

# THE CITY RECORD.

## OFFICIAL JOURNAL.

VOL. XIX.

NEW YORK, SATURDAY, AUGUST 15, 1891.

NUMBER 5,554.

### BOARD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL,  
NEW YORK, July 31, 1891.

The Hons. Hugh J. Grant, Mayor; William H. Clark, Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works, the officers designated by section 66 of the New York City Consolidation Act, met this day.

The minutes of the meeting of July 16 were read and approved.

The Supervisor of the City Record presented the following report:

OFFICE OF THE CITY RECORD, No. 2 CITY HALL,  
NEW YORK, July 31, 1891.

To the Hons. the Mayor, Counsel to the Corporation and Commissioner of Public Works:

The only requisition which requires explanation is from the Fifth District Court. In the annual requisition of that court for 1891 three judgment dockets were called for, but as the request was put under the head of "miscellaneous stationery" it was passed over by me. The docket now in use will last for several weeks. I recommend that one docket be now allowed, which will, I believe, suffice for the remainder of the year.

Respectfully submitted,

W. J. K. KENNY, Supervisor.

The requisitions laid before the Board were then acted on as the side-notes below indicate, the Supervisor being authorized, by a concurrent vote of the three officers, to procure by direct orders the goods on the requisitions allowed:

Map of the City of New York, Showing Ward Lines.

The 763 deaths represent a death-rate of 23.61, against 26.81 for the previous week and 25.98 for the corresponding week of 1890.

## TO CONTRACTORS.

SEALED BIDS OR ESTIMATES FOR EACH OF  
the following-mentioned works, with the title of the  
work and the name of the bidder indorsed thereon, also  
the number of the work as in the advertisement, will be  
received by the Department of Public Parks at its  
offices, Nos. 49 and 51 Chambers street, until eleven  
o'clock A. M. on Wednesday, August 26, 1891:

No. 1. FOR REPAIRING AND RESURFACING  
THE MACADAMIZED ROADWAY OF A  
CERTAIN PORTION OF "THE PLAZA,"  
AT FIFTY-NINTH STREET AND FIFTH  
AVENUE, AND THE "THE CIRCLE,"  
AT FIFTY-NINTH STREET AND  
EIGHTH AVENUE

No. 2. FOR THE CONSTRUCTION OF MASON  
AND GRANITE WORK FOR SEVEN  
PARKS IN PARK AVENUE, BETWEEN  
SIXTIETH AND SIXTY-SEVENTH  
STREETS.

Special notice is given that the works must be bid for  
separately, that is, more than one work must not be  
included in the same estimate or envelope.

The nature and extent of each of the works, as near  
as it is possible to state them, in advance, is as follows:

NUMBER 1, ABOVE MENTIONED.  
12,250 square yards of pavement to be repaired and  
resurfaced.

The time allowed for the completion of the whole  
work will be THIRTY CONSECUTIVE WORKING  
DAYS.

It being understood that the time so allowed refers to  
consecutive working days and not to the aggregate time  
of such inspectors as may be appointed on the work,  
and the damages to be paid by the Contractor for each  
day that the contract, or any part thereof, may be un-  
fulfilled after the time fixed for the completion thereof  
has expired, are fixed at TEN DOLLARS per day.

The amount of security required is FOUR THOU-  
SAND DOLLARS.

NUMBER 2, ABOVE MENTIONED.  
Bidders are required to state, in writing, and also in  
figures, in their proposals ONE PRICE OR SUM for  
which they will execute the ENTIRE WORK, includ-  
ing the furnishing of all materials, labor and transporta-  
tion; all implements, tools, apparatus and appliances of  
every description necessary to complete, in every particu-  
lar, the whole of the work as set forth in the plans,  
and in the specifications, estimate and form of agree-  
ment.

The time allowed for the completion of the whole work  
will be NINETY CONSECUTIVE WORKING  
DAYS.

It being understood that the time so allowed refers to  
consecutive working days and not to the aggregate time  
of such inspectors as may be appointed on the work,  
and the damages to be paid by the Contractor for each  
day that the contract, or any part thereof, may be un-  
fulfilled after the time fixed for the completion thereof  
has expired, are fixed at TWENTY DOLLARS per day.

The amount of security required is SEVEN THOU-  
SAND DOLLARS.

Bidders will be required to complete the entire works  
to the satisfaction of the Department of Public Parks,  
and in substantial accordance with the specifications  
for the works and the plans therein referred to. No  
extra compensation beyond the amount payable for the  
several classes of work before enumerated which shall be  
actually performed, at the prices therefor, to be speci-  
fied by the lowest bidder, shall be due or payable for  
the entire work.

The estimates received will be publicly opened by the  
head of the said Department at the place and hour last  
above mentioned and read.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or  
them therein; and if no other person be so interested,  
it shall distinctly state that fact; that it is made without  
any connection with any other person making an estimate  
for the same purpose, and is in all respects fair and with-  
out collusion or fraud; and that no member of the Com-  
mon Council, head of a department, chief of a bureau,  
deputy thereof, or clerk therein, or other officer of the  
Corporation, is directly or indirectly interested therein  
or in the supplies or work to which it relates, or in any  
portion of the profits thereof. The bid or estimate must  
be verified by the oath, in writing, of the party or parties  
making the estimate, that the several matters stated  
therein are in all respects true. Where more than one  
person is interested, it is requisite that the verification  
be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in  
the City of New York, with their respective places  
of business or residence, to the effect that if the con-  
tract be awarded to the person making the estimate,  
they will, on its being so awarded, become bound as  
his sureties for its faithful performance, and that if he  
shall omit or refuse to execute the same, they will pay  
to the Corporation any difference between the sum to  
which he would be entitled on its completion, and that  
which the Corporation may be obliged to pay to the per-  
son or persons to whom the contract may be awarded at  
any subsequent letting; the amount in each case to be  
calculated upon the estimated amount of the work  
by which the bids are tested. The consent above  
mentioned shall be accompanied by the oath or affirma-  
tion, in writing, of each of the persons signing the same,  
that he is a householder or freeholder in the City of New  
York, and is worth the amount of the security required  
for the completion of this contract, over and above all  
his debts of every nature, and over and above his liabilities  
as bail, surety or otherwise; and that he has offered  
himself as surety in good faith and with the intention to  
execute the bond required by section 27 of chapter 8 of  
the Revised Ordinances of the City of New York, if the  
contract shall be awarded to the person or persons for  
whom he consents to become surety. The adequacy  
and sufficiency of the security offered to be  
approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless  
accompanied by either a certified check upon one of  
the National or State banks of the City of New York,

drawn to the order of the Comptroller, or money to the  
amount of five per centum of the amount of the security  
required for the faithful performance of the contract.  
Such check or money must not be inclosed in the  
sealed envelope containing the estimate, but must be  
handed to the officer or clerk of the Department who  
has charge of the estimate-box, and no estimate can  
be deposited in said box until such check or money  
has been examined by said officer or clerk and found  
to be correct. All such deposits, except that of the  
successful bidder, will be returned to the persons mak-  
ing the same within ten days after the contract is  
awarded. If the successful bidder shall refuse or  
neglect, within five days after notice that the contract  
has been awarded to him, to execute the same, the  
amount of the deposit made by him shall be forfeited to  
and retained by the City of New York, as liquidated  
damages for such neglect or refusal; but if he shall ex-  
ecute the contract within the time aforesaid, the amount  
of his deposit will be returned to him.

N. B.—The price must be written in the estimate and  
also stated in figures, and all estimates will be considered  
as informal which do not contain bids for all items for  
which bids are herein called, or which contain bids for  
items for which bids are not herewith called for.  
Permission will not be given for the withdrawal of any  
bid or estimate. No bid will be accepted from, or con-  
tract awarded to, any person who is in arrears to the  
Corporation upon debt or contract, or who is a defaulter,  
as surety or otherwise, upon any obligation to the  
Corporation.

The Department of Public Parks reserves the right to  
reject any or all the bids received in response to this ad-  
vertisement if it should deem it for the interest of the  
City so to do, and to readvertise until satisfactory bids  
or proposals shall be received. But the contract when  
awarded will be awarded to the lowest bidder.

Blank forms for proposals and forms of the contracts  
which the successful bidder will be required to ex-  
ecute can be had at the office of the Secretary, and the  
plans can be seen and information relative to them  
can be had at the office of the Department, Nos. 49 and  
51 Chambers street.

ALBERT GALLUP,  
NATHAN STRAUS,  
PAUL DANA,  
ABRAHAM B. TAPPAN,  
Commissioners of Public Parks.

## TO CONTRACTORS.

PROPOSALS FOR ESTIMATES FOR BUILDING  
FIFTY DUMPING CARTS.

PROPOSALS FOR ESTIMATES FOR BUILDING  
Fifty Dumping Carts will be received by the  
Commissioner of Street Cleaning, at his office, No. 280  
Broadway, Stewart Building, until 2:30 o'clock P. M., of  
the 28th day of August, 1891, at which time and place they  
will be publicly opened and read by said Commissioner.

Any person making an estimate for the above work  
shall furnish the same in a sealed envelope to the head  
of said Department of Street Cleaning, indorsed "Esti-  
mate for Building Fifty Dumping Carts," and also with  
the name of the person or persons presenting the same,  
and the date of its presentation.

Any bidder for this contract must be known to be  
engaged in and well prepared for the business, and  
must have satisfactory testimonials to that effect; and  
the person or persons to whom the contract may be  
awarded will be required to give security for the per-  
formance of the contract, by his or their bond, with two  
sufficient sureties, each in the penal sum of FIVE  
THOUSAND DOLLARS.

Bidders are required to submit their estimates upon  
the following express conditions, which shall apply to  
and become part of every estimate received:

1. Bidders must satisfy themselves, by personal ex-  
amination as to the accuracy of the estimate, and shall  
not, at any time after the submission of an estimate,  
dispute or complain of the statement of quantities, nor  
assert that there was any misunderstanding in regard  
to the nature or amount of the work to be done.

2. Bidders will be required to complete the entire  
work to the satisfaction of the Department of Street  
Cleaning, and in substantial accordance with the speci-  
fications of the contract and the plans therein  
referred to. No extra compensation, beyond the

payable for the entire work.

Bidders will state in their estimates a price for the  
whole of the work to be done, in conformity with the  
approved form of contract and the specifications therein  
set forth, by which price the bids will be tested. This  
price is to cover all expenses of every kind involved in  
or incidental to the fulfillment of the contract, including  
any claim that may arise through delay from any cause  
in the performing of the work thereunder.

Bidders will distinctly write out, both in words and  
in figures, the amount of their estimates for doing this  
work.

The person or persons to whom the contract may be  
awarded will be required to attend at this office with the  
sureties offered by him or them, and execute the con-  
tract within five days from the date of the service of a  
notice to that effect; and in case of failure or neglect so  
to do, he or they will be considered as having aban-  
doned it, and as in default to the Corporation; and the  
contract will be readvertised and relet, and so on until  
it be accepted and executed.

Bidders are required to state in their estimates their  
names and places of residence; the names of all persons  
interested with them therein; and if no other person  
be so interested, the estimate shall distinctly state the  
fact; also, that the estimate is made without any con-  
nection with any other person making an estimate for  
the same work, and that it is in all respects fair, and  
without collusion or fraud; and also, that no member  
of the Common Council, head of a department, chief  
of a bureau, deputy thereof, or clerk therein, or other  
officer of the Corporation, is directly or indirectly in-  
terested therein, or in the supplies or work to which it  
relates, or in any portion of the profits thereof; which  
estimate must be verified by the oath, in writing, of the  
party making the estimate, that the several matters  
stated therein are in all respects true. Where more  
than one person is interested, it is requisite that the  
verification be made and subscribed by all the parties  
interested.

Each estimate shall be accompanied by the consent, in  
writing, of two householders or freeholders in the City  
of New York, with their respective places of business or  
residence, to the effect that if the contract be awarded to  
the person or persons making the estimate, they will,  
on its being so awarded, become bound as his or their  
sureties for its faithful performance; and that if said  
person or persons shall omit or refuse to execute the  
contract, they will pay to the Corporation of the City of  
New York any difference between the sum to which  
said person or persons would be entitled on its com-  
pletion and that which said Corporation or the De-  
partment of Street Cleaning may be obliged to pay to the  
person to whom the contract may be awarded at any  
subsequent letting; the amount in each case to be  
calculated upon the estimated amount of the  
work to be done by which the bids are tested. The  
consent above mentioned shall be accompanied by the  
oath or affirmation, in writing, of each of the persons  
signing the same, that he is a householder or freeholder  
in the City of New York, and is worth the amount of the  
security required for the completion of the contract, and  
stated in the proposals, over and above all his debts  
of every nature, and over and above his liabilities as  
surety and otherwise; and that he has offered himself  
as surety in good faith and with the intention to ex-  
ecute the bond required by law. The adequacy and  
sufficiency of the security offered is to be approved  
by the Comptroller of the City of New York after  
the award is made and prior to the signing of the  
contract.

No estimate will be received or considered unless  
accompanied by either a certified check upon one of  
the National banks of the City of New York, drawn  
to the order of the Comptroller, or money, to the  
amount of five per centum of the amount of security re-  
quired for the faithful performance of the contract.  
Such check or money must not be inclosed in the sealed  
envelope containing the estimate, but must be handed to  
the officer or clerk of the Department who has charge  
of the estimate-box, and no estimate can be deposited  
in said box until such check or money has been exam-  
ined by said officer or clerk and found to be correct. All  
such deposits, except that of the successful bidder, will  
be returned by the Comptroller to the persons making  
the same, within three days after the contract is  
awarded. If the successful bidder shall refuse or  
neglect, within five days after notice that the contract  
has been awarded to him, to execute the same, the  
amount of the deposit made by him shall be forfeited to  
and retained by the City of New York as liquidated  
damages for such neglect or refusal; but if he shall ex-  
ecute the contract within the time aforesaid, the  
amount of his deposit will be returned to him by the  
Comptroller.

No estimate will be accepted from, or contract awarded  
to, any person who is in arrears to the Corporation,  
upon debt or contract, or who is a defaulter, as surety  
or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or  
estimates, to use the blank prepared for that purpose  
by the Department, a copy of which, together with the  
form of the agreement, including specifications, and  
showing the manner of payment for the work, can be  
obtained upon application therefor at the office of the  
Department.

The Commissioner of Street Cleaning reserves the  
right to reject all bids received for any particular work,  
if he deems it for the best interest of the City.

Plans may be examined, and specifications and blank  
forms for bids or estimates obtained by application to  
the Chief Clerk, at the offices of the Department, No.  
280 Broadway, New York.

H. S. BEATTIE,  
Commissioner of Street Cleaning.

SEALED BIDS OR ESTIMATES FOR THE aforesaid work and materials, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until 10 o'clock A. M., Friday, August 28, 1891. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Repairing Rooms, etc., Bellevue," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of ONE THOUSAND (\$1,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his

sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, 1880, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of this security shall, in addition to the justification and acknowledgment, be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute, the contract and provide such proper security as has been heretofore stated to be requisite, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters therein stated are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Bidders will be required to furnish testimonials that they are engaged in the coal business in the City of New York, and have the plant necessary to carry out promptly and regularly the contract, if it be awarded, to the entire satisfaction of the Board of Health, and must furnish an undertaking for the faithful performance of all the provisions thereof in the manner provided by law, executed by two householders or freeholders of the City of New York, each justifying in the penal sum of ONE THOUSAND TWO HUNDRED (\$1,200) DOLLARS, and agreeing that if he shall omit or refuse to execute the said contract they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or estimate, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing

the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are cautioned to examine the form of contract and the specifications for particulars before making their estimate. Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment for the Coal will be made by requisition on the Comptroller, and as more specifically and particularly is set forth in the contract form.

Bidders are informed that no deviation from the contract and specifications will be allowed, unless under the written instruction of the Board of Health.

The form of the agreement, including specifications, showing the manner of payment, will be furnished at the office of the Department, No. 301 Mott street.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED, IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

#### FIRE DEPARTMENT.

HEADQUARTERS FIRE DEPARTMENT,  
157 AND 159 EAST SIXTY-SEVENTH STREET,  
NEW YORK, August 13, 1891.

#### TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING THIS Department with the following articles:

500,000 pounds Hay, of the quality and standard known as Best Sweet Timothy.  
100,000 pounds good, clean Rye Straw.  
4,500 bags clean No. 1 White Oats, 80 pounds to the bag.

1,800 bags first quality Bran, 40 pounds to the bag. —will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 157 and 159 East Sixty-seventh street, in the City of New York, until 10 o'clock A. M., August 26, 1891, at which time and place they will be publicly opened by the head of said Department and read.

All of the articles are to be delivered at the various houses of the Department, in such quantities and at such times as may be directed.

No estimate will be received or considered after the hour named.

The form of the agreement (with specifications), showing the manner of payment for the articles, may be seen and forms of proposals may be obtained at the office of the Department.

Proposals must include all the items, specifying the price per cwt. for hay and straw, and per bag for oats and bran.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of six thousand (\$6,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of three hundred (\$300) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be

correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

HENRY D. PURROY,  
S. HOWLAND ROBBINS,  
Commissioners.
