2. Explain why the collection and retention of identifying information described in Question 1 furthers the purpose or mission of your agency.

The Mayor's Office of Contract Services (MOCS) is a New York City oversight and service agency that is dedicated to optimizing existing operations and transforming processes to make it easier to do business with the City. MOCS' mission is to lead procurement for New York City by providing policy & operational advice, and technical assistance to agencies as they manage daily procurement activities. MOCS also works with vendors and providers to ensure a fair, transparent, and efficient contracting process.

As part of MOCS' role to provide oversight and compliance of the procurement process, MOCS collects identifying information from vendors, City agencies, and the general public to offer them procurement-related support, guidance and technical assistance with Citywide procurement systems such as PASSPort, HHS Accelerator, and the Doing Business Database, all of which are systems that MOCS maintains and oversees. MOCS also collects identifying information to conduct public hearings as required by local laws and regulations, City meetings as required by local laws, various training workshops, and surveys on services that MOCS provides. MOCS also collects identifying information on officers, board members, principal owners, and managerial employees of vendor that do business with the City in PASSPort (formerly known as VENDEX), HHS Accelerator, and the Doing Business Database to comply with City and state procurement rules and laws. Finally, MOCS also collects identifying information to grant access to these systems and authenticate users. MOCS also retains the identifying information collected to comply with city-wide policies including records management, archiving, and preservation.

MOCS also collects identifying information from various city systems, including Financial Management System (FMS), to support procurement activities of City agencies, produce reports as required by local laws, and maintain the services that MOCS offers vendors and City agencies. MOCS also retains the identifying information collected to comply with city-wide policies including records management, archiving, and preservation.

MOCS also works to educate and support stakeholders as they actively engage in procurement or adopt new digital tools. In addition, MOCS is responsible for administering broader professional development programming and utilize data to track, manage and impact assessment of services. MOCS also acts as a liaison for providers, agencies, City Hall and other stakeholders for procurement issues relating to the nonprofit sector. As part of these duties, MOCS collects identifying information of vendors, providers and agency staff for training services, email blasts, and surveys.

As part of MOCS' administrative duties as a City agency, MOCS strategically, transparently, and collaboratively manages its finances, human resources, facilities, IT and operations. MOCS collects identifying information from employees, consultants, and candidates for positions within the agency, to perform core administrative human resources functions and other personnel related matters, including, but not limited to, new hire processing, retiree and benefits processing, payroll processing, equal employment opportunity matters, training, occupational health and safety matters, professional development, administrative matters, etc. MOCS also retains this information to comply with city-wide policies including records management, archiving, and preservation. Finally, MOCS collects technology related information to assist in device administration, user assignment, and reports of lost/stolen devices.

MOCS' approach to requests for disclosures from other City agencies, local public a	uthorities or local public			
benefit corporations, and third parties is as follows:				

- 1. Determine whether or not the request for disclosure is a non-routine request for information from other City agencies, local public authorities or local public benefit corporations, and third parties.
 - a. If YES, employee notifies the General Counsel or designee who will proceed with steps # 2-7 below and contact Corporation Counsel, as necessary. Employee acts only as directed by the General Counsel or designee.
 - b. If NO, does the employee receiving the request have authority to process the request on behalf of the relevant agency or agencies whose data is being requested?
 - i. If YES, proceed to step # 2 below.
 - ii. If NO, STOP HERE: employee refers matter to General Counsel or designee, who will coordinate with Records Access Officer as needed and will proceed with steps # 2-7. Employee acts only as directed by the General Counsel or designee.
- 2. Is the request a court order, judicial or administrative subpoena, or from a law enforcement agency?
 - a. If yes, employee refers matter to General Counsel or designee who will proceed with steps # 3-7.
 - b. If NO, proceed to step #3 below, unless it is a routine request that has been pre-approved by the Agency Privacy Officer. If it has been pre-approved, then an employee with authority to process the request on behalf of the agency may do so.
 - i. Note: Only authorized employees are permitted to access and use identifying information for a permitted purpose and in accordance with their job duties.
- 3. General Counsel or designee determines whether the request is for public data.
 - a. If the request is for a "Public Data Set" as defined by the NYC Open Data Law, STOP HERE: employee refers matter to agency's designated Open Data Coordinator for response.
 - b. If the request is submitted under the Freedom of Information Law (FOIL), the General Counsel proceeds with agency procedures and statutory guidelines for handling FOIL requests. The General Counsel also considers whether information requested is exempt from disclosure under FOIL and related considerations in steps # 4 and 5.
 - c. If NOT a request for "public data," proceed to step # 4 before.
- 4. General Counsel or designee determines which agency/agencies owns or has an ownership or related interests in the requested information.
 - a. Is there a contract, memorandum of understanding, or other agreement governing the use and/or disclosure of the data?
 - i. If YES, determine whether the contract, memorandum of understanding, or other agreement specifies how and by whom third party requests must be handled.
 - ii. If NO, proceed to next question
 - b. Does another agency or non-governmental entity have ownership interests in the requested information?
 - i. If MOCS created and/or owns the requested information, proceed to step # 5 below.
 - ii. If another agency or non-governmental entity has an ownership interest in the requested information (including datasets created through data integration projects), refer the request to the legal counsel at the relevant agency and/or entity to consult existing protocols regarding management of the information and to coordinate a response. The agency general counsel or designee at each agency whose data is requested is responsible for making independent determinations highlighted in step # 5 below.
- 5. General Counsel or designee determines applicable legal and related considerations.

- a. Is the requested information designated as "confidential" under any federal, state, local law or regulation, or City policy, or agency executive order, manual, or guidance documents? Consider each data category and data element.
- b. Are there any statutory or regulatory restrictions on the redisclosure of the requested information?
- c. Are there any statutory or regulatory requirements that disclosure be limited to the "minimum necessary"?
- d. How did the agency receiving the request initially obtain the requested information?
- e. Is the third party legally authorized to receive any, some, or all of the information for the purpose requested?
 - i. Consider preemption issues in third party authority to access the information requested (i.e., are there any federal or state laws governing the data that may supersede requestor's authority under local law or executive order to access it?)
- f. Does the agency have written consent on file to release the information for the purposes requested?
- g. Can the request be satisfied without disclosing any personally identifiable information, or by minimizing the disclosure?
 - i. If YES, consult with agency counsel to discuss limiting scope of request.
- h. Is there a legally or other mandated timeframe for response?
- i. Is the request drawn sufficiently narrow such that disclosure of the requested information would not result in disclosure of personally identifiable information pertaining to individuals other than the individual or individuals to whom the request pertains?
 - i. If NO, consult with agency counsel to discuss limiting scope of request.
- j. Are there any legal requirements to provide notice to individuals whose identifiable data is requested?
- 6. Based on applicable legal and related considerations in steps # 4 and 5, General Counsel or designee determines whether the third party must or may lawfully receive all or part of the information requested.
 - a. If third party request is by court order, judicial or administrative subpoena, and/or law enforcement agency, response may require review and approval by the Corporation Counsel.
 - b. If the agency cannot legally disclose requested information, DO NOT DISCLOSE.
 - i. General Counsel, Records Access Officer, or designee issues written response in consultation with agency head, as needed.
 - c. If the agency is permitted but not required by law to disclose the requested personally identifiable information, consult agency policies and senior officials to determine appropriateness and scope of disclosure.
 - i. If agency determines disclosure is not appropriate, DO NOT DISCLOSE.
 - 1. General Counsel, Records Access Officer, or designee issues written response, in consultation with agency head as needed.
 - ii. If agency determines disclosure is appropriate, in whole or in part, consider whether any redaction is required and proceed to step # 7 below.
 - d. If the agency is required by law to disclose the requested information, in whole or in part, consider whether any redaction is required and proceed to step # 7 below.
- 7. Determine method for securely transmitting data authorized for disclosure to third party, in consultation with senior agency IT personnel.
 - a. Confirm disclosure decision and transmission method with General Counsel or designee.
 - b. Employee authorized by General Counsel or designee coordinates data transfer using secure protocols.

9. Describe the agency's current policies for handling proposals for disclosures of identifying information to other City agencies, local public authorities or local public benefit corporations, and third parties. Be as specific as possible.

MOCS' approach to handling proposals for disclosures of identifying information to other City agencies, local public authorities or local public benefit corporations, and third parties is as follows:

- 1. Determine whether or not the proposed disclosure of identifying information is a non-routine disclosure for information to other City agencies, local public authorities or local public benefit corporations, and third parties.
 - a. If YES, employee notifies General Counsel or designee who will proceed with steps # 2-7 below and contact Corporation Counsel, as necessary. Employee acts only as directed by the General Counsel or designee.
 - b. If NO, does the employee wishing to disclose the information have authority to process the request on behalf of the relevant agency or agencies whose data is being requested?
 - i. If YES, proceed to step # 2 below, unless it is a routine request that has been preapproved by the Agency Privacy Officer. If it has been pre-approved, then an employee with authority to process the request on behalf of the agency may do so.
 - 1. Note: Only authorized employees are permitted to access and use identifying information for a permitted purpose and in accordance with their job duties.
 - ii. If NO, STOP HERE: employee refers matter to General Counsel or designee, who will coordinate with Records Access Officer as needed and will proceed with steps # 2-5. Employee acts only as directed by the General Counsel or designee.
- 2. General Counsel or designee determines which agency/agencies owns or has an ownership or related interests in the requested information.
 - a. Is there a contract, memorandum of understanding, or other agreement governing the use and/or disclosure of the data?
 - i. If YES, determine whether the contract, memorandum of understanding, or other agreement specifies how and by whom third party requests must be handled.
 - ii. If NO, proceed to next question.
 - b. Does another agency or non-governmental entity have ownership interests in the requested information?
 - i. If MOCS created and/or owns the requested information, proceed to step # 3 below.

- ii. If another agency or non-governmental entity has an ownership interest in the requested information (including datasets created through data integration projects), refer the request to the legal counsel at the relevant agency and/or entity to consult existing protocols regarding management of the information and to coordinate a response. The agency general counsel or designee at each agency whose data is requested must make independent determinations highlighted in step # 3 below.
- 3. General Counsel or designee determines applicable legal and related considerations.
 - a. Is the information designated as "confidential" under any federal, state, local law or regulation, or City policy, or agency executive order, manual, or guidance documents? Consider each data category and data element.
 - b. Are there any statutory or regulatory restrictions on the redisclosure of the requested information?
 - c. Are there any statutory or regulatory requirements that disclosure be limited to the "minimum necessary"?
 - d. Is the third party legally authorized to receive any, some, or all of the information?
 - e. Does the agency have written consent on file to release the information for the purposes requested?
 - f. Can the request be satisfied without disclosing any personally identifiable information, or by minimizing the disclosure?
 - i. If YES, consult with agency counsel to discuss limiting scope of request.
 - g. Is there a legally or other mandated timeframe for the disclosure?
 - h. Are there any legal requirements to provide notice to individuals whose identifiable data is requested?
- 4. Based on applicable legal and related considerations in steps # 2 and 3, the General Counsel or designee determines whether the third party must or may lawfully receive all or part of the information.
 - a. If agency cannot legally disclose requested information, DO NOT DISCLOSE.
 - b. If the agency is permitted but not required by law to disclose the requested information, consult agency policies and senior officials to determine appropriateness and scope of disclosure.
 - i. If MOCS determines disclosure is not appropriate, DO NOT DISCLOSE.

N.Y.C. Admin. Code §23-1205(a)(1)(c)(2)

10. Describe the agency's current policies regarding the classification of disclosures as necessitated by the existence of exigent circumstances or as routine. Be as specific as possible.

Classification of Disclosures as Necessitated by Existence of Exigent Circumstances

If a collection or disclosure of identifying information is urgently necessary, and procedures that would otherwise be required cannot be followed, MOCS' Agency Privacy Officer (APO) must immediately notify MOCS' General Counsel regarding the circumstance. MOCS' General Counsel will contact Corporation Counsel for guidance.

Classification of Disclosures as Routine

MOCS' APO may give advance written approval for "routine" collections and disclosures to another City agency or to a third party. These "routine" collections and disclosures must meet a two-part test:

- 1. Made during the normal course of city agency business and
- 2. Furthers the purpose or mission" of the agency.

Collections and disclosures that occur between or among City agencies may be treated as routine even if they are not made in the normal course of the agencies' business, if the privacy officers of the agencies involved agree that the collection or disclosure furthers the purpose or mission of their respective agencies.

N.Y.C. Admin. Code §23-1205(a)(1)(c)(3)

11. Describe the agency's current policies regarding which divisions and categories of employees have been approved by the agency privacy officer to disclose identifying information. Be as specific as possible.

Division Heads of MOCS have been approved by the General Counsel and Agency Privacy Officer to disclose certain identifying information known to be routine. Division Heads have also been granted the authority to designate individuals within their division to disclose this information on their behalf.

N.Y.C. Admin. Code §23-1205(a)(1)(c)(4)

12. Describe whether the agency has considered or implemented, where applicable, any alternative policies since 2020 that minimize the collection, retention, and disclosure of identifying information to the greatest extent possible while furthering the agency's purpose or mission.

MOCS has considered implementing such policies. Any policy by MOCS is expected to be in compliance with or modeled after the citywide policies.

N.Y.C. Admin. Code §23-1205(a)(4)

13. Describe the agency's use of agreements for any use or disclosure of identifying information.

The agency uses contracts, NDAs, memorandums of understanding and agreements to limit the use and disclosure of personal identifying information by including confidentiality provisions restricting its use and disclosure as mandated by federal, state, local law or regulation, or City policy, or agency executive order, manual, or guidance documents.

N.Y.C. Admin. Code §23-1205(a)(1)(d)

14. Using the table below, describe the types of entities requesting the disclosure of identifying information or proposals for disclosures of identifying information. For each entity, describe (1) why the agency discloses identifying information to the entity, and (2) why any disclosures further the purpose or mission of the agency.

15. Describe the impact of the Identifying Information Law and other local, state, or federal laws upon your agency's practices in relation to collecting, retaining, and disclosing identifying information (i.e., if such practices would differ in the absence of these laws).

Since the Identifying Information Law's enactment and the citywide policies issued by the CPO, MOCS has made protecting identifying information an important part of all agency policies and procedures.

N.Y.C. Admin. Code §23-1205(a)(2)

16. Describe the impact of the privacy policies and protocols issued by the Chief Privacy Officer, or by the Citywide Privacy Protection Committee, as applicable, upon your agency's practices in relation to collecting, retaining, and disclosing identifying information (i.e., if they have affected such practices).

The Chief Privacy Officer's guidance documents have been helpful in explaining and interpreting the Identifying Information Law. They have also helped MOCS become more diligent in protecting identifying information and guarding against unlawful collections/disclosures of identifying information.
