Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11 O'clock A. M., on Wednesday, October 20, 1915.

Present—John Purroy Mitchel, Mayor; Alexander Brough, Deputy and Acting Comptroller; Henry Bruere, Chamberlain; Henry H. Curran, Acting President, Board of Aldermen; Frederick H. Stevenson, Chairman, Finance Committee, Board of Aldermen.

The minutes of the meeting held October 6, 1915, were approved as printed.

Dock Department—In the Matter of the New Plan for the Improvement of the Waterfront of The City of New York, Between Mill Basin and Fresh Creek Basin, Jamaica Bay, Adopted by the Commissioner of Docks April 28, 1915. Withdrawn from the calendar.

Dock Department—Lease to the Coney Island Carnival Company, of the Pier to Be Built in Front of the Dreamland Park on the Ocean Side of Coney Island.

Note—A communication from the Commissioner of Docks, recommending the lease, was received at the last meeting and referred to the Director of the Bureau of Contract Supervision of the Board of Estimate and Apportionment for report to be ready at this meeting.

The Director was unable to have his report ready in time for the meeting, and the Board engaged in a discussion in regard to the matter.

The rental recommended by the Commissioner of Docks was based upon the cost of the pier (\$55,000), to be built from the proceeds of an issue of corporate stock.

It was the sense of the Board that the pier should be built from the proceeds of ten-year serial bonds, and the Commissioner of Docks was directed to amend his recommendation so that the rental would be based upon the payment for the pier from the proceeds of ten-year serial bonds.

The Commissioner of Docks then submitted the following amended recommendation.

Pier A, North River, October 14, 1915.

Hon. JOHN PURROY MITCHEL, Mayor and Chairman of the Commissioners of the Sinking Fund:

Sir—I beg to recommend that a resolution be adopted by the Commissioners of the Sinking Fund, approving of and consenting to the execution by the Commissioner of Docks of the following described lease:

Lessee—The Coney Island Carnival Company, Incorporated under the laws of the State of New York.

Description—Pier to be built in front of Dreamland Park, on the ocean side of Coney Island, Borough of Brooklyn, City of New York, together with a small shed thereon, in accordance with plans and specifications to be seen and examined at the office of the Department of Docks and Ferries.

Term—Ten years from May 1, 1916, with privilege of renewal for a further term of five years.

Reimbursement and Rental—During the first term of 10 years the lessee shall pay the City annually a sum equal to one-tenth of the cost of construction, which cost shall include the building of the pier, dredging and incidental expenses, as shown by the books of the Department of Docks and Ferries, and in addition for the first year 4½ per cent. on said cost of construction and 4½ per cent. each year thereafter on the remaining yearly balances of said cost after deducting each year one-tenth of the cost. The lessee shall pay as rental annually, in addition thereto, 1 per cent. of the entire cost of said construction. The rental for the renewal term shall be \$5,000 per annum.

Insurance—The lessee shall fully insure the said pier and shed thereon against damage by fire, floating ice, collision and the action of the elements, in some responsible company to be approved by the Commissioner of Docks, and shall make the policy of such insurance payable, in case of loss, to the City, and shall keep such policy in force during the term of the lease or any renewal thereof and shall place such policy in the custody of the Commissioner of Docks. In case the lessee shall fail to insure as herein provided, the Commissioner of Docks may effect such insurance and add the cost of the premium to the rental reserved herein.

Bond—The lessee shall furnish a bond in a sum to be fixed by and with sureties to be approved by the Comptroller of the City of New York for the faithful performance of the covenants and conditions of the lease.

Repairs and Painting—The lessee shall at all times during the term of the lease, or any renewal thereof, put, keep and maintain the said pier and every part thereof and the structures thereon, or to be erected thereon, in good and sufficient repair and condition and shall do such painting to the structures as may be required to preserve such structures in good repair and condition, and all such repairs and painting during said term or any renewal thereof shall be at the sole cost, charge and expense of the said party of the second part.

Dredging—The lessee shall do such dredging from time to time during the term of the lease or any renewal thereof as may be considered by the Commissioner of Docks necessary and proper to be done in the half-basins, slips or water immediately adjacent to said pier.

Rebuilding—If by reason of total or partial destruction of the pier or shed through fire, floating ice, collision or the action of the elements, the pier or shed thereon shall be required to be rebuilt, the same shall be so rebuilt under the direction of the Commissioner of Docks in like manner and similar to the premises destroyed, by and at the expense of the lessee and in accordance with plans and specifications submitted to and approved by the Commissioner of Docks.

Accidents—The lessee shall agree that if at any time during the term any accident to any person or persons or property shall occur on or in proximity to the premises leased, by reason of the negligence of the lessee, its agents or employees, and in any action brought therefor, judgment shall be recovered against the City, then, upon written demand being made upon the lessee, it shall and will pay to the City the amount of any and every judgment that may have been so obtained against the City, together with all reasonable and proper costs and counsel fees to which the City may or shall be subjected in the defense of such action or actions, provided that the City shall have given the lessee notice of the pendency of such action and shall have afforded the counsel of the lessee a reasonable time, if so requested, to co-operate with the Corporation Counsel of the City of New York in the defense of such action.

Maintain as Public Pier, Rules and Regulations, Applications for Landings, Rates of Wharfage, Ticket Sellers, Advertising Signs, Sewage, Refuse, Etc., "Barkers"—The lessee shall covenant and agree to maintain the pier as a public pier open to all boats for passenger service, and to operate it in accordance with the rules and regulations to be adopted by the Commissioner of Docks from time to time; that applications for berths or landings will be considered in the order in which they are filed; that no more than the regular rates of wharfage fixed by law will be charged vessels for landing or berthing; that all disputes as to times of landings or as to rates charged or any other question arising between the permittee and owners of vessels landing or desiring to land will be settled by the Commissioner of Docks, whose

decision will be final and binding upon all parties concerned; that vessels to which permits have been issued may employ ticket sellers to be stationed at the outside of the inshore entrance, but no tickets shall be sold on the structure; that no advertising signs will be allowed on the pier; that no sewage, sweepings or other refuse will be thrown from the pier into the water; that no announcing or advertising in a loud voice or in an objectionable manner will be permitted on or about the structure; that the lessee will obey all rules and regulations of the Health, Dock and Park Departments.

Appropriation—The lease shall not be executed by the Commissioner of Docks until funds for the improvement are available.

Remaining Terms—The remaining terms and conditions of the lease, except so far as they are inconsistent herewith, shall be similar to those contained in leases of wharf property now used by this Department. Respectfully,

R. A. C. SMITH, Commissioner of Docks.

And the following resolution was offered for adoption:

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Docks of a lease to the Coney Island Carnival Company, incorporated under the laws of the State of New York, of the pier to be built in front of Dreamland Park, on the ocean side of Coney Island, Borough of Brooklyn, City of New York, together with a small shed thereon, in accordance with plans and specifications to be seen and examined at the office of the Department of Docks and Ferries, for a term of ten years from May 1, 1916, with the privilege of renewal for a further term of five years.

In case the lessee shall fail to insure as herein provided, the Commissioner of Docks may affect such insurance and add the cost of the premium to the rental reserved herein.

Dock Department—Lease to Edgar F. Luckenbach of Certain Property in the Vicinity of 35th Street, South Brooklyn.

The following was received from the Commissioner of Docks:

Pier A, North River, October 8, 1915.

Hon. JOHN PURROY MITCHEL, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—At a meeting of the Commissioners of the Sinking Fund, held June 23, 1915, a resolution was adopted, approving of and consenting to the execution by the Com-

missioner of Docks of a lease to the Empire Repair and Electric Welding Company of certain property described therein in the vicinity of 35th Street, South Brooklyn.

It appears that this Company is not incorporated, but that Edgar F. Luckenbach is the real party in interest and conducts the business under the name of the Empire Repair and Electric Welding Company.

I, therefore, beg to recommend that the resolution adopted by the Commissioners of the Sinking Fund on June 23, 1915, be amended by substituting in place of the name: "Empire Repair and Electric Welding Company," the name of "Edgar F. Luckenbach."

Respectfully yours,

R. A. C. SMITH, Commissioner of Docks.

In connection therewith, the Deputy and Acting Comptroller presented the following report and offered the following resolution:

October 14, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Under date of October 8, 1915, the Commissioner of Docks advises that at a meeting of the Commissioners of the Sinking Fund, held June 23, 1915, a resolution was adopted approving of and consenting to the execution, by the Commissioner of Docks, of a lease to the Empire Repair and Electric Welding Company, of certain property in the vicinity of 35th Street, South Brooklyn.

The Commissioner advises that this Company is not incorporated, but that Edgar F. Luckenbach is the real party in interest and conducts the business under the name of the Empire Repair and Electric Welding Company.

The Commissioner of Docks, therefore, recommends that the resolution of the Commissioners of the Sinking Fund, adopted on June 23, 1915, be amended by substituting in place of the name "Empire Repair and Electric Welding Company," the name of Edgar F. Luckenbach.

Since the lease has not been executed as authorized by the resolution, I am of the opinion that the end can better be attained by rescinding the resolution of June 23, 1915, and adopting the attached resolution approving the lease, to be executed by the Commissioner of Docks, to Edgar F. Luckenbach.

Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by the Commissioners of the Sinking Fund, on June 23rd, 1915, approving of and consenting to the execution by the Commissioner of Docks of a lease to the Empire Electric Welding Company of certain property in the vicinity of 35th Street, South Brooklyn, be and the same is hereby rescinded; and be it further

The rental for the first term of ten (10) years shall be at the rate of Fifteen Cents (15c.) per square foot per annum, and for each renewal term ten per cent. (10 per cent.) advance on the rental for the preceding term. The lessee shall have the privilege of erecting and maintaining, during the term of the lease, a machine shop about two hundred and twelve (212) feet by one hundred and thirty feet (130 feet), in accordance with plans to be submitted to and approved by the Chief Engineer of the Department of Docks and Ferries. The said machine shop and any and all structures erected or maintained under the lease by the lessee shall be removed at the expiration or sooner termination of the lease. To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—First Van Nest Hebrew Congregation has presented to you a petition for the cancellation of certain assessments for public improvements, affecting premises in the Borough of The Bronx, designated on the official tax map as section 15, block 4029, lot 37.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about October 15, 1906, that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been entitled to exemption from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a synagogue and Hebrew Free School.

It appears from an examination of the Assessment Rolls that said property has been entitled to exemption from local taxation for the year 1912, and since, and the assessed valuation for the year 1915 is \$11,700.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.

"Morris Park Ave. Relief Drain from Drain 50 feet east of Victor St. to Outlet 150 feet West of Taylor St." (conf. and ent. Jan. 16, 1912); No. 457, block 4029, lot 37; \$3.60.

"Acquiring Title to West Farms Road from Bronx River to Westchester Creek" (conf. Dec. 30, 1912, ent. Jan. 24, 1913); No. 483, block 4029, lot 37; \$22.49.

"Regulating, grading, etc., Garfield St. from Morris Park Ave. to N. Y., N. H. & H. R. R." (conf. and ent. Dec. 30, 1913); No. 18, block 4029, lot 37; \$158.20.

"Bronx Boulevard—Opening, from Old Boston Post Road to East 242d St." (conf. Jan. 12, ent. Feb. 26, 1914); No. 580, block 4029, lot 37; \$2.90.

"Opening Garfield and Fillmore Streets" (conf. Mar. 9, ent. Apr. 7, 1914); No. 66, block 4029, lot 37; \$502.12.

"White Plains Road Opening from West Farms Road to East River" (conf. Oct. 5, ent. Nov. 12, 1914); No. 237, block 4029, lot 37; \$5.22.

The records of this department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

The petitioner has included in its application the assessment for "Opening Taylor St. from Morris Park Ave. to West Farms Road" (conf. Oct. 3, ent. Oct. 26, 1911), but inasmuch as it appears from the records of the Department of Taxes and Assessments that the property was assessed for the year 1911 and presumably was not entitled to exemption from taxation for that year, as required by said section of the charter, I refuse to certify my approval of the cancellation of said assessment.

The total amount involved as principal in the above assessments is \$694.53. The property affected by these assessments is located in the Borough of The Bronx, easterly side of Garfield St., north of Van Nest Ave.

The Secretary of the Petitioner, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$2,144.35, and the expenditures for all objects, \$2,122.65, leaving a balance of \$21.70.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon. I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of § 221A of the Greater New York Charter, except as to the assessment which I have refused to certify for cancellation, and I, therefore, certify my approval of the application of the First Van Nest Hebrew Congregation, to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of \$10, provided, that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221-A of the Charter to cancel the following assessments levied and assessed against property owned by First Van Nest Hebrew Congregation, in the Borough of The Bronx, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected and that the same is not under contract of sale.

"Acquiring Title to West Farms Road from Bronx River to Westchester Creek" (conf. Dec. 30, 1912, ent. Jan. 24, 1913), No. 483, block 4029, lot 37 22 49

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about May 25, 1912; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provisions of the tax law, during the periods when the liens hereinafter set forth accrued. It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I, therefore, certify my approval of the application of Mapleton Park Congregational Church pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10.00, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

I refuse to certify my approval of the cancellation of such assessment, however, for the reason that it appears from the petition herein that the property in question was not owned by the petitioning corporation during the time the assessment accrued and became a lien thereon, as required by said section of the charter, but by another corporation known as the "Trustees of Bethany Presbyterian Church," the date of acquisition by the petitioner being May 7, 1907.

The records of this department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

It appearing therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments and water charges, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the assessment which I have refused to certify for cancellation, and I therefore certify my approval of the application of The Trustees of the Presbytery of New York to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of \$30 provided

that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of thirty dollars (\$30), the Commissioners of the Sinking Fund by unanimous vote, hereby authorize and direct the Comptroller pursuant to the provisions of section 221-A of the Charter, to cancel the following assessment and water charges levied and assessed against property owned by the Trustees of the Presbytery of New York, Borough of The Bronx, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected and that the same is not under contract of sale.

Adelphi College—Petition of for the Cancellation of Certain Assessments.

Laid over.

First Presbyterian Church of Tremont—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions:

October 16th, 1915.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—On June 16, 1915, upon the petition of the First Presbyterian Church of Tremont, and on the recommendation of the Comptroller, a resolution was adopted by your Honorable Commission, pursuant to section 221A of the Charter, authorizing the cancellation of certain assessments therein specified, upon the payment of \$1,062.34, provided that payment should be made within sixty (60) days from the date of said resolution, and also provided that at the time of such payment said corporation furnish proof, by affidavit, that it was the actual owner of the property affected, and that the same was not under contract of sale.

It appears that the conditions of said resolution have not been complied with by the petitioner, the payment provided for thereby not having been made, nor the proof of ownership submitted, within the period of sixty days from the date of the adoption of said resolution, such period having expired on the 15th day of August, 1915. The assessments specified in said resolution, therefore, still remain open and unpaid, and are liens against the property affected.

The petitioner, through Mr. L. J. Owens, Secretary and Treasurer of its Board of Trustees, has now requested an extension of time until December 16, 1915, within which to make the payment required by the terms of said resolution, in order that the cancellation of the assessments included therein may be carried into effect.

In my opinion, the granting of such request for an extension of time would not be injurious to the best interests of the City, provided that the property which is the subject of said resolution be continued to be used for religious purposes, and I therefore recommend that said resolution of June 16, 1915, be rescinded, and that a new resolution be adopted, similar in all respects to the former resolution, except that it provide for payment to be made on or before December 16th, 1915, and that the following words be added after the words "under contract of sale," viz.:

"and that such property is used, and will be used by the above named corporation, exclusively for religious purposes, and that there is no intention on the part of said corporation to sell or otherwise dispose of the same."

Yours very truly, ALEX. BROUGH, Deputy and Acting Comptroller.
Resolved, That the resolution adopted by this Board at meeting held June 16, 1915, authorizing and directing the Comptroller, upon payment of the sum of Ten hundred and sixty-two dollars and thirty-four cents (\$1,062.34), to cancel certain assessments, levied and assessed against property owned by the First Presbyterian Church of Tremont, be and the same is hereby rescinded.

Resolved, That, upon payment of the sum of ten hundred and sixty-two dollars and thirty-four cents (\$1,062.34) on or before December 16, 1915, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the First Presbyterian Church of Tremont, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale, "and that such property is used, and will be used by the above-named corporation, exclusively for religious purposes, and that there is no intention on the part of said corporation to sell or otherwise dispose of the same."

St. Philip's Church, Borough of Brooklyn—Petition of for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions:

October 16th, 1915.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—On February 3, 1915, upon the petition of St. Philip's Church, and on the recommendation of the Comptroller, a resolution was adopted by your Honorable

Commission, pursuant to § 221A of the Charter, authorizing the cancellation of certain assessments therein specified, upon the payment of \$200.63, provided that payment should be made within sixty (60) days from the date of said resolution, and also provided that at the time of such payment said corporation furnish proof, by affidavit, that it was the actual owner of the property affected and that the same was not under contract of sale.

It appears that the conditions of said resolution have not been complied with by the petitioner, the payment provided for thereby not having been made, nor the proof of ownership submitted, within the period of sixty days from the date of the adoption of said resolution, such period having expired on the 14th day of April, 1915. The assessments specified in said resolution, therefore, still remain open and unpaid and are liens against the property affected.

The petitioner, through Rev. John Henry Sattig, its Rector, has now requested an extension of time until November 30, 1915, within which to make the payment required by the terms of said resolution, in order that the cancellation of the assessments included therein may be carried into effect.

In my opinion, the granting of such request for an extension of time would not be injurious to the best interests of the City, and I therefore recommend that said resolution of February 3, 1915, be rescinded, and that a new resolution be adopted, similar in all respects to the former resolution, except that it provide for payment to be made on or before November 30, 1915. Yours very truly,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held February 3, 1915, authorizing and directing the Comptroller, upon payment of the sum of Two hundred dollars and sixty-three cents (\$200.63), to cancel certain assessments, levied and assessed against property owned by St. Philip's Church, in the Borough of Brooklyn, be and the same is hereby rescinded.

Resolved, That, upon payment of the sum of two hundred dollars and sixty-three cents (\$200.63), on or before November 30, 1915, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by St. Philip's Church in the Borough of Brooklyn, provided that payment be made within sixty days from date, and also provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale.

Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution concurring with the resolution adopted by the Board of Estimate and Apportionment on May 14, 1915, requesting the Corporation Counsel to accept the deed above mentioned.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

October 15, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a petition to the Commissioners of the Sinking Fund from Annie Dobromysl, in which she states that she is the owner of two plots of land located on the easterly side of Second Avenue, near Pleasure Avenue, Borough of Queens, known on a certain map entitled "Map of Property in the Fifth Ward of Long Island City, Queens County, belonging to E. P. Woolsey, surveyed by Robert A. Serrell, City Surveyor of New York City, dated Long Island, December, 1887," and filed in the office of the Clerk of the County of Queens as Lots Numbers 257 and 258 in Block lettered G. These lots are situated on the easterly side of Debevoise or Second Avenue, between Pleasure Avenue and Potter Avenue.

On a certain map known as the Commissioner's Map of Long Island City, Queens County and State of New York, dated April 25, 1873, and filed in the City Clerk's Office of Long Island City on the 25th day of April, 1873, Debevoise Avenue was laid out with a width of 150 feet.

In accordance with chapter 644 of the laws of 1893, a commission was appointed known as the General Improvement Commission of Long Island City, which Commission reduced the width of Debevoise Avenue from 150 feet to 100 feet, leaving a strip of land 25 feet in width on the east and west sides of Debevoise Avenue for a distance of about 1,500 feet, a part of which strip lies adjacent to and abutting the property of the petitioner. It is that portion of Debevoise Avenue as formerly laid out, abutting her property, which the petitioner requests to have released to her.

The Board of Estimate and Apportionment adopted a resolution on March 12, 1915, requesting the Commissioners of the Sinking Fund to transfer whatever title the City has in these strips to the abutting owners, upon the payment by them of all unpaid taxes and assessments and the cost of making the transfer.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a release to Annie Dobromysl of the City's interest in all that certain piece or parcel of land, situate, lying and being in the First Ward of the Borough of Queens, City of New York (formerly the Fifth Ward of Long Island City), County of Queens, State of New York, bounded and described as follows:

Beginning at a point on the easterly side of Second Avenue as the same is laid down on the assessment map of the First Ward of the Borough of Queens as reduced to 100 feet in width, distant 125 feet northerly from the corner formed by the intersection of the northerly side of Pleasure Avenue with the easterly side of Debevoise Avenue (now Second Avenue); running thence easterly at right angles to Second Avenue and parallel with Pleasure Avenue 25 feet; thence northerly and parallel with Second Avenue, 50 feet; thence westerly and parallel with Pleasure Avenue 25 feet to the easterly side of Second Avenue, and southerly along the easterly side of Second Avenue 50 feet to the point or place of beginning.

—in consideration of the sum of \$1.00, plus an additional charge of \$12.50 for the preparation of the necessary papers. The release to contain the following terms and conditions:

That the grantee waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantee is the owner of the land fronting on the section of the street or avenue to be conveyed.

The deed not to be delivered until the grantee has paid whatever taxes and assessments or liens against the premises to be conveyed.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.
Whereas, Annie Dobromysl, in a petition addressed to the Commissioners of the Sinking Fund, requests a release of the City's interest in certain property on the easterly side of Debevoise or Second Avenue, between Pleasure Avenue and Potter Avenue, Borough of Queens, and more particularly hereinafter described,

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land described as follows is not needed for any public use:

All that certain piece or parcel of land, situate, lying and being in the First Ward of the Borough of Queens, City of New York (formerly the Fifth Ward of Long Island City), County of Queens, State of New York, bounded and described as follows:

Beginning at a point on the easterly side of Second Avenue as the same is laid down on the assessment map of the First Ward of the Borough of Queens, as reduced to 100 feet in width, distant 125 feet northerly from the corner formed by the intersection of the northerly side of Pleasure Avenue with the easterly side of Debevoise Avenue (now Second Avenue); running thence easterly at right angles, to Second Avenue and parallel with Pleasure Avenue 25 feet; thence northerly and parallel with Second Avenue 50 feet; thence westerly and parallel with Pleasure Avenue 25 feet to the easterly side of Second Avenue, and southerly along the easterly side of Second Avenue 50 feet to the point or place of beginning, —and be it further

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize a release to Annie Dobromysl of the City's interest in and to the property hereinabove in this resolution bounded and described in consideration of the sum of One Dollar (\$1.00) plus the additional charge of Twelve Dollars and Fifty Cents (\$12.50) for the preparation of the necessary papers.

The release to contain the following terms and conditions:

That the grantee waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantee is the owner of the land fronting on the section of the street or avenue to be conveyed.

The deed not to be delivered until the grantee has paid whatever taxes and assessments are liens against the premises to be conveyed.

The report was accepted and the resolution unanimously adopted.

Petition of Henry A. Goldsmith for a Release of the City's Interest in Certain Property at the Corner of Cushing Place and Debevoise Avenue, Borough of Queens.

The following petition was received:

In the Matter of the Application of Henry A. Goldsmith for a deed to certain property in the First Ward of the Borough of Queens, City and State of New York.

To the Honorable Commissioners of the Sinking Fund:

The petitioner of Henry A. Goldsmith, respectfully shows:

First: That your petitioner resides at Long Island City, New York, and is the owner of the following described premises, a certified copy of a deed to and an original survey of which is hereto annexed and marked Exhibits A and B respectively.

All that certain lot, piece or parcel of land situate, lying and being in the Fifth Ward of Long Island City, County of Queens, State of New York, and known and distinguished on a certain map entitled "Map of Property situated in the Fifth Ward of Long Island City, Queens County, New York, made for Rudolph Horak, Esq., of Long Island City, laid out into building lots by Ernest Ankner, Civil Engineer and City Surveyor, Long Island City, New York, dated August, 1892, and filed in the office of the Clerk of Queens County June, 1893, by the number 68 as laid down on said map, also known and distinguished as lot 12, block 88, volume 16, of the First Ward on the Assessment Map of the Borough of Queens, and further described as follows: Beginning at a point two hundred and seventy-five feet distant from the corner formed by the intersection of the Northerly side of Hoyt Avenue with the Easterly side of Second Avenue, thence running easterly at right angles to Second Avenue ninety (90) feet, thence running northerly twenty-five (25) feet to the Southerly side of proposed Cushing Place, thence running along said southerly side of said proposed Cushing Place ninety (90) feet, to the Easterly side of Second Avenue, thence running along the Easterly side of Second Avenue twenty-five (25) feet to the point and place of beginning.

Second: That on a certain map known as the Commissioner's Map of Long Island City, Queens County, and State of New York, dated April 23, 1873, and filed in the City Clerk's office of Long Island City on the 25th day of April, 1873, DeBevoise Avenue (now Second Avenue) was laid out with a width of one hundred and fifty feet.

Third: That under and pursuant to Chapter 644 of the Laws of 1893 a commission was appointed which was known as the General Improvement Commission of Long Island City, which body by virtue of its power, did lay out said DeBevoise Avenue (now Second Avenue), reducing the width thereof from one hundred fifty feet to one hundred feet.

Fourth: That in the proceedings to acquire title to DeBevoise Avenue from Jackson Avenue to Ditmars Avenue, Long Island City, the description started on the easterly line of the intersection of DeBevoise Avenue and Flushing Avenue as laid out on the Commissioners' Map of Long Island City, Queens County, and State of New York, above referred to, which was filed in 1873, whereby the lines of DeBevoise Avenue commencing at Flushing Avenue were by such technical description erroneously described, and the City acquired by the confirmation of this proceeding, title to the strip twenty-five feet too far Easterly and did not acquire a corresponding strip West of the Westerly line of DeBevoise Avenue.

Fifth: That Chapter 378 of the Laws of 1909 entitled "An Act to allow the City of New York to deed certain land and acquire the title to certain other land in DeBevoise Avenue, in the Borough of Queens" was passed, authorizing the exchange of lands between the City of New York and the owners of land on both sides of said DeBevoise Avenue, now Second Avenue.

Sixth: That the petitioner herein does not own any land on the Westerly side or line of said DeBevoise Avenue, now Second Avenue.

Seventh: That the confirmation of the proceeding wherein was contained said erroneous description raises a question of the ownership of the twenty-five feet, more or less, of the property of your petitioner above described and forms a cloud on the title of your petitioner therein.

Wherefore your petitioner prays that this honorable board, under its powers as designated in Section 205 of the Greater Charter of the City of New York, as amended, grant, execute and deliver a deed releasing all the right, title and interest which the City of New York may have in and to all that strip of land twenty-five feet, more or less, in width in the First Ward (Long Island City), Borough of Queens, in the City of New York, and lying Easterly of and abutting on the Easterly side of DeBevoise Avenue, otherwise known as Second Avenue, as the same is laid down on the map or plan of the City of New York and now actually in use; and,

Commencing at the intersection of the Easterly line of said DeBevoise Avenue, as shown and laid down on said map or plan, running thence in a North-easterly direction twenty-five feet, more or less, to the Southerly side of what is known as Cushing Place, the same having been acquired by the City of New York through an erroneous technical description of Parcel B, in the proceedings to acquire title to DeBevoise Avenue, from Jackson Avenue to Ditmars Avenue, which proceeding was confirmed by order of the Supreme Court, dated January 25, 1907, and entered in the office of the Clerk of Queens County at Jamaica on February 11, 1907.

Dated, Long Island City, September 25, 1915.

HENRY A. GOLDSMITH, Petitioner.

STATE OF NEW YORK, COUNTY OF QUEENS, ss.:

Henry A. Goldsmith, being duly sworn, deposes and says: That he is the petitioner named in the foregoing petition; that he has read the said petition and knows the contents thereof; that the same is true of his own knowledge except as to the

matters therein stated to be alleged on information and belief and as to those matters he believes it to be true.

HENRY A. GOLDSMITH.

Sworn to before me this 6th day of September, 1915. FRANK MOTL, Jr., Notary Public, Queens County, N. Y. No. 868.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

October 18, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a petition to the Commissioners of the Sinking Fund from Henry A. Goldsmith, in which he states that he is the owner of certain property situated on the corner of Cushing Place and Debevoise Avenue, Borough of Queens, and requesting a release of the City's interest in a certain portion thereof which was included within the original width of Debevoise Avenue.

Debevoise Avenue was originally laid out with a width of 150 feet. Subsequently, and pursuant to chapter 644 of the Laws of 1893, a commission was appointed, known as the General Improvement Commission, which reduced this width to 100 feet, taking 25 feet from each side of the avenue. It is that 25 feet abutting the petitioner's property which was taken from the map, which he requested to be released to him.

On December 4, 1914, the report of the Chief Engineer of the Board of Estimate and Apportionment on the petition of property owners requesting a release of the above mentioned strips of land on Debevoise Avenue, was referred to the Corporation Counsel for advice as whether all the necessary steps had been taken to close those portions of Debevoise Avenue, and in the event that all formalities had been complied with, the suggestion be made to the Commissioners of the Sinking Fund that the City transfer whatever title it has in these strips to the abutting owners upon the payment by them of all unpaid taxes and assessments and the cost of making the transfers. The Corporation Counsel on March 8, 1915, reported to the Board of Estimate and Apportionment that no further legal action was necessary to accomplish the abandonment of these strips of land between the old and new lines of Debevoise Avenue.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a release to Henry A. Goldsmith of the City's interest in all that certain piece or parcel of land, situate, lying and being in the First Ward of the Borough of Queens, City of New York, bounded and described as follows:

Beginning at a point on the easterly line of Debevoise Avenue (now Second Avenue), distant 275 feet northerly from the corner formed by the intersection of the easterly line of Debevoise Avenue (now Second Avenue), with the northerly line of Hoyt Avenue; running thence easterly and along a line parallel with Hoyt Avenue 25 feet; running thence northerly and along a line parallel with Debevoise Avenue (now Second Avenue), 25 feet; running thence westerly and again parallel with Hoyt Avenue 25 feet to the easterly line of Debevoise Avenue (now Second Avenue); running thence southerly and along the easterly line of Debevoise Avenue (now Second Avenue), 25 feet to the point or place of beginning;

—in consideration of the sum of \$1, plus an additional cost of \$12.50 for the preparation of the necessary papers. The release to contain the following terms and conditions:

That the grantee waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantee is the owner of the land fronting on the section of the street or avenue to be conveyed.

The deed not to be delivered until the grantee has paid whatever taxes and assessments are liens against the premises to be conveyed.

ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, Henry A. Goldsmith in a petition addressed to the Commissioners of the Sinking Fund, requests a release of the City's interest in a strip of land abutting his property, at the corner of Cushing Place and Debevoise Avenue, in the Borough of Queens, and more particularly hereinafter described.

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land described as follows is not needed for any public use:

All that certain piece or parcel of land, situate, lying and being in the First Ward of the Borough of Queens, City of New York, bounded and described as follows:

Department of Water Supply, Gas and Electricity—Authorized to Grant a Permit to the Long Island Railroad Company for the Privilege of Constructing and Maintaining a Railroad Siding Upon and Across the Brooklyn Conduit Land, and the Erection and Maintenance of a Station Platform at Valley Stream, Long Island.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

October 15th, 1915.

The Honorable the Commissioners of the Sinking Fund:

Gentlemen—On September 29th, 1915, the Commissioner of Water Supply, Gas and Electricity advises that the Long Island Railroad, through error in locating its property line, has extended its platform over a portion of the City's land, which was not covered by the revocable permit issued on July 3rd, 1913, by the Deputy and Acting Commissioner of Water Supply, Gas and Electricity, pursuant to a resolution adopted by the Commissioners of the Sinking Fund on June 25th, 1913, granting permission to the Long Island Railroad for the privilege of constructing and maintaining a railroad siding upon and across the Brooklyn Conduit Land, including the erection and maintenance of a station platform at Valley Stream, Long Island.

The Railroad Company now desires to secure permission for the maintenance of the platform as it exists, for the erection of a shed over the platform, and the construction of a railroad pit beneath the railroad siding.

The Commissioner states that he has no objection to the erection of the shelter, construction of the pit and the projection of the platform beyond the land originally anticipated, and recommends that the Commissioners of the Sinking Fund consent to the granting of a revocable permit to provide for the additional land and for these additional railroad facilities, subject to certain conditions.

I believe that this end can better be attained by the adoption of the attached two resolutions; one rescinding the resolution of June 25th, 1913, and the other consenting to a permit for the entire plot, including the old and new privileges and fixing a compensation of \$240.45 per annum, payable from July 3rd, 1913, the date of the original permit of the Department of Water Supply, Gas and Electricity.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, Pursuant to a resolution adopted by the Commissioners of the Sinking Fund on June 25th, 1913, the Deputy and Acting Commissioner of Water Supply, Gas and Electricity, issued a revocable permit, dated July 3rd, 1913, to the Long Island Railroad, for the privilege of constructing and maintaining a railroad siding upon and across the Brooklyn Conduit Lands, including the erection and maintenance of a station platform at Valley Stream, Long Island, and

Whereas, The Long Island Railroad, through error in locating its property line, has extended its platform over a portion of the City's land, which was not covered by the permit dated July 3rd, 1913; therefore, be it

Resolved, That the resolution adopted by the Commissioners of the Sinking Fund on June 25th, 1913, consenting to the granting of a permit by the Commissioner of Water Supply, Gas and Electricity to the Long Island Railroad Company for the privilege of constructing and maintaining a railroad siding upon and across the Brooklyn Conduit Lands and the erection and maintenance of a station platform at Valley Stream, Long Island, be and the same is hereby rescinded, and be it further

Resolved, That the Commissioners of the Sinking Fund hereby consent to the Commissioner of Water Supply, Gas and Electricity granting a permit to the Long Island Railroad Company for the privilege of constructing and maintaining a railroad siding upon and across the Brooklyn Conduit Lands, for the erection and maintenance of a station platform, including the erection of a shelter over the said platform as well as over the siding and the construction of a pit beneath the siding; that the compensation to be paid the City for the privilege shall be the sum of \$240.45 per annum, payable from July 3rd, 1913. The land in question being more fully described as follows:

Beginning at a point on the easterly side of Rockaway Road where the northerly boundary line of the Long Island Railroad Company intersects the easterly side of Rockaway Road; thence running northerly and along the said easterly side of Rockaway Road 17.75 feet to a point; thence easterly and parallel to the property line of the Long Island Railroad Company, 100 feet to a point; thence southerly at right angles to the last mentioned course 7.4 feet to a point, thence easterly parallel to the property line of the Long Island Railroad Company 500 feet to a point; thence southerly and at right angles to the last mentioned course 10.35 feet to a point in the northerly property line of the Long Island Railroad Company; thence westerly and along the said northerly property line of the Long Island Railroad Company 600 feet to the point or place of beginning containing 6,950 square feet. The privileges to be conditioned that the Long Island Railroad Company, their successors or assigns, shall do all the work of constructing the tracks, platform, shelter and pit at its own cost and expense, under the supervision and to the satisfaction of the Commissioner of Water Supply, Gas and Electricity; the posts carrying the northerly side of the shelter shall be spaced so that none will come nearer than two feet to the bells of the 48-inch pipe line, in order that they shall not in any way interfere with the caulking of joints in said pipe line; the railroad company to reinforce the brick conduit adjacent to the above described property, where, in the opinion of the Chief Engineer of the Department of Water Supply, Gas and Electricity, such reinforcement is deemed necessary. In the event of any work of the Department of Water Supply, Gas and Electricity necessitating excavating beneath the said tracks, platform, shelter or pit that the railroad company shall protect the said tracks, platform, shelter or pit during such work, at its own cost and expense, and the City shall in no way be liable or responsible for any interruption in the traffic over said railroad tracks, and subject to such other conditions as the Commissioner of Water Supply, Gas and Electricity shall prescribe, the permit to contain a stipulation that the Commissioner of Water Supply, Gas and Electricity may revoke such permission or privilege and direct said Long Island Railroad Company, its successors or assigns, to remove said railroad tracks, station platform, shelter and pit, at the Company's expense, at any future time if found necessary in the interest of the City. The report was accepted and the resolution unanimously adopted.

Board of Education—Lease for, of Six Class Rooms on the Second Floor of the Parochial School at the Northwest Corner of Washington Avenue and 183d Street, Borough of The Bronx.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

October 18, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Board of Education in a communication to your Board under date of October 14, 1915, states that at a meeting of the Board of Education held October 13, 1915, a resolution was adopted requesting the Commissioners of the Sinking Fund to approve of and consent to the execution by the Board of Education of a lease of six class rooms in the parochial school of the Church of our Savior, Washington Avenue and 183rd Street, The Bronx, for a period of three years from January 1, 1916, at an annual rental of \$3,500.

This is a locality where additional school facilities are urgently needed, and the premises are to be used as an annex to Public School 45, and consist of six class rooms on the second floor of a new 4-story, fireproof school building located at the northwest corner of Washington Avenue and 183rd Street.

The class rooms will accommodate about 350 pupils on full time. The rental of \$3,500 is at the rate of approximately \$10 a year for each sitting, but the lessors insist that the premises continue to remain exempt from taxation.

The Department of Health, the Bureau of Buildings and the Fire Department certify that the sanitary and structural conditions thereat are satisfactory.

Deeming the rent reasonable and just under the circumstances, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a lease of six class rooms on the second floor of the parochial school of the Church of Our Saviour, at the northwest corner of Washington Avenue and 183rd Street, The Bronx, as an annex to Public School 45, for a period from January 1, 1916, to January 1, 1919, with the privilege of renewal for a further term of two or three years, at an annual rental of \$3,500, payable quarterly; the demised premises to be exempt from taxes or water rates during the term of the lease or any renewal thereof; the Board of Education to have the use of the basement with piano from 8.40 o'clock to 11 o'clock a. m., and from 1 to 3 o'clock p. m. on all school days, and also the use of the outdoor playground, and to have access to and the use of the teachers' room and the gas stove therein, doctor's room, teachers' toilets, lockers and book closets; the lessors to furnish light, heat and janitor service, to make all alterations and repairs which may be necessary, and to furnish wardrobes and shades. Lessors, Church of Our Saviour, 2317 Washington Avenue, Borough of The Bronx.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Board of Education, of a lease to the City, of the six class rooms on the second floor of the Parochial School of the Church of Our Saviour, at the northwest corner of Washington Avenue and 183rd Street, Borough of The Bronx, for use as an annex to Public School 45, for a period from January 1, 1916 to January 1, 1919, with the privilege of renewal for a further term of two or three years, at an annual rental of Thirty-five hundred dollars (\$3,500), payable quarterly; the demised premises to be exempt from taxes or water rates during the term of the lease or any renewal thereof; the Board of Education to have the use of the basement with piano from 8.40 A. M. to 11 o'clock A. M. and from 1 to 3 o'clock P. M. on all school days, and also the use of the outdoor playground, and to have access to and the use of the Teacher's room and the gas stove therein, Doctor's Room, Teacher's Toilets, lockers and book closets; lessors to furnish heat, light and janitor service, make all alterations and repairs which may be necessary, and to furnish wardrobes and shades; lessor, Church of Our Saviour; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interest of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

Adjourned.

JOHN KORB, Jr., Secretary.

PUBLIC NOTICE IS HEREBY GIVEN, Pursuant to law, that at a meeting of the Board of Estimate and Apportionment, held April 30, 1915, the following petition was received:

To the Honorable the Board of Estimate and Apportionment of the City of New York:
The petition of The New York and North Shore Traction Company respectively shows:

That by two several contracts dated respectively February 1st and April 14th, 1909, as amended by a contract dated Nov. 25th, 1913, the City of New York granted to petitioner a franchise to build and operate an electric street surface railroad on certain streets in Queens Borough, New York City, N. Y.

That in each of said contracts as so amended your petitioner is required to pay the City for the privilege of granting certain annual payments, therein recited.

That on account of the various local conditions due to stagnation in business and the heavy taxes now imposed upon it the receipts of the company are much less than they were anticipated by both parties to the contract when it was made, and are in fact so small that it is impossible for the company to remain solvent unless relieved from the payments to the City required by said contracts.

Your petitioner therefore prays that it be relieved from such payments to the City required by said contracts, that the amounts of said payments be reduced.

Dated April 16th, 1915.
THE NEW YORK AND NORTH SHORE TRACTION COMPANY, by GEORGE A. STANLEY, President.

George A. Stanley, being duly sworn, deposes and says that he is the President of the New York and North Shore Traction Company, the petitioner above named; that he has read the foregoing petition and knows the contents thereof; and that the same is true to the knowledge of deponent, except as to the matters therein stated to be alleged upon information and belief, and as to those matters he believes it to be true. GEORGE A. STANLEY.

Sworn to before me this 16th day of April, 1915.

BENJAMIN R. DUFF, Notary Public, Queens County, No. 657. Certificate filed in New York County, No. 155; New York County Register's No. 7140; Commission expires March 30, 1917. —and at the meeting of Oct. 8, 1915, the following resolutions were adopted:

Whereas, the foregoing petition from the New York and North Shore Traction Company, dated April 16, 1915, was presented to the Board of Estimate and Apportionment at a meeting held April 30, 1915.

Resolved, That, in pursuance of law, this Board sets Friday, the fifth day of November, 1915, at 10 o'clock in the forenoon, and Room 16 in the City Hall, Borough of Manhattan, as the time and place when and where such petition shall be first considered and a public hearing be had thereon, at which citizens shall be entitled to appear and be heard; and be it further

Resolved, That the Secretary is directed to cause such petition and these resolutions to be published for at least twice in two daily newspapers in the City of New York, to be designated by the Mayor, and for at least ten (10) days in the "City Record" immediately prior to such date of public hearing. The expense of such publication to be borne by the petitioner.

Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and kind, and against all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, protecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
