rials to be furnished.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested its requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation and yellowed the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimate amount of the work by which the bids are tested. The consent above mentioned shall be accom-

panied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must Norbe inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in saud box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract is awarded. If the successful bidder will be orfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B. The prices must be written in t'e estimate and also stated in figures, and all estimates will be considered as informal which do n

ment it it should deem it not the material consists of the do.

PROPOSALS FOR THE ABOVE CONTRACTS inclosed in sealed envelopes, indorsed with the title of the work, and with the names and addresses of the persons making the same, and the date of the said proposals, will be received at the Main Office of the Department of Street Cleaning, New York Life Building, No. 346 Broadway, in the Borough of Manhattan, in The City of New York, until 12 o'clock M. of FRIDAY, THE 10TH DAY OF MARCH, 1899,

at which time and place such proposals will be publicly opened and read.

The persons to whom the said contracts may be awarded will be required to execute the same within five '5' days of receipt of a notice to that effect, and in case of failure or neglect so to do, they will be considered as having abandoned the said contracts, and as in default to the Corporation, whereupon the Commissioner of Street Cleaning may readvertise and relet the same, and so on until the contracts be accepted and executed.

Each bidder must submit along with, but separate from his proposal, detailed plans and specifications and a complete description of the plant and the method or methods to be pursued by the bidder in the final disposition of the materials.

Such plans, specifications and descriptions must be sufficient fully to explain the construction of the plant and the method or methods to be used, the results to be secured, the method of obtaining these results, and the locality or localities where the same are to be erected and carried on, and, as far as possible, maps of the said locality or localities, said plans, specifications, descriptions and maps to be returned to the unsuccessful bidders after the letting of the contracts, or the rejection of all the proposals.

No proposals will be considered for any plant or method that has not been in successful working operation.

N. B.—Bidders should take into account the difference in population in some of the wards of the Borough of Richmond during the summer months as compared with the rest of the year.

Proposals will be received for one, or more, or all of the said wards in the Borough of Richmond.

The above estimates for the boroughs of Queens and Richmond are based on the per capita output in the year 1897 of what are now the boroughs of Manhattan and The Bronx, applied proportionately to the estimated populations of the several wards in the Boroughs of Queens and Richmond.

The above-mentioned quantities, though stated with as much accuracy as possible in advance, are approximate only. Bidders will be required to submit their proposals upon the following express conditions, which shall become a part of every proposal received:

The compensation to be paid to the contractor must be stated at a price per ton of two thousand (2,000) pounds at the place of delivery, and all refuse, whether more or less than the quantity so estimated, shall be received and properly disposed of by the contractor without any extra or other compensation than said price per ton for the whole amount actually received, and this sum shall cover all and every cost and expense of receiving and finally disposing of the refuse, however incurred, from the time that the refuse is delivered from the vehicles aforesaid.

Bidders must satisfy themselves by personal examination of the proposed work, and by consultation with the authorized representatives of the Department of Street Cleaning in the said boroughs, and by such other means as they may select, as to the accuracy of the foregoing estimates, and as to the quantity and nature of the work to be done, and shall not at any time after the submission of a proposal dispute or complain of such statement or estimate to the Commissioner, or assert that there was any misunderstanding in regard to the nature or amount of work to be done.

Bidders are required to state under oath or affirmation in their proposals their

one person is interestical, that is the parties so interested.

The price in the proposal must be written out in words, and must also be given in figures.

Permission will not be given for the withdrawal of any proposal, and the right is expressly reserved by the Commissioner of Street Cleaning to reject any or all of the proposals should be deem it best for the interest of the City so to do. The said Commissioner also reserves the right to select from the proposals that proposal the acceptance of which will, in his judgment, best secure the efficient performance of the work, and the acceptance of the proposal so selected shall be conditioned on the approval of the Board of Estimate and Apportionnent. No proposal will be accepted from, nor will the contract be awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation. Each proposal must be accompanied by the con-

sent, in writing, of two householders or freeholders of Dusiness or residence, or of two guaranty or surety companies duly authorized by law to act as surety, incorporated under the laws of the State of New York, as shall be satisfactory to the Comptroller of The City of New York, to the effect that if the contract be awarded to the person or persons making the said proposal, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, to an amount equal to at least one-half the compensation for one year's performance of the contract, as determined by the foregoing estimates of quantities of materials to be handled, at the price bid per ton by the contractor in his proposal, and that if he or they should omit or refuse to execute the same, they will pay to The City of New York any difference between the sum to which he or they would be entitled on its completion and that which The City of New York may be obliged to pay to the person or persons to whom the said contract may be subsequently awarded, the amount to be calculated upon the estimated amount of the work by which the proposals are tested. The consent above mentroned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of security for the completion of the contract, as stated in the proposal, over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by law, and a like affidavit as to sufficiency shall be required of an officer of a corporation so signing. The adequacy and sufficiency of the security offered shall be subject to the approval of the Comptroller of The City of New York, payable to the order of the Comptroller of said city, for five (5) per centum of the amount for which the work bid for is proposed to be performed in one entire year, as determined by t

will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent abovementioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a housenolder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must NoT be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the per-

sons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be foreitted to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract

amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Payment will be made by a requisition on the Corporation.

Payment will be made by a requisition on the Comp-troller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.
