No bonds or deposit required on bids under One  
Thousand Dollars. Awards will be made on the low-

THE COMMISSIONER OF CORRECTION RESERVES THE  
RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED  
TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN  
SECTION 419, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract  
awarded to, any person who is in arrears to the Cor-  
poration upon debt or contract, or who is a defaulter,  
as surety or otherwise, upon any obligation to the Cor-  
poration.

The award of the contract will be made as soon as  
practicable after the opening of the bids.

Delivery will be required to be made from time to  
time, and in such quantities as may be directed by the  
said Commissioner.

Any bidder for this contract must be known to be  
engaged in and well prepared for the business, and  
must have satisfactory testimonials to that effect, and  
the person or persons to whom the contract may be  
awarded will be required to give security for the  
performance of the contract, by his or their bond, with  
two sufficient sureties, each in the penal amount of  
fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same, the names of all persons interested with him or  
them therein, and if no other person be so interested it  
shall distinctly state that fact; also that it is made without  
any connection with any other person making an esti-  
mate for the same purpose, and is in all respects fair  
and without collusion or fraud, and that no member of  
the Municipal Assembly, head of a department, chief of  
a bureau, deputy thereof or clerk therein, or other officer  
of the Corporation, is directly or indirectly interested  
therein, or in the supplies or work to which it relates, or  
in any portion of the profits thereof. The bid or esti-  
mate must be verified by the oath, in writing, of the  
party or parties making the estimate that the several  
matters stated therein are in all respects true. Where  
more than one person is interested it is requisite that the  
verification be made and subscribed by all the parties  
interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders, in  
The City of New York, with their respective places of  
business or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for  
his faithful performance, and that if he shall omit or  
refuse to execute the same they shall pay to the Cor-  
poration any difference between the sum to which he would  
be entitled on its completion and that which the Cor-  
poration may be obliged to pay to the person or persons  
to whom the contract may be awarded at any subse-  
quent letting; the amount in each case to be calculated  
upon the estimated amount of the work by which the  
bids are tested. The consent above mentioned  
shall be accompanied by the oath or affirmation,  
in writing, of each of the persons signing the  
same, that he is a householder or freeholder in  
The City of New York, and is worth the amount of this  
security required for the completion of this contract  
over and above all his debts of every nature, and  
over and above his liabilities as bail, surety or other-  
wise, and that he has offered himself as a surety in  
good faith and with the intention to execute the bond  
required by section 12 of chapter 7 of the Revised Ordi-  
nances of The City of New York, if the contract shall be  
awarded to the person or persons for whom he consents  
to become surety. The adequacy and sufficiency of the  
security offered to be approved by the Comptroller of  
The City of New York.

No bid or estimate will be considered unless  
accompanied by either a certified check upon one of  
the State or National Banks of The City of New York,  
drawn to the order of the Comptroller, or money to the  
amount of five per centum of the amount of the  
security required for the faithful performance of the  
contract. Such check or money must not be inclosed in  
the sealed envelope containing the estimate, but must be  
handed to the officer or clerk of the Department who  
has charge of the estimate box, and no estimate can be  
deposited in said box until such check or money has  
been examined by said officer or clerk and found to be

correct. All such deposits, except that of the successful  
bidder, will be returned to the persons making the same  
within three days after the contract is awarded. If the  
successful bidder shall refuse or neglect, within five days  
after notice that the contract has been awarded to him,  
to execute the same, the amount of the deposit made  
by him shall be forfeited to and retained by The City  
of New York as liquidated damages for such neglect or  
refusal; but if he shall execute the contract within the  
time aforesaid, the amount of his deposit will be returned  
to him.

Should the person or persons to whom the contract  
may be awarded neglect or refuse to accept the contract  
within five days after written notice that the same has  
been awarded to him or their bid or proposal, or if he  
or they accept but do not execute the contract and give  
the proper security, he or they shall be considered as  
having abandoned it and as in default to the Corporation,  
and the contract will be readvertised and relet, as pro-  
vided by law.

Bidders will state the price for each article, by which  
the bids will be tested.

The quality of the articles, supplies, goods, wares  
and merchandise must conform in every respect to the  
samples of the same on exhibition at the office of the  
said Department, No. 148 East Twentieth street, New  
York City, or, in the absence of samples, to the  
printed specifications. Bidders are cautioned to  
examine the specifications for particulars of the  
articles, etc., required before making their estimates.

Bidders will write out the amount of their estimates  
in addition to inserting the same in figures.

Payment will be made by a requisition on the Com-  
ptroller, in accordance with the terms of the contract, or  
from time to time, as the Commissioner may determine.

The form of the contract, including specifications, and  
showing the manner of payment and other details, will  
be furnished at the office of the Department, No. 148  
East Twentieth street, New York City, and bidders are  
cautioned to examine each and all of its provisions care-  
fully, as the Commissioner will insist upon its absolute  
enforcement in every particular.

FRANCIS J. LANTRY,  
Commissioner of Correction.

The articles, supplies, goods, wares and merchandise are to be delivered, free of expense, at the General Drug Department on the grounds of Bellevue Hospital, East Twenty-sixth street, east of First avenue, and are to be delivered in such quantities and at such times as may be required.

The quality of the Hospital Supplies must conform in every respect to the specifications and samples, and bidders are cautioned to examine both specifications and samples of the articles required before making their estimates.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners, or be provided for by the specifications.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to

whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the General Bookkeeper and Auditor, foot of East Twenty-sixth street, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

JOHN W. KELLER, Commissioner,  
ADOLPH SIMIS, Jr., Commissioner,  
JAMES FEENEY, Commissioner,  
Department of Public Charities.

The person or persons to whom the said contract may be awarded will be required to execute the same within five (5) days after the receipt of a notice to that effect, and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and the Commissioner of Street Cleaning may readvertise and relet the work, and so on until the contract be accepted and executed.

Bidders are required to state under oath or affirmation in their bids or proposals their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested, they shall distinctly state that fact; also that the bid or proposal is made without any connection with any other person making a bid or proposal for the above work, and that it is in all respects fair and without collusion or fraud, and also that no member of the Municipal Assembly, head of a department, deputy thereof or clerk therein, chief of a bureau, or other officer of the Corporation is directly or indirectly interested therein, or in any of the work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is required that both the bid or proposal and the affidavit thereon be made and subscribed by all the parties interested.

Each bid or proposal must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, or of two guaranty or surety companies, duly authorized by law to act as sureties, as shall be satisfactory to the Comptroller of the City of New York, to the effect that if the contract be awarded to the person or persons making the bid or proposal, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance in the amount of Fifty Thousand Dollars (\$50,000); and that if he or they shall omit or refuse to execute the contract, they will pay to the City of New York any difference between the sum to which he or they would be entitled on its completion and that which the City of New York may be obliged to pay to the person or persons to whom the contract may be subsequently awarded, the amount to be calculated upon the estimated amount of work by which the bids or proposals are tested.

The adequacy and sufficiency of the sureties offered shall be subject to approval by the Comptroller of the City of New York.
