

# Inspection Checklist: Lead Paint

*Does your business sell paint and paint removal products?*

*Does your business sell or rent sanding equipment?*

**About the Law:**

The NYC Health Code requires any store that sells paint and paint removal products or that sells or rents sanding equipment for use in New York City to prominently post OR distribute the approved notice to purchasers or renters of these items. The warning states that it is illegal to dry sand or scrape to remove lead-based paint or paint of unknown lead content in any dwelling, day care center, or school.

**Use this checklist to learn what our inspectors look for and help avoid violations. All businesses also must comply with the General Retail Inspection Checklist, which is included at the end for easy reference.**
