My DEAR SIR-The matter of communication between this borough and Kings County

My DEAR SIR — The matter of communication between this borough and Kings County by usy at bridge or bridges over Newtown Creek has become a most important question with the lassiness men and property-owners in the lower or Hunter's Point section of this borough. The want of a new bridge is important is the decision of a low or bigh grade bridge has not been positively settled, and until this very important matter is settled all the owners of property in this section will be in an onea-y state of mind. The proposed plan of a violater will certainly be positively rulnous to all the property in this section, and we would appear to you as the President of this borough to have this matter hough thefore a special meeting of the Board of Local Improvements, not later than Friday of this week, to enable the property-owners to be heard and to have a pointer entered avainst a high-grade bridge being built at Verson avenue and to urge the proposition of a high-grade bridge at Van Alter avenue, the proper location, and a low-level bridge at Verson avenue. Such action by your Baard should have some weight. Board should have some weight. With regards, we remain,

Very respectfully, G. E. CLAY, HENRY F. JONES, H. M. THOMAS, J. H. SMEDLEY,

Upon the foregoing having been read by the Secretary, the following named persons were heard in favor of a low-level bridge on Vernue avenue and a violatet or high-grade bridge at Van
