DEPARTMENT OF BUILDINGS.

[BOARD OF EXAMINERS.]

TUESDAY, August 13, 1878.

At a meeting of the Board of Examiners, held at the office of the Superintendent of the Department of Buildings, No. 2 Fourth avenue, on Tuesday, the 13th day of August, 1878, at 3 o'clock P. M., in pursuance of the call of the Superintendent of Buildings, at which meeting there were present, Henry Dudley, Esq., Edwin Dobbs, John Banta, Esq., and Deputy Superintendent Henry J. Dudley, who, in the absence of the Superintendent, presided.

The minutes of the previous meeting having been read for the information of the Board, the Chairman submitted the hereinafter named petitions and applications for the action of the Board, to writ.

Petition of Henry C. Spear, builder, on behalf of estate of Wm. C. Rhinelander, for permission to so far vary or deviate from the strict provisions of the Building Law in the proposed alteration and extension of the rear piazzas of the buildings Nos. 158 and 160 West Eleventh street, as to allow the same to be altered and extended in conformity with Alteration Plans and Specifications No. 780, filed

July 27, 1878. Petition granted.

Petition of Charles Baxter, architect, on behalf of James E. Ray, owner, for permission, in the erection of six brick two and basement story buildings, each 16 x 45 feet, on south side of East Sixtyninth Istreet, commencing 75 feet west of First avenue, to so far vary the provisions of the Building Law as to permit the party walls of the same to be constructed only 8 inches in thickness, in con-

formity with New Building Plans and Specifications No. 495, submitted July 30, 1878. Petition,

formty with New Building Plans and Specifications No. 495, submitted July 30, 1878. Petition, upon motion, granted.

Application of the New York and Manhattan Beach Railroad Company, by D. C. Corbin, managing director, for permission to construct at end of Pier No. 74, East river, foot of Twenty-third street, an open shed, to be constructed of wood, about 25 feet in width, 50 feet in depth, and 10 feet in height, with gravel roof, the same to be used and occupied by said company as a shelter for passengers. Application No. 407, filed July 29, 1878. Petition, upon motion, denied.

Petition of Peter Tostevin, architect, for and on behalf of C. Smith & Son, owners, for permission to vary or deviate from the strict provisions of the Building Law so far, in the erection of the brick store, now in course of erection at No. 18 East street, as to permit the same to be constructed in conformity with the Plans and Specifications No. 476 of New Buildings, submitted July 19, 1878, and as amended August 9, 1878; and also petitions that the said building be exempted from the provisions of the Building Law relating to providing fire-proof; metal shutters, blinds or doors, to the several openings thereof, above the first story of front. Petition, upon motion, granted.

Application of the "New York, Lake Erie, and Western R. R. Co.," by E. S. Bowen, superintendent, for permission to erect a bulkhead between Piers 32 and 33, North river, a temporary structure to be built of wood, and to be one story (21 feet) in height, 55 feet front, 40 and 15 feet rear, 30 and 70 feet in depth, with gravel roof; to be used and occupied as a freight station, temporarily, during the repairs in progress to the company's docks by the Dock Department. Petition granted, upon the condition only that the outside of the said structure shall be covered with metal. metal.

metal.

Petition of W. Wheeler Smith, architect, for and on behalf of J. Rothschild, owner, for permission to so far vary or deviate from the strict provisions in the Building Law, in the erection of the brick and iron store Nos. 40 and 42 West Fourteenth street, proposed to be built to a height of 88 feet, divided into five stores, to be 50 feet front and rear, and 206 feet 6 inches in depth, with frontage on each street (Fourteenth street, south side, and Thirteenth street, north side), as to allow of the construction of the said building in conformity with the Plans and Specifications for New Buildings No. 394, submitted June 8, 1878. And also petitions that the said building may be exempted from the provisions of section 16 of the Building Law relating to providing fire-proof metal shutters, blinds or doors to openings therein above the first story. Petition, upon motion, denied.

Petition of Charles Baxter, architect, on behalf of John Hertze, owner, for permission in the erection of three brick dwellings, 3 stories or 35 feet in height, each 13 feet 4 inches by 45 feet on south side of One Hundred and Fifth street, 220 feet east of Third avenue, to so far vary the provisions of the Building Law as to allow him to construct the side walls of said buildings over the second tier of beams but 8 inches in thickness, in accordance with the Plans and Specifications No. 498 for New Buildings, submitted August 2, 1878. Petition granted so far only as relates to inside or party walls, but denied as to outside walls, and upon condition that all outside walls shall be constructed of the thickness of twelve (12) inches.

walls, but denied as to outside walls, and upon condition that all outside walls shall be constructed of the thickness of twelve (12) inches.

Petition of S. D. Hatch, architect, for and on behalf of Sarah Boreel, owner, for permission in the erection of the seven-story brick (office) building on the premises bounded by Broadway, Cedar, Thames, and Temple streets, 102 by 146 feet and 100 feet in height, to so far vary or deviate from the provisions of the Building Law as to allow of the construction of a portion of one of the bearing-walls in the first story 24 inches instead of 28 inches thick, and also to allow of the erection and completion of the building without having to provide fire-proof metal shutters to the openings thereof, above the first story, as per New Building Plans and Specifications No. 457, filed July 10, 1878. Petition, upon motion, denied.

above the first story, as per New Building Plans and Specifications No. 457, nied July 10, 1070. Petition, upon motion, denied.

Petition of Thomas Smith, for permission in the erection of thirty-two two and basement story brick dwellings, 18 feet 9 inches by 40 feet, 30 feet in height, on north side of One Hundred and Forty-first street, 250 feet east of Willis avenue, to so far vary the provisions of the Building Law as to permit him to construct the brick walls of all of the said buildings above the basement story 8 inches in thickness, the basement stories to be 12 inches in thickness, in conformity with the Plans and Specifications No. 429, filed June 20, 1878. Petition granted.

Petition of L. D. Babcock, for permission in the erection of the five-story iron and brick warehouse building, 24 by 100 feet (63½ feet in height), on premises No. 1 College place, to so far deviate from the strict provisions of the Building Law as to allow of the construction of the southerly wall of said building but 16 inches in thickness, instead of 20 inches, in conformity with Plans and Specifications No. 25, filed January 25, 1878. Petition, upon motion, granted.

Petition of Henry Hasgagen, for permission to so far vary or deviate from the provisions of the Building Law as to allow him to alter and put on an additional story on the building on rear of lot No. 220 Avenue A, in conformity with the Plan and Specification for Alteration to Buildings No. 804, filed August 7, 1878. Petition, upon motion, denied.

There being no further business before the Board, the minutes were read and approved as read, and the Board, upon motion, adjourned, subject to the call of the Superintendent of Buildings.

NOTICE RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS, NEW COUNTY COURT-HOUSE, NEW YORK, June 1, 1877.

A PPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have now answered as to their liability, or

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interterence permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All grad citizens will aid the course of justice and

the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

NEW COUNTY COURT-HOUSE

New County Court-house, Room 28, New York, August 12, 1878.

SEALED PROPOSALS FOR THE STEAM HEATing work required for the extension of the new
County Court-house will be received, by the Commissioners for the completion of the new County Court-house, sioners for the completion of the new County Court-house, at the above address, until Monday, August 26, 1878, at 12 o'clock, noon, when the same will be publicly opened and read.

at the above address, until Monday, August 20, 1004, noon, when the same will be publicly opened and read.

Bidders will write out the amount of their estimate, in addition to stating the same in figures.

Each proposal must be accompanied by the consent, in writing, of two householders or freeholders of the city of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as sureties, in the sum of one thousand dollars, for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder, to whom the contract may be awarded, at any subsequent letting.

The Commissioners reserve the right to reject any or all proposals if, in their judgment, the same may be for the interest of the city.

The sealed envelope, containing the estimate or proposal, will be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and also the words "Proposal for Steam Heating Work."

Forms of proposals may be obtained, and the plans, specifications, and terms of contract, as approved by the Counsel to the Corporation, may be seen at the office of the Architect, Mr. Leopold Eidhitz, 128 Broadway.

WYLLIS BLACKSTONE, JOHN P. CUMMING, THOMAS B. TAPPEN, FRANCIS BLESSING, Commissioners for the completion of the New County Court-house.
