MESSAGE FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 5, 1883.

To the Honorable the Board of Aldermen :

It becomes my duty to announce to you that yesterday our venerable and distinguished citizen, Peter Cooper, died at his residence in this city. Inasmuch as his long life has been most closely identified with the growth and prosperity of New York, it seems eminently fitting that we testify in some public manner our appreciation of his worth. A self-made man, Mr. Cooper thoroughly sympathized with those who begin life with no other capital than industry and character. So soon as he had, by energy and thrift, gained a competence for his own modest requirements, he devoted his efforts to the single purpose of aiding his fellow men to attain an honorable self support through their own intelligent exertions. He lived to see his desires realized and to see the labors of his life crowned with an abundant success.

As a citizen he strove unceasingly for good government. As a member of the Common Council his voice was always heard advocating wise measures, and as a member of the Citizens' Association his time and means were unsparingly given to secure the best municipal results. Of all that he was as a man, a patriot, a philanthropist, others will speak from full hearts ; I will only say that among the names which New York City will always cherish none will be held in more grateful remembrance than that of Peter Cooper.

I would therefore recommend that the municipal authorities take such measures as your Honorable Body shall deem most fitting to evince their regard for the memory of our venerated fellow-citizen, and as a mark of respect by our citizens I would suggest that business be suspended and all places of business closed while the funeral services take place.

FRANKLIN EDSON, Mayor.

In connection therewith, Alderman O'Neil offered the following :

Whereas, The Common Council has been officially informed, in a message from his Honor the Mayor, of the death of Peter Cooper, which occurred at his residence in this city on the morning of the 4th instant ; and,

Whereas, The death of such a man imposes upon the municipal authorities the sad duty of taking action to show the estimation in which he was held by the people of this city ; to testify sorrow for his death, to pay a fitting tribute of respect to his memory, and to condole and sympathize with his afflicted family and sorrowing friends ; be it therefore

Resolved, That we deeply lament the death of Peter Cooper, the Philanthropist. Honest in all his dealings, simple in his habits, firm in his convictions, grand in his integrity, boundless in his charity and beneficence, he has left a name that will be blessed and revered by future generations, and a fame as enduring as his monument of free education and scientific knowledge, which he has bequeathed to the youth of our city, in "The Cooper Union for the Advancement of Science and Art." He was born in this city in the year 1791, and has lived and labored among its inhabitants so long that the memory of man runneth not to the contrary, and until he had raised himself to the foremost place, in the respect and love and gratitude of its people. His familiar and loved form will now be missed by the multitude of his friends and acquaintances, but his good works, his charitable acts and the shining example of an unsullied life will keep him in perpetual remembrance. He has gone to his long home, full of years and full of honors, to receive the Divine commendation reserved by the Great Creator for those who do His work faithfully and well in this life—"Well done, thou good and faithful servant ;" and be it further

Resolved, That in the universal sorrow for the death of this good man, and in the gloom of private grief, we do not forget his sorrowing family and relatives, and we hereby tender to them our sincere condolence and heartfelt commiseration ; and be it further

Resolved, That, as a mark of respect for the deceased philanthropist, it is hereby ordered that the Governor's Room, in the City Hall, be placed at the disposal of his family, in which his remains may be laid in state, and the sorrowing people be permitted to view them before interment, should the family approve of the proposition ; that it is hereby recommended to our citizens to close their places of business, and observe the day set apart for solemnizing the funeral rites and ceremonies, Saturday, April 7, 1883, and that the public offices of the city be also closed on that day ; that the flags on all the public buildings be displayed at half-staff from sunrise until sunset, and the owners of private buildings, and the masters of the shipping in our harbor, be requested to display their flags in like manner ; that the members of this Board will attend his funeral in a body, and that his Honor the Mayor and the heads of the several departments of the city government be requested to attend the funeral with the Common Council ; that, as the deceased served in the Board of Assistant Aldermen in the years 1820, 1829, and 1830, as the representative of the Twelfth Ward, and as Alderman of the Sixteenth Ward in the year 1840, the Common Council chamber be draped in mourning for a period of thirty days, and the present members of that body will wear the usual badge of mourning for a like period, and that a Special Committee of seven members be appointed to confer with his Honor the Mayor, and the several heads of departments, in order to perfect the above, and make such other and further arrangements as to them may appear better calculated to make manifest the profound sorrow of our people for the death, and to exhibit their respect and reverence for the memory, of the lamented Peter Cooper ; and, be it further

Resolved, That a copy of the foregoing preamble and resolutions be engrossed, be duly authenticated and transmitted to the family of the deceased, as an additional evidence of the estimation in which the exemplary life and invaluable public services of the deceased are cherished by the municipal authorities of this city ; and, be it further

Resolved, That, out of respect for the memory of the deceased, this Board do now adjourn.

Alderman O'Neil moved the adoption of the preamble and all but the last resolution, and called for a rising vote.

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative unanimously.

And the President appointed as such Special Committee—

Aldermen O'Neil,
O'Connor,
Sheehy,
McLoughlin,
E. Duffy,
Seaman, and
Rinckhoff.

On motion of Alderman Sheehy, the meeting of the Board on Tuesday next, the 10th instant, was designated as the time for eulogizing the life and public services, and paying fitting tributes of respect for the memory of the deceased.

Alderman O'Neil then moved the adoption of the last resolution.

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

And the President announced that the Board stood adjourned until Tuesday, the 10th instant, at 12 o'clock, M.

FRANCIS J. TWOMEY, Clerk.

EXECUTIVE DEPARTMENT—MAYOR'S OFFICE,
April 6, 1883.

By invitation, the heads of the several Municipal Departments of the City Government and a Committee of the Board of Aldermen met at 1 o'clock P. M., to-day, in the Mayor's office, for the purpose of taking suitable action in reference to attending the funeral of the late PETER COOPER.

His Honor FRANKLIN EDSON, Mayor, presided, and Commissioner E. L. VIELE acted as Secretary.

Amongst those present were Hons. John O'Neil, John C. O'Connor, Jr., Edward C. Sheehy, M. F. McLoughlin, Edward Duffy, John H. Seaman and William P. Rinckhoff, Committee of Board of Aldermen ; Commissioners Hubert O. Thompson, Stephen B. French, Henry H. Porter, William P. Mitchell, Edward C. Donnelly, Egbert L. Viele, John J. Gorman, William Laimbeer and Charles F. Chandler, and Corporation Counsel George P. Andrews.

Alderman O'Neil, Chairman of the Committee of the Board of Aldermen appointed to confer with the Mayor and Heads of Departments in relation to the death of Mr. Cooper, and for the purpose of making arrangements for attending his funeral services, stated the object of the conference.

His Honor the Mayor stated that the funeral would take place at three o'clock P. M., Saturday, April 7.

Alderman O'Neil stated that the Board of Aldermen had requested the family to allow Mr. Cooper's remains to lie in state in the Governor's Room at the City Hall, in order that the citizens of New York might take a last look at the remains ; and that in response thereto he had received the following letter from Hon. Abram S. Hewitt :

No. 9 LEXINGTON AVENUE,
NEW YORK, April 5, 1883.

To ALDERMAN O'NEIL, Chairman of Special Committee of the Board of Aldermen :

MY DEAR SIR—The family of the late Peter Cooper request me to acknowledge the receipt of the resolutions of the Board of Aldermen, and the message of his Honor the Mayor, in reference to the death of Mr. Cooper, which you were so considerate as to deliver to us in person.

We are deeply moved by this expression of public sympathy in the great loss which we have sustained, and in which the whole community participate ; and we are profoundly grateful for the tender of the Governor's Room for the purpose of permitting his fellow-citizens to take a last look at the familiar features of one who was never so happy as when he was laboring for the public welfare. With great reluctance we have come to the conclusion that the arrangements already made do not seem to admit of the acceptance of this privilege, which, under other circumstances, would have been most grateful to our feelings.

Mindful, however, of the general desire, as expressed to us in the touching resolutions adopted by your Board, the arrangements have been so changed that from 9 o'clock in the forenoon until 3 in the afternoon all who desire to see his face once more shall have the opportunity to pass through the church, where the services will be held at 3 P. M. The funeral procession will move at 4 P. M. to the ferry, on its way to Greenwood Cemetery.

I beg leave to add that places will be reserved in the middle aisle for his Honor the Mayor, the Common Council, and the heads of the several Departments of the City Government, as indicated in the resolutions of the Board of Aldermen.

Sincerely yours,

ABRAM S. HEWITT.

On motion, in was

Resolved, That the Mayor, heads of Departments, and members of the Board of Aldermen, be requested to meet at 2.30 o'clock P. M., to-morrow, Saturday, at the Everett House, for the purpose of proceeding thence to the church to attend the funeral services ; and that the family of the deceased be informed of this action.

E. L. VIELE, Secretary.

PROPOSALS FOR ESTIMATES FOR PREPARING FOR AND BUILDING A WOODEN PLATFORM NORTH OF THE STOREHOUSE PIER, AT BLACKWELL'S ISLAND, EAST RIVER.

ESTIMATES FOR PREPARING FOR AND BUILDING A WOODEN PLATFORM north of the Storehouse Pier, at Blackwell's Island, East river, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, Nos. 117 and 119 Duane street, in the City of New York, until 12 o'clock M. of

THURSDAY, APRIL 19, 1883.

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Six Hundred Dollars.

The Engineer's estimate of the nature, quantities, and extent of the work, is as follows:

	Feet B.M. measured in the work.
1. Yellow Pine Timber, 12" x 12".....	7,662
" " " 8" x 8".....	219

" " " 5" x 10".....	2,375

Total.....	22,533

NOTE.—The above quantities of timber are exclusive of extra lengths required for scarfs, laps, etc., and of waste.

2. White Pine, Yellow Pine, Cypress or Spruce Piles 46 (It is expected that the piles will have to be from about 30 to about 35 feet in length, to comply with the specifications for driving.)

3. Oak Fender and Spring Piles..... 15

4. Half-round Oak Fenders..... 3

5. ½" x 2½" x 16' 3/4" x 2½" x 16' 3/4" Square Wrought-iron Spike-pointed Dock Spikes, and ½" Chain, or Wire Rope, about..... 1,566 pounds.

6. 1" Wrought-iron Screw Bolts, about..... 439 "

7. Cast-iron Washers for 1" Screw Bolts, about..... 308 "

8. Labor of framing and carpentry, including all moving of timber, jointing, bolting, spiking, painting, oiling or tarring, and furnishing the materials for painting, oiling or tarring, and labor of every description, for an area of about 2,425 square feet of platform.

N. B.—As the above-mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy

of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed at the price therefor, or to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and all the work contracted for is to be fully completed on or before the thirtieth day of June, 1883, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default of the Corporation; and the contract will be re-advertised and re-let, and so on until it is accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract is awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimate of the amount of the work to be done, by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to a proval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation, beyond the amount payable for both classes of the work before mentioned, which shall be actually performed, at the price therefor, or to be specified by the lowest bidder, shall be due or payable for the entire work.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. The envelope must be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

For the nature and extent of the work, reference must be made to the specifications and drawings on file in the office of the Department.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders will be required to complete the entire work to the satisfaction of the Department of Public Parks, and in substantial accordance with the specifications for the work and the plans therein referred to. No extra compen-

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the city so to do, and to re-advertise until satisfactory bids or proposals shall be received.

But the contracts, when awarded, will be awarded to the lowest bidders.

ing, Extinguishing, Cleaning, Repairing, and Maintaining the
Public Lamps (and supplying Gas, etc., for new lamps
when required) on the Streets, Avenues, Piers, Parks, and
public places in that part of the Twenty-fourth Ward in
the City of New York formerly constituting Town of West
Farm, for the period of one year, commencing May 1,
1883, and ending April 30, 1884, both days inclusive.**

Estimates for the above will be received at the office of the
Commissioner of Public Works, No. 31 Chambers street,
in the City of New York, until 12 o'clock M. of Thursday,
April 19, 1883, at which place and time they will be pub-
licly opened by said Commissioner and read.

Any person making an estimate for the above shall fur-
nish the same in a sealed envelope, indorsed "Estimate
for furnishing the illuminating material for, and lighting
and extinguishing, cleaning, repairing, and maintaining
the public lamps," and also with the name of the person
making the same, and the date of its presentation.

Bidders are required to state in their estimates their names
and places of residence; the names of all persons interested
with them therein, and, if no other person be so inter-
ested, they shall distinctly state the fact; also, that it is
made without any connection with any other person making
any estimate for the same supplies and work; and that it
is in all respects fair, and without collusion or fraud; and,
also, that no member of the Common Council, head of a
Department, Chief of a Bureau, Deputy thereof, or Clerk
therein, or other officer of the Corporation, is directly or
indirectly interested therein, or in the supplies or work to
which it relates, or in any portion of the profits thereof;
which estimate must be verified by the oath, in writing, of
the party making the same, that the several matters
stated therein are in all respects true. Where more than
one person is interested, it is requisite that the verification
be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in
writing, of two householders or freeholders of the City of
New York, with their respective places of business or
residence, to the effect that if the contract be awarded to
the person or persons making the bid or estimate, they
will, on its being so awarded, become bound as his or
their sureties for its faithful performance; and that if he or
they shall omit or refuse to execute the same, they will pay
to the Corporation any difference between the sum to
which he or they would be entitled upon its completion,
and that which the Corporation may be obliged to pay to
the person to whom the contract may be awarded at any
subsequent letting; the amount in each case to be calcu-
lated upon the estimated amount of the work by which
the bids are tested. The consent above mentioned shall
be accompanied by the oath or affirmation, in writing, of
each of the persons signing the same, that he is a house-
holder or freeholder in the City of New York, and is worth
the amount of security required for the completion of the
contract, and stated in the proposals, over and above all
his debts of every nature, and over and above his liabilities
as bail, surety, or otherwise; that he has offered himself
as a surety in good faith, and with an intention to execute
the bond required by law.

Bidders are required to state in their estimates the
district or several streets or parts of streets in which they

propose to perform the requirements herein contained, and
also the illuminating or candle-power of the gas they
propose to furnish, when tested at a distance of not less
than one mile from the place of manufacture, and bidders
proposing to furnish any illuminating material other than
illuminating or coal gas, must state distinctly what kind
of material they propose to furnish, and the illuminating
power of the light they propose to furnish.

Bidders are also required to state the price for which
they will furnish the gas (of not less than sixteen-candle
power by photometrical test, at a distance of not less than
one mile from the place of manufacture) or other illuminat-
ing material for each lamp, including the lighting, ex-
tinguishing, cleaning, repairing, reglazing, and painting
lamp-posts and lanterns, and replacing the cocks, tubes,
burners, cross heads, lamp irons, and lanterns thereto, for
the period from May 1, 1883, to April 30, 1884, both
days inclusive, stating the price for the above named
period of one year, for each lamp.

Bidders proposing to furnish electric lights must state
the kind or system of light (whether the Voltaic Arc or
Incandescent) they propose to furnish, and also whether
the electric lamps are to be used on the ordinary lamp-
posts of the city, or on special lamp-posts to be fitted up
by the bidder without cost to the city for such lamp-posts
or their fittings. If the light is to be by the Voltaic Arc,
the bidder is to state the number of such lamps to be used
for lighting the streets or district for which the bid is made
and the diameter of the carbon electrodes to be used in such
lamps.

Bidders are also required to state a price for which they
will repair lamp-posts, including straightening and relead-
ing, and for each new lamp fitted up, as follows:

For each lamp-post straightened, stating the price per
post.

For each column releaded, stating the price per post.

For each lamp-post refitted, stating the price per post.

For each lamp-post reset, stating the price per post.

For each new lamp fitted up, stating the price per post.

The bidders are required to write out the amount of their
bids in their estimates, in addition to inserting the same in
figures.

The number of public lamps to be contracted for is about
1,300.

The burners for illuminating gas are to be of a capacity
to burn three cubic feet of gas per hour under a pressure
of one inch, and in case the illuminating material shall be
oil or naphtha, then the burners to be used for such illu-
minating material shall give a light (by photometrical test)
equal to the light given by the gas-burners in use in the
public lamps in the City of New York.

Should any alteration or any attachment be required to
any portion of the lamps for which estimates are made in
consequence of the use of illuminating material other than
gas, then such alteration shall be done and such attach-
ment placed on the lamps without expense to the city.

The number of hours the gas or naphtha lamps are to be
kept burning during the contract is 4,000, and electric
lamps are to be kept lighted 3,818 hours.

The amount of security required is \$26,000.

No estimate will be received or considered unless
accompanied by either a certified check upon one of the
National Banks of the City of New York, drawn to the
order of the Controller, or money to the amount of five per centum of the amount of the security
required for the faithful performance of the contract.

Such check or money must not be inclosed in the
sealed envelope containing the estimate, but must be
handed to the officer or clerk of the Department who
has charge of the Estimate Box, and no estimate
can be deposited in said box until such check or money
has been examined by said officer or clerk, and found to
be correct. All such deposits, except that of the success-
ful bidder, will be returned to the persons making the
same, within three days after the contract is awarded.

If the successful bidder shall refuse or neglect within five
days after notice that the contract has been awarded to
him to execute the same, the amount of the deposit made
by him shall be forfeited and retained by the City of
New York as liquidated damages for such neglect or re-
fusal; but, if he shall execute the contract within the
time aforesaid, the amount of his deposit will be returned
to him.

The award of the contract will be made as soon as prac-
ticable after the opening of the bids.

Should the person or persons to whom the contract is so
awarded neglect or refuse to accept to contract within
five days after written notice, that the same has been
awarded to his bid or estimate, or if he accept, but does
not execute the contract and give the proper security,
it may be readvertised and relet as provided by law and
ordinance.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless a written permission shall
have been previously obtained from the Mayor, Com-
ptroller, and Commissioner of Public Works.

The right is reserved to assign and designate to any
bidder, whose bid shall be accepted, the number and loca-
tion of the lamps to be lighted by such bidder, in any
portion of the city for which estimates are received, and to
increase or diminish such number.

The right is reserved to determine and designate, after
the estimates are opened, what illuminating material shall
be used in the public lamps, or any number of them, dur-
ing the period before mentioned; also to decline any or all
estimates if deemed for the interests of the Corporation,
and no estimate will be accepted from or contract awarded
to any person who is in arrears to the Corporation, upon
debt or contract, or who is a defaulter, as security or
otherwise, upon any obligation to the Corporation.

If the estimate of any bidder shall include any lamps
with which the pipes or conductors of such bidder are
not connected at the time of the making of the bid, and a
contract for furnishing the illuminating material for and
lighting, extinguishing, cleaning, repairing, and maintain-
ing any such lamps, shall be awarded to such bidder, in
that case, thirty days from the date of the execution of
such contract and such further time, not exceeding thirty
days, as may be deemed reasonable by the Commissioner
of Public Works, shall be allowed to such bidder in which
to connect such pipes or conductors with such lamps.

But no payment to such bidder, on account of any such
lamps, will be made for the time so allowed, nor until the
same shall have been connected with the mains or con-
ductors of such bidder, nor except for the time during
which all the requirements herein mentioned shall have
been fully performed.

Blank forms of estimates can be obtained on application
at the office of the Commissioner of Public Works.

Mayor.

Hubert O. Thompson,
Commissioner of Public Works.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

GEORGE CAULFIELD,
Commissioner of Jurors,
Room 17, New County Court-house.
