RESOLVED That the Design Commission, having considered designs for the construction of the QueensWay Metropolitan Hub, including construction of a pedestrian bridge over the LIRR, Metropolitan Avenue, Metropolitan Expeditionary Learning School Driveway, Union Turnpike, and Trotting Course Lane, Forest Hills, Queens, submitted by the Economic Development Corporation, the Department of Parks & Recreation, and the Department of Transportation, represented by exhibits 7641-L, M & N of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that the team will (1) explore additional color options for the play equipment so that it is more colorful and vibrant and (2) study a design for the signage structure that maintains a simplified approach, but more closely relates to the shade canopy, similar to the earlier design of the V-shaped Interpretive Signage Structure.

Preliminary approval is conditioned upon submission of this project for final review and approval before April 28, 2027.
