

**New York City Department of Correction
Annual Report on Menstrual Products
FY2025**

Pursuant to Local Law 10 of 2024, the Department is required to report on the distribution of menstrual products in city correctional facilities during the past fiscal year.

- a) The average daily population of individuals in the custody of the department, disaggregated by gender;

Average Daily Population (ADP)	
Gender	ADP
Male	6,397.8
Female	370.0
Transgender Male	10.6
Transgender Female	38.9
Non-Binary	6.2
Intersex	0.0
Total	6,823

- b) The number of such products ordered by the department during the preceding 12 months, disaggregated by product type;

Menstrual Products Purchased	
Product	Quantity
Menstrual Pads	89,894
Total	89,894

- c) The number of such products distributed to city correctional facilities during the preceding 12 months, disaggregated by product type; and,

Menstrual Products Distributed to City Correctional Facilities	
Product	Total Quantity
Menstrual Pads	257,358
Tampons	11,100
Total	268,458

- d) The number of such products distributed to individuals in the custody of the department during the preceding 12 months, disaggregated by product type.

The facilities make menstrual products freely available in the housing areas, so that they can be utilized on an as-needed basis without the concern that the agency may be tracking an individual's menstrual cycle. The facilities request and distribute menstrual

products to the housing areas on an as-needed basis; therefore, the total number of such products distributed to individuals in custody is the same as the total number of menstrual products distributed to the facilities: 268,458.
