Whereas, At the present rate of expenditure, which is necessary to be maintained, the estimated amount of the deficiencies which will exist in the fund appropriated by the Board of Estimate and Apportionment for the use of the Department of Health for the year 1904 will be \$258,678, should no further appropriation be made for this Department; therefore be it

Resolved, That the Board of Health, pursuant to the authority conferred by the provisions of chapter 535 of the Laws of 1893, hereby certifies to the Board of Estimate and Apportionment that the sum of \$215,678 should be appropriated for the year 1904, without delay, for the purpose of defraying the necessary expenses required to be incurred by the Board of Health for the preservation of the public health, as follows: Salaries, Board of Health and Executive Officers..... \$9,500 00
