STATEMENT OF BASIS AND PURPOSE

The foregoing rule is proposed pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043(a) of the New York City Charter.

This rule proposes to amend \$104-01 by clarifying the meaning of the term "license" and by listing the license examinations for which the Department expects to assume operational authority: Electrician (Master/Special), High Pressure Boiler Operating Engineer, Master Fire Suppression Piping Contractor (Classes A and B), Master Plumber, Oil Burning Equipment Installer (Classes A and B), Portable High Pressure Boiler Operating Engineer, Rigger (Master/Special/Tower), and Sign Hanger (Master/Special).

The rule also proposes to clarify and update § 104-02, reflecting the license types required to submit proof of general liability, workers' compensation and disability insurance; by adding a requirement that licensees shall ensure that their insurance policies cover the city, its officials and employees as "Additional Insured"; by prescribing certain standard notification and indemnity provisions in required insurance; and by adding a requirement that all submitted insurance documents must not contain any handwritten corrections.

Amendments to §§ 104-03 and 104-05 are proposed to reflect recently enacted legislation requiring a Safety Registration. Section 104-03 is also amended to indicate the term of electrical licenses is one year, not three.

Section 104-06 reflects proposed new training requirements for Riggers and new substantive and procedural requirements for course providers.

The rule would amend \$104-07 to add a missing reference to \$105-05 relating to the Office of Administrative Trials and Hearings.

The rule additionally proposes to amend §104-09 governing Class A, B or C Hoisting Machine Operator licensees and/or applicants; to add qualification, examination and fitness requirements for license issuance, renewal and reinstatement; to delete certain requirements that are no longer relevant due to the passage of time; and to extend the period for which Hoisting Machine Operator Classes A and B licensees shall provide to the Department certain information required to demonstrate fitness.

The rule further proposes to add a new \$104-10 containing training requirements for Master, Special and Climber or Tower Crane Riggers, reflecting the provisions of Local Law 44 of 2008, and to require evidence of fitness for all Riggers pursuant to Administrative Code \$28-401.8 and \$28-404.4.3.

A new section is proposed to cover Welders. Section 104-11 reflects the Department's shift from administering local examinations for welder license applicants to accepting American Welding Society or New York State-issued welder certifications.

Statement of Basis and Purpose of Proposed Rule

These proposed rule amendments are part of a process undertaken by the Business Integrity Commission (BIC) to revise existing public wholesale market rules. The first phase of this process consisted of moving the then-existing Department of Small Business Services rules relating to the public wholesale markets to Title 17 of the Rules of the City of New York, BIC's title, without significant substantive change. This phase was completed when the new rules became effective on September 26, 2010. The second phase of this process involves an on-going assessment of the rules to eliminate duplicative and superfluous rules. BIC will make a determination about which rules require substantive changes and/or additions. These proposed rules changes are part of that process and are designed to eliminate and/or amend a number of duplicative and superfluous rules.

Specifically, BIC proposes to reduce the cost of a replacement photo identification. The proposed rule changes relating to electronic records and employer's liability insurance eliminate out-dated requirements. The remainder of the proposed amendments remove rules which are duplicative to other rules in Title 17.

NOTICE

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF PEDESTRIAN PLAZAS LOCATED AT NINTH AVENUE FROM GANSEVOORT STREET TO 14TH STREET, BOROUGH OF MANHATTAN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation "DOT") intends to enter into a concession for the operation, management, and maintenance of pedestrian plazas located at Ninth Avenue from Gansevoort Street to 14th Street in Manhattan ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the Meatpacking Improvement Association as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not-for-profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at awileyschwartz@dot.nyc.gov or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by November 8, 2010. Mr. Wiley-Schwartz may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6678.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.
