accuracy of the foregoing Engineer's estimate, and shall  
not, at any time after the submission of an estimate,  
dispute or complain of the above statement of quantities,  
nor assert that there was any misunderstanding in re-  
gard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire  
work to the satisfaction of the Department of Docks,  
and in substantial accordance with the specifications of  
the contract. No extra compensation, beyond the  
amount payable for the work before mentioned, which  
shall be actually performed, at the price therefor, to be  
specified by the lowest bidder, shall be due or payable

The work to be done under the contract is to be com-

of contract, or within five days from the receipt of a  
notification from the Engineer-in-Chief of the Depart-  
ment of Docks that the work or any part of it may be  
begun, and all the work to be done under this contract  
is to be fully completed on or before the 31st day of  
December, 1894, or within as many days thereafter as

agreement and the receipt of a notification from the  
said Engineer-in-Chief that the work or any part of it  
may be proceeded with; and the damages to be paid by

has expired are, by a clause in the contract fixed and  
liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price for the  
whole of the work to be done in conformity with the ap-  
proved form of contract and the specifications therein  
set forth, by which price the bids will be tested. This  
price is to cover all expenses of every kind involved in  
or incidental to the fulfillment of the contract, includ-  
ing any claim that may arise through delay, from any  
cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in  
figures, the amount of their estimates for doing this  
work.

The person or persons to whom the contract may be  
awarded will be required to attend at this office with the  
sureties offered by him or them, and execute the con-  
tract within five days from the date of the service of a  
notice to that effect; and in case of failure or neglect so  
to do, he or they will be considered as having aban-  
doned it, and as in default of the Corporation; and the  
contract will be readvertised and relet, and so on until  
it be accepted and executed.

Bidders are required to state in their estimates their  
names and places of residence; the names of all persons  
interested with them therein; and if no other person  
be so interested, the estimate shall distinctly state the  
fact; also, that the estimate is made without any con-  
nection with any other person making an estimate for  
the same work, and that it is in all respects fair, and  
without collusion or fraud; and also, that no member  
of the Common Council, head of a department, chief  
of a bureau, deputy thereof, or clerk therein, or other  
officer of the Corporation, is directly or indirectly inter-  
ested therein, or in the supplies or work to which it  
relates, or in any portion of the profits thereof; which  
estimate must be verified by the oath, in writing, of the  
party making the estimate that the several matters  
stated therein are in all respects true. *Where more  
than one person is interested, it is requisite that the  
verification be made and subscribed to by all the parties  
interested.*

Each estimate shall be accompanied by the consent, in  
writing, of two householders or freeholders in the City  
of New York, with their respective places of business or  
residence, to the effect that if the contract be awarded to  
the person or persons making the estimate, they will,  
upon its being so awarded, become bound as his or their  
sureties for its faithful performance; and that if said  
person or persons shall omit or refuse to execute the  
contract, they will pay to the Corporation of the City of  
New York any difference between the sum to which  
said person or persons would be entitled upon its com-  
pletion and that which said Corporation may be ob-  
liged to pay to the person to whom the contract  
may be awarded at any subsequent letting; the  
amount in each case to be calculated upon the estimated  
amount of the work to be done by which the bids  
are tested. The consent above mentioned shall be  
accompanied by the oath or affirmation, in writing, of  
each of the persons signing the same, that he is a house-  
holder or freeholder in the City of New York, and is  
worth the amount of the security required for the  
completion of the contract, over and above all his  
debts of every nature, and over and above his  
liabilities as bail, surety and otherwise; and that he  
has offered himself as surety in good faith and with  
the intention to execute the bond required by law.  
The adequacy and sufficiency of the security offered  
will be subject to approval by the Comptroller of the  
City of New York after the award is made and prior  
to the signing of the contract.

No estimate will be received or considered unless  
accompanied by either a certified check upon one of  
the State or National banks of the City of New York,  
drawn to the order of the Comptroller, or money to  
the amount of five per centum of the amount of  
security required for the faithful performance  
of the contract. Such check or money must not be  
inclosed in the sealed envelope containing the  
estimate, but must be handed to the officer or clerk of  
the Department who has charge of the estimate-box,  
and no estimate can be deposited in said box until such  
check or money has been examined by said officer  
or clerk and found to be correct. All such deposits,  
except that of the successful bidder, will be returned  
to the persons making the same within three days after  
the contract is awarded. If the successful bidder shall  
refuse or neglect, within five days after notice that the  
contract has been awarded to him, to execute the same,  
the amount of the deposit made by him shall be forfeited  
to and retained by the City of New York as liquidated  
damages for such neglect or refusal; but if he shall  
execute the contract within the time aforesaid, the  
amount of his deposit will be returned to him.

Bidders are informed that no deviation from the  
specifications will be allowed, unless under the written  
instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract  
awarded to, any person who is in arrears to the Cor-  
poration, upon debt or contract, or who is a defaulter as  
surety or otherwise, upon any obligation to the Cor-  
poration.

That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimator or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

##### TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on

such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

MICHAEL T. DALY,  
Commissioner of Public Works

Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute, the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION,  
No. 66 THIRD AVENUE,  
NEW YORK, November 15, 1894.

TO CONTRACTORS.

MATERIALS AND WORK REQUIRED FOR PLUMBING IN TOWERS OF BELLEVUE HOSPITAL.

SEALED BIDS OR ESTIMATES FOR THE aforesaid work and materials, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until Tuesday, November 27, 1894, until 10 o'clock A. M. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Plumbing in Bellevue Hospital Towers," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of ONE THOUSAND (1,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the supplies to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for

the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute, the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The forms of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of their provisions carefully, as the Board of Public Charities and Correction will insist upon their absolute enforcement in every particular.
