#### CHAPTER 330.

AN ACT to amend chapter three hundred and eighty-nine of the laws of eighteen hundred and seventy-eight, entitled "An act to create a police pension fund for disabled and retired policemen in the city of New York," and to provide for the equalization of pensions.

Passed June 8, 1882; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The act to create a police pension fund for disabled and retired policemen in the city of New York, passed June fourth, eighteen hundred and seventy-eight, being chapter three hundred and eighty-nine of the laws of eighteen hundred and seventy-eight, is hereby amended so as to read as follows:

1. The police commissioners of the city of New York are hereby constituted a board of trustees of the police pension fund created and provided for by this act. They shall organize as such board by choosing one of their number chairman and by appointing a secretary. The treasurer of the board of police shall be treasurer of such board of trustees. Such board of trustees shall have charge of and administer said fund, and from time to time invest the same, or any part thereof, as the said board shall deem most beneficial to said fund, and the said board is hereby authorized and empowered to make all necessary contracts and take all necessary and proper actions and proceedings in the premises, and to make payments from time to time from said fund of pensions granted in pursuance of this act, and, also, of pensions now charged on or made payable from said fund by or under existing

\* So in original.

laws; and said board of trustees shall be the legal successors of the trustee or trustees of the police life insurance fund, and of any pension fund heretofore created or existing. The said board of trustees may, and it is hereby authorized and empowered from time to time, to establish such rules and regulations for the disposition, investment, preservation and administration of the police pension fund, as it may deem best. They shall report in detail to the common council of the city of New York, annually in the month of January, the condition of the police pension fund and the items of their receipts and disbursements on account of the same. No payments whatever shall be allowed or made by said board of trustees from said fund as reward, gratuity or compensation to any person for salary, or services rendered to or for said board of trustees.

Sec. 2. The police pension fund now existing, and all moneys, bonds, investments, securities, revenues and incomes thereof, or belonging thereto, in whose hands soever, or wherever the same may be, shall be paid over and delivered on demand to the said board of trustees of the said police pension fund hereby provided for.

Sec. 3. The said police pension fund shall consist of:

1. The capital, interest, income, dividends, cash deposits, securities and credits derived from the paid police life insurance fund and the police pension fund.

2. All fines imposed by the board of police, from time to time, upon or against any member or members of the police force.

3. All awards, fees, gifts, testimonials and emoluments that may be presented, paid or given to any member of the police force for account of police services, except such as shall be allowed by the board of police to be retained by said member.

4. All lost, unclaimed or stolen money remaining in the possession of the property clerk of the police department for the space of one year, and for which there shall be no lawful claimant, and moneys arising from the sale by the said property clerk of unclaimed, abandoned, lost or stolen property.

5. A sum of money not exceeding four dollars per month for each member of the police force, to be paid monthly by the treasurer of the board of police to the treasurer of the board of trustees of the police pension fund for moneys deducted or withheld from the pay of members of said police force on account of lost time.

Sec. 4. The board of police shall have power, in its discretion, by the unanimous vote of a full board, to retire and dismiss from membership in the said police department or force, and thereupon grant pensions, as hereinafter provided, to any member of the police department or force of said city who shall have become disabled, physically or mentally, or superannuated by age so as to be unfit for police duty, and by a majority vote of the board, to widows and orphans of such members to be paid from the police pension fund by the board of trustees thereof, as follows:

1. To the widow of any member of the police department or force who shall have been killed while in the actual performance of duty, or shall have died from the effects of any injury received whilst in the actual discharge of such duty, or who has died or shall hereafter die after ten years of service in the police department or force of the city of New York, a sum of three hundred dollars per annum.

2. To any child or children under eighteen years of age of such member killed or dying as aforesaid, but leaving no widow, or, if a widow, then after her death to such child or children being yet under eighteen years of age, a sum not exceeding three hundred dollars per annum.

3. To any such member of the police department or force, who whilst in the actual performance of duty and by reason of the performance of such duty, and without fault or misconduct on his part, shall have become permanently disabled, physically or mentally, so as to be unfit to perform police duty, a sum not to exceed three hundred dollars per annum.

4. To any such member of the said police department or force who shall after ten years' and less than twenty years' membership become superannuated by age, or disabled physically or mentally so as to be unfit or unable to perform police duty by reason of such disability or disease contracted without misconduct on his part, a sum not less than three hundred dollars nor exceeding six hundred dollars per annum.

5. To any such member of the police department or force who has or shall have become permanently insane or mentally incapacitated from performing police duty, a sum not less than three hundred dollars, nor more than five hundred dollars; such pension to be paid to the person or committee legally authorized to collect and receive the same for and on behalf of the person so pensioned.

Sec. 5. Any member of the police department who has, or shall have, performed duty therein for a period of twenty years, or upwards, upon his own application in writing, or upon a certificate of the board of surgeons, showing that such member is permanently disabled, physically or mentally, so as to be unfit for duty, shall, by resolution, be retired and dismissed from said department, force and service, and placed on the roll of the police pension fund, and awarded and granted to be paid from said pension fund an annual pension during his life-time of a sum of not less than one-half of the full salary or compensation of such member so retired; provided, however, that no pension granted under the provisions of this section shall exceed the sum of one thousand dollars per annum, except that the said board of trustees, may, in their discretion, award and grant pensions to the superintendent of not exceeding fifteen hundred dollars, and to each inspector not exceeding twelve hundred dollars per annum. Pensions granted under this section shall be for the natural life of the pensioner, and shall not be revoked, repealed or diminished. In case any member shall have voluntarily left the police department and entered into the United States service and served in the war of the rebellion in the army and navy, and received an honorable discharge, and afterward shall have been reinstated in the police department, the time of his service in the army or navy shall be considered as continuous service in the police department.

Sec. 6. Pensions to widows shall terminate when the widow shall re-marry, and pensions to children shall terminate whenever the children shall respectively marry or arrive at the age of eighteen years. The board of police may, in its discretion, order any pensions granted, or any part thereof, to cease, or be diminished, except those pensions granted in pursuance of section five of this act; but in all such cases the said board of police shall file with the trustees of the police pension fund a written statement of the causes which determined them in ordering any pension so to cease or be diminished, and nothing herein, or in any other act contained, shall render the granting of any pension obligatory on the board of police, or chargeable as a matter of right upon said police pension fund, except as provided in this act. All existing pensions lawfully granted, payable out of the police life insurance fund, or the police pension fund, and not lawfully revoked are continued and shall be paid out of the police pension fund in pursuance of the limitations and provisions of this act; and the said board may, in its discretion, by unanimous vote increase, equalize and equitably adjust, but not diminish any such existing pension or pensions so as to conform as near as may be to the provisions, restrictions and limitations of this act; provided, however, that no such increase, equalization or adjustment shall be granted or made unless applied for within sixty days after the passage of this act.

Sec. 7. Pensions may, in the discretion of the said board of trustees, be continued and paid to the widows, or if none, to the child or children whilst under the age of eighteen years, of any member of the police force to whom pensions shall have been granted, under the provisions of section five, or under subdivisions three and four of section four of this act; provided, however, that such pensions to such widows or children, as the case may be, shall in no instance exceed five hundred dollars per annum, and the same may, in the discretion of said board, be from time to time and at any time diminished, modified or revoked.

Sec. 8. In determining the terms of service of any member of the police department, service in the late municipal and metropolitan police force, and subsequently in the police department of the city of New York, shall be counted and held to be service in the police department of the city of New York for all the purposes of this act.

Sec. 9. No member of the police force shall be granted, awarded or paid a pension on account of physical or mental disability or disease, unless a certificate of the board of surgeons of the department of police, which shall set forth the cause, nature and extent of the disability, disease or injury of such member shall be filed in the department.

Sec. 10. The moneys, securities and effects of the police pension fund, and all pensions granted and payable from said fund shall be and are exempt from execution and from all process and proceedings to enjoin and recover the same by or on behalf of any creditor or persons having or asserting any claim against, or debt or liability of any pensioner of said fund.

Sec. 11. The said board of police is hereby authorized and empowered to make and adopt all such rules, orders and regulations as are or may be necessary to carry out and enforce the provisions of this act.

Sec. 12. Every person who knowingly or willfully in anywise procures the making or presentation of any false or fraudulent affidavit or affirmation concerning any claim for pension or payment thereof, shall in every such case forfeit a sum not exceeding two hundred and fifty dollars, to be sued for and recovered by and in the name of the said board of police, and when recovered, paid over to and thereupon become a part of the said police pension fund.

Sec. 13. Any person who shall willfully swear falsely in any oath or affirmation in obtaining or procuring any pension or payment thereof, under the provisions of this act, shall be guilty of perjury.

Sec. 14. This act shall take effect immediately.

## NOTICE.

DEPARTMENT OF DOCKS,  
Nos. 117 and 119 DUANE STREET,  
NEW YORK, April 22, 1882.

**RULES AND REGULATIONS ESTABLISHED**  
for the government and proper care of piers, bulkheads, slips, and other wharf property, under the provisions of subdivision 7 of section 6 of chapter 574 of the Laws of 1877, by the Board of the Department of Docks, and published, to take effect on and after

MAY 1, 1882.

The said subdivision 7, among other things, provides as follows:

"The violation of or disobedience to any rule, regulation, or order of said Board shall be a misdemeanor, punishable by a fine not exceeding fifty dollars, or by imprisonment not exceeding thirty days, or by both such fine and imprisonment, on complaint of said Board."

And every person guilty of a violation of or disobedience to any of the following rules or regulations, in addition to the penalties thereby fixed and imposed, to be recovered in civil actions, is liable to be prosecuted for a misdemeanor and to be punished by such fine and imprisonment, or by both.

No. 1.—No piles shall be driven, nor shall any platform be erected, nor shall any filling-in of any kind be made on any part of the water-front of the city, without a written permit therefor being first had and obtained from the Board, under a penalty of two hundred and fifty dollars, for every such offense, to be recovered from the owner, lessee, or occupant of any pier or bulkhead, or of any water-front property or right, who shall cause or permit any such work to be done upon his premises before such permit therefor has been obtained, and under the further penalty of fifty dollars for each and every day which shall elapse before any piles so driven, or platform so erected, or material so filled-in, without such permit being first obtained, shall be removed, after the expiration of the time which may be allowed for such removal, by a notice served upon such owner, lessee, or occupant, by the Corporation Wharfing for the district, to be also recovered from such owner, lessee, or occupant.

No. 2.—No shed, building, office, tally-house, or other structure shall be erected, nor shall any derrick, hoisting-mast, coal-hopper, sign, or advertising device, or other erection or obstruction of any kind be placed or maintained upon any pier, bulkhead, or other wharf structure, nor upon any reclaimed land, without a written permit therefor being first had and obtained from the Board; and if the owner, lessee, or occupant of any such premises, or the owner, lessee, or agent of any such structure, erections, or obstructions, shall fail to comply with a notice served by the Corporation Wharfing for the district to remove any such structure, erection, or obstruction, after the expiration of the time allowed by such notice for the removal, such owner, lessee, occupant or agent, shall forfeit and pay a penalty of twenty-five dollars per day for each and every day, which shall elapse before any such structure, erection or obstruction, shall be removed, after the expiration of the time for the removal thereof specified in said notice.

No. 3.—No cargo shall be discharged from any vessel upon any bulkhead or wharf structure, at which such vessel is being unladen, after service by the Corporation Wharfing for the district, upon the owner, consignee, master, or other officer, or stevedore, of such vessel, of a notice that such bulkhead or structure will be endangered by the placing of additional cargo thereon, under a penalty of two hundred and fifty dollars for every such offense, and a further penalty equal in amount to the damages of every description which shall be caused by the further discharging of cargo upon such bulkhead or wharf structure, after the service of the said notice, both of such penalties to be recovered from such owner, consignee, master or other officer or stevedore, severally and respectively.

No. 4.—All goods, merchandise, and materials of every kind, landed or placed on any pier, bulkhead, or other wharf structure, or upon reclaimed land, must be removed therefrom without unnecessary delay, and within twenty-four hours after the Corporation Wharfing for the district shall have served upon the owner, shipper, or consignee, of such cargo, a notice to remove the same, under a penalty of fifty dollars per day for each and every day, during which any part of said cargo shall remain upon such pier, bulkhead, structure, or land, after the expiration of the said twenty-four hours, to be recovered from such owner, shipper, or consignee, severally and respectively.

No. 5.—All goods, merchandise and materials of every kind encumbering any pier, bulkhead or other wharf structure, or reclaimed land, after the time designated for the removal thereof shall have expired, will be liable to be removed by the Board to any warehouse or yard, at the sole risk and expense of the owner of any such property, and all expense incurred for such removal and storage or otherwise, shall be and become a lien thereon, and such goods, merchandise and materials will not be delivered to the owner until the expense of such removal and storage has been paid.

No. 6.—No person shall construct or maintain any engine-house, tally-house, or other small structure, under a permit of the Board, on any unshedded pier, or other wharf structure, unless the same be placed on wheels so as to admit of easy removal thereupon when required, and to prevent the accumulation of dirt or refuse thereunder, under a penalty of twenty-five dollars per day for each and every day which may elapse before the discontinuance of such offense.

No. 7.—No vessel of any kind shall be loaded or discharged by horse power, nor shall stones or similar cargo be discharged from any vessel, upon any pier, bulkhead or other wharf structure, unless proper plank be provided to protect the surface of such pier, bulkhead or other wharf structure from injury consequent upon the travel of the horse, or the throwing of the stones or similar cargo thereupon, under a penalty of five dollars a day for each horse so employed, and of twenty-five dollars for each offense of discharging such stones or like cargo, upon such pier, bulkhead, or other wharf structure, to be recovered from the owner, consignee, master or stevedore of any such vessel, severally and respectively; and if such penalty be recovered for using horses, or discharging stones or similar cargo, upon wharf property not owned by the Corporation, it shall be paid to the owner thereof.

No. 8.—No sand shall be discharged from any vessel unless canvas or similar material be extended from the vessel's side to the bulkhead or wharf structure at which such vessel is being unladen, to prevent the falling of the sand into the water, and if the surface of any such wharf structure is not sufficiently tight to prevent the sand dumped thereon from going through into the water, then no sand shall be discharged thereon from any vessel, unless canvas or similar material be first laid thereon to receive the sand, under a penalty of twenty-five dollars for each offense, to be recovered from the owner, consignee, master or stevedore of any such vessel, severally and respectively; and if such penalty be recovered on account of sand discharged upon wharf property belonging to the Corporation, under lease, it shall be paid to the lessee thereof, but if such penalty be recovered on account of sand discharged upon wharf property not owned by the Corporation, it shall be paid to the owner thereof.

No. 9.—The owners, lessees and occupants of every pier, wharf and bulkhead in the City of New York shall keep the same in good repair, and the slips adjacent thereto properly dredged; and whenever, in the judgment of the Board, it shall be necessary so to do, written notices, signed by the President or Secretary of said Board, shall be served upon the owners, lessees or occupants, or collector of wharfage of any such pier, wharf or bulkhead, or the slip adjoining the same, on or in which repairs or dredging are required by said Board, specifying the nature and extent of the repairs or dredging so required,

and the time within which such repairs must be made, or such dredging done; and in case the owners, lessees or occupants so notified, fail to comply with the terms and requirements of such notice, they shall forfeit and pay a penalty of fifty dollars per day for every day which shall elapse before they comply with such notice.

No. 10.—No ashes, refuse, offal, fruit, vegetables or any other substances, shall be thrown into the waters surrounding or adjacent to any pier or bulkhead, or any other part of the water-front of the city, under a penalty of twenty-five dollars for every such offense, to be recovered from the owner, lessee, or occupant, severally and respectively, of any pier, bulkhead, wharf structure, or other property, from which any such substance shall be thrown, or from the person actually throwing the same; or if any such substance be thrown from any vessel lying in waters within the jurisdiction of the Department, whether berthed or not, then such penalty to be recovered from the owner, consignee, or master of such vessel, severally and respectively.

No. 11.—No snow or ice shall be dumped into the waters adjacent to the water-front of the city, except from the piers, bulkheads and other places designated from time to time, by the Board, for such dumping, under a penalty of twenty-five dollars for each offense, to be recovered from the owner, lessee or occupant of any pier, bulkhead or other wharf property, from which any such snow and ice shall be dumped, or from the person actually dumping the same, severally and respectively.

No. 12.—All lumber, brick, or other material in bulk discharged on any bulkhead not shedded, shall be at once removed, or, if not so removed, shall be placed at least twenty feet from the edge of the bulkhead, pending removal, under a penalty of fifty dollars per day, for each and every day such lumber, brick or other material shall remain on the bulkhead, to be recovered from the owner or consignee of such lumber, brick or other material, or from the person placing, or causing the same to be placed, on such bulkhead, severally and respectively.

No. 13.—The charges for wharfage and dockage of all vessels admitted to any of the piers or bulkheads constructed under the new plans adopted by the Department, shall be at the same rates as are now, or shall hereafter be, fixed and established by laws of this State, until otherwise ordered by the Board.

No. 14.—The term "Board," when used in the foregoing rules and regulations, shall be taken to mean "The Board of the Department of Docks of the City of New York," and the term "Corporation," when so used, shall be taken to mean "The Mayor, Aldermen and Commonalty of the City of New York."

No. 2. PAVING, with trap-block pavement, Twenty-fifth street, from Sixth to Eleventh avenue, including intersection of Eleventh avenue, and laying crosswalks at the intersecting streets and avenues where required.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The apportionment of the regular rents upon dwelling houses are on the basis that but one family is to occupy the same, and for each additional family the sum of one dollar per year shall be charged.

Each flat or suit of rooms for one family shall be charged ten dollars per year where they have hot and cold water, stationary wash-tubs, bath, and water-closet, with the privilege of using meter.

METERS will be placed on all houses where waste of water is found, and they will be charged at rates fixed by the Department for all the water passing through them.

The rent of all tenements which shall exceed in width fifty feet shall be the subject of special contract with the Commissioner of Public Works.

The extra and miscellaneous rates shall be follows, to wit:

**BAKERIES**—For the average daily use of flour, for each barrel, the sum of three dollars per annum.

**BATHING TUBS** in private houses, beyond one, at three dollars per annum each, and five dollars per annum each in public houses, boarding houses, bathing establishments, and barber shops.

**BOARDING SCHOOLS** shall be charged at the rate of from fifteen to fifty dollars each; and school houses at the rate of from ten to twenty dollars each per annum.

**BUILDING PURPOSES**—For each one thousand bricks laid, or for stone-work—to be measured as brick—ten cents per thousand. For plastering, forty cents per hundred yards.

**COW STABLES**—For each and every cow, the sum of seventy-five cents per annum.

**FOUNTAINS** or jets are prohibited.

**HORSES, PRIVATE**—For two horses there shall be charged the sum of six dollars per annum; and for each additional horse, the sum of two dollars.

**HORSES, LIVERY**—For each horse up to and not exceeding thirty in number, the sum of one dollar and fifty cents each per annum; and for each additional horse, the sum of one dollar.

**HORSES, OMNIBUS AND CART**—For each horse, the sum of one dollar per annum.

**HORSE TROUGHS**—For each trough on sidewalks the sum of twenty dollars per annum; each trough is to be fitted with a proper ball-cock to prevent waste, this must be kept in order.

The use of hose for washing sidewalks, stoops, areas, house-fronts, and about stables, is prohibited, because it is absolutely necessary to save water for more necessary purposes. Where premises are provided with wells, special permits will be issued for the use of hose, in order that the Police or Inspectors may understand that the permission is not for the use of Croton water.

**WATER-CLOSETS AND URINALS**—To each building on a lot one water-closet having sewer connection is allowed without charge, each additional water-closet or urinal will be charged as hereinafter stated. All closets or urinals in which the Croton water from any service pipe or hydrant connecting with a privy vault or man-hole shall be charged two dollars for each seat per annum, whether in a building or on any other part on of the premises.

**WATER-CLOSET RATES**—For hoppers, of any form when water is supplied direct from the Croton supply, through any form of the so-called single or double valves, hopper-cocks, stop-cocks, self-closing cocks, or any valve or cock of any description attached to the closet, each per year twenty dollars.

For any pan-closet, or any of the forms of valve, plunger, or other water-closet not before mentioned, supplied with water as above described, per year, ten dollars.

For any form of hopper or water-closet, supplied from the ordinary style of cistern filled with ball-cock and overflow pipe that communicates with the pipe to the water-closet, so that overflow will run into the hopper or water-closet, when ball-cock is defective, or from which an unlimited amount of water can be drawn by holding up the handle, per year, each, five dollars.

For any form of hopper or water-closet, supplied from any of the forms of waste-preventing cisterns, that are approved by the Engineer of the Croton Aqueduct, which are so constructed that not more than three gallons of water can be drawn at each lift of the handle or depression of the seat, if such cisterns are provided with an overflow pipe, such overflow pipe must not connect with the water-closet, but be carried like a safe waste, as provided by the Board of Health Regulations, per year, two dollars.

Cistern answering this description can be seen at this Department.

DEPARTMENT OF PUBLIC WORKS, COMMISSIONER'S OFFICE, No. 31 CHAMBERS ST., NEW YORK, May 10, 1882.

JOH. H. CHAMBERS, Water Register:

SIR—From your letter of this date, in reference to certain rates included in the scale of water rents established by me on the 1st instant, it appears that there is a misapprehension in regard to their application. In order that the meter may be clearly understood, I have to inform and instruct you that the new rates in reference to water-closets are not intended to do and do not apply to existing houses and fixtures, but will be applied to all new houses hereafter erected or completed, and to all existing houses where the water-closets and fixtures therein referred may hereafter be put in. These water-closet rates are to go into general effect May 1, 1883.

Respectfully,

HUBERT O. THOMPSON, Commissioner of Public Works.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9:30 o'clock A. M., of Friday, the 21st day of July, 1882.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries and Dry Goods," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said book until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted

from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
