S. C. HAWLEY, Chief Clerk.

The Board of Police met on the 21st day of May, 1877.
Present—Messrs. Smith, Wheeler, Erhardt, and Nichols, Commissioners.

Whereas, It has come to the knowledge of the Board of Police that, despite its exertions, many young and efficient Patrolmen have succeeded in obtaining posts where there are lighter and pleasanter duties, to the exclusion of officers whose long services extend over a period of many years, but who are still competent to do light patrol duty; therefore be it

Resolved, That the Superintendent be and is hereby directed to cite before the Board of Police, at 6½ A. M., May 24, all Patrolmen performing duty in the Twenty-sixth Precinct, and in the Eastern and Western Steamboat Squads; at 5 P. M., May 24, all Patrolmen performing duty in the First, Second, Third, Fourth, Fifth, and Sixth District Police Court Squads, and at 4 P. M., May 25, all Patrolmen detailed at the ferries, institutions, and attending violations of Corporation Ordinances in Precincts.

Resolved, That the rules and regulations contained in the "Manual of Rules and Regulations of the Police Department of the City of New York, printed by Martin B. Brown, printer, Nos. 201 and 203 William street, 1877," are hereby adopted as the rules and regulations of the Police Department and Force of the City of New York; that a copy of said Manual be placed on file in the office of the Chief Clerk of Police.

Resolved, That Captains of Precincts, and officers commanding Squads, return and deliver to the Chief Clerk all the old Manuals, and report the number of members of the Force assigned to his Precinct or Squad. On receiving the number of new Manuals for the force under his command, he shall cause a receipt to be entered in the current blotter to the effect following:

"Received, one copy of the new Police Manual, issued in May, 1877," which receipt he will require to be signed by each officer, with his name and official rank.

Resolved, That the Superintendent cause all implements of gaming, and lottery tickets and lottery policies, seized and taken in pursuance of the statute, and now held by the Department, as per schedule report of the Property Clerk, to be destroyed under the supervision of the Committee on Repairs and Supplies, in pursuance of the regulations of the Department. Such articles, if combustible, to be destroyed by fire; if incombustible, to be broken up and defaced, so as to be unfit for use.

Whereas, There are now attached to the Police Force of the City of New York, five hundred and fifty-two (552) officers and Patrolmen, who have performed police duty from ten (10) years upward, many of them for over twenty (20) years; and

Whereas, it appears that only a few of these are at present detailed; and

Whereas, there is no authority or provision of law for retiring worn out faithful public officers, who have given the best part of their life to the public service; therefore be it

Resolved, That the Board of Police will not detail for light duty any Patrolmen who have not been on the Police Force for fifteen (15) years until those who have been on the Force twenty (20) years shall have been assigned to light duty; nor any who have been on the Force ten (10) years until those who have served fifteen (15) years shall have been assigned to light duty proper for them; nor will they assign to detailed duty any officer or Patrolmen who is under the age of fifty years, except on the order of the President of the Board of Police, who shall have power to detail in case of sickness, on report of the Board of Surgeons of the applicant's ill health, or for proper cause, such detail to be reported to the Board of Police at its next meeting.

Resolved, That Patrolman Daniel Archibald, Twenty-ninth Precinct, be and is hereby transferred to the Special Service Squad, and detailed at the store of H. O'Neil & Co., 321 to 329 Sixth avenue, on payment of his salary to the Treasurer.

On reading communication from the Treasurer, it was

Resolved, That we the Board of Aldermen of the City of New York, while we are heartily in favor of an honest and economical administration of our city government, yet we heartily deprecate, condemn, and protest against that false and unwise economy in the public expenditures which would commence with the Educational Department first, and leaving hundreds and thousands of city employees of far less importance than our teachers, receiving munificent salaries, far beyond their merits, and we earnestly and respectfully request the Board of Apportionment to transfer any unexpended balances belonging to the Educational Department to the fund to restore the salaries of our public school teachers.

Approved by the Mayor, May 14, 1877.

Whereas, The Legislature of this State has recently passed the act known as the "Omnibus Bill," which, for selfish and partisan purposes, makes very important alterations in the local government of the City of New York, is crude and unintelligible, and in many particulars injurious to the best interests of our city; therefore

Resolved, That we, the Common Council of the City of New York, elected to represent the people of said city, do respectfully request his Excellency Governor Robinson to withhold his signature from said bill;

Resolved, That a Committee of three be appointed by this Board to wait upon his Excellency Governor Robinson and present to him a copy of these resolutions, together with the views of the local authorities in relation to said bill.

Whereas, A preamble and resolutions were adopted July 6, 1876, providing that the lands bounded by George street on the north, Union avenue and White's lane on the east, Delmonico and Concord avenues on the west, and thence southerly to Long Island Sound, should be drained by other means than by sewers, as provided in chapter 566, Laws of 1871, as amended by chapter 549, Laws of 1875, and upon the certificate of the City Sanitary Inspector of the necessity of the work, filed in the office of the Board of Health of the Health Department of the City of New York, that Board also directed the draining to be done; and

Whereas, The Commissioner of Public Works, in a communication addressed to this Board, dated July 18, 1876 (see Journal of July 20, page 119), declined to perform the work, as the resolution did not authorize any assessment, and recommended that the above proceedings of the Board be supplemented by the passage of an ordinance authorizing an assessment upon the property benefited; be it therefore

Resolved, That the lands bounded by George street on the north, Union avenue and White's lane on the east, Delmonico and Concord avenues on the west, and thence southerly to Long Island Sound, be drained by other means than by sewers, as provided in chapter 566, Laws of 1871, as amended by chapter 549, Laws of 1875, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1876.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 9 to 4 daily, from all persons hitherto
liable or recently serving, who have become exempt, and
all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof of
exemption; if liable, he must also answer in person, giving
full and correct name, residence, etc., etc. No attention
paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines, received from those
who, for business or other reasons, are unable to serve at
the time selected, pay the expenses of this office, and if
unpaid will be entered as judgments upon the property of
the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable jurors, and utilize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully pro-
secuted.
