The oath of office as a Member of the Board of Canvassers of The City of New York was then administered by the Chairman to Commissioner Livingston. The oath of office as a Member of the Board of Canvassers of The City of New York was then administered by the Chairman to Commissioner Britt.

The Chairman requested the Secretary to deliver to the Board the certified copies of the statements of the County Boards of Canvassers of the counties of New York, The Bronx, Kings, Queens and Richmond, as to the votes cast within such counties for candidates for City offices, required to be filed with the Board of Elections by the County Clerks of said counties, pursuant to the provisions of section 440, chapter 22 of the Laws of 1909, constituting chapter 17 of the Consolidated Laws.

The Secretary presented to the Board a certified copy of the statements of the Boards of County Canvassers of the counties of Queens and Richmond, as to the votes cast within said counties for candidates for City offices.

The Secretary also reports that up to this time he has not received the certified copies of the statements of the Boards of County Canvassers for the counties of New York and Kings.

Thomas J. Kenny, Deputy Chief Clerk of the Board, reports that he communicated with the County Clerks of the counties of New York and Kings, and has received the information that the same will be in the hands of this Board by Thursday, December 4, 1913/.

Commissioner Britt moved that the Board adjourn until Thursday, December 4, 1913, at 12 o'clock noon. Commissioner Livingston seconded the motion

MOSES M. McKEE, Secretary.

Board of Elections, City of New York, No. 107 West 41st Street, Borough of Manhattan, New York, December 4, 1913.

The Board of Elections of The City of New York, having met on the 4th day of December, 1913, pursuant to the provisions of section 440, chapter 22 of the Laws of 1909, constituting chapter 17 of the Consolidated Laws, as the Board of Canvassers of The City of New York, to canvass and estimate the votes given for City offices in the several counties included within The City of New York, at the general election

held on the 4th day of November, 1913.

The Secretary presented to the Board a certified copy of the statements of the Boards of County Canvassers of the counties of New York and Kings, as to the votes

cast within said counties for candidates for City offices.

The Secretary submitted tabulated statements of the whole number of votes cast for all candidates for City office shown by the certified copies of the statements of the Boards of County Canvassers of the counties of New York, The Bronx, Kings, Queens and Richmond, to have been voted for and of the whole number of votes cast for each of such candidates.

On motion, the following resolution was adopted, viz.: Resolved, That the Board of Canvassers of The City of New York, as constituted by the provisions of section 440, chapter 22 of the Laws of 1909, constituting chapter 17 of the Consolidated Laws, having canvassed the certified copies of the statements of the Boards of County Canvassers of the counties of New York, The Bronx, Kings, Queens and Richmond, as filed with it, of the votes cast at the general election, held on the 4th day of November, 1913, for candidates for City offices, do hereby determine, declare and certify as set forth in the statements and declarations herewith submitted, copies of which are hereto attached; and be it further

Resolved, That a copy of said statements and declarations be filed with the Board of Elections of The City of New York.

We certify this determination and declaration to be correct, and have signed the same as Members of the Board of Canvassers of The City of New York, and attested thereof by the Secretary this fourth day of December, one thousand nine hundred and thirteen.

VOUCHERS RECEIVED IN DEPARTMENT OF FINANCE FRIDAY, DECEMBER 26, 1913.

A statement is herewith submitted of all vouchers filed in the Department of Finance on this date in which is shown the Department of Finance voucher number, the date or dates of the invoices or bills, the name of the pavee and the amount of the claim. Where two or more bills are embraced in one voucher, the dates of the earliest and latest are given.

If the vouchers are found to be correct, and properly payable to the respective claimants, it will be my endeavor to have the warrants therefor made ready for payment within the next seven days.

If any claimant within the time stated does not receive his warrant or a written notice in relation thereto, then written or verbal inquiry may be made at this office, using the Department of Finance voucher number as a ready means of reference.

WM. A. PRENDERGAST, Comptroller.

FOR THE RIGHT TO DUMP AND FILL BEHIND THE BULKHEAD WALL RECENT-LY BUILT BETWEEN E, 123D ST. AND E. 124TH ST., HARLEM RIVER, BOROUGH OF MANHATTAN

TERMS AND CONDITIONS OF SALE,
The work to be done is to fill in with suitable
material as hereinafter described the area behind

material as hereinafter described the area behind the new bulkhead wall extending from the southerly side of E. 123d st. northerly a distance of 171 feet, and extending inshore a distance of about 140 feet to the present shore line outshore of the easterly side of Pleasant ave.

The filling shall be brought to a grade 10 inches below the top of the coping of the bulkhead wall, and shall extend inshore on a sloping grade to a grade 10 inches below the grade of E. 123d st. Bidders will state in writing a lump sum price which they agree to pay for the privilege of filling the whole of the area above described.

It is estimated that the area outlining the above described limits will create a basin to be filled in under the agreement, the cubical con-tents of which in the net void space are equal to 6,550 cubic yards.

In the estimated amount given, the amount in cubic yards is arrived at without placing any allowance for shrinkage, settlement, swelling of

allowance for shrinkage, settlement, swelling of the material or penetration into the mud.

The Department is not bound in any way by the estimate, and bidders must satisfy themselves of the actual quantity required to fill in the above described area by examination of the premises or such other means as they may prefer, the intention of the Department being to fill in the whole of the said premises behind the bulkhead wall within the above described limits, and no allowance will be made to the purchaser from the purchase price on account purchase from the purchase price on account of any discrepancy which may be found between the above estimated quantity and the actual amount of the filling required.

The purchaser will be required to place the filling in accordance with the following specifications All of the filling shall, unless otherwise directed, be placed directly in the rear of the bulkhead wall and carried from the bulkhead wall toward the shore.

All materials must be dumped and filled in only in such manner at such points and in such order.

in such manner, at such points, and in such order of procedure, and at such times and seasons as may, from time to time, be directed, and the work of filling in may be entirely suspended for such periods of time as may be directed by the Engineer. NOTICE OF HEARING ON FORM OF CON-TRACT.

NOTICE IS HEREBY GIVEN THAT A PUBlic hearing will be held at the office of the Public Service Commission for the First District at 154 Nassau street, Borough of Manhattan, New York City, on the 9th day of January, 1914, at 12.15 o'clock p. m., upon the proposed terms and conditions of a contract for the supply of materials for use in the construction of rapid transit railroads.

copies of the draft of said proposed contract may be obtained at the said office of the said Public Service Commission upon payment of the fee of One dollar for each such copy.

Dated New York, December 24, 1913.

PUBLIC SERVICE COMMISSION FOR THE FIRST DISTRICT,

By EDWARD E. McCall, Chairman.

TRAVIS H. WHITNEY, Secretary. d26,j9

#### Proposals.

#### INVITATION TO CONTRACTORS.

PART OF THE SEVENTH AVENUE-LEXINGTON AVENUE RAPID TRANSIT RAILROAD,

THE PUBLIC SERVICE COMMISSION FOR the First District (hereinafter called the "Commission") invites proposals to construct Section No. 6 of Routes 4 and 38, a part of the Seventh Avenue-Lexington Avenue Rapid Transit Rail-

The points within The City of New York between which the said part is to run and the route tween which the said part is to run and the route or routes to be followed are briefly as follows:
Section No. 6—Beginning at a point under 7th ave., in the Borough of Manhattan, about seventy-five (75) feet north of the northerly building line of W. 30th st., and extending thence northerly under 7th ave. to a point about one hundred (100) feet south of the southerly building line of W. 43d st.

The general plan of construction calls for a subsurface railroad having four and five tracks. The details of the construction of the railroad

The details of the construction of the railroad

and appurtenances are more particularly indi-cated on the contract drawings.

Bidders will not be required to provide or lay tracks, ties or ballast, nor to do station finish

The work of construction under the contract The work of construction under the contract will include the construction of all necessary sewers and connections along or off the route of the railroad; also the necessary support, maintenance, readjustment and reconstruction of vaults adjacent to buildings, pipes, tubes, conduits, subways or other subsurface structures; the support and care, including underpinning or the maintaining projecting and securing where the support and care, including underpinning of
the maintaining, protecting and securing, where
necessary, of all buidings, monuments, surface
and subsurface railroads and other surface, subsurface and overhead structures of any kind,
etc., affected by or interfered with during the
construction of the work; also the restoration
of the sidewalks and roadways.

The method of construction will be by trench
excavation under cover, unless otherwise permitted by the Commission, as set forth in the

mitted by the Commission, as set forth in the form of contract,

Bidders must examine the form of contract and the specifications, maps and plans; must visit the location of the work and inform themselves of the present conditions along the line thereof and make their own estimates of the facilities and difficulties attending the execution of the proposed work.

A fuller description of the work to be done is set forth, and other requirements, provisions, details and specifications are stated, in the printed form of contract and in the contract drawings therein referred to. Printed copies of the form of contract, bond and contractor's proposal may be had on application at the of-fice of the Commission, No. 154 Nassau st., Bor-ough of Manhattan, City of New York. The contract drawings may be inspected at the same office, and copies thereof may be purchased by prospective bidders on payment of five dollars (\$5). The printed form of contract and the contract drawings are to be deemed a part of

The City and the Interborough Rapid Transit Company will both be parties to the contract; the interborough Rapid Transit Company being a party for the purpose of disbursing part of its contribution toward the cost of construction its contribution toward the cost of construction as provided in the contract dated March 19, 1913, between The City of New York, acting by the Commission, and Interborough Rapid Transit Company for the equipment, maintenance and operation of additional rapid transit railroads. The liability of Interborough Rapid Transit Company under the contract for which bids are now invited will be limited to an amount equal to ninety-five (95) per centum of the aggregate sum arrived at by multiplying the estimated approximate quantities by the unit prices, as contained in the schedule of unit prices in the contractor's proposal. The contractor is to accept the obligation of the Interborough Rapid Transit Company to make payments to the amount and in the manner provided in the contract, and is to agree not to look to the City except to the extent that the amounts earned under the contract may exceed the amount for which the Interborough Rapid Transit Company

The Commission is informed by the Department of Docks and Ferries that docks and bulkheads along the East River or along the North River may be available for dumping purposes. Information in regard thereto may be obtained by any intending bidder upon inquiry at the of-face of the Department of Docks and Ferries with whom all arrangements must be made with respect to utilizing such docks and bulkheads as

may be available, Partial payments to the contractor will be made monthly as the work proceeds, as provided in the form of contract.

The contractor will be required to complete the work as soon as practicable and within a period of thirty-six (36) months from the date of the delivery of the contract,

Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau street, Borough of Manhattan, City of New York, until the 29th day of December, 1913, at twelve fifteen (12.15) o'clock p. ni., at which time, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Proposals must be in the form prescribed by the Commission, copies of which may be ob-

the Commission, copies of which may be obtained at the office of the Commission.

A statement based upon estimate of the Engineer of the quantities of the various classes of work and of the nature and extent as near as practicable of the work required is to be found in the schedule forming a part of the form of contractor's proposal. The quantities given in such schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City on account of any excess or deficiency, absolute or relative, in the same, except as provided in the specifications and form of contract.

the specifications and form of contract.

All proposals must, when submitted be enclosed in a sealed envelope endorsed "Proposal for Constructing Part of Rapid Transit Railroad—Routes Nos. 4 and 38, Section No. 6," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box, in which all proposals will be deposited. No proposal will be received or deposited. No proposal will be received or deposited unless accompanied by a separate certified check drawn upon a national or state bank or check drawn upon a national or state bank or trust company having its principal office in The City of New York satisfactory to the Commission and payable to the order of the Comptroller of The City of New York for the sum of Fifteen Thousand Dollars (\$15,000). Such check must not be enclosed in the envelope containing the

proposal.

The unit prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be

opening of the proposals.

Bidders whose proposals are otherwise satisfactory, in case the sureties or securities named by them are not approved by the Commission, may substitute in their proposals the names of other sureties or securities approved by the Commission, but such substitution must be made within five (5) days after notice of disapproval, unless such period is extended by the Commission.

A bidder whose proposal shall be accepted shall, in person or by duly authorized representative, attend at the said office of the Commission within ten days after the delivery of a notice by the Commission that his proposal is accepted and that the contract is consented to by the Board of Estimate and Apportionment, and such

bidder shall then deliver a contract in the form referred to, duly executed and with its execu-

tion duly proved.

At the time of the delivery of the contract the At the time of the delivery of the contract the contractor will be required to furnish security to the City by giving a bond for two hundred thousand dollars (\$200,000). At the option of the successful bidder, cash or approved securities may be deposited instead of giving a bond. It securities are deposited in place of a bond under the contract, they must be of the character feetings are the contract. of securities in which savings banks may invest their funds and must be approved by the Com-

The contractor's bond must be in the form annexed to the form of contract.

In addition and as further security, fifteen (15) per centum of the amounts certified from time to time to be due to the contractor will be deducted until the amounts so deducted and retained shall equal ten (10) per centum of the sum of the amounts resulting from the product of the estimated approximate quantities and the unit prices, as contained in the schedule of unit prices in the contractor's proposal. Thereafter there shall be so deducted and retained for such purpose ten (10) per centum of the amount certified from time to time to be due to the contractor. The The contractor's bond must be in the form to time to be due to the contractor. The contractor may from time to time withdraw portions of the amounts so retained upon depositing in lieu thereof corporate stock of The City of New York equal in market value to the amount so withdrawn,

In case of failure or neglect to execute and deliver the contract or to execute and deliver the required bond or to make the required de-posit, such bidder will, at the option of the Commission, be deemed either to have made the contract or to have abandoned the contract. In the latter case, the Commission will give notice thereof to such defaulting bidder, and the Commission may thereupon proceed to make another contract with such, if any, of the original bidders, as, in the opinion of the Commission, it ders, as, in the opinion of the Commission, it will be to the best interests of the City to contract with, or may by new advertisement invite further proposals. The defaulting bidder shall thereupon be liable to the City for all loss and damage by it sustained, including the excess, if any, of the amount it shall pay any other contractor over the amount of the bid of such defaulting hidder. defaulting bidder.

If the Commission shall give notice to any If the Commission shall give notice to any bidder that his or its proposal is accepted and that the contract is consented to by the Board of Estimate and Apportionment, and if the bidder shall fail within ten days thereafter or within such further period, if any, as may be prescribed by the Commission, to execute and deliver the contract and to execute and deliver the board with surelies or to make the required. the bond with sureties, or to make the required deposit, then the invitation to contractors and proposal accepted as aforesaid shall be a contract binding the bidder to pay to the City the damage by it sustained by reason of such failure, and in such case the bidder shall, by the terms of the proposal, absolutely assign to the City the ownership of the check accompanying his or its proposal as a payment on account of

as or its proposal as a payment on account of such damages.

All such deposits made by bidders whose proposals shall not be accepted by the Commission will be returned to the person or persons making the same within five days after the contract shall be executed and delivered. The deposit of the successful bidder will be returned when the contract is executed and its provisions in re-spect of the bond or deposit are complied with. The right to reject any and all bids is reserved.
