ which could potentially lead to DYCD negotiating with those who respond and would be found viable to operate Youth Team Sports program and who do not currently hold a DYCD contract to expand the provider pool and capacity. DYCD makes this request pursuant to Section 3-04(b)(2)(i)(B) as funds available from the New York State Office of Children and Family Services (OCFS) will be lost to the City if DYCD is unable to start the competitive NAQ. The New York State Office of Children and Family Services (OCFS) created the new fund in the state's fiscal year 2024-2025 budget to provide awards to support youth team sports programs for underserved youth under age 18. The funding supports youth development through team sports programs and would be awarded to local community-based organizations and nonprofits. Grant requires the City to have funds awarded and expensed prior to the grant end date of September 30, 2025. Therefore, DYCD is allocating \$1,500,000 of this grant for an opportunity to recruit new providers.
