The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### **HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing

information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Applicant, Workspace, Inc., is seeking an authorization pursuant to Zoning Resolution (Z.R.) Section 42-142 to modify Section 42-14(D) to Zoning Resolution (Z.R.) Section 42-142 to modify Section 42-14(D) (1)(d) to allow the conversion of use from Use Group 6 Retail to Use Group 17 Joint Living Work Quarters for Artists (JLWQA). The proposed action will facilitate a proposal by the applicant to convert ground floor space in two existing buildings from retail uses to JLWQA and convert existing cellar space in both buildings to storage. The project site consists of two adjacent buildings connected through the cellar level, located at 106 Spring Street/93 Mercer Street (Block 485, Lots 21 & 22), within the SoHo Cast Iron Historic District in Manhattan Community District 2. Manhattan, Community District 2.

The project site is located in a M1-5A district which allows manufacturing and commercial uses up to  $5.0~{\rm FAR}$ . Retail uses are not manufacturing and commercial uses up to 5.0 FAR. Retail uses are not allowed below the second story. The upper floors of the project site are currently occupied by 20 units of JLWQA, approximately 10,300 gross square feet (gsf) of ground floor retail and approximately 5,104 gsf accessory retail storage uses at the cellar levels. The applicant states that permitting ground floor JLWQA uses would be consistent with the exiting uses on the project site.

The applicant intends to convert the area below the level of the second floor (the ground floor of both buildings), from their existing Use Group 6 retail use to three JLWQA units. Two of the JLWQA units will be located within the building on Lot 21 and one JLWQA unit will be within the building on Lot 22, totaling approximately 10,300 gsf of JLWQA. The proposed authorization would also permit 5,104 gsf in the cellar space of both buildings to become utilized as storage space associated with the residential uses. associated with the residential uses

The proposed project is expected to be completed in 2015. Absent the proposed action, the applicant has indicated that the project site would remain with the existing retail and accessory storage uses occupying the ground floor and cellar levels.

The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

#### Supporting Statement:

The above determination is based on an environmental assessment which finds that:

- The project site was previously granted a special permit approval to allow for retail use on the ground floor and cellar level (CEQR No.02DCP057M, receiving a Negative Declaration on December 2, 2002). The building at 106 Spring Street is located within the SoHo-Cast Iron Historic District. As such, the Landmarks Preservation Commission (LPC) was consulted to determine measures appropriate for protecting the significant historic architectural features and building fabric during construction and to develop a continuing maintenance. during construction and to develop a continuing maintenance and repair program for historic structure. A Restrictive Declaration was filed against the property to regulate the continued maintenance of the historic building. In connection with the current proposed action, a Modification to the Restrictive Declaration will be filed to regulate the continued maintenance of the historic building.
- No significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

Information and qualification must be proposed in the solicitation and published in the five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH).
