The Applicant, Bally's New York Operating Company, LLC, seeks a series of discretionary land use actions as described below to facilitate the "Bally's Bronx" gaming and recreation facility (the "Proposed Facility") in the Throggs Neck neighborhood of Bronx Community District 10. The Proposed Facility would contain gaming space with food and beverage services, a hotel, an event center, retail, and a 4,660-space parking garage, located on an approximately 19-acre parcel (the "Development Site") within Bally's Golf Links at Ferry Point, a 222-acre public golf course in the Bronx (the "Golf Course"). The Golf Course is a part of Ferry Point Park (the "Park"). The Applicant has operated the Golf Course since September 2023 pursuant to a license agreement with the New York City Department of Parks and Recreation (NYC Parks) and intends to construct the Proposed Facility within a portion of the Golf Course that is currently used for parking, the course clubhouse, and a portion of the practice area.

In connection with the Proposed Facility, the uninterrupted circular roadway within the Park that connects the southbound and northbound Hutchinson River Expressway service roads (the "Ring Road") would be widened and improved in coordination with the New York City Department of Transportation (NYCDOT). Supplemental roadway improvements would be undertaken to improve circulation near the Development Site. Additionally, the Applicant intends to design and construct improvements to the Park and adjacent roadways in coordination with the City of New York. Collectively, the Development Site and the Ring Road comprise the "Affected Area." The Proposed Facility and improvements to Ring Road comprise the "Proposed Development."

The Proposed Actions would facilitate the Proposed Development, including an approximately 3,134,040-gross-square-foot (gsf) gaming facility and the widening and mapping of Ring Road as a city street. The Proposed Facility would include 561,320 gsf of gaming space and a variety of food and beverage services; a 509,330 gsf, 500-key hotel with a spa and meeting space; 6,100 gsf for sundry retail; a 2,000-seat event center; and a 1,941,910 gsf parking garage for 4,660 vehicles. During peak business hours at the Proposed Facility there would be 5,800 visitors and up to 650 employees. The Proposed Development is expected to generate 3,500 jobs. As part of the Proposed Development, the Applicant would construct a replacement standalone clubhouse for the Golf Course in the northern portion of the Development Site. The remainder of the Golf Course would remain as currently configured and would continue to be open to the public during the entire construction time period.

Required City Approvals

The Proposed Development is anticipated to require approval of the following discretionary actions:

 - o Demap the Development Site as parkland.
 - Map Ring Road, proposed to be widened, as a City Street.
- Zoning Map Amendment:

o Designate 19 acres of alienated parkland as a C8-4 commercial zoning district, in which gaming facilities are permitted pursuant to NYC Zoning Resolution Sections 32-10 (32-18, 32-181, 32-283) and 42-10 (42-18, 42-181, 42-183).

• Disposition of Real Property:

JANITORIAL AND DEBRIS REMOVAL SERVICES PREQUALIFICATION APPLICATION AND INFORMATION SESSION

NYCHA is excited to introduce you to our pre-qualified list (PQL) for Janitorial and Debris Removal Services. These services include providing all labors for, Exterior and Interior Public Space Cleaning, Basement Cleaning and Emergency Cleaning across NYCHA developments City-wide. We are seeking experienced vendors to join our community and provide these in-demand services!

What is a pre-qualified list?

A PQL is a tool that NYCHA will use to primarily contract for Janitorial and Debris Removal Services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish Janitorial and Debris Removal Services contracting opportunities, and the PQL will predominantly be used to procure Janitorial and Debris Removal Services. After pre-qualifying according to specific criteria, vendors can bid on Janitorial and Debris Removal Services contracts released to the PQL.

All contractors interested in NYCHA's Janitorial and Debris Removal Services PQL must follow two important steps:

- 1. Vendors can obtain a copy of the Janitorial and Debris Removal Services Prequalification Application and prepare your response to the Request for Qualifications (RFQ) at; https://www.nyc.gov/site/nycha/business/nycha-pql.page. Vendors must prepare and submit applications to NYCHA's Janitorial Debris Removal Services PQL as follows, with information in the subject line "Janitorial and Debris Removal Services" Prequalification Application Submission (and company name applying)" to email address; PQL@nycha.nyc.gov . To pre-qualify, vendors must meet the minimum requirements listed for experience, workforce capacity, and integrity. Applications will be evaluated by NYCHA on a rolling basis, but we recommend applying early to gain access to more PQL contracting opportunities!
- 2. Vendors who are admitted to the PQL can then bid for Janitorial and Debris Removal Services solicitations at NYCHA. NYCHA will confirm PQL evaluation decisions with applicants via a letter of acceptance or a letter of rejection. Vendors must bid on each Janitorial service contract award, as admission to the PQL does not guarantee contract award. To bid on a specific contract, NYCHA encourages vendors to apply a minimum of 15 days prior to the bid submission closing date to the PQL for a Janitorial and Debris Removal Services contract to be considered for that solicitation.

GENERAL SCOPE OF WORK - SPECIFICATIONS

NYCHA is currently accepting applications for Janitorial and Debris Removal Services Pre-Qualified List (PQL) program for Exterior and Interior Public Space Cleaning, Basement Cleaning and Emergency Cleaning. An informational session will be hosted, on May 23, 2024, at 11:00 A.M., and will be conducted remotely via Microsoft Teams meetings. Attendance is strongly encouraged. Statement of Basis and Purpose

The Department proposes to revise sections 1-04 and 1-07 of Chapter 1, Title 56 of the Rules of the City of New York. The proposed amendments would prohibit vendors from storing property used for vending on sidewalks adjacent to parks and other property within the jurisdiction of the Department when they are not actively vending and add a penalty for violation of this prohibition.

Currently, the Department's rule prohibits the storage of personal property in areas in or adjacent to parks only if the property is left unattended. However, the storage of vending property on sidewalks at any time creates hazards to both vendors and pedestrians. The storage of vending materials on sidewalks poses a security risk because it increases the risk that (1) vendors' property will be stolen when the property is not properly attended, and (2) other individuals will place dangerous or illegal items under the vendors' tables or tarps. In addition, storage of vending materials on sidewalks results in the inability to properly clean sidewalks, creating a health and safety hazard.

The proposed rule would prohibit vendors from storing vending related materials, whether attended or unattended, on sidewalks that are adjacent to parks and other property within the jurisdiction of the Department. The fine for violating this rule would be \$250.

This proposed rule would not affect individuals who are not vendors and will not impact vendors' ability to vend as described in paragraph (b) of section 1-05 of Chapter 1, Title 56 of the Rules of the City of New York

The Department's authority for these rules is found in Section 389, 533(a)(9), and 1043 of the New York City Charter.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Paragraph (c) of Section 1-04 of chapter 1 of Title 56 of the Rules of the City of New York is amended to read as follows:

(c) Littering, Polluting, Dumping, [and] Unattended Property, and Storage of Vending-Related Property

- (1) No person shall litter in any park. All persons shall use receptables provided for the disposal of refuse.
- (2) No person shall throw, drop, allow to fall, discharge into or leave in, or otherwise introduce into Parks waters any substance, liquid or solid, gas, or other item which may or will result in the pollution of said waters. Violation of this paragraph constitutes a misdemeanor.
- (3) No person shall engage in unlawful dumping in any park. Violation of this paragraph constitutes a misdemeanor.
- (4) No person shall, within or adjacent to any park, store or leave unattended personal belongings.
- (5) No vendor, as defined in section 1-05(b)(1) of this title, or person acting on behalf of a vendor, shall store or otherwise leave any item or items used or offered in conjunction with vending, whether attended or unattended, on any property under the jurisdiction of the Department when not actively engaged in vending allowed under section 1-05(b) of this title. For the purposes of this section, "actively vending" means that:

 (i) if the vendor is providing goods for sale, hire, lease, let, or in exchange for a donation, such goods are displayed and readily available for sale, hire, lease, let, or in exchange for a donation,

or (ii) if the vendor is providing services or entertainment for sale, hire, lease, let, or in exchange for a donation, those services or entertainment are readily available for sale, hire, lease, let, or in exchange for a donation.

Section 2. The table set forth in section 1-07 of chapter 1 of Title 56 of the Rules of the City of New York is amended by adding a new row, to be placed in the table in alphanumeric order, to read as follows:

56 RCNY § 1-04(c)(5) Storing/leaving vending property \$250 \$375

CERTIFICATION / ANALYSIS PURSUANT TO CHARTER SECTION 1043(d)

RULE TITLE: Storage of Vending Property

REFERENCE NUMBER: DPR-21

RULEMAKING AGENCY: Department of Parks and Recreation

I certify that this office has analyzed the proposed rule referenced above as required by Section 1043(d) of the New York City Charter, and that the proposed rule referenced above:

- (i) Is understandable and written in plain language for the discrete regulated community or communities;
- (ii) Minimizes compliance costs for the discrete regulated community or communities consistent with achieving the stated purpose of the rule; and
- (iii) A cure period is not necessary because: (a) the proposed rule amendment provides clarification as to when vendors are not allowed to keep vending property on Parks property, rather than establish an entirely new type of rule; (b) the affected vendors' goods are easily moveable and are otherwise moved from location to location. The period of time between the notice of adoption and the effective date of the new rule provides ample time for vendors to comply with the rule.
