Whereas, On or about the seventh day of January, 1891, an action was commenced in the Supreme Court of New York County by Levi P. Morton against the Mayor, Aldermen and Commonalty of the City of New York for an injunction to recover the damage sustained by the plaintiff to three certain houses, known as Nos. 116, 118 and 120 West Ninety-eighth street, in this city, by reason of the maintenance by the defendants of a pumping station used in connection with the Croton water high service, which immediately adjoins the premises No. 116, and to abate the nuisance occasioned thereby, and for an injunction restraining its further operation; and

Whereas, After issue joined said action came on for trial before Mr. Justice Truax and a jury at a Circuit Court held on October 12, 1891, at which time and place a stipulation was entered into, or attempted to be entered into, between the respective counsel representing the plaintiff and the defendants, by which the damages to be awarded, in case the plaintiff was entitled to recover damages for the matters and things covered by the said action should be a finality and appraised on the theory of recovering everything in such action that the plaintiff would be entitled to recover in lieu of bringing a series of actions, and it was also stipulated or attempted to be stipulated by said counsel that in case the plaintiff was entitled to recover damages, the title to the lot next adjoining the pumping station and the title to the house built thereon should as a result of such litigation pass to the City; and

Whereas, It has recently been brought to our notice that the question has been raised by the plaintiff's counsel and set up in a reply served in said action, that the counsel then representing the City upon said trial had no authority to bind the City to take the title to the house and lot in question; and

Resolved, That this Board do and it hereby does ratify and confirm the action of the said Assistant to the Counsel to the Corporation in respect to the matters and things above recited, and particularly in respect to the title to the house and lot No. 116 West Ninety-eighth street passing to the Mayor, Aldermen and Commonalty of the City of New York upon the award and payment for the damages in said action.

Ratified and adopted by the Board of Aldermen, May 8, 1894.
Approved by the Mayor, May 11, 1894.

MICHAEL F. BLAKE, Clerk Common Council.

AQUEDUCT COMMISSION.

Minutes of Stated Meeting of the Aqueduct Commissioners, held at their Office, No. 209 Stewart Building, on Wednesday, May 2, 1894, at 3 o'clock P. M.

Present—Commissioners Duane, Tucker, Scott and Cannon.

The Committee of Finance and Audit reported their examination and audit of bills contained in Vouchers Nos. 9535 to 9547, inclusive, amounting to \$3,093.86.

On motion of Commissioner Tucker, the same were approved and ordered certified to the Comptroller for payment.

The Construction or Executive Committee presented the following:

NEW YORK, May 2, 1894.

To the Honorable the Committee on Construction:

GENTLEMEN—This is to report progress as to the surveys of the land for the proposed reservoir in Jerome Park and vicinity.

As soon as the work was transferred to this office by the Department of Public Works, steps were taken to gather all the information which could be obtained to facilitate the field operations. Those formerly in charge of partial surveys were seen, and such data obtained as could give us the advantage of their knowledge; the Departments of Parks and of Street Improvements of the Twenty-third and Twenty-fourth Wards furnished also some information, and maps of record were copied.

In accordance with my verbal statements to yourselves, I inquired into the best means of preparing the maps wanted for the taking of the land, and after considering the advisability of employing surveyors outside of the engineering corps of this Department, especially those who had made surveys in that neighborhood, I found that it would be more economical and more to the City's interest to intrust the work to your employees. I accordingly instructed Division Engineer Wegmann to suspend temporarily a part of his work in the Croton valley, to take personal charge of the contemplated work, and to detail for that purpose a portion of his engineering party.

This surveying force is now in the field, with instructions to push the work as far as it is consistent with care and accuracy. I will, however, ask you to authorize me to employ temporarily, if I find it advisable, one or more of the surveyors who have already been on the ground, for the purpose of obtaining from them the location of certain monuments and other landmarks which it would be otherwise difficult to find.

The transportation facilities between Katonah and the proposed work are such that the engineers can continue to reside at Katonah without interfering with their duties, and I would ask you to pay for their transportation, which will be less costly than the price of their board, which, according to the course previously followed in similar cases, you probably would allow to them.

I am, respectfully,

A. FTELEY, Chief Engineer.

—and recommended the adoption of the following resolutions:

Resolved, That the report of the Chief Engineer be and hereby is approved, and he is hereby authorized to employ such men as he may deem necessary and proper to carry on the work, and to make arrangements for the transportation of the surveying party, as suggested by him in his report.

Resolved, That the Chief Engineer be and hereby is authorized to make such borings and other explorations as he shall deem necessary to enable him to complete the final plans for the construction of the receiving and distributing reservoir in the Twenty-fourth Ward of the City of New York.

On motion of Commissioner Cannon, the same was adopted.

On motion of Commissioner Tucker, the minutes of meeting of April 18, 1894, were ordered approved.

The Commissioners then adjourned.

EDWARD L. ALLEN, Secretary.

 NEW YORK, May 11, 1894.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING
 the materials and labor and doing the work re-
 quired in repairing and altering the building of this
 Department, occupied as Quarters of Engine Company
 No. 11, at No. 437 East Houston street, will be received
 by the Board of Commissioners at the head of the Fire
 Department, at the office of said Department, Nos. 157
 and 159 East Sixty-seventh street, in the City of New
 York, until 10 o'clock A. M., Wednesday, May 23, 1894,
 at which time and place they will be publicly opened
 by the head of said Department and read.

No estimate will be received or considered after the
 hour named.

For information as to the amount and kind of work to
 be done, bidders are referred to the specifications and
 drawings, which form part of these proposals.

The form of the agreement, showing the manner of
 payment for the work, with the specifications and forms
 of proposals, may be obtained and the plans may be
 seen at the office of the Department.

Bidders will write out the amount of their estimate in
 addition to inserting the same in figures.

The work is to be completed and delivered within the
 time specified in the contract.

The damages to be paid by the contractor for each
 day that the contract may be unfulfilled after the time
 specified for the completion thereof shall have expired
 are fixed and liquidated at ten (10) dollars.

The award of the contract will be made as soon as
 practicable after the opening of the bids.

Any person making an estimate for the work shall
 present the same in a sealed envelope to said Board, at
 said office, on or before the day and hour above named,
 which envelope shall be indorsed with the name or names
 of the person or persons presenting the same, the date of
 its presentation, and a statement of the work to which
 it relates.

The Fire Department reserves the right to decline any
 and all bids or estimates deemed to be for the public
 interest. No bid or estimate will be accepted from,
 or contract awarded to, any person who is in arrears to
 the Corporation upon debt or contract, or who is a de-
 faulter, as surety or otherwise, upon any obligation to
 the Corporation.

Each bid or estimate shall contain and state the name
 and place of residence of each of the persons making the
 same; the names of all persons interested with him or
 them therein; and if no other person be so interested,
 it shall distinctly state that fact; that it is made without
 any connection with any other person making an estimate
 for the same purpose, and is in all respects fair and
 without collusion or fraud; and that no member of
 the Common Council, head of a department, chief of
 a bureau, deputy thereof, or clerk therein, or other
 officer of the Corporation, is directly or indirectly inter-
 ested therein, or in the supplies or work to which it re-
 lates, or in any portion of the profits thereof. The bid
 or estimate must be verified by the oath, in writing,
 of the party or parties making the estimate, that the several
 matters stated therein are in all respects true. Where-
 more than one person is interested, it is requisite that
 the verification be made and subscribed by all the
 parties interested.

Each bid or estimate shall be accompanied by the con-
 sent, in writing, of two householders or freeholders of
 the City of New York, with their respective places of
 business or residence, to the effect that if the contract be
 awarded to the person making the estimate, they will,
 on its being so awarded, become bound as sureties for
 its faithful performance, in the sum of five thousand
 (\$5,000) dollars and that if he shall omit or refuse to ex-
 ecute the same, they will pay to the Corporation any differ-
 ence between the sum to which he would be entitled on
 its completion and that which the Corporation may be
 obliged to pay to the person or persons to whom the
 contract may be awarded at any subsequent letting; the
 amount in each case to be calculated upon the esti-
 mated amount of the work by which the bids are
 tested. The consent above mentioned shall be accom-
 panied by the oath or affirmation, in writing, of each
 of the persons signing the same, that he is a house-
 holder or freeholder in the City of New York, and is
 worth the amount of the security required for the

completion of this contract, over and above all
 his debts of every nature, and over and above his li-
 abilities as bail, surety or otherwise, and that he has
 offered himself as a surety in good faith and with the
 intention to execute the bond required by law. The
 adequacy and sufficiency of the security offered is to be
 approved by the Comptroller of the City of New York
 before the award is made and prior to the signing of
 the contract.

No estimate will be considered unless accompanied
 by either a certified check upon one of the banks of
 the City of New York, drawn to the order of the Com-
 ptroller, or money to the amount of three hundred (300)
 dollars. Such check or money must not be inclosed in
 the sealed envelope containing the estimate, but
 must be handed to the officer or clerk of the De-
 partment who has charge of the estimate-box, and no
 estimate can be deposited in said box until such check
 or money has been examined by said officer or clerk
 and found to be correct. All such deposits, except that
 of the successful bidder, will be returned to the per-
 sons making the same within three days after the con-
 tract is awarded. If the successful bidder shall refuse
 or neglect, within five days after notice that the con-
 tract has been awarded to him, to execute the same,
 the amount of the deposit made by him shall be for-
 feited to and retained by the City of New York, as
 liquidated damages for such neglect or refusal; but
 if he shall execute the contract within the time afore-
 said, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract
 may be awarded neglect or refuse to accept the contract
 within five days after written notice that the same has
 been awarded to his or their bid or proposal, or if he
 or they accept but do not execute the contract and give
 the proper security, he or they shall be considered as
 having abandoned it, and as in default to the Corpo-
 ration, and the contract will be readvertised and relet
 as provided by law.

 STREET, EAST RIVER, NEW YORK,
 TO BROADWAY, BROOKLYN.**

THE FRANCHISE OF THE FERRY FROM
 foot of Twenty-third street, East river, New
 York, to Broadway, Brooklyn, will be offered for
 sale by the Comptroller of the City of New York,
 at public auction to the highest bidder, at his
 office, Room No. 15, Stewart Building, No.
 280 Broadway, on Monday, May 21, 1894, at 12
 o'clock M., together with the wharf property belonging
 to the City of New York, used and required for ferry
 purposes for the term of ten years from May 1, 1894,
 upon the following

The minimum or upset price for the franchise or
 license to operate said ferry together with the wharf
 property now used for ferry purposes is fixed at the sum
 of \$13,417, payable in advance quarterly.

No bid shall be received for the lease of said ferry
 franchise and wharf property which shall be less than
 the value thereof as appraised and fixed by the Com-
 missioners of the Sinking Fund.

The highest bidder will be required to pay the auc-
 tioneer's fee, and to deposit with the Comptroller, at the
 time of sale, twenty-five per cent. of the yearly rental,

 feited to the city if the lease is not executed by the pur-
 chaser when notified that it is ready for execution.

The lessee will be required to give bonds in double
 the amount of the yearly rental, with two sufficient
 sureties, to be approved by the Comptroller, conditioned

The lease will contain the usual covenants and con-
 ditions in conformity with the provisions of law and the
 ordinances of the Common Council relative to ferries,
 that the lessee will maintain and operate the ferry dur-
 ing the whole term, and will provide ample accommoda-
 tion in the way of safe and capacious boats and frequency
 of trips, as to the sufficiency of which accommodation
 the decision of the Mayor and Comptroller shall be final;
 also conditions that the lessee of the ferry will dredge
 the ferry slips, as required by the Department of Docks,
 and that, during the term of the lease, he will erect and build,
 at his own expense, and will at all times, well
 and sufficiently repair, maintain and keep in good order
 all and singular the floats, racks, fenders, bridges and
 other fixtures at the landing places, and in the event of
 any damage to the bulkheads or piers from collision by
 his ferry boats or otherwise, from any accident or
 negligence on his part, he will immediately repair and
 restore said wharf property to its previous condition
 free of cost and expense to the City of New York; and
 also, that if at any time during the term of the
 lease the Department of Docks shall require
 any of the wharf property used for ferry purposes,
 in order to proceed with the water-front improvement
 in the vicinity of the ferry landings, the said
 lessee shall surrender and vacate the premises
 without any claim upon the City for any
 damages whatever, upon written notice being given to
 the lessee 3 months in advance of the intention of said
 Department, and also that the rates of ferriage and
 charges for vehicles and freight shall not exceed the
 rates now charged; sworn returns of the amounts of
 ferry receipts shall be made to the Comptroller when
 required by him, and the books of account of the ferry
 shall be subject to his inspection.

The lease shall also contain a covenant providing for
 the purchase at a fair valuation of the boats, buildings
 and other property of the lessee used in and actually
 necessary for the operation of said ferry upon the termi-

 up of the premises by the lessee, if the lessee shall
 not become the purchaser of the franchise for another
 term; but the Mayor, Aldermen and Commonality of
 the City of New York shall not be deemed thereby to
 covenant to purchase said property in any event.

The right to reject any bid is reserved, if it is deemed
 for the interest of the City.

The form of lease which the purchaser will be re-
 quired to execute can be seen at the office of the Com-
 ptroller.

TERMS AND CONDITIONS OF SALE.

The highest bidder for the lease of the franchise and wharf property of said ferry will be required to pay the auctioneer's fee and to deposit with the Comptroller, at the time of the sale, a sum equal to twenty-five per cent. of the amount of his bid therefor, which sum shall be credited on the rent of the first quarter of the first year of the term of the lease, or be forfeited to the City if the lease shall not be executed by the highest bidder or purchaser when notified and required by the Comptroller.

The minimum or upset price for the franchise is five per cent. of the gross receipts, and the total yearly rental therefor shall not be less than:

For the wharf property the yearly rental is fixed at..... \$22,500 00

Total..... \$44,000 00

—payable in advance quarterly.

The lessee of the ferry will also be required to give a bond in double the amount of the yearly rental, with two sufficient sureties, approved by the Comptroller, and conditioned for the faithful performance of the terms and conditions of the lease, which will be such as are required by law and the ordinances of the Common Council, relating to ferries, and usually contained in ferry leases, which conditions shall be approved by the Counsel to the Corporation.

The lease will contain a covenant providing for the purchase by any person or corporation other than the purchaser at the present sale that may acquire said ferry franchise after the expiration of said term, at a fair valuation, of the boats, buildings and other property of the lessee used in and actually necessary for the operation of said ferry, upon the termination of the lease, and the surrender and yielding up of the premises by the lessee, if the lessee shall not become the purchaser of the franchise for another term, which appraisal shall be made in the usual way, before advertising the lease for a new term of the franchise, at least three months prior to the termination of the lease; but the Mayor, Aldermen and Commonalty of the City of New York shall not be deemed thereby to covenant to purchase said property in any event.

The lease also shall contain a provision that the number of boats employed and the number of regular trips made daily shall not be less than those now employed and made in operating the said ferry, and that at least three regular trips shall be made between the hours of one o'clock A. M. and five o'clock A. M., daily, at an interval of one hour and twenty minutes between each trip.

A further condition of the sale is that the purchaser and lessee of the franchise of the ferry to Bay Ridge, Long Island, may have the use for its ferry purposes of that portion of the landing and buildings thereon at the foot of Whitehall street, which are now and were heretofore occupied and used in connection with the operation of the Bay Ridge Ferry and of the privileges heretofore exercised in operating said Bay Ridge Ferry by the payment of \$3,000 per annum to the lessees of the Staten Island Ferry, during the term of the lease beginning June 1, 1894.

The purchaser of the franchise or license to operate the ferry to and from the foot of Whitehall street to and from Staten Island, in case the purchaser should be any one other than the Staten Island Rapid Transit Railroad Company, will be required to pay to the Staten Island Rapid Transit Railroad Company, upon the execution of the lease and upon the delivery of possession of said wharf property by said railroad company to said purchaser, the sum of \$175,000, the appraised value as fixed by the resolution of the Commissioners of the Sinking Fund adopted July 12, 1893, of the structures and improvements erected and made by the said Staten Island Rapid Transit Railroad Company upon the wharf property leased in connection with said ferry franchise.

The rates for ferriage shall not exceed those now charged.

The term of lease which the purchaser will be required to execute can be seen at the office of the Comptroller.

The right to reject any bid is reserved, if deemed by the Comptroller to be in the interest of the City.

The highest bidder for the lease of the franchise and wharf property of said ferry will be required to pay the auctioneer's fee and to deposit with the Comptroller at the time of the sale a sum equal to twenty-five per cent. of the amount of his bid therefor, which sum shall be credited on the rent of the first quarter of the first year of the term of the lease, or to be forfeited to the City if the lease shall not be executed by the highest bidder or purchaser when notified and required by the Comptroller.

In addition to the yearly rental to be paid for the ferry franchise, the purchaser and lessee of said franchise may have the use for its ferry purposes of that portion of the landing and buildings at the foot of Whitehall street, which are now and were heretofore occupied and used in connection with the operation of the Bay Ridge ferry, and of the privileges heretofore exercised in operating said ferry, by the payment of eight thousand (\$8,000) dollars per annum, payable quarterly, during the term of the new lease beginning June 1, 1894, to the lessee of franchise of the ferry to and from Staten Island.

The lessee will be required to provide improved facilities for the safe and more convenient landing of passengers and vehicles at the Long Island terminus.

The lessee of the ferry will also be required to give a bond in double the amount of the yearly rental with two sufficient sureties approved by the Comptroller, and conditioned for the faithful performance of the terms and conditions of the lease, which will be such as are required by law, and the ordinances of the Common Council relating to ferries, and usually contained in ferry leases, which conditions shall be approved by the Counsel to the Corporation.

The lease will contain a covenant providing for the purchase, by any person or corporation other than the purchaser at the present sale, that may acquire said ferry franchise after the expiration of said term, at a fair appraisal valuation of the boats, buildings and other property of said ferry or franchise and the surrender and yielding up of the premises by the lessee, if the lessee shall not become the purchaser of the franchise for another term, which appraisal shall be made in the usual way before advertising a lease for a new term of the franchise, at least three months prior to the termination of the lease; provided that the Mayor,

Aldermen and Commonalty of the City of New York shall not in any event be deemed to covenant to purchase said property.

The rates of ferriage and charges for vehicles and freight shall not exceed the rates now charged.

The person or persons to whom the contract may be awarded will be required to attend at the office of the Department of Public Works, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and thereupon the work shall be readvertised and relet, and so on until the contract be accepted and executed. The work to commence at such time as the Commissioner of Public Works may designate.

N. B.—Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract and stated in the pro-

posals, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller after the award is made and prior to the signing of the contract.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonality containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in

respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works.

—will be received by the Commissioner of Street Cleaning at the office of said Department, Criminal Court Building, Centre, White, Elm and Franklin streets, in the City of New York, until 12 o'clock M., May 23, 1894, at which place and time they will be publicly opened by the Commissioner of Street Cleaning and read.

No estimate will be received or considered after the hour mentioned.

Forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above shall present the same in a sealed envelope to said Commissioner of Street Cleaning at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Commissioner of Street Cleaning reserves the right to decline any and all bids or estimates, if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair, and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance, in the sum of fifteen thousand (\$15,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which the Corporation may be entitled upon its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his liabilities of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of fifteen hundred (\$1,500) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-book; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and

found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.
