ADMINISTRATION OF A PUBLIC EDUCATION PROGRAM - PHASE II – Sole Source – Available only from a single source - PIN# 82614S0001 – DUE 08-28-13 AT 4:00 P.M. – DEP intends to enter into a Sole Source Agreement with Catskill Watershed Corporation for CAT-436: Administration of a Public Education Program - Phase II. The Catskill Watershed Corporation is the locally-based and locally administered not-for-profit corporation established pursuant to the Watershed MOA to implement watershed protection and partnership programs in the West of Hudson Watershed. The Watershed MOA recognized that in order to gain the cooperation of the upstate watershed communities in the City’s efforts to protect its water supply, local communities must have a meaningful role in the watershed protection programs. For that reason, the Watershed MOA provided that watershed protection programs be implemented and managed by a locally based, locally administered not-for-profit corporation. A locally based, locally administered entity representing the diverse interests of watershed communities is able to overcome many of the obstacles historically faced by DEP. Any firm which believes it can also provide the required service in the future is invited to so, indicated by letter which must be received no later than August 28, 2013, 4:00 P.M. at: Department of Environmental Protection, Agency Chief Chief Contracting Officer, 59-17 Junction Blvd., 17th Floor, Flushing, NY 11373. AGENCY RULES

HOMELESS SERVICES

■ NOTICE

NOTICE OF ADOPTION OF AMENDMENT TO TITLE 31 OF THE RULES OF THE CITY OF NEW YORK

Pursuant to the authority granted to the Commissioner of the New York City Department of Homeless Services (DHS or the "Department") by §§ 56, 61, and 134-a of the New York Social

Services Law, §§ 350.4 and 351.1 of Title 18 of the New York Codes, Rules and Regulations, and §§ 612 and 1043(b) of the New York City Charter, the Department is proposing a rule related to homeless shelters for single adults. This rule was not included in the Department's regulatory agenda because it was not anticipated at the time.

STATEMENT OF BASIS AND PURPOSE

The Department of Homeless Services ("DHS" or the "Department") provides temporary emergency shelter to homeless New York City residents in accordance with State and local law, implementing regulations, and court orders, with the goal of moving shelter residents back into permanent housing in the community as soon as possible.

DHS proposes to amend Title 31 of the Rules of the City of New York by adding Chapter 3, which pertains to single adults who return to shelter in the adult services system after an extended absence. Currently, if a single adult shelter client returns to the system within 365 days, the client must return to his or her official shelter (i.e., the shelter where he or she had been previously assigned), where he or she will receive a bed. If a client returns more than 365 days later, the client is sent to a single adult intake center to reapply for shelter, at which point he or she undergoes a new resource assessment and is assigned to a new official shelter.

Through years of experience and practice, DHS has found that many single adult shelter clients exit the system and return after an extended absence (a period of at least thirty consecutive days), but within 365 days. Although it may be beneficial under certain circumstances for some of these clients to return directly to their official shelters, DHS seeks to provide other clients who return after an extended absence with a new resource assessment to identify alternative housing options they may have identified, utilized, or secured during their absence, and to connect them to resources or benefits that may alleviate their need for shelter and help them avoid re-entry into the system. Such alternative housing options can provide clients with long term housing stability, and assist in seeking benefits, employment, or other social services in the community. Importantly, even if no alternatives are immediately available, or if a client chooses not to utilize those alternatives at that time, the resource assessment will provide helpful information to the client and shelter staff at the client's official shelter placement for on-going case management work.

Considering the value of this assessment, the proposed Chapter 3 provides for referral of a single adult shelter client returning to shelter after an extended absence to a diversion office (located at a DHS single adult intake center) to participate in a Single Adult Resource Assessment ("Assessment") conducted by diversion staff. This Assessment will determine where a client resided during his or her extended absence from the adult services system, identify alternative housing options, and connect the client to resources or benefits to avoid re-entry into shelter. If none of these options are available or if the client does not wish to utilize any available options, the client will be referred back to his or her official shelter in the adult services system.

The Department notes that it does not believe that requiring a client returning after an extended absence to participate in a resource assessment must be promulgated as a rule pursuant to the City Administrative Procedure Act ("CAPA"), and believes that it may implement such a procedure outside of CAPA. However, in the exercise of caution and in light of the Court's decision in *Callahan v. Carey* and *Council of the City of New York v. Department of Homeless Services of the City of New York*, 2012 N.Y. Misc. LEXIS 758 (Sup. Ct., N.Y. Co. 2012), the Department proposes to promulgate this procedure as a rule. New material is underlined.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

On July 22, 2013, a public hearing was held at 89-111 Porter Avenue, Brooklyn, New York 11237 at 1:30 pm. The Agency accepted public comments for 30 days after publication of the Rule on the City Rules website through 5:00pm on July 22, 2013. DHS reviewed the comments submitted prior to finalizing the Rule and has considered them in the final version of the procedure.

Chapter 3 Single Adult Homeless Shelter

§3-01 Single Adult Resource Assessment

(a) Definitions

- (1) Official shelter: The single adult shelter to which an adult shelter client has been assigned, following intake and assessment.
- (2) Extended absence: An exit from the single adult shelter system lasting at least 30 consecutive days.
- (3) Returnee: An adult shelter client who returns to a single adult shelter after an extended absence and within 365 days.
- (4) Single Adult Resource Assessment: An assessment to identify alternative housing options available to a Returnee and to connect a Returnee to resources or benefits to avoid re-entry into shelter.
- (5) Diversion services: Services offered at a single adult intake center directed at finding non-shelter housing alternatives and resources.

- (6) Diversion office: An office located at a single adult intake center that provides diversion services.
- (b) Upon a Returnee's return to the adult shelter system, shelter staff must determine whether, based on the entirety of the Returnee's circumstances, the Returnee will return to his or her official shelter or be referred to a diversion office for a Single Adult Resource Assessment. Factors whose presence would allow the Returnee to return to his or her official shelter and not be referred for a Single Adult Resource Assessment include but are not limited to:
 - (1) The Returnee has a mental or physical disability;
 - (2) Either the Returnee, or the primary tenant of the residence where the Returnee had been living prior to returning to shelter, has been evicted;
 - (3) A vacate order has been issued for the residence where the Returnee had been living during his or her extended absence;
 - (4) The Returnee was recently discharged from a prison, hospital, residential treatment facility, or other institution;
 - (5) The Returnee is a victim of domestic violence; or
 - (6) The Returnee has been living on the street.

If one or more of these factors are present, the Returnee must be assigned a bed at his or her official shelter. If a bed at the official shelter is unavailable, the Returnee must be given alternate placement until a bed at the official shelter becomes available. If none of these factors are present, shelter staff must refer the Returnee to a diversion office for a Single Adult Resource Assessment.

- (c) If shelter staff determines that the Returnee must be referred for a Single Adult Resource Assessment, the Returnee must appear in person at a diversion office. DHS must provide transportation services or MetroCards to transport the Returnee to a diversion office. No Returnee will be transported at a time, or in a manner, that would be unsafe for the Returnee due to illness or intoxication.
- (d) Single Adult Resource Assessment.
 - (1) Upon the Returnee's arrival at a diversion office during regular business hours for conducting Single Adult Resource Assessments, diversion staff must conduct a Single Adult Resource Assessment with the Returnee.
 - (2) If the Returnee arrives at a diversion office after regular business hours for conducting Single Adult Resource Assessments, he or she must be temporarily assigned a bed and provided meals and shower facilities at the diversion office until a Single Adult Resource Assessment can be conducted the next business day.
- (e) Following the Single Adult Resource Assessment, if the Returnee does not have an alternative housing option, or has such an option but does not wish to return to or utilize the option, he or she must be

referred back to his or her official shelter as soon as a bed is available. If a bed at the official shelter is unavailable, the Returnee must be given alternate placement until a bed at the official shelter becomes available.

- (f) For a Returnee who is not referred to a diversion office for a Single Adult Resource Assessment, diversion staff may, at their discretion, conduct such an assessment over the phone with the Returnee at his or her official shelter.

CITY PLANNING

■ NOTICE

**THE DEPARTMENT OF CITY PLANNING
THE DEPARTMENT OF HOMELESS SERVICES THE
DEPARTMENT OF HOUSING PRESERVATION AND
DEVELOPMENT
NOTICE OF PROPOSED SUBSTANTIAL
AMENDMENT
TO THE 2013 CONSOLIDATED PLAN**

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

In accordance with 24 CFR 91.505 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding amendments, the City of New York announces the public comment period for the substantial amendment to the City's 2013 Consolidated Plan Emergency Solutions Grant (ESG), and HOME Investment Partnership (HOME) programmatic activities, respectively.

The public comment period will begin on August 9, 2013 and extend thirty (30) days to September 9, 2013.

The substantial amendment to New York City's Emergency Solutions Grant Program (ESG) (formerly the Emergency Shelter Grant) is necessitated by the significant decrease in the City's ESG entitlement grant allocation from the grant amount originally requested (approximately \$14.146 million) to the amount actually awarded (approximately \$10.921 million) as a result of the Federal Fiscal Year 2013 (FFY13) appropriations and sequestration (a 22% reduction in program funds). The amendment also includes incorporation of the existing Shelter Operations and Street Outreach programs' activities into the Emergency Shelter program. The amendment revises the proposed accomplishments for the existing ESG-funded programs, reflective of the decrease and reallocation of funds.

The amendment to New York City's HOME-funded activities entails the deletion two (2) programs that will not be allocated federal entitlement funds: the Neighborhood Entrepreneurs Program (NEP); and the Multifamily Homeownership Program (formerly the Cornerstone Program). The amendment also entails the reallocation of the FFY13 HOME Program grant funds expected to be received among the remaining programs previously approved for the 2013 One-Year Action Plan.

Lastly, the amended 2013 Consolidated Plan also incorporates the amended Calendar Year 2013 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

Copies of the amended 2013 Consolidated Plan will be made available on August 9, 2013 and can be obtained at the

Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). In addition, the amended Plan can be downloaded through the internet via the Department's website at www.nyc.gov/planning.

Written comments should be sent by close of business September 9, 2013 to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007 email: amended2013ConPlan@planning.nyc.gov.
