

January 30, 2009

Mr. John J. Doherty
Commissioner
New York City Department of Sanitation
125 Worth Street, Room 720
New York, NY 10013

re: Rechargeable Battery Recycling Corporations 2008 Annual Report to New York City

Dear Commissioner Doherty:

In accordance with the provisions of the City of New York Local Law No. 97 of 2005, the New York City Rechargeable Battery Law, the Rechargeable Battery Recycling Corporation (RBRC) is pleased to present its annual report for the calendar year 2008. This report summarizes the number of sites collecting rechargeable batteries within the City of New York, the weights and chemistries of the batteries collected from those sites, the allocated costs for such collection and recycling efforts, the public outreach conducted by RBRC to increase awareness of the program to consumers, and a summary showing the progress made by New York City in collecting rechargeable batteries over the past three years.

As we noted in our meeting on December 15, 2008 with NYC Department of Sanitation staff, the number of collection sites, especially retail store sites, has increased enormously during 2008, due mainly to the vigorous enforcement of the NYC Rechargeable Battery Law. However, the weights of rechargeable batteries collected from those retail sites has not increased as dramatically. Overall, total collections in New York City have increased 24% from 2007 to 2008.

As a non-profit, public service organization, RBRC is dedicated to the continued improvements in the collection and recycling of rechargeable batteries in New York City, and we look forward to working with you in the future to expand opportunities to collect and recycle rechargeable batteries.

Sincerely yours,

Carl E. Smith
President & CEO

- 3) 2008 DETAILED RESULTS: ALL LOCATIONS
- 4) 2008 DETAILED RESULTS: RETAIL LOCATIONS ONLY
- 5) COMPARISON RESULTS: 2006, 2007, 2008
- 6) 2008 OUTREACH AND PUBLIC EDUCATION

Section 1 – Report Summary

RECHARGEABLE BATTERY RECYCLING REPORT SUMMARY

NEW YORK CITY COLLECTION LOCATIONS

The number of collection sites registered in the RBRC program in New York City increased from 951 at the end of 2007 to 3,295 at the end of 2008, an increase of 246%. It is felt that this increase was due largely to the vigorous enforcement actions taken by the New York City Department of Sanitation beginning in the Spring of 2008. For the calendar year 2008, total battery collections were 39,966 lbs, an increase of 7,769 lbs or 24.1% over the level achieved in 2007. While most of the new sites registered in 2008 were retail sites, most of the additional batteries collected in 2008 originated from the non-retail locations.

COMPARISON OF 2006, 2007 AND 2008 RESULTS

Total New York City RBRC collection sites increased from 605 at the end of 2006 to 951 at the end of 2007 to 3,295 at the end of 2008, a 57.2% increase from 2006 to 2007 and a 246% increase from 2007 to 2008. Total collections have likewise increase from 27,654 lbs in 2006 to 32,197 lbs in 2007 to 39,966 lbs in 2008, or roughly 25% per year. Approximately 97% of the batteries returned through the RBRC program in New York City are conforming rechargeable batteries, and there was little difference in this percentage over the past three years.

The prevalent battery chemistry collected through the RBRC program is the nickel-cadmium (Ni-Cd) battery. However, due to its declining use in the marketplace, the percentage of Ni-Cd batteries collected compared to total conforming battery chemistries collected has decreased from 86.5% in 2006 to 78.8% in 2007 to 61.1% in 2008. However, the absolute level of Ni-Cds collected in each of those three years remains constant at approximately 24,000 lbs as total collections have increased so markedly.

COST OF COLLECTIONS

In 2008, RBRC incurred recycling expenses of approximately \$69,016 - a 53% increase from costs incurred in 2007. We attribute this increase to the large number of retail locations that have signed up into the program in 2008. This figure includes purchasing, issuing and tracking boxes; shipping collection supplies to participating locations; transportation and shipping costs from participating sites to the recycling facility (average weight was 38.5 lbs. per box), and the costs associated with the proper recycling of the rechargeable batteries and other material.

REMAINDER OF REPORT

The remainder of this report consist first of the details associated with battery collections, the physical locations and types of materials collected. The section provides detailed materials from RBRC's national and local education campaign for New York City.

Section 2 – 2008 Summary Statistics

2008 SUMMARY STATISTICS

RECHARGEABLE BATTERY RECYCLING REPORT

New York City Collection Locations

Active Sites – 3,295

Number of Sites with Receipts – 293

Participation Rate – 8.89%

Total Receipts – 1,039

Weight Received – 39,966 lbs (17.84 tons)

Weight of Conforming Rechargeable Batteries Received – 38,610 lbs

- Nickel Cadmium Batteries – 23,600 lbs
- Lead Acid Batteries – 8,852 lbs
- Lithium Ion Batteries – 4,166 lbs
- Nickel Metal Hydride Batteries – 1,992 lbs

Non-Conforming Batteries Received – 734 lbs

Weight of Cell Phones Received – 525 lbs

Number of Cell Phones Received – 1,915

Other Materials – 97 lbs

Section 3 – 2008 Detailed Results
All Locations

2008 DETAILED RESULTS: ALL NYC PARTICIPATING LOCATIONS

The following pages provide a detailed look at activity from all NYC participating locations, including retailers, businesses, communities, and public agencies. This report includes site participation summary and pie chart, participation and return rates bar chart, yearly receipt totals bar chart, receipt chemistry breakdown, participation detail, deactivated sites, receipt summary and detail, and delimited data reports.

The delimited data reports are included as a tool for NYC staff, so they can import the recycling data from this document into an Excel spreadsheet. The fields are delimited and can be cut and pasted into a text document, which can then be imported in an Excel document. The following reports are provided in delimited format:

Participation Detail Delimited Data

- Site Name | Internal ID | RBRC Site ID | City | State | Last Receipt

Deactivated Sites Delimited Data

- Site Name | Internal ID | RBRC Site ID | City | State | Last Receipt | Deactivation Date

Receipt Summary Delimited Data

- RBRC ID | Site Name | Internal ID | City | State | Total Weight | NiCd | Li-Ion | Ni-MH | Lead | Other | # Cell Phone | lbs Cell Phone

Receipt Detail Delimited Data

- Receipt Date | RBRC ID | Site Name | Internal ID | City | State | Total Weight | NiCd | Li-Ion | Ni-MH | Lead | Other | # Cell Phone | lbs Cell Phone

To export the data from these four reports into Excel, we've included the following instructions:

1. Highlight and copy the header and all the delimited data in a particular section of a report (i.e. Participation Detail Delimited Data, Receipt Summary Delimited Data, etc.).
2. Create a new file in Notepad, paste the clipboard contents, and save the data as <filename>.txt.
3. Open Excel and choose File -> Open and in the file type dropdown, change the option to "All File Types" and find the .txt file you just created.
4. Excel will ask you in an import wizard how you want to import the data. You are importing fixed delimited data and the delimiter is a pipe "|".
5. The data will be formatted automatically, although you can change the fields from numbers to text to dates or whatever you would like.

Section 4 – 2008 Detailed Results
Retail Locations Only

2008 DETAILED RESULTS: RETAIL LOCATIONS ONLY

The following pages provide a detailed look at activity from retail participating locations. This report includes site participation summary and pie chart, participation and return rates bar chart, yearly receipt totals bar chart, receipt chemistry breakdown, participation detail, deactivated sites, receipt summary and detail, and delimited data reports.

The delimited data reports are included as a tool for NYC staff, so they can import the recycling data from this document into an Excel spreadsheet. The fields are delimited and can be cut and pasted into a text document, which can then be imported in an Excel document.

The following reports are provided in delimited format:

Participation Detail Delimited Data

- Site Name | Internal ID | RBRC Site ID | City | State | Last Receipt

Deactivated Sites Delimited Data

- Site Name | Internal ID | RBRC Site ID | City | State | Last Receipt | Deactivation Date

Receipt Summary Delimited Data

- RBRC ID | Site Name | Internal ID | City | State | Total Weight | NiCd | Li-Ion | Ni-MH | Lead | Other | # Cell Phone | lbs Cell Phone

Receipt Detail Delimited Data

- Receipt Date | RBRC ID | Site Name | Internal ID | City | State | Total Weight | NiCd | Li-Ion | Ni-MH | Lead | Other | # Cell Phone | lbs Cell Phone

To export the data from these four reports into Excel, we've included the following instructions:

1. Highlight and copy the header and all the delimited data in a particular section of a report (i.e. Participation Detail Delimited Data, Receipt Summary Delimited Data, etc.).
2. Create a new file in Notepad, paste the clipboard contents, and save the data as <filename>.txt.
3. Open Excel and choose File -> Open and in the file type dropdown, change the option to "All File Types" and find the .txt file you just created.
4. Excel will ask you in an import wizard how you want to import the data. You are importing fixed delimited data and the delimiter is a pipe "|".
5. The data will be formatted automatically, although you can change the fields from numbers to text to dates or whatever you would like.

New York Retail 2008

Receipt Report for 01/01/2008 through 12/31/2008

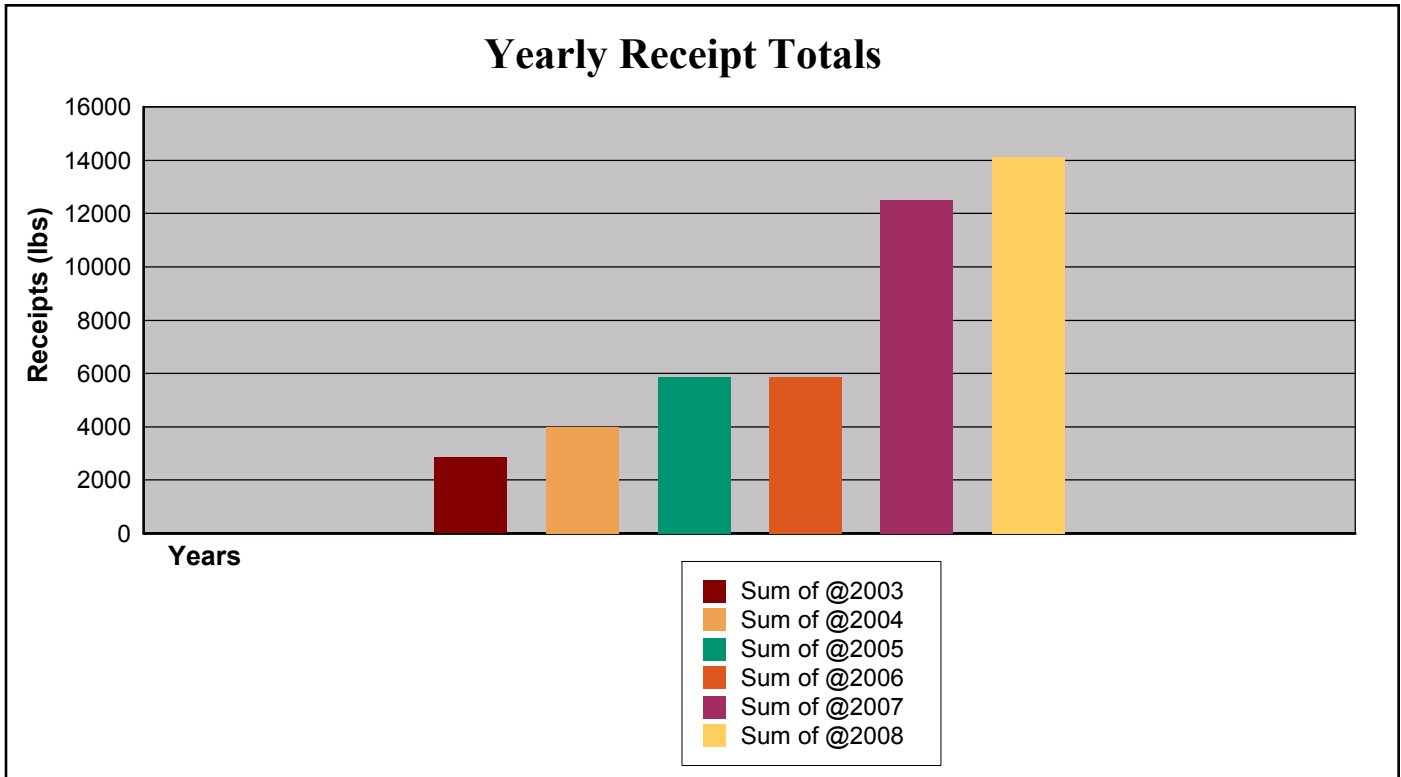

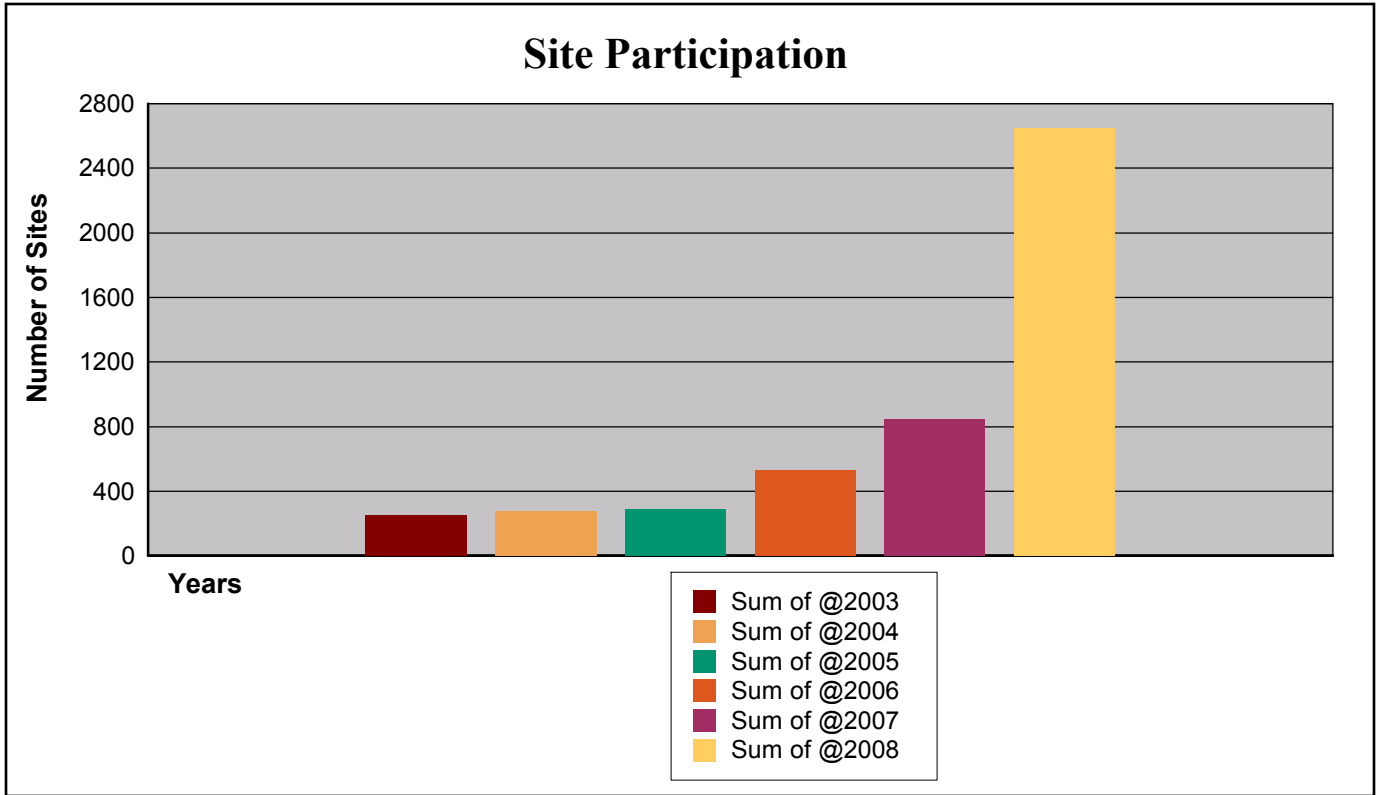

Active Sites - 2,647
Number of Sites with Receipts - 229 (8.65%)
Total Receipts - 648
Pounds Received - 14,224.00 (6.35 tons)
Conforming Rechargeables - 13,061 lbs
- NiCd - 5,267 lbs
- Li-Ion - 2,871 lbs
- Ni-MH - 1,179 lbs
- Lead - 3,744 lbs
Non-Conforming Rechargeables - 723 lbs
Pounds Cell Phones - 353 lbs
Number of Cell Phones - 1,348
Other Materials - 87 lbs

Site Participation Summary

| | |
|--------------------|--------|
| Fair Participation | 3.0% |
| Good Participation | 6.8% |
| No Participation | 86.9% |
| Poor Participation | 3.2% |
| Total: | 100.0% |

Participation and Return Rates

Receipt Chemistry Breakdown

NiCd - 5,267 lbs
Ni-MH - 1,179 lbs
Li-Ion - 2,871 lbs
Lead - 3,744 lbs
Alkaline - 635 lbs
Lithium - 88 lbs
Silver Oxide - 0 lbs
Wet Cell NiCd - 0 lbs
Mercury - 0 lbs
Zinc Carbon (Mercury) - 0 lbs
Zinc Carbon (No Mercury) - 0 lbs
Lead Carbonate - 0 lbs
Nickel Iron - 0 lbs
Cell Phone - 353 lbs
Cell Phone Accessories - 87 lbs
Other - 0 lbs

Section 6 – 2008 Outreach
and Public Education

**New York City
2008 Call2Recycle Marketing Efforts**

Advertising

1. **Print.** Color ads appeared in the following national magazines (figures following publication name indicates *national monthly circulation*):
 - a. American Woodworker (306,100), Body + Soul (350,000), Country Home (1.2 mil), Family Handyman (1.16 mil), Fine Homebuilding (329,000), Handy (Handyman Club of America magazine, 1 mil.), National Geographic (5.3 mil), National Geographic Kids (1.3 mil.), Outside (665,600), Popular Mechanics (1.2 mil), Prevention (2.4 mil.), This Old House (962,635), Wood (550,000), Workbench (321,500).
 - b. In addition to national consumer publications, RBRC ads appeared in national trade publications reaching out to firemen, EMT professionals, facilities management operators, and solid waste professionals. Municipal Solid Waste Management (25,655), National Fire & Rescue (32,000), Public Works (66,530), Resource Recycling (12,875), Waste Age (40,850), Waste News (51,230).
 - c. Total negotiated non-profit rate for national print advertising placements (consumer & trade publications) equals approx. \$2.4 million.

2. **Television.** Call2Recycle®'s 30-second on-air commercials were placed nationally on cable networks. Note that New York City ranks #1 in DMA (Designated Market Area).
 - a. Paid placements aired on NYC stations (figures following network name indicates number of approx. NYC subscribers): FOX Sports Network (5.4 mil), HGTV (4.6 mil), National Geographic Channel (4.6 mil). The national negotiated non-profit rate for these paid TV campaigns equaled approx. \$1.7 million.
 - i. HGTV year-long sponsorship of the 2008 Green Home. Sponsorship commercials and in-programming tags aired during selected programming and during the HGTV Green Home Giveaway televised specials.
 - ii. National Geographic Channel exclusive series, "Preserve Our Planet", sponsorship of TV special, Six Degrees Could Change the World. Premiered on Feb. 10th and rebroadcasted on: Feb. 14 (8-10pm), Feb. 17 (6-8pm), and Feb. 21 (6-8pm).
 - b. Non-paid TV public service announcements (PSAs) are distributed three times annually to national TV stations to air when space is available. Within the NYC area (DMA #1) the Call2Recycle PSAs aired a total of 1,171 times, reaching an 120 million audience impressions.

3. **Radio.** Non-paid PSAs distributed twice annually to 34 NYC local area radio stations. Similar to TV PSA distribution; PSAs air when space is available and airings placements tracked throughout the year with final reporting at the end of the year. Call2Recycle spots received 792 free airings, reaching over 26.4 million media impressions.

4. **Online.**
 - a. Website banners ran in conjunction with on-air TV promotion on both National Geographic (ngc.com and HGTV (HGTV.com & HGTVPro.com)
 - b. Nonpaid PSA appeared on i-TV News (WRRN-TV New York Regional News Network)

Media Outreach/Activities/Events

- 1) **Green Products Expo:** Media event targeting magazine and broadcast outlets for both consumer and technology audiences. The event was held on February 28, 2008, at the Marriott Marquis Times Square. Approximately 250 media were in attendance.
- 2) **Spring Cleaning for Technology Satellite Media Tour (SMT):** RBRC was highlighted in a technology-focused spring cleaning piece with tech spokesperson Steve Greenberg. The segment was picked up by WPXN-TV (Ion Network, channel 31) on March 21, 2008.
- 3) **Go Green Expo:** RBRC exhibited at the consumer event held at the Hilton New York on April 25-27. The green living and sustainability event showcased earth friendly products & services to attendees (primarily consumers).

- 4) **NYC Grows Event:** Hosted by the National Gardening Association and the NYC Department of Parks & Recreation and held on April 27 in Union Square Park. The free event brought out thousands of people to the tents of more than 50 exhibitors and non-profit participants where they enjoyed a wide variety of family-friendly activities and workshops conducted by nationally known gardening personalities, gardening-related exhibitor booths, food demonstrations, raffles, and much more. Call2Recycle was on-hand to communicate our message to attendees. As a simple reminder to recycle, we distributed a packet of “forget-me-not to recycle” seeds for attendees to plant and grow.

- 5) In conjunction with **Earth Month**, the Call2Recycle logo appeared a billboard on the Martha Stewart Publication building in downtown Manhattan (26th Street, between 7th & 8th Ave.) during the entire month of April 2008.

- 6) Danny Seo "**Green Office Makeovers**": Coordinated series of one-on-one desk side green office makeover with lifestyle media based in NYC on April 28 and 29, 2008. The sessions were featured on Martha Stewart "living Today" as and SPrig.com

- 7) **Earth Day survey.** RBRC conducted a survey that focused on consumer “Green Guilt” and current recycling behaviors. Working with eco-author, Danny Seo, the survey was offered as an “exclusive” to a variety of key national publications. The survey results appeared in USA Today, May 8, 2008 issue.

- 8) **Holiday Gift Guide Show:** A media event where companies showcase products for the holiday season, held at the Marriott Marquis on May 22. RBRC exhibited at the event, which was attended by approximately 140 media.

- 9) **Pepcom’s Holiday Spectacular!** A media event for technology-focused holiday gifts held at Metropolitan Pavilion on Sept. 18. RBRC exhibited at the event, which was attend by approximately 400 media.

- 10) Green Living SMT:** RBRC was highlighted in a round-up of green and sustainable products with tech spokesperson Steve Greenberg. The segment was picked up by WPXN-TV (Ion Network, channel 31) on October 24, 2008.
- 11) Holiday MAT release:** RBRC wrote and distributed a MAT article to newspapers nationwide through a 3rd party vendor. The article was about recycling rechargeable batteries from old electronics during the holiday season and was picked up by The Independent (the Hamptons) on November 14, 2008.
- 12) Holiday SMT with Danny Seo:** RBRC was highlighted in a segment on green holiday gifts and decorating ideas. The segment was picked up by several local broadcast outlets (radio and TV) in early December. (see Media Highlights below for full list of local NYC media outlets).

Media Highlights – NYC 2008 media coverage generated 34.5 million media impressions.

| 2008 NYC Media Hits | | | | | | |
|---|----------|----------|-------------|-------------|-----------|--|
| | Type | Date | Circulation | Impressions | Ad Value | Topic |
| Print | | | | | | |
