Whereas, This Board has made inquiry as to the money value of the franchise or right applied for and proposed to be granted to The Staten Island Rapid Transit Railway Company, and the adequacy of the compensation proposed to be paid therefor; now, therefore, it is

Resolved, That the following form of the resolution for the grant of the franchise or right applied for by The Staten Island Rapid Transit Railway Company, containing the form of proposed contract for the grant of such franchise or right, be hereby introduced and entered in the minutes of this Board, as follows, to wit:

Resolved, That the Board of Estimate and Apportionment hereby grants to The Staten Island Rapid Transit Railway Company the franchise or right fully set out and described in the following form of proposed contract for the grant thereof, embodying all the terms and conditions, including the provisions as to rates, fares and charges upon and subject to the terms and conditions in said proposed form of contract, and that the Mayor of The City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:

PROPOSED FORM OF CONTRACT.

This Contract, made and executed in duplicate this day of September, 1917, by and between The City of New York (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and THE STATEN ISLAND RAPID TRANSIT RAILWAY COMPANY (hereinafter called the Company), party of the second part, WITNESSETH:

In consideration of the mutual covenants and agreements herein contained, the parties hereto do hereby covenant and agree as follows:

SECTION 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to construct, maintain and operate, five (5) standard gauge railroad tracks over and across Western Avenue in the Third Ward, Borough of Richmond, the center line of the northerly four of said five tracks to be approximately one thousand five hundred and thirty (1,530) feet northerly from the center line of Washington Avenue; said five tracks to connect the terminal yard of the Company located on either side of Western Avenue.

All as shown on a map entitled: "Map showing proposed tracks across Western Ave., the Third Ward, Borough of Richmond, City of New York to accompany the petition of April 25th, 1917—The Staten Island Rapid Transit Ry. Co. to the Board of Estimate and Apportionment."

signed by W. H. Averell, General Manager, and Wm. B. Redgrave, District Engineer; which map is attached to and made a part of this contract.

SECTION 2. The grant of this right and privilege is subject to the following conditions, which shall be complied with by the Company:

First—The said right and privilege to construct, maintain and operate said railroad tracks shall be held and enjoyed by the Company from the date on which this contract is signed by the Mayor to and until October 28, 1934, with the privilege of renewal of said contract for the further period of twenty-five (25) years, upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The time within which such application for renewal must be made is of the essence of this contract, and a failure of the Company to present its application within the time fixed shall be considered as an election on the part of the Company not to take advantage of the renewal privilege and as a relinquishment of its right to such renewal, in which event the franchise shall terminate on the last day of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day nine (9) months before the expiration of the original term of this contract, then the parties hereby agree that the annual rate for the renewal term shall be determined by three disinterested persons selected in the following manner:

One disinterested person shall be chosen by the Board; one disinterested person shall be chosen by the Company; these two shall choose a third disinterested person, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of the original term of this contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigation, without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuation so ascertained and agreed to by any two of such appraisers shall be conclusive upon both parties, but no annual sum shall in any event be less than the sum required to be paid for the last year of the original term of this contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The entire expense of such appraisal shall be borne jointly by the City and the Company, each paying one-half thereof.

Second—The Company shall pay to the City for this right and privilege during the original term of this contract expiring October 28, 1934, the following sums of money:

(a) The sum of one thousand dollars (\$1000) in cash within three (3) months after the date on which this contract is signed by the Mayor and before anything is done in exercise of the privilege hereby granted.

(b) From the date when the annual charges commence as hereinafter provided until October 28, 1924, the annual sum of five hundred dollars (\$500).

During the succeeding term of five (5) years, the annual sum of seven hundred and fifty dollars (\$750).

During the last term of five (5) years the annual sum of one thousand dollars (\$1000).

The annual charges shall commence on the date upon which the Company obtains the permission and approval of the Public Service Commission as required by Section 53 of the Public Service Commissions Law. The Company hereby agrees to file its application with the Public Service Commission for such permission and approval within ten (10) days from the date upon which this contract is signed by the Mayor.

The annual charges as above shall be paid into the treasury of the City on November 1 of each year, and shall be for the amount due to Sep-

tember 30 next preceding; provided that the first annual payment shall be only for that proportion of the first annual charge as the time between the date when the annual charges commence as hereinafter provided and September 30 following shall bear to the whole of one year.

Any and all payments to be made by the terms of this contract to the City by the Company, shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Third—The annual charges or payments here provided for shall continue throughout the whole term of this contract, notwithstanding any clause in any statute or in the charter of any railroad or railway company providing for payment for railroad or railway rights or franchises at a different rate.

Fourth—The rights and privileges hereby granted shall not be assigned or transferred, either in whole or in part, whether by consolidation, merger, reorganization or otherwise, or leased or sublet in any manner, either in whole or in part, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the title thereto, or right, interest or property therein pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation, merger or reorganization of corporations or otherwise, unless, in addition to obtaining the above consent of the Board, the proposed successor in title to the rights of the Company shall file with the Board an instrument under seal, agreeing to assume and be bound by each and all of the terms and conditions of this contract and agreeing to waive any and all favorable conditions created by its charter or any statute relating to the consolidation, merger or reorganization of corporations or otherwise. The filing of such agreement shall constitute a condition precedent to the passing to or vesting in such proposed successor in title to the rights of the Company, or of any portion and privileges hereby granted, or of any right, interest or property therein. In case of the failure of such proposed successor in title to the rights of the Company to file such agreement within sixty (60) days after the date on which such succession in title is to take effect, the right and privilege hereby granted may be forfeited, or the consent of the City provided for herein may be revoked by resolution of the Board.

Fifth—Upon the termination of the original term of this contract, or if the same be renewed, then at the expiration of the said renewal term, or upon the termination or forfeiture of the right and privilege hereby granted for any cause, or upon the dissolution of the Company before such termination, the tracks and other property of the Company constructed or erected pursuant to this contract within the streets shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, the same may be leased to any company or individual.

If, however, at any time preceding the date upon which this contract shall terminate the Board shall so order by resolution and give notice to the Company, the Company shall, upon the termination of this contract, remove any and all of its tracks and other property constructed or existing pursuant to this contract and the said streets shall be restored to their original condition at the sole cost and expense of the Company.

Sixth—The Company shall commence and complete the construction of the tracks and appurtenances herein authorized within three (3) years from the date upon which this contract is signed by the Mayor, otherwise this right and privilege shall cease and determine.

Seventh—The tracks hereby authorized shall be constructed and maintained across Western Avenue upon a bridge or viaduct. The Company shall pay the entire cost of the construction and maintenance of such tracks and bridge or viaduct and in addition shall pay the following:

(a) The cost of the protection of all surface and subsurface structures which shall be in any way disturbed by the construction, reconstruction, repair or removal of such tracks, and the bridge or viaduct.

(b) All changes in sewer or other subsurface structures made necessary by the construction, reconstruction, repair or removal of the said tracks and the bridge or viaduct including the laying or relaying of pipes, conduits, sewers or other structures.

(c) The replacing or restoring the pavement in said street which may be disturbed during the construction, reconstruction, repair or removal of the tracks, and the bridge or viaduct.

(d) The inspection of all work during the construction, reconstruction, repair or removal of the tracks, and the bridge or viaduct, as herein provided, which may be required by the President of the Borough of Richmond and the Commissioner of Water Supply, Gas and Electricity.

Eighth—Before the work of construction, reconstruction, repair or removal shall be begun the Company shall obtain permits to do the work from the President of the Borough of Richmond and from the Commissioner of Water Supply, Gas and Electricity. The Company shall perform all the duties which may be imposed upon it by these officials, as conditions of such permits, provided such conditions are not inconsistent with the provisions of this contract. The Company shall submit to these officials working plans, which shall include and show in detail the method of construction, reconstruction, repair or removal of said railroad tracks and the bridge or viaduct, and the mode of protection of or changes in all subsurface structures required by such construction, reconstruction, repair or removal.

Ninth—The bridge or viaduct to be constructed under this contract shall, subject to the approval of the President of the Borough of Richmond, be constructed in a single span from house-line to house-line, and there shall not be any supporting columns erected in the street. Such bridge or viaduct shall have a vertical clearance of not less than sixteen (16) feet above the surface of said street at the center line thereof and shall have drip-panels placed under the same for the entire width of the street. The said tracks and bridge or viaduct shall be constructed, maintained and operated at the expense of the Company, subject to the supervision, control and inspection of the proper authorities of the City who have jurisdiction over such matters under the Charter of the City or under this contract.

Tenth—Should the grade or lines of Western Avenue be changed at any time during the term of this contract, whether original or renewal, the Company shall, at its own cost and expense, change or reconstruct the said bridge or viaduct under the supervision of the proper authorities of the city so that there shall be at all times a vertical clearance of not less than sixteen (16) feet above the surface of the street at the center line thereof, and that no portion of the piers or abutments of said bridge or viaduct shall encroach within the lines of said street as changed.

Should Western Avenue be widened, the Company shall make no claim for, nor shall it be entitled, as against the City, to any compensation or damages by reason of the taking of any portion of the piers or abutments of the bridge or viaduct in condemnation proceedings.

Eleventh—Free and uninterrupted access to and passage over Western Avenue shall be maintained at all times, both during construction and thereafter, unless otherwise directed by the President of the Borough of Richmond, and no cars shall be allowed to stand upon said railroad tracks within the limits of said street.

Twelfth—This right and privilege is granted on the further and express condition that all laws or ordinances now in force, or which may hereafter be adopted, shall be strictly complied with.

Thirteenth—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of the rights and privileges hereby granted, shall deposit with the Comptroller of the City the sum of two thousand dollars (\$2,000), either in money or securities to be approved by the Comptroller, which fund shall be security for the performance of this contract and for its compliance with all the orders of the Board and of the officials of the City acting under the powers herein reserved. From the said fund deductions may be made as hereinafter provided.

(a) Should the Company, within such time after notice as may be herein prescribed, or where no time is prescribed, within such time as the Board or the proper official of the City may hereafter prescribe, fail to comply with the provisions of this contract or with the orders of the Board or of the officials of the City herein named or referred to relating to:

Paving and repairing of the streets, Protecting the City's structures during the construction, reconstruction, repair or removal of the tracks and bridge or viaduct hereby authorized.

Protecting the Company's tracks appurtenances or other structures during the performance of any public work or as may be required on account of the changing of the lines or grades of the streets,

Or with any other provision of this contract which may affect the repair, protection and maintenance of the streets or of the City's structures within the streets,

the City shall have the right to cause the work to be done or the defect remedied and to reimburse itself for the cost of such work, by deducting such cost, with interest from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller upon the direction of the Board.

(b) Should the Company, within ten (10) days after demand has been made upon it, fail to pay to the City the cost of any alterations to the sewerage or drainage systems occasioned by the construction, maintenance or operation of the tracks and bridge or viaduct hereby authorized, or fail to repay to the City any damages caused to persons or property which the City shall be compelled to pay by reason of the construction, maintenance or operation of the said tracks and bridge or viaduct, or by reason of any acts or defaults of the Company in connection therewith, the City shall have the right to collect such costs or damages, with interest, by deducting the amount of the same, with interest, from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller upon the direction of the Board.

(c) Should the Company fail to pay to the City the annual charges required to be paid by this contract, within the time fixed for the payment thereof, the City shall have the right to collect the amount of such charges, with interest, by deducting the same from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller without further or other direction.

(d) Should the Company fail to comply with the provisions of this contract, or with the orders of the Board or of the officials of the City herein named or referred to, then the Company may be required to pay to the City, as liquidated damages for each breach or violation, the following sums:

For failure to maintain the tracks and bridge or viaduct in good condition throughout the whole term of this contract, the sum of two hundred and fifty dollars (\$250) for each day during which the default or defect remains.

For failure to comply with any other provision of this contract as to which liquidated damages are not fixed herein, the sum of fifty dollars (\$50) per day for each day during which such failure or default shall continue.

All of such sums may be collected by deducting the same from the security fund hereinabove provided for.

The procedure for the collection of such liquidated damages shall be as follows:

Whenever the Board shall have knowledge of any such breach or violation on the part of the Company, the Board shall give notice to the Company, specifying the nature of such breach or violation and the amount of liquidated damages which it is proposed to collect therefor, and directing its President or other officer to appear before the Board on a certain day, not less than ten (10) days after the service of such notice, to show cause why the Company should not be required to pay such liquidated damages in accordance with the foregoing provisions. If the Company fails to make an appearance, or, after a hearing, appears in the judgment of the Board to be in fault, the Board shall forthwith direct the Comptroller to collect such liquidated damages by deducting the amount of the same from the security fund hereinabove provided for.

(e) In case of any deduction from the security fund pursuant to this contract, either for the reimbursement of the City for work done by it or amounts expended by it on behalf of the Company, or amounts paid by it to any person by reason of any act or default of the Company, or for the collection by the City of the annual charges herein provided, or of liquidated damages, the Company shall, upon ten (10) days' notice by the Comptroller, deposit with the Comptroller a sum, either in money or securities, sufficient to restore such security fund to its original amount of two thousand dollars (\$2,000), and in default thereof, the right and privilege hereby granted may be forfeited by the City.

(f) Should the right and privilege hereby granted be forfeited pursuant to the provisions of this contract, or should such right and privilege be terminated upon the dissolution of the Company as herein provided, the security fund hereinabove provided for shall be forfeited to the City as liquidated damages for failure of the Company to perform this contract pursuant to the terms hereof.

(g) No action or proceeding or right under the provisions of this subdivision shall affect any other legal rights, remedies or causes of action belonging to the City.

The provisions for the reimbursement of the City for work done by it or amounts expended by it on behalf of the Company, or amounts paid by it to any person by reason of any act or default of the Company, or for the collection by it of the annual charges, or of liquidated damages, are and shall be in addition to the City's right, as herein reserved, to forfeit the right and privilege hereby granted.

FOURTEENTH—In case of any violation or breach or failure to comply with any of the provisions herein contained, or with any of the provisions

Board or any official of the City acting under the powers herein reserved, the right and privilege hereby granted may be forfeited by resolution of the Board, which said resolution may contain a provision to the effect that the tracks and bridge or viaduct constructed and in use by virtue of this contract shall thereupon become the property of the City without proceedings at law or in equity. Provided, however, until the Board shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice, to show cause why such resolution should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

Nothing herein contained shall affect in any way the right of the Company to apply to a court of competent jurisdiction for a review of any action of the Board forfeiting the right and privilege hereby granted.

FIFTEENTH—The Company shall assume all liability for damages to persons or property occasioned by reason of the construction, maintenance and operation of the tracks and bridge or viaduct hereby authorized, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company shall repay to the City any damage which the City shall be compelled to pay by reason of any acts or default of the Company.

SIXTEENTH—The words "notice" or "direction" wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

SEVENTEENTH—Nothing in any contract contained shall be construed as in any way limiting the present or future jurisdiction of the Public Service Commission under the Laws of the State of New York.

SECTION 4. Nothing in any contract contained shall be deemed to limit in any way the police power now vested in or hereafter to be delegated or granted to the City by the State of New York.

SECTION 5. The Company promises, covenants and agrees to conform to and abide by and perform in this contract the terms, conditions and requirements in this contract fixed and contained.

IN WITNESS WHEREOF, the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed, and the party of the second part, by its officers, hereunto duly authorized, has caused its corporate seal to be hereunto signed and its corporate seal to be hereunto affixed, the day and year first above written.

NEW YORK SUPREME COURT, SCHOHARIE, DELAWARE AND GREENE COUNTIES.

Application for Appointment of Commissioners.

SCHOHARIE RESERVOIR, SCHOHARIE SECTION 3 AND SUPPLEMENTARY SHEET SECTION 3.

In the Matter of the Application and Petition of the Board of Water Supply of the City of New York for the appointment of a commission under Chapter 724 of the Laws of 1905, as amended. PUBLIC NOTICE IS HEREBY GIVEN THAT it is the intention of the Corporation Counsel of the City of New York to make application to the Supreme Court for the appointment of Commissioners under Chapter 724 of the Laws of 1905 as amended.

Such application is to be made at a Special Term of the said Court to be held at the Court House in the City of Troy, Rensselaer County, New York, on the 20th day of October, 1917, at 10 o'clock in the forenoon of that day or as soon thereafter as counsel can be heard.

The object of this application is to obtain an order of the Court for the appointment of three disinterested and competent freeholders, at least one of whom shall reside in the County of New York, and at least one of whom shall reside in one of the Counties of Schoharie, Delaware or Greene, as Commissioners of Appraisal to ascertain and appraise the compensation to be made to the owners and all persons interested in the real estate laid down on a certain map entitled:

"Board of Water Supply of the City of New York. Map of real estate situated in the Towns of Gilboa & Conesville, County of Schoharie, Roxbury, County of Delaware, and Prattsville, County of Greene and State of New York, to be acquired by the City of New York under the provision of chapter 724 of the laws of 1905 as amended for the construction of Schoharie Reservoir and appurtenances in the vicinity of Gilboa and Prattsville."

—and which map was filed as follows:
In the County Clerk's office, County of Schoharie, at Schoharie, N. Y., on the 29th day of May, 1917;

In the County Clerk's office, County of Delaware, at Delhi, N. Y., on the 28th day of May, 1917;

In the County Clerk's office, County of Greene, at Catskill, N. Y., on the 26th day of May, 1917; and also in the real estate laid down on a certain supplementary map entitled:

"Board of Water Supply of the City of New York. Map of real estate situated in the Town of Gilboa, County of Schoharie and the City of New York, to be acquired by the City of New York under the provisions of chapter 724 of the laws of 1905 as amended for the construction of Schoharie reservoir and appurtenances in the vicinity of Gilboa."

—and which map was filed in the County Clerk's office, County of Schoharie, at Schoharie, N. Y., on the 30th day of July, 1917; and that said Commissioners of Appraisal shall also ascertain and determine and state separately the items of damage, if any, to which the owner or any person interested in the said real estate laid down on said maps, shall be assigned by the Court to the present Schoharie Reservoir and Shandaken Tunnel Commission which is now appraising real estate in said fire district and has jurisdiction over certain claims for water powers in connection therewith.

Further, to prevent any conflict of jurisdiction between the Commission herein applied for and the Schoharie Reservoir and Shandaken Tunnel Commission already appointed, and to obviate, so far as possible, disproportionate awards and inharmonious decisions, the Court will be asked to assign to the Commission herein applied for, all the telephone and telegraph companies' claims, whether for loss of business or for rights of way or easements, leaving to the Commission heretofore appointed the determination of nothing in connection with the telephone and telegraph claims except the value of the Pierce and Peaslee telephone building in Gilboa.

Also at the same time and place the Corporation Counsel of the City of New York will make application to the Supreme Court to approve the substitution for all rights of way and highways existing within the lines of the maps filed in the County Clerk's Office at Schoharie, on the 31st day of January, 1917, the 19th day of March, 1917, the 29th day of May, 1917, and the 30th day of July, 1917, in the County Clerk's Office, County of Greene, on the 26th day of January, 1917, the 26th day of May, 1917, in the County Clerk's Office of Delaware, the 31st day of January, 1917, and the 28th day of May, 1917, and the County Clerk's office in the County of Ulster on the 26th day of January, 1917, of the highways as prepared and laid down on the map prepared by the Board of Water Supply of the City of New York pursuant to chapter 724 of the Laws of 1905 as amended. All of which substituted highways are on real estate embraced in the above recited maps. For said substituted highways no real estate is required in addition to the use of certain real estate laid down on said aforesaid maps for highway purposes.

And for such other and further relief as may be just and proper.

The real estate laid down on said maps is situated in the Towns of Gilboa & Conesville, County of Schoharie, Roxbury, County of Delaware, and Prattsville, County of Greene, State of New York.

The following is a description of the real estate proposed to be taken or affected for the purpose indicated in chapter 724 of the Laws of 1905, as amended, as laid down on said maps, filed at Schoharie on the 29th day of May and 30th day of July, 1917, at Delhi on the 28th day of May, 1917, and at Catskill on the 26th day of May, 1917.
