If exempt, the party must bring proof of exemption; if liable, the party must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No more excuses will be allowed, or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable jurors, and equalize their duty by serving when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and Unit States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, or to attempt to influence in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

BIDS OR ESTIMATES, ENCLOSED IN A SEALED envelope, with the title of the work and the name of the bidder endorsed thereon, will be received at this office, until Thursday, March 11, 1886, at 10 o'clock A. M., and at that hour they will be publicly opened by the head of the Department and read, for

FURNISHING THE DEPARTMENT OF PUBLIC WORKS, WITH THREE THOUSAND (3,000) GROSS TONS (2,240 POUNDS TO A TON) OF EGG SIZE LEHIGH AND WILKESBARRIE COAL.

Bidders for the above contracts must be regularly engaged in the business and well prepared for furnishing the materials they propose for; and no contract will be made with any bidder who is not prepared to furnish satisfactory evidence to that effect.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person is so interested, it shall distinctly state that fact. That it is made without collusion or fraud, and that the bidder is not making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon the completion of the contract and the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Commissioner, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of his deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

DEPARTMENT OF PUBLIC WORKS,
NEW YORK, January 25, 1886.

TO THE CHIEF ENGINEER OF THE CROTON

AQUEDUCT reports to me to-day that during the past twenty days the water in the city reservoirs has gone down three feet three inches, equal to 98,000,000 gallons of water. The water is being used and wasted over and above the supply received through the Croton Aqueduct and the Bronx river conduit. The Department has no means to stop this enormous waste, which is caused by consumers, day and night, and it is necessary to prevent freezing in the service-pipes, and can only make this most urgent appeal to them to stop it, and notify them that unless it is stopped the pressures in the water-mains will not be reduced to such an extent that the water will not rise to the basements and cellars in thousands of buildings.

Respectfully,
ROLLIN M. SQUIRE,
Commissioner of Public Works.
