Agency Waste Prevention, Reuse, and Recycling Annual Report

How has your agency implemented your waste prevention, reuse, and recycling plan in the past fiscal year?

We have kept the momentum from previous years.

What actions will your agency take in the future to further implement the plan or to improve current waste prevention, reuse, and recycling efforts?

The current plan is to continue with what we have already implemented.

Are there any updates to your agency's original plan since your last annual report?

No

If yes, please describe the updates.

In the past fiscal year, did your agency send out any memos regarding recycling or waste prevention?

No

Agency Waste Prevention, Reuse, and Recycling Annual Report

In the past fiscal year, what has been the biggest challenge to improving recycling?

There were no challenges.

Do all your agency sites have recycling stations and proper signage? (Signage can be ordered for free by visiting <http://nyc.gov/recyclingmaterials>)

Yes

Please explain any challenges in setting up recycling stations.

Do you want DSNY outreach staff to contact you to schedule staff trainings?

No

Do you have any questions/concerns for DSNY?

Not at the moment
