#### Public Hearing.

PUBLIC NOTICE IS HEREBY GIVEN THAT a Public Hearing will be had at the offices of the Municipal Civil Service Commission, Room 1443, Municipal Building, Manhattan, on

Wednesday, December 29, 1915, at 10.30 o'clock a. m., on the adoption of the following proposed resolution:

Whereas, in order to correct the inappropriate assignments of various Hospital Helpers in the Department of Public Charities to perform the work of Hospital Clerks, provision has been made in the Budget of the Department of Public Charities for the year 1916 for the employment of Hospital Clerks at salaries above \$480 a year with or without maintenance, which positions are in the Competitive Class, and

Whereas, because of long continued service of many Hospital Helpers in the performance of clerical work and because of peculiar conditions in the institutions in the Department of Public Charities, it is in the interests of best administration and the spirit and intent of the Civil Service Law that Hospital Helpers who have served with fidelity for at least three years be allowed to enter a promotion examination for the position of Hospital Clerk in the Competitive Class in order to meet the conditions of the Budget of the Department of Public Charities for the year 1916.

Therefore be it resolved: That, subject to the approval of the Mayor and the State Civil Service Commission, the provisions of clause 18 of Rule XV be waived and the Municipal Civil Service Commission be empowered to hold a competitive promotion examination for the position of Hospital Clerk, Department of Public Charities, in the Competitive Class, which shall be open to Hospital Helpers in the Non-Competitive Class who have served with fidelity for not less than three years.

PUBLIC NOTICE IS HEREBY GIVEN THAT at the meeting of the Board of Estimate and Apportionment held this day, the following resolutions were adopted:

Whereas, The Third Avenue Railway Company has, by a petition dated February 2, 1914, applied to this Board for the right to continue the use and operation of certain street surface railway tracks upon and along Fort George Avenue from Amsterdam Avenue to Audubon Avenue, Borough of Manhattan, which said tracks were constructed under and pursuant to the terms and provisions of a contract dated March 4, 1909, by and between The City of New York and the Third Avenue Railroad Company, and became the property of said City on March 4, 1914; and

Whereas, Sections 72, 73 and 74 of the Greater New York Charter, as amended by Chapters 629 and 630 of the Laws of 1905, and Chapter 467 of the Laws of 1914, provide for the manner and procedure of making such grants; and

Whereas, In pursuance of such laws, this Board adopted a resolution on February 6, 1914, fixing the date for public hearing thereon as March 6, 1914, at which citizens were entitled to appear and be heard, and publication was had for at least two (2) days in the "New York Tribune" and "The Sun," newspapers designated by the Mayor, and in the City Record for ten (10) days immediately prior to the date of hearing, and the public hearing was duly held on such date; and

Whereas, This Board has made inquiry as to the money value of the grant or right applied for and proposed to be granted to the Third Avenue Railway Company and the adequacy of the compensation to be paid therefor; now, therefore, it is

Resolved, That the following form of resolution for the consent or right applied for by the Third Avenue Railway Company, containing the form of proposed contract for the grant of such consent or right, be hereby introduced and entered in the minutes of this Board, as follows, to wit:

*Resolved, That the Board of Estimate and Apportionment hereby grants to the Third Avenue Railway Company the consent or right fully set forth and described in the following form of proposed contract for the grant thereof, embodying all of the terms and conditions, including the provisions as to rates and charges, upon and subject to the terms and conditions in said proposed form of contract contained, and that the Mayor of The City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:*

*Proposed Form of Grant.*  
THIS CONTRACT, made and executed in duplicate this day of 1915, by and between THE CITY OF NEW YORK (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and the THIRD AVENUE RAILWAY COMPANY (hereinafter called the Company), party of the second part, WITNESSETH:

WHEREAS, The City did, by contract dated March 4, 1909, grant The Third Avenue Railroad Company the right to construct, maintain and operate a double-track street surface railway extension upon and along Fort George Avenue from Amsterdam Avenue to Audubon Avenue, with a loop terminal at the intersection of said Fort George and Audubon Avenues, all in the Borough of Manhattan; and

WHEREAS, Section 2, Second, of said contract provides as follows:

"Second—The said right to construct, maintain and operate said railway shall be held and enjoyed by the Company for a term not exceeding three (3) years, provided that if the Company shall make application to the Board, then the Board may extend the term of said right and privilege upon the same terms and conditions herein fixed for a further period not exceeding two (2) years."

and

WHEREAS, Said term of three (3) years expired by limitation March 4, 1912; and

WHEREAS, The Third Avenue Railway Company, as the successor to The Third Avenue Railroad Company, petitioned the Board for an extension of said right and privilege upon the terms and conditions contained in said contract of March 4, 1909, for a period of two (2) years from March 4, 1912; and

WHEREAS, By resolution adopted by the Board March 14, 1912, and approved by the Mayor March 15, 1912, said right and privilege was extended for a period of two (2) years from March 4, 1912, upon the terms and conditions in said contract of March 4, 1909, fixed and contained; and

WHEREAS, Said term of two (2) years expired by limitation March 4, 1914; and

WHERE

of said conditions, and especially said conditions as to payments, anything in any statute in the character of such assignee or lessee, notwithstanding, and that the assignee or lessee waives any more favorable conditions created by such statute or its amendments, and that it will not claim by reason of, or otherwise exemption from liability to, in each and all of the conditions of this

Nothing in this contract shall be construed to affect in any way the right of the City to grant to any other corporation or to any individual a similar right or privilege upon the same terms and conditions over the route before described, and the Company shall at any time oppose, but shall consent to the use of any street surface railway by any other corporation or individual which may be a franchise therefor from the City, and may necessitate the use of any portion of the railway which shall be operated by the Company pursuant to this contract; provided, however, that nothing in this clause contained shall prevent the Company from appearing before the Board and being heard on any application for extension or along said route.

The City at any time during the term of this contract grant to any other corporation or individual the right or privilege to operate a railway upon the tracks of the Company hereinafter described, or any portion thereof, the City shall, within thirty (30) days thereafter give notice to the Company that such right is granted and of the name of the corporation or individual to which such right has been granted.

At the expiration of ninety (90) days after the giving of such notice, such individual or corporation shall have the right to begin the operation upon the tracks of the City upon the use of any portion thereof, over which such individual or corporation may receive a right or privilege, and to use therefor the power and all property of the Company which shall be necessary in the operation of the cars of such individual or corporation upon the tracks of the City, and shall have the right to continue such use and use of such property during the term of this contract or until the right to use property under the terms of the franchise granted said corporation or individual by the City shall expire, provided such expiration is not to the expiration of this contract or any portion thereof; but such corporation or individual, before beginning such operation, give and sufficient bond to the Company guaranteeing the payment of any sum or sums such corporation or individual may be required to pay to the Company for the use of its property. Provided, however, that the Board shall be the judge as to whether the bond is sufficient, in case there is a dispute as to the amount of such bond, the Company and the corporation or individual. Such corporation or individual shall pay to the Company for the use of such power and other property described such sum or sums as may be required in writing by such corporation or individual and the Company within said ninety (90) days, or in the event that such agreement is not reached within said ninety (90) days, the sum or sums shall be determined in the manner hereinafter provided for.

The Company and such corporation or individual cannot, prior to the expiration of said ninety (90) days, agree upon the compensation for the use of such power and property, then compensation shall be fixed by three arbitrators selected in the following manner: one disinterested person shall be chosen by the Company; one disinterested person shall be chosen by such corporation or individual; and one disinterested person shall be chosen by the City. The decision under oath of any two of said persons who shall be so selected shall be final and conclusive, but the amount or sums determined by said arbitrators shall not be with due regard to the extent and duration of the use, but shall be sufficient to cover the cost of any property installed by the Company pursuant to this contract, including depreciation and betterments thereto and proportionate current expenses of maintenance and depreciation, of regulation of the removal of snow and ice, of the cleaning of streets, of the use of power and of performance of such other duties and obligations as are imposed upon the Company in respect to the said railway, other than the payments to the City pursuant to this contract. Compensation and expenses of the persons selected as arbitrators in the determination of the sum or sums shall be borne by the individual or corporation to which such right may be granted.

Within thirty (30) days after an agreement has been reached between said parties, in case said agreement cannot be reached within the time specified herein, then within thirty (30) days after the determination of the arbitrators as herein provided, should two of the arbitrators agree, the said parties shall execute a copy of a written agreement with the Company, which shall specify the sum or sums which shall have been agreed to by the said parties or determined by said arbitrators as the sum or sums which such corporation or individual shall pay to the Company for said privilege. If the Company fails to file the same with the Board within thirty (30) days, then the right herein granted shall cease and determine.

If either party fails to appoint an arbitrator as herein provided, or should the first two arbitrators fail to agree on the selection of a third arbitrator within thirty (30) days after the expiration of said ninety (90) days, or if no two arbitrators so selected agree upon the sum or sums to be paid by such individual or corporation within sixty (60) days after they shall have been selected, then such sum or sums shall be determined by the Appellate Division of the Supreme Court, Second Department, upon the application of either party, and the decision of that court shall be final. In the event that said Appellate Division of the Supreme Court, Second Department, should decline to assume jurisdiction in the matter, then and in such event such sum or sums shall be fixed by the Board, and such fixation by the Board shall be final and conclusive.

The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein, pass to or vest in any other person or corporation whatsoever, either by the act of the Company, or by operation of law, whether the provisions of the statutes relating to consolidation or merger of corporations or otherwise, without the consent of the City, acting by the Board, evidenced by an instrument under the seal of the City, and the contrary notwithstanding, and the giving or waiving of any one or more of the provisions shall not render unnecessary any consent or consents.

Said railway shall be operated in the approved manner of street railway operation, and it is hereby agreed that the Board may at any time authorize the Company to improve or add to the equipment, including rolling stock and appurtenances, from time to time, as additions and improvements are necessary, in the opinion of the Board. Upon failure on the part of the Company to comply with the direction of the Board within a reasonable time, the rights granted shall cease and determine.

Said railway shall be maintained

and operated subject to the supervision and control of all the authorities of the City who have jurisdiction in such matters, as provided by the Charter of the City.

No repairs or reconstruction upon said railway shall be commenced until written permits have been obtained from the proper City officials.

In any permits so issued, such officials may also impose such conditions, as a condition of the granting of the same, as are necessary for the purpose of protecting any structures, in the streets and avenues over which such officials have jurisdiction and the Company shall comply with such conditions.

The electrical equipment to be installed by the Company for the operation of the railway within the limits of the City, whether the same be upon streets and avenues, or upon private property, shall be constructed and maintained under the supervision and control of the Commissioner of Water Supply, Gas and Electricity.

Said railway shall be operated by underground electric power substantially similar to the system of underground electric power now used by the street surface railways in the Borough of Manhattan, provided, that any other power may be used, except locomotive steam power, horse power or overhead electric power, which may be lawfully used, approved by the Board and consented to by the abutting property owners in accordance with the provisions of law and by the Public Service Commission for the First District of the State of New York.

No wires for the transmission of power shall be permitted unless they be placed in conduits underneath or along the side of the railway. When such conduits are constructed the Company shall provide two (2) ducts not less than three (3) inches in diameter each for the exclusive use of the City. Such conduits shall be used only by the Company for the operation of its railway and by the City, as above.

The rate of fare for any passenger upon said railway shall not exceed five (5) cents, and the Company shall not charge any passenger more than five (5) cents for one continuous ride, from any point on its road or on any road, line or branch operated by it or under its control to any other point thereof, or any connecting branch thereof within the limits of the City.

The Company shall carry free upon the railway hereby leased during the term of this lease all members of the Police and Fire Departments of the City, when such employees are in full uniform.

No cars shall be operated upon the railway hereby leased, other than passenger cars, and cars necessary for the repair or maintenance of the railway, and no freight or express cars shall be operated upon the tracks of said railway; and the tracks hereby leased shall not be used for the storage of cars.

The Company shall attach to each car run over the said railway proper fenders or wheel guards, in conformity with such laws and ordinances as are now in force or may hereafter during the term of this lease be enacted or adopted by the State or City authorities, or as may be required by resolution of the Board.

All cars which are operated on said railway shall be heated during the cold weather, in conformity with such laws and ordinances as are now in force, or may hereafter, during the term of this contract, be enacted or adopted by the State or City authorities, or as may be required by resolution of the Board.

All cars operated on said railway shall be well lighted by electricity, or by some lighting system equally efficient, or as may be required by resolution of the Board.

Cars on the said railway shall run at intervals of not more than thirty (30) minutes both day and night, and as much oftener as reasonable convenience of the public may require, or as may be directed by the Board.

The Company, so long as it shall continue to use any of the tracks upon the streets and avenues in which said railway is constructed, shall if directed by the President of the Borough of Manhattan, cause to be watered at least three (3) times every twenty-four (24) hours when the temperature is above thirty-five (35) degrees Fahrenheit, the entire width of the streets and avenues, except when the width of such streets and avenues shall exceed sixty (60) feet between the curb lines, in which case the Company shall cause to be watered only sixty (60) feet in width of such roadway, and the Company shall provide for such purpose at least one tank car, the capacity of which shall be sufficient to water such streets and avenues in a satisfactory manner.

The Company shall at all times keep the streets and avenues, upon which the said railway is constructed, between the tracks the rails of the tracks and for a distance of two (2) feet beyond the rails, on either side thereof, free and clear from ice and snow; provided, however, that the Company shall, at the option of the Commissioner of Street Cleaning, enter into an agreement for each winter season, or part thereof, to clean an equivalent amount of street surface from house line to house line.

As long as said railway, or any portion thereof, remains in any street or avenue, the Company shall pay and keep in permanent repair that portion of the surface of the street or avenue in which the said railway is constructed, between the tracks, the rails of the tracks and for a distance of two (2) feet beyond the rails on either side thereof, under the supervision of the local authorities, whenever required by them to do so, and in such manner as they may prescribe.

In case of the neglect of the Company to pave or repair the pavement on the streets after the expiration of twenty (20) days' notice to do so from the President of the Borough of Manhattan, said President may make the same at the expense of the Company. And the City shall have the right to change the material or character of the pavement of any street or avenue, and in that event the Company shall be bound to replace such pavement in the manner directed by the proper City official, at its own expense, and the provisions as to repairs herein contained shall apply to such renewed or altered pavement.

Any alterations to the sewerage or drainage systems, or to any other subsurface or to any surface structures in the street, required on account of the construction or operation of the railway, shall be made at the sole cost of the Company, and in such manner as the proper City officials may prescribe.

It is agreed that the right hereby granted to operate a street surface railway shall not be in preference or in hindrance to public work of the City, and should the said railway in any way interfere with the construction of public works in the streets and avenues, whether the same is done by the City directly or by a contractor for the City, the Company shall at its own expense, protect or move the tracks and appurtenances in the manner directed by the City officials having jurisdiction over such public work.

Should the grades or lines of the streets and avenues in which the railway is hereby authorized be changed at any time during the term of this lease the Company shall, at its own expense, change the tracks and appurtenances to conform with such new grades and lines, and during the construction of any public improvement upon said streets and avenues, the Company shall take care of and protect the tracks and appurtenances at its own expense, all to be done subject to the direction of the City official

The Company shall assume all liability for damages to persons or property occasioned by reason of the construction or operation of the railway authorized by this contract, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company hereby agrees to repay to the City any damage which the City shall be compelled to pay by reason of any acts or default of the Company.

The procedure for the imposition and collection of the penalties in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President, or other officer, to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not be penalized in accordance with the foregoing provisions. If the Company fails to make an appearance, or after a hearing, appears in the judgment of the Board to be in fault, said Board shall forthwith impose the prescribed penalty, or where the amount of the penalty is not prescribed herein, such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw the amount of such penalty from the security fund deposited with him. In case of any drafts made upon the security fund the Company shall, upon ten (10) days' notice in writing, pay to the City a sum sufficient to restore said security fund, to the original amount, and in default thereof this contract shall be cancelled and annulled at the option of the Board, acting in behalf of the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

**Thirty-third**—The words "streets or avenues" and "streets and avenues," wherever used in this contract, shall be deemed to mean streets, avenues, highways, parkways, driveways, concourses, boulevards, bridges, viaducts, tunnels, public places or any other property to which the City has title or over which the public has an easement, encountered in the route hereinabove described, and upon or in which authority is hereby given to the Company to operate a railway.

**Thirty-fourth**—If at any time the powers of the Board or any other of the authorities herein mentioned, or intended to be mentioned, shall be transferred by law to any other board, authority, officer or officers, then and in such case such other board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

Resolved, That the Board of Estimate and

Apportionment hereby grants to Conron Bros. Company the franchise or right fully set out and described in the following form of proposed contract for the grant thereof, embodying all the terms and conditions, including the provisions as to rates and charges, upon and subject to the terms and conditions in said proposed form of contract, and that the Mayor of the City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:

**PROPOSED FORM OF CONTRACT.**

THIS CONTRACT, made and executed in duplicate this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_, by and between THE CITY OF NEW YORK (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and CONRON BROS. COMPANY, a domestic corporation (hereinafter called the Company), party of the second part, WITNESSETH:

In consideration of the mutual covenants and agreements herein contained, the parties hereto do hereby covenant and agree, as follows:

**SECTION 1.** The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to construct, maintain and operate conduits with the necessary branches and extensions therefrom, leading directly into private property, for the sole purpose of supplying refrigeration to consumers, provided that no conduit be of a greater outside diameter than twelve (12) inches, including insulation or other covering; the same to be constructed and operated only beneath the surface of Fort Greene Place between the northernly side of Atlantic Avenue and the southernly side of Hanson Place, in the Borough of Brooklyn, City of New York, such portion of Fort Greene Place and the existing conduits of the Company being more particularly shown on a map entitled: "Map showing Conduits and Pipes applied for by Conron Bros. Company to accompany petition dated July 10, 1915, to the Board of Estimate and Apportionment, City of New York."

—signed by Joseph Conron, President, a copy of which is hereto annexed and made a part of this contract.

**SEC. 2.** The grant of this privilege is subject to the following conditions, which shall be complied with by the Company:

**First**—The said right to construct, maintain and operate said conduits shall be held and enjoyed by the Company for the term of fifteen (15) years from December 1, 1915, with the privilege of renewal of said contract for the further period of ten (10) years, upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board, or any authority which shall be authorized by law to act for the City in place of the Board. Such application shall be made at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day one (1) year before the expiration of the original term of this contract, then the annual rate of compensation for such succeeding ten (10) years shall be reasonable and either the City (by the Board) or the Company shall be bound upon request of the other to enter into a written agreement with each other fixing the rate of such compensation at such amount as shall be reasonable, but in no case shall the annual rate so fixed be less than the sum required to be paid for the last year prior to the termination of the original term of this contract and if the parties shall not forthwith agree upon what is reasonable, then the parties shall enter into a written agreement fixing such annual rate and at such amount as shall be determined by three disinterested persons selected in the following manner:

One disinterested person shall be chosen by the Board; one disinterested person shall be chosen by the Company; these two shall choose a third disinterested person, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of the original term of this contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations, without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuation so ascertained, fixed and determined shall be conclusive upon both parties, but no annual sum shall in any event be less than the sum required to be paid for the last year of the original term of this contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and expenses of the said appraisers shall be borne jointly by the City and the Company each paying one-half thereof.

**Second**—The Company shall pay to the City for the privilege hereby granted the following sums of money:

(a) The sum of seven hundred and fifty dollars (\$750) in cash within one (1) month after the date on which this contract is signed by the Mayor, and before anything is done in exercise of the privilege hereby granted.

(b) The further sum of seven hundred and fifty dollars (\$750) in cash, within one (1) month after the date on which this contract is signed by the Mayor and before anything is done in exercise of the privilege hereby granted, the said sum of seven hundred and fifty dollars (\$750) being the amount due the City by reason of the past unauthorized occupation of the street by the Company.

(c) During the first term of five years, an annual sum which shall be equal to two (2) per cent. of its gross annual receipts, but which sum shall not be less than three hundred dollars (\$300).

(d) During the second term of five years, an annual sum which shall be equal to three (3) per cent. of its gross annual receipts, but which sum shall not be less than four hundred and fifty dollars (\$450).

(e) During the third term of five years, an annual sum which shall be equal to three (3) per cent. of its gross annual receipts, but which sum shall not be less than six hundred dollars (\$600).

The gross receipts mentioned above shall be the total receipts from all business of furnishing refrigeration to consumers.

(f) An annual payment of twenty-five cents (\$0.25) for each linear foot of conduit constructed within the limits of the street, excepting, however, such conduits as are constructed within the vault space or vault spaces of any building

or buildings used or occupied exclusively by the Company for the purpose of its business.

An annual payment of two dollars (\$2) for each manhole constructed within the limits of the street.

The annual charges shall commence on December 1, 1915.

All annual charges as above shall be paid into the Treasury of the City on February 1 of each year and shall be for the amount due December 31, next preceding. Provided that the first annual payment shall be only for that proportion of the first annual charge as the time between December 1, 1915, and December 31, 1915, shall bear to the whole of one year.

Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

**Third**—The annual charges or payments shall continue throughout the whole term of this contract (whether original or renewal), notwithstanding any clause in any statute or in the charter of any other company providing for payments for refrigerating right or franchises at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted (whether original or renewal), or of any part thereof, or of any part of the street herein mentioned, shall be valid or effectual for any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all conditions of this contract, and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said conditions as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter, and that it will not claim by reason thereof or otherwise exemption from liability to perform each and all of the conditions of this contract.

**Fourth**—Nothing in this contract shall be deemed to affect in any way the right of the City to grant to any individual, firm or other corporation a similar right or privilege upon the same or other terms and conditions, in the same street heretofore described.

**Fifth**—The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein, pass to or vest in any other person or corporation whatsoever, either by the act of the Company, or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger or corporations or otherwise, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents.

**Sixth**—Upon the termination of the original term of this contract, or if the same be renewed, then at the termination of the said renewal term, or upon the termination or forfeiture of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the conduits and appurtenances of the Company constructed pursuant to this contract within the street shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

If, however, at the termination of this contract as above, the Board shall so order by resolution, the Company shall, upon thirty (30) days' notice from the Board, remove any and all of its conduits and appurtenances constructed pursuant to this contract and the said street shall be restored to its original condition at the sole cost and expense of the Company.

**Seventh**—The grant of this privilege is subject to whatever right, title or interest the owners of abutting property or others may have in and to the street in which the Company is hereby authorized to operate.

**Eighth**—All construction which shall be made under this grant shall be done in a manner solely upon the terms and conditions hereafter to be imposed by the President of the Borough of Brooklyn and the Commissioner of Water Supply, Gas and Electricity, or their respective successors in authority. The said Company shall submit a working plan of construction to the said President and to the said Commissioner, which shall include and show in detail the method of construction of said conduits, connections, manholes and other appurtenances, and the mode of protection of all subsurface construction under the street in which the Company is hereby authorized to operate.

**Ninth**—Any alteration to the sewerage or drainage system, or to any other subsurface or to any surface structures in the street, required on account of the construction or operation of the conduits of the Company, shall be made at the sole cost of the Company, and in such manner as the proper City officials may prescribe.

**Tenth**—It is agreed that the right hereby granted shall not be in preference or in hindrance to public work of the City, and should the said conduits in any way interfere with the construction of public works in the street, whether the same is done by the City directly or by a contractor for the City, the Company shall, at its own expense, protect or move the conduits and appurtenances in the manner directed by the City officials having jurisdiction over such public work.

**Eleventh**—The Company shall bear the expense of keeping in repair for one year after it has been replaced, all pavement which may at any time be removed by said Company, either for the purpose of construction or for the repairing of the conduit line and its appurtenances.

**Twelfth**—The Company shall bear the expense of inspection which may be required by the President of the Borough of Brooklyn and the Commissioner of Water Supply, Gas and Electricity, and of all work of construction.

**Thirteenth**—The Company shall cause a test to be made of the pipes to be contained within the conduits hereby authorized whenever required by and under the supervision of the Commissioner of Water Supply, Gas and Electricity. The conditions of such test shall be as follows:

(a) If the test be made in the foundry where the pipes are manufactured, such pipes shall be subjected to a pressure of three hundred (300) pounds per square inch.

(b) If the test be made in the field, of pipes in use or ready for use, such pipes shall be subjected to a pressure of two hundred (200) pounds per square inch.

A certificate showing that such a test has been made without injury to the pipes shall be executed by an officer of the Company, and indorsed by the Commissioner of Water Supply, Gas and Electricity, and filed with the Board.

**Fourteenth**—The Company shall not charge consumers more than the following rates for cooling temperature:

Four (4) cents per month per cubic foot for boxes of not over 500 cubic feet, but less than 1,500 cubic feet.

One (1) cent per month per cubic foot for boxes of 1,500 cubic feet and over.

These rates to apply to boxes located not above the first floor of any building.

During the term of this contract the Board shall have absolute power to regulate the maximum rates for cooling and for freezing temperatures provided that such rates shall be reasonable and fair.

**Fifteenth**—The Company, upon the application for refrigeration of any person, firm or corporation whose premises are located on either side of Fort Greene Place between the northernly side of Atlantic Avenue and the southernly side of Hanson Place, shall extend its conduits to such premises and furnish to said applicant refrigeration at rates not exceeding those herein prescribed or hereafter fixed by the Board as herein provided. The Company shall not be required, however, to furnish refrigeration to applicants whose premises are located above the first floor of any building.

**Sixteenth**—A correct map shall be furnished to the Board by the Company on the first day of February, 1916, showing the exact location of all conduit lines and manholes constructed, with reference to the street lines, the curb lines and the street surface, together with a statement of the total length of such conduit. On the same date of each succeeding year, during the term of this contract, a supplementary map shall be furnished the Board showing all conduits laid during the preceding year.

**Seventeenth**—The conduit lines hereby authorized shall be used only by Conron Bros. Company, and for no other purpose than supplying refrigeration.

**Eighteenth**—The Company shall submit a report to the Board not later than February 1, in each year, for the year ending December 31, next preceding, and at any other time, upon the request of the Board, which shall state:

The Comptroller shall have access to all books of the Company for the purpose of ascertaining the correctness of its report, and may examine its officers under oath.

**Twentieth**—In case of any violation or breach or failure to comply with any of the provisions herein contained or with any orders of the Board acting under the powers herein reserved, the franchise or consent herein granted may be forfeited by a suit brought by the Corporation Counsel on notice of ten days to the Company, or at the option of the Board by resolution of said Board, which said resolution may contain a provision to the effect that the conduits constructed and in use by virtue of this contract shall thereupon become the property of the City without proceedings at law or in equity. Provided, however, that such action by the Board shall not be taken until the Board shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice to show cause why such resolution declaring the contract forfeited should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

**Twenty-first**—If the Company shall fail to give efficient public service at rates not exceeding those herein fixed, or fail to maintain its conduits and appurtenances as herein provided in good condition throughout the whole term of this contract, the Board may give notice to the Company specifying any default on the part of the Company, and requiring the Company to remedy the same within a reasonable time; and upon failure of the Company to remedy such default within a reasonable time, the Company shall, for each day thereafter during which the default or defect remains, pay to the City the sum of fifty dollars (\$50) as fixed or liquidated damages, or the Board, in case such conduits or appurtenances which may affect the surface of the street shall not be put in good condition within a reasonable time after notice by the Board as aforesaid, shall have the right to make all needed repairs at the expense of the Company, in which case the Company shall pay to the City the amount of the cost of such repairs, with legal interest thereon, all of which sums may be deducted from the fund hereinafter provided for.

**Twenty-second**—The Company shall assume all liability to persons or property by reason of the construction or operation of the conduits authorized by this contract, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company hereby agrees to repay to the City any damage which the City shall be compelled to pay by reason of any acts or default of the Company.

**Twenty-third**—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of the rights conferred hereby, shall deposit with the Comptroller of the City the sum of one thousand dollars (\$1,000), either in money or securities to be approved by him, which fund shall be security for the performance by the Company of all of the terms and conditions of this contract and compliance with all orders of the Board, acting under the powers herein reserved, especially

The procedure for the imposition and collection of the liquidated damages provided for in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President or other officer to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not be required to pay such liquidated damages in accordance with the foregoing provisions. If the Company fails to make an appearance, or after a hearing appears in the judgment of the Board to be in fault, said Board shall forthwith require the payment of said sums herein provided for, or where the damages are not liquidated by the terms of this contract such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw such amount from the security fund deposited with him. The finding of the Board as to the amount to be paid by the Company shall be final and can only be attacked on the ground of fraud or mistake. In case of any default made upon the security fund the Company shall, upon ten (10) days' notice in writing, pay to the City a sum sufficient to restore said security fund to the original amount of one thousand dollars (\$1,000), and in default thereof this contract shall be cancelled and annulled at the option of the Board, acting in behalf of the City. No action or proceeding or right under the provisions of this contract shall affect any other legal rights, remedies or causes of action belonging to the City.

These provisions for the recovery of such damages are in addition to the right to forfeit the franchise, conveyed by Section 2, subdivision Twentieth, of this contract.

**Twenty-fourth**—The words "notice" or "direction," wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City, delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

**Twenty-fifth**—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned shall be transferred by law to any other Board, authority, officer or officers, then and in such case such other Board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

**Sec. 3.** The Company promises, covenants and agrees on its part and behalf to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

#### NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The amount shall be as specified in the proposals or instructions to bidders and shall not be in excess of 5 per cent.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work reference must be made to the specifications, schedules, plans, etc., on file in the office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation of the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
