## THE COUNCIL OF THE CITY OF NEW YORK

Res. No. \_\_\_\_

CITYWIDE

20195397 BFY

Resolution, pursuant to Section 363 of the New York City Charter, authorizing the New York City Department of Transportation to grant a non-exclusive franchise for the provision of bus service between Manhattan and Staten Island.

By Council Member \_\_\_\_\_ (by request of the Mayor);

WHEREAS, by Executive Order 25, dated August 23, 1995, the Mayor designated the New York City Department of Transportation (DOT) as the responsible agency for the granting of franchises for bus lines; and

WHEREAS, pursuant to Section 363 of the New York City Charter, (Charter) the Commissioner of DOT (Commissioner) has made the initial determination of the need for a non-exclusive franchise for bus lines providing common carrier service to passengers along designated routes, between the boroughs of Staten Island and Manhattan (Bus Service) in the City of New York; and

WHEREAS, the Council has determined that the granting of such non-exclusive franchise will promote the public interest, and enhance the health, welfare and safety of the public and the City's transportation network; and

WHEREAS, it is necessary to provide for the preparation of a solicitation for such Bus Service, to conduct appropriate environmental review, to review proposals to provide Bus Service, and to make such technical evaluations as may be necessary to determine appropriate service levels, and fare structures;

NOW THEREFORE, BE IT RESOLVED,

That the Council hereby authorizes DOT to grant a non-exclusive franchise for bus lines providing common carrier service to passengers along designated routes, between the boroughs of Staten Island and Manhattan, in the City of New York provided that such non-exclusive franchise, shall be subject to the approval of the Franchise and Concession Review Committee (FCRC) and the separate and additional approval of the Mayor. The authorization to grant a non-exclusive

franchise, pursuant to this Resolution shall expire on the fifth anniversary of the date on which this Resolution is adopted by the City Council (Expiration Date). No franchise shall be granted, pursuant to this Resolution by DOT, nor approved by the FCRC or the Mayor, after the expiration date.

**AND BE IT FURTHER RESOLVED,**

**FIRST,** that there shall be one uniform maximum fare for the Bus Service. The appropriate maximum fare shall be included in the solicitation and the franchise agreement. With regard to the uniform maximum fare, DOT may request from the FCRC a modification to any franchise agreement authorized by this Resolution changing the uniform maximum fare. Any franchise agreement for Bus Service shall specify that upon the approval of the FCRC of any such proposed change, the franchise agreement shall be deemed to be modified to provide for the revised maximum fare;

**SECOND,** that prior to the granting of any such non-exclusive franchise, one or more Requests For Proposal ("RFP") shall be issued by DOT for each route or group of routes. DOT may group routes in such a way as to maximize potential efficiencies, increase competition, and/or increase revenue. Prior to issuing any such solicitation, environmental and land use review, if necessary, shall be conducted in accordance with City Environmental Quality Review and Section 197c of the Charter. Upon request of the City, a proposed franchisee shall, as a condition of receiving a franchise, assume the cost of, or reimburse the City for, the City's costs of any such environmental or land use review or shall provide for the conduct of such review itself, at its own cost;

**THIRD,** the franchisee operating service, pursuant to this Resolution may receive funding from the State of New York through the City or, if such funds are not available, may receive funding directly from the City;

**FOURTH,** the evaluation criteria to be used in assessing the responses to such RFPs shall be the following:

- (1) An assessment of the relative fitness of the respondents with regard to:
  - a. experience operating bus or other transportation services in New York City or other urban environments;
  - b. demonstrated ability in the management of bus or other transportation service, including, without limitation, satisfactory performance on:
    - i. service indicators (e.g., percentage of scheduled service actually operated, adherence to published schedules, interruptions to service resulting from mechanical failures, vehicle cleanliness, and handling of customer inquiries), and
    - ii. management indicators, (e.g., employee absentee rates, number of vehicular accidents, training programs, adherence to inspection, insurance, driver training, and safety requirements, and bus scheduling efficiency and effectiveness);
  - c. business integrity and financial soundness, including without limitation adequate access to sources of operating capital and the demonstrated ability to adequately maintain books and records;
- (2) the amount of franchise fee proposed and the amount of service proposed.

**FIFTH,** initial schedules need to be specified in the RFP only to the extent that the level of service must be specified for purposes of completing an environmental review, as appropriate;

**SIXTH,** that any non-exclusive franchise granted, pursuant to this Authorizing Resolution shall be by written agreement that shall without limitation, provide that:

- (1) the term of the franchise shall be fixed and shall be in accordance with the terms of the solicitation, pursuant to which it was issued. A franchise may contain a renewal clause, however, in no case shall the term of a franchise, including all renewal periods, exceed twenty-five (25) years;
- (2) the compensation, if any, to be paid to the City shall be fixed as a percentage of the gross revenues, cash or non-cash, derived by the franchisee from any source, in any manner, either directly or indirectly arising from or related to the operation of the Bus Service described in the franchise. Such compensation shall not be considered in any manner to be in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description which are now or may at any time hereafter be required to be paid, pursuant to any Local Law of the City or any law of the State of New York; or any law of the Federal government;
- (3) the maximum fare shall be the uniform maximum fare for such service set by DOT, as such may be from time to time amended by DOT upon request to and approval by the FCRC;

- (4) the franchisee may be required to maintain integrated or reduced fare programs, the requirements for which shall be contained in the appropriate solicitation documents and franchise agreement;
- (5) the franchise may be terminated or canceled by the Commissioner in the event of the franchisee's failure to comply with the material terms and conditions of the agreement;
- (6) there shall be remedies, including liquidated damages, to protect the City's interests in the event of the franchisee's failure to comply with the terms and conditions of the agreement;
- (7) a security fund or other appropriate method shall be established to insure the performance of the franchisee's obligations under the agreement;
- (8) the franchisee may permit or require advertising in the interior and/or exterior of buses; provided however, that advertising which is false or misleading, which promotes unlawful or illegal goods, services or activities, or which is otherwise unlawful, including but not limited to advertising that constitutes the public display of offensive sexual material in violation of Penal Law Section 245.11, shall be prohibited. In addition, advertising related to tobacco products and electronic cigarettes shall also be prohibited;
- (9) there shall be provisions regulating the technical specifications of bus equipment used to provide authorized Bus Service;
- (10) there shall be provisions to ensure adequate oversight and regulation of the franchisee by the City, including adherence to standards of performance and guidelines for service;
- (11) the City shall have the right at all times to inspect the facilities, service and equipment used by the franchisee and to order compliance with operational requirements and performance standards set forth in the agreement;
- (12) there shall be adequate insurance and indemnification requirements to protect the interests of the public and the City;
- (13) the franchisee shall be required to maintain complete and accurate books of account and records in compliance with any and all specific requirements for recordkeeping as shall be established by DOT. Such books and records shall be made available on demand to the City for inspection;
- (14) the franchisee shall be required to maintain an office in the City of New York;
- (15) there shall be provisions containing the agreements required, pursuant to Paragraph 6 of Subdivision (h) of Section 363 of the Charter relating to collective bargaining and other matters;
- (16) there shall be provisions requiring the franchisee to comply with applicable City laws, regulations and policies related to, but not limited to employment and investigation;
- (17) there shall be provisions requiring the franchisee to comply with all applicable Federal, State, and Local Laws whatsoever, including those relating to accessibility for persons with disabilities;
- (18) there shall be provisions to restrict the subcontracting, assignment or other transfer of the franchise or portions thereof, without the prior written consent of the City and provisions to restrict changes in control of the carrier without the prior written consent of the City;
- (19) the franchisee, with the exception of public transportation authorities, shall submit to the City's Procurement and Sourcing Solutions Portal (PASSPort) review;
- (20) the franchisee shall obtain all necessary authorizations, licenses, and/or permits from and comply with all applicable provisions of the New York State Vehicle and Traffic Law, and all applicable rules of the New York State Department of Motor Vehicles, the New York State Department of Transportation and any other governmental body having jurisdiction over bus operations;
- (21) the franchisee shall at all times maintain on file with DOT a complete, accurate, and current schedule of service, which will constitute an appendix to the agreement(s) and shall be fully part of the agreement(s);
- (22) for Bus Service, pursuant to this Authorizing Resolution, written notification shall be given to the Commissioner not less than thirty days prior to any modification of the weekly scheduled vehicle revenue miles or change to the span of service of any route, provided, however, that the Commissioner

may waive such notice requirement in the case of special events or other short-term contingencies where he/she deems it in the public interest to do so. Any changes in the number of weekly scheduled vehicle revenue miles on any route that exceed twenty-five percent (25%) or changes in the span of service of greater than four hours of any given route, either cumulatively within a three year period or singly, must receive the prior written approval of the Commissioner, a copy of which shall be sent to the FCRC;

- (23) there may be provisions for free reciprocal transfer privileges between routes operated by the franchisee and intersecting surface routes of the Metropolitan Transportation Authority New York City Transit ("MTA NYCT"), the Manhattan and Bronx Surface Transit Operating Authority ("MABSTOA"), and the MTA Bus Company (together "the Operators"), and in addition with the franchisee's own intersecting routes. To the extent that such reciprocal transfer privileges require the agreement of the Operators, the franchisee shall take all reasonable steps to obtain such agreement and DOT shall assist the franchisee in obtaining such agreement.

SEVENTH, the streets comprising the route over which franchised Bus Service will be provided shall be described in the RFP and included in the franchise agreement. All changes to the routes or those streets must receive the prior written approval of the Commissioner before such change may be implemented. Where such changes to that route or those streets, either cumulatively within a three year period or singly, represent twenty-five percent (25%) or less of the total mileage of the route, a copy of the Commissioner's approval shall be sent to the FCRC for its information; where such changes to that route or those streets, either cumulatively within a three year period or singly, represent more than twenty-five percent (25%) of the total mileage of the route the written approval of the Commissioner shall be submitted to the FCRC for its additional approval prior to the implementation thereof.

And be it further RESOLVED, that DOT shall file with the Council the following documents:

- (1) within fifteen (15) days of issuance, a copy of each RFP issued, pursuant to this Resolution;
- (2) within fifteen (15) days of approval by the Mayor, a copy of the agreement for any franchise granted, pursuant to this Resolution;

CITY PLANNING

MEETING

PUBLIC NOTICE OF A SCOPING MEETING
DRAFT ENVIRONMENTAL IMPACT STATEMENT
(CEQR No. 19DCP095K)

NOTICE IS HEREBY GIVEN that, pursuant to Section 5-07 of the
Rules of Procedure for Environmental Review (CEQR) AND 6 NYCRR
617.8 (State Environmental Quality Review), that the New York City
Department of City Planning, acting on behalf of the City Planning
Commission as CEQR lead agency, has determined that a draft
environmental impact statement is to be prepared for the proposed
actions related to the 960 Franklin Avenue Rezoning CEQR Number
19DCP095K. The SEQRA classification for this proposal is Type I.

A public scoping meeting has been scheduled. The public scoping
meeting will be held, on Tuesday, March 12, 2019, at the New York City
Department of City Planning, City Planning Commission Hearing
Room, 120 Broadway, Concourse Level, New York, NY 10271. The
meeting will begin at 1:00 P.M.

Written comments will be accepted by the lead agency through
Monday, March 25, 2019.

960 Franklin Avenue Rezoning

The Applicant, Franklin Avenue Acquisition LLC, is requesting a series
of discretionary approvals from the City Planning Commission. The
land use actions include: a zoning map amendment to change an R6A
district, to an R9D with a C2-4 commercial overlay; a zoning text
amendment to establish a Mandatory Inclusionary Housing (MIH)
area; a special permit for a Large Scale Residential Development
(LSRD); and a special permit for a reduction in required parking
spaces to facilitate the proposed development (the "Proposed Actions").

The area affected by the Proposed Actions consists of a portion of the
block bound by Montgomery Street, Franklin Avenue, Sullivan Place,
and Washington Avenue in the Crown Heights neighborhood of
Brooklyn Community District (CD) 9. The sites within the affected area,
are located on Block 1192 and include Lots 40, 41, 46, 63, and 66, the
"Development Site," as well as Lot 40 and part of Lots 1, 77, and 85, the
"Affected Area." The Proposed Actions would facilitate the development
of two buildings totaling 1,369,314 gross square feet (gsf). The first
proposed building would be a 39-story, 431-foot mixed-use building with
705,652 gsf of residential space or approximately 810 dwelling units
(DUs), approximately 9,641 gsf of local retail space. The second
proposed building would be a 39-story, approximately 434-foot mixed-
use building with 663,662 gsf of residential space or approximately 768
DUs, approximately 11,542 gsf of local retail space, and approximately
9,678 gsf of community facility space. In total, the Applicant's proposed
development would have approximately 1,578 residential units
including up to 789 affordable residences (of which 473 would be
affordable, pursuant to MIH), approximately 21,183 gsf of local retail
space, and approximately 9,678 gsf of community facility space.

Absent the Proposed Actions, an as-of-right residential development
would be constructed on the Development Site (lots 41, 46, 63 and 66)
in two phases, pursuant to the existing R6A zoning district, which
permits 3.0 FAR and a maximum base height of 60-feet (65-feet with a
qualifying ground floor) with a maximum building height of 70-feet
(75-feet with a qualifying ground floor). The development in the
no-action scenario would provide a total of approximately 414,607 gsf
of residential space with approximately 518 dwelling units.

The net change that would result from the Proposed Actions is an
addition of 1,060 dwelling units (848,418 gsf), 21,183 gsf of local retail
uses, 9,678 gsf of community facility uses, and a net decrease of
approximately 79 accessory parking spaces. The analysis year for the
proposed actions is 2024.

Copies of the Draft Scope of Work and the Environmental Assessment
Statement may be obtained from the Environmental Assessment and

Review Division, New York City Department of City Planning, 120 Broadway, 31st Floor, New York, NY 10271, Olga Abinader, Acting Director (212) 720-3493; or from the Mayor's Office of Environmental Coordination, 253 Broadway, 14th Floor, New York, NY 10007, Hilary Semel, Director (212) 676-3273. The Draft Scope of Work and scoping protocol will also be made available for download, at https://www1.nyc.gov/site/planning/applicants/scoping-documents.page.

Public comments are requested with respect to issues to be addressed in the draft environmental impact statement.

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator

may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)  
 Department for the Aging (DFTA)  
 Department of Consumer Affairs (DCA)  
 Department of Corrections (DOC)  
 Department of Health and Mental Hygiene (DOHMH)

HRA's Office of Evaluation and Research, is requesting authorization to enter into a negotiated acquisition on behalf of the Mayor's Office for Economic Opportunity, with Columbia University Teachers College for research on unconditional cash transfers to families with young children that could immensely benefit New York City. Contract Amount: \$500,000.00

NYC Opportunity, part of the Mayor's Office of Operations, wants to enter into a negotiated acquisition procurement with Columbia University Teachers College, to set aside \$500,000 in funding, to support a research conducted to study the impacts of unconditional cash allowance on the cognitive and emotional development of young children living in poverty. By contributing, we will have access to this research at a far lower cost than if were to create our own study, which would be very expensive and labor-intensive. ## AGENCY RULES

## CONFLICTS OF INTEREST BOARD

### ■ NOTICE

#### Notice of Adoption of Final Rules

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY CONFLICTS OF INTEREST BOARD** by Section 1043 of the City Charter and Section 3-907 of the New York City Administrative Code that the Conflicts of Interest Board has adopted Board Rules that create a procedure whereby agency heads may designate public servants to perform work on behalf of not-for-profit organizations and, with the approval of the Conflicts of Interest Board, participate in such organizations' business dealings with the City.

The proposed Rules were published in the *City Record* on December 18, 2018, and a public hearing was held on January 18, 2019. No testimony or comments were received. The Conflicts of Interest Board now adopts the following Rules.

#### STATEMENT OF BASIS AND PURPOSE

New York City Charter § 2604(b)(2) provides that “[n]o public servant shall engage in any business, transaction, or private employment, or have any financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his or her official duties.” The Charter Revision Commission, in commenting on this provision at the time it was under consideration, stated that it had

retained this “catch-all” prohibition in recognition of the fact that the specific prohibitions set forth in [Chapter 68] cannot address all conflict of interest situations which may arise in the future and that the [Conflicts of Interest] [B]oard must retain the flexibility to handle new situations as they arise.

Volume II, *Report of the New York City Charter Revision Commission*, December 1986 – November 1988, at 175.

In 1998, after numerous requests for advice and enforcement actions, the Board promulgated rules implementing Charter § 2604(b)(2), set forth in Board Rules § 1-13 (“Conduct Prohibited by City Charter § 2604(b)(2)”), identifying what sorts of activities would present a conflict with the proper discharge of a public servant's official duties. In its rules, the Board prohibits a public servant from “pursu[ing] personal and private activities during times when the public servant is required to perform services for the City” and from “us[ing] City letterhead, personnel, equipment, resources, or supplies for any non-City purpose.” Board Rules §§ 1-13(a) and (b). These rules prohibit any use of City time and City resources on activities for a public servant's private interests.

The Board's Rules currently permit City employees to engage in personal and private activities using City time and City resources, but

not letterhead, upon a written application by the agency head if the Board determines that the activity furthers the purposes and interests of the City. See Board Rules § 1-13(c). This provision exists because in some situations a public servant's private activities provide an incidental benefit to the City. See Notice of Adoption of Rule Identifying Certain Conduct Prohibited by Charter § 2604(b)(2), Statement of Basis and Purpose of Rule at 3; see also Advisory Opinion No. 2001-3 at 8-9 (noting “skills training and professional development, public esteem for the legal profession, attorney job satisfaction, and generally a more efficient use of legal resources” as benefits of *pro bono* work by government attorneys, an example of such outside activity).

In the time since the Board promulgated Board Rules § 1-13, many public servants have requested advice about holding positions with firms or engaging in activities which, while not personal and private activities as described above, are also not strictly speaking City work. For example, a public servant may be asked to sit on the board of a not-for-profit which promotes an issue relevant to the public servant's City work but in the course of that board service take on other responsibilities on behalf of the not-for-profit. Or a public servant could be asked by her supervisor to accept offers to sit on a professional association committee to advocate for adoption of policies which the public servant's City agency believes are beneficial. Another example is the public servant who may be asked to provide analysis and support to a not-for-profit as part of that not-for-profit's advocacy on issues related to the City's policy goals. In each of these situations, an agency has determined that the activity is in the City's interest and is also part of the public servant's City job.

However, a public servant's use of City time and City resources to work on behalf of the not-for-profit would be prohibited by Board Rules §§ 1-13(a) and 1-13(b), which forbid public servants from using City time or City resources for the work of these non-City entities. Under current rules, the mechanism made available by § 1-13(c) would not apply because the proposed involvement in a not-for-profit's activities are not the “personal and private” activities of the public servant, but rather the work of the public servant's City agency.

These inquiries have arisen with more frequency because, in recent years, City agencies have increasingly made use of and relied upon not-for-profit entities to implement policies and projects that serve the City and its residents. Public servants often serve as staff or board members of these not-for-profit entities or provide other kinds of technical, fundraising, or logistical services to the not-for-profits. In the course of this work, public servants' use of City time and their City titles, staff, and/or resources, as well as some of their involvement with the City business of these not-for-profits, implicate several provisions of Chapter 68.

Many of these not-for-profits have business dealings with the City, as defined in Charter § 2601(8) (including “any transaction with the city involving the sale, purchase, rental, disposition or exchange of any goods, services, or property, any license, permit, grant or benefit, and any performance of or litigation with respect to any of the foregoing, but shall not include any transaction involving a public servant's residence or any ministerial matter”). Examples of such business dealings include, but are not limited to, the following scenarios: contracting with the City to provide services related to a City program; selling training and educational materials to City agencies for use by public servants; applying for and receiving funds from City agencies; applying for permits from City agencies; and leasing space from the City. Some of the public servants working with these entities might have duties involving such business dealings, and a mechanism should be available to address these situations.

This rule amendment, a new Subdivision (e) of § 1-13, provides a means for a public servant, at the direction of his or her agency head, to use City time and City resources in support of a not-for-profit entity that, among its other purposes, serves a City purpose as part of his or her City agency responsibilities.

First, where a public servant will not be involved in the not-for-profit's business dealings with the City, if any, an agency head may designate, in writing, a public servant to do such work and must publicly disclose such written designation to the Board. There is a limited exception, initially articulated in Advisory Opinion 2009-2, permitting City Council Members to sponsor and vote on discretionary funding for not-for-profits when their involvement with those not-for-profits is part of their official duties. See Advisory Opinion No. 2009-2 at 10-12; see also Advisory Opinion No. 1999-1 at 4 and Advisory Opinion No. 1992-22 at 2 (advising that elected officials do not need a waiver to serve on a not-for-profit board where such board service is part of the elected official's official duties but are still required to disclose pursuant to Charter § 2604(b)(1)(a)).

Second, where a public servant wishes to be involved in the not-for-profit's business dealings with the City, a public servant's agency head must submit a request for Board approval for that public servant's involvement, in a manner similar to the waiver process of Charter § 2604(e). Such Board approval, like a waiver, will be a public document. These public Board documents will be similar to the ones issued pursuant to Board Rules § 1-13(c), whereby the Board approves,

upon application by the agency head, an individual public servant's use of City time and City resources for a specific personal and private activity that furthers the purposes and interests of the City.

In either a designation pursuant to Board Rules § 1-13(e)(1) or an application for Board approval pursuant to Board Rules § 1-13(e)(2), an agency head will be required to state that there is a demonstrated nexus between the proposed work on behalf of a not-for-profit, the public servant's City job, and the mission of the public servant's agency; and that such work furthers the agency's mission and is not undertaken primarily for the benefit or interests of the not-for-profit. Board Rules § 1-13(e)(3) defines who may submit designations and requests in a manner similar to the waiver provisions of Charter § 2604(e), with the exception of elected officials who, in light of their unique roles and positions in City government, may designate or approve themselves and members of their staff. See Advisory Opinion No. 1999-1 (advising that elected officials may designate in writing members of their staff to serve on a not-for-profit board where such board service is part of the elected official's and the staff member's official duties). Because the definition of "elected official" in Charter § 2601(10) does not include district attorneys, Board Rules § 1-13(e)(3) specifically identifies district attorneys as having the same role and responsibility under this rule as other City elected officials. For the purposes of this rule, members of an elected official's staff include the staff employed in the District Office of a City Council Member.

**Text of the Adopted Rule**

New material is underlined.

Section 1. Subdivision (e) of Section 1-13 of Chapter 1 of Title 53 of the Rules of the City of New York is re-lettered as subdivision (f) and a new Subdivision (e) is added to read as follows:

**§ 1-13. Conduct Prohibited by City Charter § 2604(b)(2).**

\* \* \*

(e) (1) An agency head may designate a public servant to perform work on behalf of a not-for-profit corporation, association, or other such entity that operates on a not-for-profit basis, including serving as a board member or other position with fiduciary responsibilities provided that:

(a) there is a demonstrated nexus between the proposed activity, the public servant's City job, and the mission of the public servant's agency; and such work furthers the agency's mission and is not undertaken primarily for the benefit or interests of the not-for-profit;

(b) the designated public servant takes no part in the entity's business dealings with the City at the entity or at his or her agency, except that Council Members may sponsor and vote on discretionary funding for the entity; and

(c) within 30 days the written designation is disclosed to the Conflicts of Interest Board and will be posted on the Board's website.

(2) A public servant designated in accordance with Paragraph (1) of this subdivision may take part in such entity's business dealings with the City at the entity and/or at his or her agency if, after written approval of the agency head, the Board determines that there is a demonstrated nexus between the proposed participation, the public servant's City job, and the mission of the public servant's agency; and that such participation furthers the agency's mission and is not undertaken primarily for the benefit or interests of the not-for-profit entity.

(3) The designation made pursuant to Paragraph (1) and approval made pursuant to Paragraph (2) of this subdivision must be by the head of the agency served by the public servant, or by a deputy mayor if the public servant is an agency head. A public servant who is an elected official, including a district attorney, is the agency head for the public servants employed by the official's agency or office. A public servant who is an elected official, including a district attorney, may provide the designation, pursuant to Paragraph (1) and the agency head approval, pursuant to Paragraph (2) for him or herself.

**Name, Description and Location of Proposal:**

**960 Franklin Avenue Rezoning**

The Applicant, Franklin Avenue Acquisition LLC, is requesting a series of discretionary approvals from the City Planning Commission. The land use actions include: a zoning map amendment to change an R6A district to an R9D with a C2-4 commercial overlay; a zoning text amendment to establish a Mandatory Inclusionary Housing (MIH) area; a special permit for a Large Scale Residential Development (LSRD); and a special permit for a reduction in required parking spaces to facilitate the proposed development (the "Proposed Actions").

The area affected by the Proposed Actions consists of a portion of the block bound by Montgomery Street, Franklin Avenue, Sullivan Place, and Washington Avenue in the Crown Heights neighborhood of Brooklyn Community District (CD) 9. The sites within the affected area are located on Block 1192 and include Lots 40, 41, 46, 63, and 66, the "Development Site," as well as Lot 40 and part of Lots 1, 77, and 85, the "Affected Area." The Proposed Actions would facilitate the development of two buildings totaling 1,369,314 gross square feet (gsf). The first proposed building would be a 39-story, 431-foot mixed-use building with 705,652 gsf of residential space or approximately 810 dwelling units (DUs), approximately 9,641 gsf of local retail space. The second proposed building would be a 39-story, approximately 434-foot mixed-use building with 663,662 gsf of residential space or approximately 768 DUs, approximately 11,542 gsf of local retail space, and approximately 9,678 gsf of community facility space. In total, the Applicant's proposed development would have approximately 1,578 residential units including up to 789 affordable residences (of which 473 would be affordable, pursuant to MIH), approximately 21,183 gsf of local retail space, and approximately 9,678 gsf of community facility space.

Absent the Proposed Actions, an as-of-right residential development would be constructed on the Development Site (lots 41, 46, 63 and 66) in two phases, pursuant to the existing R6A zoning district, which permits 3.0 FAR and a maximum base height of 60-feet (65-feet with a qualifying ground floor) with a maximum building height of 70-feet (75-feet with a qualifying ground floor). The development in the no-action scenario would provide a total of approximately 414,607 gsf of residential space with approximately 518 dwelling units.

The net change that would result from the Proposed Actions is an addition of 1,060 dwelling units (848,418 gsf), 21,183 gsf of local retail

uses, 9,678 gsf of community facility uses, and a net decrease of approximately 79 accessory parking spaces. The analysis year for the proposed actions is 2024.

**Statement of Significant Effect:**

**NOTE:**

- As of February 9, 2018, the Bio-Diesel Blender Tax Credit was retroactively reinstated for calendar year 2017. Should the tax credit be further extended, contractors will resume deducting the tax credit as a separate line item on invoices.
- Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
- The National Oilheat Research Alliance (NORA) resumed operations in 2014. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. NORA has been authorized through February 2019. All other terms and conditions remain unchanged.
- DCAS has registered contract #20181202926/3887214 for Renewable Hydrocarbon Diesel Demonstration Project. The following NYC agencies are authorized to participate: DCAS, DOT, DPR, DSNY, DEP. However, other agencies may participate with prior DCAS' approval.

**REMINDER FOR ALL AGENCIES:**

**DUE TO THE INTERRUPTIBLE PERIOD CURRENTLY IN EFFECT, ALL AGENCIES ARE REMINDED TO TOP OFF THEIR TANKS.**

In anticipation of the upcoming winter season, please ensure your fuel purchase orders are in place and your respective agency tops off their *interruptible* and fuel tanks on a continuous basis.

Please send inspection copy of receiving report for all gasoline (E70, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

■ NOTICE

**THE CITY OF NEW YORK - OFFICE OF MANAGEMENT AND BUDGET  
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (CD/CDBG)  
NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS**

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:  
This document constitutes the Notice of Intent to Request Release of Funds for the programs identified below, which are funded in the Forty-Fourth Community Development Year (CD 44/Calendar Year 2018/Federal Fiscal Year 2018). On February 19, 2019, the City will submit to HUD its Request for Release of Funds for these projects. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I CDBG Programs, the City has determined the activities conducted under these programs to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. The programs do not involve new construction or the expansion of a building's footprint. This notice is prepared on a programmatic basis. Specific reviews will be conducted as sites are identified for CD funding. This notice is not related to the CDBG - Disaster Recovery Program.

Accessibility Improvements in City Schools

CD funds will be used by the Department of Education to provide accessibility improvements in City schools in order to increase the percentage of schools that are fully or substantially accessible. Proposed improvements are geared towards making schools accessible to the general public, which will provide greater ease of ingress/egress for students, parents, employees, and community members. Activities may include, but are not limited to, providing and installing accessible entrances (e.g., entrance doors, ramp installation and upgrades, extension of ramp handrails, automatic door openers, accessible door handles/bevels, compliant door hardware, doorbells to within reach range at entrances); widening doorways; installing room labels with Braille; removal of projecting items; installing lifts and ramps over changes of elevations in corridors; adjusting reach ranges for water fountains, Automated External Defibrillators (AED), and fire extinguishers; installing elevators or accessible chair lifts; and providing accessible seating and path of travel in auditoriums. CD 44/2018 Allocation: \$66,500,000.

Day Care Center Environmental Health Improvements

As part of a larger effort to strengthen birth-to-five care and education, the City is shifting management of its contracted day care program, known as EarlyLearn, from the Administration for Children's Services to the Department of Education (DOE). As part of this shift, DOE will use CD funds to re-evaluate and address environmental health conditions at 81 City-Owned or -leased EarlyLearn sites. CD 44/2018 Allocation: \$5,000,000.

PUBLIC COMMENTS

Environmental Review Records (ERR) that document the environmental review of the projects have been made by the City of New York. These ERRs are on file and copies may be obtained at the Office of Management and Budget, Community Development Unit, 255 Greenwich Street, 8th Floor, New York, NY 10007, between 10:00 A.M. and 5:00 P.M., Monday through Friday. Please call (212) 788-6130 to make an appointment to view or obtain a copy of the documents or to request that a pdf be emailed to you. Any individual, group or agency may submit written comments on the ERRs for the programs identified above. All comments received by February 15, 2019 will be considered prior to the submission of a request for release of funds. Please direct written comments to John Leonard, Assistant Director, Office of Management and Budget, 255 Greenwich Street, 8th Floor, New York, NY 10007.

OBJECTIONS TO RELEASE OF FUNDS

The City of New York will undertake the projects described above with CD funds from HUD, under Title I. The City of New York is certifying to HUD that the City and Assistant Director John Leonard, in his official capacity as the Certifying Officer for the CD Program, consent to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under the National Environmental Policy Act of 1969 and related laws and authorities and allows the City of New York to use CD program funds. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: a) That the certification was not in fact executed by the City of New York's Certifying Officer; b) the City of New York has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58, c) the City of New York or other participants in the development process have committed funds, incurred costs, or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD, or d) another Federal agency acting, pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD, Office of Community Planning and Development, 26 Federal Plaza, 35th Floor, New York, NY 10278. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after March 6, 2019, will be considered by HUD.
