BOARD OF EDUCATION.

WEDNESDAY, February 2, 1876.

The Board of Education held a stated session at the Hall of the Board, on Wednesday afternoon, February 2, at 4 o'clock P. M.

Present—Wm. Wood, Esq., President, and Commissioners Baker, Beardslee, Caylus, Dowd, Fuller, Goulding, Halsted, Kane, Kelly, Klamroth, Mathewson, Place, Traud, Walker, West, Wetmore, and Wilkins—18.

Absent—Commissioners Hazeltine, Schell, Vermilye—3.

The minutes of the stated session of January 12 and 19 were approved.

The President laid before the Board the following correspondence between the President and the Comptroller, and a letter from William Herring, Esq., Counsel for the Board:

NEW YORK, January 20, 1876.

Hon. ANDREW H. GREEN, Comptroller, etc.:

SIR—I forward herewith a certified copy of a resolution adopted on the 19th inst. by the Board of Education, making a requisition on you for funds to be applied by the Board in payment of the obligations incurred by it. This action was taken in conformity with the opinion of the Counsel to the Corporation, recently submitted to this Board and to yourself, to the effect that this Board is legally the controller of the funds apportioned for the purposes of Public Instruction.

Please inform me at what date the money asked for will be deposited with the City Chamberlain.

Very respectfully,

WILLIAM WOOD, President of the Board of Education.

The President laid before the Board a communication from Hon. Wm. Herring, Counsel to the Board, relative to the proceedings taken to secure the "corporate control and disbursement" of school money, as follows:

FEBRUARY 1, 1876.

HENRY P. WEST, Esq., Chairman

Committee on By-Laws, Board of Education:

DEAR SIR—In conformity with instructions, I have called upon the Comptroller and inquired of him whether he proposed to comply with the request of the Board of Education in depositing the sum of three hundred thousand dollars with the City Chamberlain, subject to the drafts of the Board, signed by its President and Clerk.

Having failed to receive any affirmative response, I have obtained from Hon. George C. Barrett an order directing the Comptroller to show cause, on Monday next, at a Special Term of the Supreme Court, why a mandamus should not issue commanding said Comptroller to deposit the moneys of the Board as requested. Pending the disposition of the question involved, the Comptroller has consented that payment of the obligations of the Board shall continue to be made as heretofore, without prejudice to the rights of the parties.

Very respectfully, yours,

WILLIAM HERRING.

The President laid before the Board a communication from Hon. Andrew H. Green, in reply to the President of the Board, as follows:

CITY OF NEW YORK,
FINANCE DEPARTMENT, COMPTROLLER'S OFFICE,
February 1, 1876.

To the Board of Education:

I have carefully considered a communication from the President of the Board of Education, dated 20th January, and the opinion of the Counsel to the Corporation alluded to therein. The latter refers to certain decisions relative to the respective liabilities of the city and the Board of Education or College of the City of New York, as controlling the opinion.

Without these supposed decisions it is quite apparent, from a reading of the opinion, that the Counsel to the Corporation would be unwilling to sustain the ground taken by the Board of Education as expressed in their resolution which is inclosed in your communication.

On examination it appears that those decisions are not upon the direct point involved in this resolution of the Board of Education.

As this subject relates to an annual expenditure of more than three and a half millions of dollars, and the existing course of proceeding in the audit and payment of claims incurred by the Board of Education has been pursued for nearly three years with the acquiescence of all parties, and as a departure from this course would be subversive of a system which was intended to reform, and has to a great degree already reformed, the previously existing irresponsible and loose methods prevailing in the affairs of the city, I should feel a very great reluctance to assent to any change, unless it was very evident that the law required it; and as the Board of Education, or at least some of its members, seem to desire to have the system changed by an application to the Courts, I shall facilitate any action to procure an adjudication that will settle the question, both for the Board of Education and the Finance Department, at the earliest possible day; and meantime, in order that no inconvenience may accrue to teachers and others having claims, will continue in the usual manner to pay their salaries and claims when certified to me by the Board of Education.

Respectfully,

AND. H. GREEN, Comptroller.

On motion of Commissioner Kane—

Ordered, That said communications be entered in full in the minutes, and referred to the Committee on By-Laws, Elections, and Qualifications.

APPROVED PAPERS.

Resolved, That Thomas McGrath be and he is hereby appointed a Commissioner of Deeds in and for the City and County of New York, in place of Thomas McGrath, whose term of office has expired.

Adopted by the Board of Aldermen, February 3, 1876.

Approved by the Mayor, February 7, 1876.

Whereas, A large amount of taxes on real and personal property in the City of New York remains unpaid; and

Whereas, In these hard and oppressive times, producing so much misery in daily life and stagnation in business circles, it is impossible for many persons in arrears for taxes to pay the same under the present oppressive laws; and

Whereas, Under the present law the penalty for the non-payment of taxes is at the rate of twelve per cent. interest, which is almost ruinous to many of our best and most respectable citizens and taxpayers who are in arrears; and

Whereas, It would be a great benefit and advantage to the City of New York to have said taxes paid within a short time; and

Whereas, It is the duty of the Legislature to relieve the overburdened taxpayers in the present emergency, as far as reasonably can be done; therefore

Resolved, That the Legislature be respectfully requested to enact a law providing that all back taxes may be discharged, and the liens on real estate for said back taxes be canceled on the payment of the same at seven per cent. interest, within one year after the passage of said law; also providing for a discount or rebate of five per cent. if paid within six months after the passage of said act.

Adopted by the Board of Aldermen, February 3, 1876.

Received from his Honor the Mayor, February 8, 1876, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Resolved, That the Commissioner of Public Works be and he is hereby authorized and directed to remove the arm-racks now in the armory of the late Ninety-sixth Regiment to the armory of the Eleventh Regiment, for use by said Eleventh Regiment, the expenses to be charged to the appropriation "Supplies for and Cleaning Public Offices."

Adopted by the Board of Aldermen, February 3, 1876.

Approved by the Mayor, February 9, 1876.

Resolved, That the Legislature of this State be and is hereby respectfully requested to restore to the Board of Aldermen the power to confirm or reject all appointments or nominations of the Mayor for officers in the different Departments of the city government, whether for vacancies or full terms (as provided in the original section 25 of chapter 335, Laws of 1873), by repealing section 3 of chapter 300, Laws of 1874.

Adopted by the Board of Aldermen, January 27, 1876.

Received from his Honor the Mayor, February 11, 1876, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.
