BOARD OF ESTIMATE AND APPORTIONMENT.

EXTRACT FROM

MERCERO BOART IN ESTIMATE AND APPROPRIATEST, CITY IN NEW YORK, MARKET 19. 1900

Umma Ratherny Company of New York City.

By resolutions adopted by the Board Mesember 18, 1908, and approved by the Magor December 21, 1908, the Union Railway Company of New York City was granted frambings in construct, maintain and operate two double crack extensions to its existing sirrer mriay, radiusy in the Revends of the Brons, as follows

(a) Reginning and converting with the existing double track road of the company in Third syeme, at the intersection of said syeme with Pelloun avenue, and running thence concerly upon and along said Pellous avenue to the Southern boulevard.

(b) From the existing tracks of the company at the intersection of Sodgwick avenue and Fortham road Borough of The Broav, upon and a oug Fortham road, Hampden place and West One Hundred and Engine fourth street, be the approach to the University Heights Bridge, upon, along and over and University Heights Bridge and its approaches, to West Two Hindred and Seyroth sitest, through at Man-Battan, to Amsterdam (or Tenth) as inco. to fametion arrest, to Broadway, there exisnecting with the oxisting railway.

At the meeting of March 5, 1900, a manufaction was received from the Charl Engineer, tracomitting report from the Division of Franching traction with avopout resolution for adoption, buying for in purpose the interpretation of the compensation clauses in the contracts governing said francisies and consideration of the matter was presipened for two weeks.

The following was offered:

Wherever, This Board did, on December 19, 1908, ad at recolutions granting from chises to the Union Railway Company of New York City, to construct, maintain and operate two double track extensions to its axisting stress on-law milway, as follows:

First-Dom the intersection of the existing tracks at Sergoesk accome and Fordbain read, Borough of The Brook, up a and along Fordbain word. Hampdon place. West One Huntrel and Englis frontly street and the University Height-Bridge, in the Burough of Maulintins in West Two Hundred and Neventh treet, to Americalan (or Teeth) arease to Emerica steps and competing with the evinting tracks on Renadivos ;

Second-Regioning at and enumering with the existing ilumine track road of the company in Third avenue, in the interpretion of said avenue with Pelbani avenue, and running thence, exsterly, in upon part along out Pelliam account to the Southern booleyard, Borough or The Brony,

which resolutions more approved to the Mayor Percentury 25, 1908, and

Whereas, Said resolutions provided that, before such grains should become of feative, the company and the City should execute contracts as no forth in and resoluhun smoth

Whereas, Section 2, third, at both amothers provides for the payment by the company to the City of versus compensation for such grams; and

Whereas, Chapter 340 of the Laws of 1992 obligates the Union Hallway Company to pay to The City of New York certain percentages of gross receipts from passengers; and

Whereas, it was not the integran of this Boom to require the payment of any additional sum as compensation for such grants success such sums as specifically out furth in said contracts, may therefore be it

Resolved. That the Mayor of The Utv of New York be and by is hereby authoritied to execute and delives an agreement in the name and on inhall of the City, as follows,

This agreement made this day of 1909, between The Chyof New York, parts of the time part by the Mayor of said Pity, setting for and in the name of the said City, under and in pursuance of the authority of the Board of Estimare and Apportionment of said City, and the Union Radway Company of New York City, party of the second part.

Whereas. The Board of Estimans and Apportionment of The City of New York had by two seriain resolutions obsoled by the Hourd of Colomate and Apportionment December 18, 1908, and approved by the Mayor December 21, 1908, authorized the construction, maintenance and operation of two extensions of branches of the road of the Union Railway Company of New York City, the liest upon and along Polliam avenue from Third avenue to Southern budevant in the Busangh of The Brons, for a longth of twenty-nine hundred (2,900) feet, and the avound from the extension of Sodgwick avenue and Fordham road about West One Hondred and Righty-fourth street, University Heights Bridge, Two Handred and Seventh areast and Emerson street for a length of four thousand six hundred and fifty (4,650) feet, and approved forms of contract for execution by the parties for such rights or franchises; and

Whereas. The Union Railway Company is obligated to now to The City of New York percentages on gross receipts from passengers at varying rates under the provisions of chapter 340 of the Laws of 1892, received on lines constructed and operated prior in December 21, 1908, and proposes to accept the contracts authorized by said resolutions adopted by the Board of Estimate and Apportionment on December 18. 1908, and approved by the Mayor December 21, 1908, provided the obligation to pay percentages proposed by taid act, chapter 340 of the Laws of 1892, is not and shall at he claimed by the City as applicable therein

Now, in consideration of one dollar to each party paid by the other and of the

covenants contained in said contracts, it is agreed:

That the resolutions and contracts requiring the payment of annual charges by the Union Railway Company, its successors and assigns, to The City of New York, for the right or franchise granted by each of said resolutions and the contracts executed in pursuance thereof do not and shall not require, nor shall The City of New York demand or require the payment by the said company, its successors or assigns, of a percentage of gross receipts under the provisions of chapter 340 of Laws of 1992 on the gross receipts earned on each of such extensions.

This instrument is undertaken and executed by the parties hereto solely for the purpose of making clear their mutual understanding as to the terms and conditions regarding payment of the annual charges contained in the aforesaid contracts authorized by said resolutions adopted by the Board of Estimate and Apportionment on Describer 16, 1906, and approved by the Mayor December 21, 1908, and is not immeded to modify or change said contracts in any particular.

In witness whereof, the party of the firm part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apparticument of said City, has caused the corporate name of said City to be hereinto signed and the corporate seal of said City to be hereumo affixed; and the party of the second part, by its officers thereunta duly authorized, has caused its surporate turne to be herounto signed and its corporate seal to be hereunto affixed, the day and year first above written.

NEARLY P. Lawre, United Brushouse, Which was ordered and

Europ Russens Conveny of New York City.

In the reason of the frambles granted to the Poion Railway Commany of New York City to mentioner, manually and conjusts a stress surface radiway extension on Pellians avenue, from Third avenue to use Southern Louisyand, Revengle of The Brons.

The Secretary presented the following:

Boxes of Estation and Apprehensively, Digition of Franchists, Roof 801, No. 277 Broadway, March 11, 1969

Mr. Nalson P. Lewis, a high Trigoner.

Six-The common however the City of New York and the Union Radiway Company of New York City for the construction of a street surface radiway extension on Pelham avenue, from Third avenue to the Southern boolevard, which was resemble by the Mayor Morth 1, 1909, provides an ention 2, and, thereof, as follows:

The consont of writing of the construction and operation of soil callway shall be obtained by the company within its manifes of the agency of this common by the Mayor, and a copy of such consens shall be filled with the Reard within such time.

Under date of February 27, 1909 the autorous for the above tomed company filed with the Board certified copies of the consents of abstitute property awares for the construction of the above described extension. Here are englishing parcels of property abutting on the proposed course, the total assessed valuation of which for 1909 is \$2,166,160, maintain in this amount, its treat assessed valuation of which for 1909 is \$2,166,160, maintain or the proposed course, the total assessed valuation of which for 1909 is \$2,166,160, maintain or the proposed course to the same required under the above quoted provisions of the contract we \$1,000,000. Consents have been obtained by the company covering thirty right of the aburding percels beyong a total valuation of \$1,308,400. It would therefore, appear that the provisions of Section 2, first of the contract had been compiled with

Section 2, ninth, of the contract arounder as follows:

Section 2, rotath, of the contract arounder as follows:

"The company shall commence construction of the railway herein authorized within all mainteeneds and shall complete the construction and place the property owners are obtained * and shall complete the computerion and place the same in full operation within six months from the date of obtaining such consents. * "

The consents filed with the Board were altained by the company during a period extending from December 2, 1902, to December 22, 1908.

Inastruction of the comments were all obtained prior to the execution of the contract by the Mayor is would seem that the proper interpretation of the last quoted clause would be that the company shall considered the contract of the signing of the contract.

Personnel failb.

Re-p-I fully. Appeared and transmitted to the Board of Refinere and Apportenment.

NEGAGE P. LAWIS, Chief Engineers Which was ordered filed,

South Shore Traction Company,

In the matter of the petition of the South Shore Traction Company for a franchise to construct, ordinate and operate a street surface railway from the Manhattan end of the Queensboro Bridge, over and across said bridge and its approaches and thence via Thomson avenue, Hoffman bouleyard and various other streets through the former Village of Jamaica to the line between the Counties of Queens and Nassau.

At the meeting of February 26, 1909, a report was received from the Select Committee recommending that the franchise be granted on certain terms and conditions, and, by resolution duly adopted, the terms and combitions proposed were tentatively

approved and the matter was referred to the Corporation Counsel.

The Secretary presented the following:

CITY OF NEW YORK, LAW DEPARTMENT, OFFICE OF THE COMPORATION COUNSEL, March 6, 1909.

Board of Estimate and Apportionment:

Board of Estimate and Apportionnest:

GENTIFICES—I have received from you the following communication dated February 30, 1909, signed by Juseph Hang, Secretary:

'I transmit herewith certified copy of resolution this day adopted by the Board of Estimate and Apportionnest, tentatively approving the terms and conditions in the proposed form of contract submitted with the report, dated January 30, 1909, from the Engineer in charge of the Division of Franchises to the Chief Engineer, for the grant of a franchise to the South Shore Traction Company to construct, maintain and operate a street surface railway from the Manhattan end of the Queensboro Bridge, upon, along and over said bridge and its approaches, to the Borough of Queens, and upon and along various streets and avenues to Central avenue, at the boundary line between the Counties of Nassau and Queens.

"You will note you are requested to approve the proposed contract as to form, and to incorporate therein such matter as you may deem advisable to fully protect the interests of the City.

The City.

"Inclosed herewith is a copy of the report of the Engineer in charge of the Division of Franchises to the Chief Engineer, hereinbefore mentioned."

I hereby approve as to form the proposed form of contract as contained in the report of the Division of Franchises of January 30, 1909.

Respectfully yours, GEORGE L. STERLING, Acting Corporation Counsel.

Rarour No. F-95.

DOARD OF ESTIMATE AND APPEARINGMENT, OFFICE OF THE CRIEF ENDINGE, March 15, 1909.

Hon. Games B. McClercon, Mayor, Chairman of the Board of Estimate and Apportioument:

Sig.—At the meeting of the Board held on February 26 that tentative approval was given to a proposed form of contract granting to the South Shore Traction Company the right to construct and operate a stood surface railway from the Manhattan end of the Queenshore Bridge over the sand bridge, and along Thomson avenue. Buffman budevard and other streets to the line between Novem and Queens Counties, and the proposed form of contract was at the same time referred to the Corporation Counsel for his approval as to form. This approval too been given by the Corporation Counsel in a communication addressed to the flourd on March 6, as that the matter is now properly before the Board for action.

When this contract was arrespeally drawn the New York and Observe County.

Respectfully,

NELSON P. LEWIS, Chief Engineer,

Board of Estimate and Appendionment, Division of Franchises, Room 801, No. 277 Broadway, March 15, 1909.

Mr. Nations P. Lawis, Chief Engineer:

Mr. Nations P. Lewis, Comp Engineer:

Sin - At a meeting of the Board of Essimate and Apportisoment hold February 26, 1909, the contract for the proposed gram to the South Shore Traction Company for the right to construct, maintain and operate a street surface railway from the Manifestan and of the Queensboro Bridge over and across said bridge, thence via Thomson avenue and Hoffman hondevard and various other streets through the former Village of January to the line between the Counties of Queens and Nassau, was tentatively approved by the Board and referred to the Corporation Counsel for his approval as to form

The Corporation Counsel, in a communication of March 6, has duly approved the same as to form, and the matter is now properly before the Board for action.

When this contract was originally drawn, the New York and Queens County Railway Company had two petitions before the Board, covering practically the same route as far as the Village of Jamaica and including operation on the bridge. Contracts were at that time, June 12, prepared for each of the rights applied for, one of which for the operation of cars upon the bridge by the Queens County Company gave the privilege of operating a sounds service from one end of the bridge to the other for a single fare, not exceeding three cents or five cents for the round trip.

On the other hand, the contract to the South Shore Company probabiled such should service and did not permit of the operation of cars upon the bridge until at least one mile of track at the easterly end of the bridge should be completed and in operation.

The Queens County Company, however, has shown no interest in the matter of its applications since the report was presented, and, in consequence, no progress has

Under date of March 4, I addressed a communication to Mr. Alfred A. Gardner, of counsel for the New York and Queens County Railway Company, in which I re-

quested to be advised us to the company's minution in prosecuting its application for the right to cross the Queensboro Bridge, but to date no reply whatsurver has been

there is contract to operate upon with some company for the right to operate upon the bridge the arrectors will be finished and no traction facilities will be provided for. To overcome this difficulty. I have conferred with representatives of the South Shore Traction Company, and they have agreed in limitall a local bridge service as some as practicable after the operating of the bridge, and in operate a shuttle service for a single fare of 3 cents, two teckets for 5 cents.

As a further guarantee that the construction of the railway upon Thomson agenuated Matterian honlevard will be prosecuted with exercises difference, they have agreed

and Huffman honleyard will be procedured with greatest difference, they have agreed to deposit with the Comparabler the sum of thirty thousand dollars in each or securities that such portion of the railway will be completed and in operation within two years from the obtaining of the property owners' consents and unless as completed the said sum will be forfeited to the City; otherwise the amount is to be returned. This sum, with the forty thousand dollars originally provided for, makes a total of seventy thousand dollars originally provided for, makes a total of seventy thousand dollars in easily of securities which must be put up by the company within mosty days of the signing of the contract.

I would there are a more as for the

I would therefore suggest that the contract as previously approved by the Board be amended by requiring the operation of local bridge care as such as the bridge is opered to traffic, and as a further guarantee for the completion of a railway on Thomson avenue and Hoffman bouldvard an additional security fund of thirty thousand dollars be required. These amendments are summitted horewith.

Personant to the provisions of law, the form of contract most be entered on the minutes of the Board for a period of theiry days and a date fixed for a pathle horeboard and I would suggest Friday. April 23; the Mayor to be requested to designate two newspapers in which the form of contract will be advertised.

Respectfully.

Respectfully, HARRY P. NICHOLS, language in Unitgo.

Crry or New York -Law Dreamarn, A. Orrica or the Courses, The Course Ares Courses, March 18, 1999.

Board of Lammate and Appelloament

Size I have received from you the following communication dured March 12 1989, algorithy Harry P. Nichels, Engineer in Charge of Division of Franchises;

"Under state of March is, you forwarded to the Board your approved of the proposed form of contract for the grant to the S and Share Traction Company of a street surface railway from the Manhartan end of the Queenslave Relige, upon and along said bridge and its approaches, to the Borough of Queens, and thence upon Thomson avenue and the Holfman horievers and other species through the formar Village of Janusica to the line between the Country of Queens, and Nessan, all a contained in the report of this Division of January 30, 1920.

Since the time this was submitted in you by the Buard one or two or the contained.

Since the time this was submitted in you by the Board, one or two one done have arisen, which may or may not affect the proposed form of course. The are is in regard to local bridge traffic, but, you will note, there is no provision made in the contract for such traffic at a fare of three (3) cents or a round trip for five (5) cents, but righer that section 3, Fourth, on page 25 of the riport, practically probable still.

Railway Company, to which it was proposed to grant this right for the local bridge service, has failed up to the present time to enter into any negotiations for the obtaining of this right, and it may appear desirable to the Board to grant the privilege to the South Shore Company a order that local service on the bridge may be mangurated as soon as the bridge is openuch

the South Share Company at order that local service on the bridge may be insegurated as soon as the bridge is opened.

"I have, therefore, prepared a paragraph to be inserted in place of the above mentioned paragraph, to wit, section 3, Fourth, and also an amendment of the fare claust, being section 4, Frith, on the 28th page, providing for a fare not exceeding three (3) cents upon the bridge, two tickets to be sold for five (5) cents.

"Second—Themson syenue and the Hoffman boulevard form the only direct line between the former Long Island City and the former Village of Jamaica, and in consequence any company receiving the right for a street surface railway on this route will be in a position to accelerate or retard the growth of all the intervening territory. As there are at present three applicants for the right on this route, it has occurred to the lift a more severe possity for non-infallment of the terms and conditions of the contract should be inserted in the contract to any company which will account a franchise. In accordance therewith I have prepared an additional paragraph to be inserted after section 4. Sisteration in page II, and to be known as 17th, the 17th, 18th and 19th paragraphs of the present contract to be renumbered. The object of the additional paragraph is to compel the deposit of the additional sum of thirty thousand dollars (\$30,000) as a guarantee that seven miles in street surface railway will be constructed on Thomson assume that seven miles in street surface railway will be constructed on Thomson assume and the Hoffman boulevari within two years of the date when the consents of the property owners are obtained, this same to be in addition in the initial payment of twenty housand dollars (\$20,000), as originally provided, and this latter sum of themy thousand dollars (\$30,000) to be leed only until the roste as completed between the points manned, when it is to be returned to the company, or, in case the company fails to build within the time limit, then it is in he torfeited to the

that if the Board shall grapt more than one tranchise to construct tracks on this street, then the deposit shall be returned.

"Three proposed amendments are enclosed herewith, and I should be glad to have your approval of the same as to form, in case the Brand may decide to use them. As the matter will be placed upon the calendar on Toesday next your early reply will be appreciated.

I have carefully examined the proposed alterations and amendments and while they, in general, have my approval, there are certain changes I think should be made. The changes I suggest will, I think, remove any doubt as to the power of the Bridge Commissioner over the proposed local bridge service, and will enable him to discontinue the operation of local bridge cars where, in his opinion, the other traffic is adequate to accommodate the local service.

I have also altered the paragraph relating to the fare to be charged for such local service inasmich as in the form proposed it was not clear that tickets at the lower rate enable be used on the other cars of the company operated over the bridge.

The proposed contract with the South Shore Traction Company as already approved by me will have my approval as to form it amended in the following respects. Alternative paragraph to be inserted in place of section 3, Fourth:

The company shall furnish and supply a sufficient number of cars therein called local bridge cars) and commence the operation of same as soon as practicable after this contract is signed by the Mayor, and continue to operate the same during the term of this contract back and forth upon the bridge between the Bridge Plaza, in the Borough of Queens, and the Bridge Approach, in the Borough of Manhattan, with such frequency as in pravide reasonable accommodations for the traveling public, the operation of such local bridge cars shall be discontinued for such period as designated by the Commissioner of Bridges, Between the first and second sentences of paragraph 5, section 4, insert the following:

The rate of fare upon th

The rate of fare upon the local bridge cars, or the through cars of the company, entitling a passenger to ride once across the bridge shall not exceed three cents, and the company shall at all times have tickets on sale, one of which shall entitle a passenger to ride across said bridge and the company shall sell such tickets at the rate of not exceeding three cents for one and five cents for two.

As a new section, to follow section 4, Sixteenth, on page 31, insert the following:

Seventeenth—The company within three (3) months after the signing of this contract by the Mayor, and before anything is done in exercise of the rights conferred hereby, exclusive of the rights conferred upon the Queensborn Bridge and approaches thereto, shall deposit with the Compiroller of the City a further sum of thirty thousand dollars (\$30,000), either in money or securities to be approved by him, which said further sum shall be returned to the company upon condition that

the company shall have completed the construction of a double track street surface railway from Jackson avenue, at the Queenshoro Plaza, and the intersection of Hoffman boulevard with Pierson street, and put the same in operation within eighteen (18) months from the date upon which the consents of the property owners are obtained, necessary for the lawful construction of such railway, or from the date upon which the decision of the Appellate Division of the Supreme Court that such railway ought to be constructed is rendered in lieu of such consents.

For the purpose of facilitating the work of the company in constructing and puring to operation, said section of its railway, it is forcely consented that the company may construct its remporary overlead crossings on Thompson avenue within the lines of said avenue.

of said avenue

pany may construct its temporary needlead crossings on Photopoon accuse within the lines of said agenue. If each railway shall be constructed and put in operation at any time within such period, a certificate stating that such railway has been constructed and put in operation shall be prepared by the President of the company, and delivered to the Board, and the Board shall immediately thereafter verify the correction of such statement as correct, or it is deeme in the immercer, return said certificate to the company, specifying in writing the respects in which it deems such statement to be incorrect. If such automora is found by the Board to be correct, or is thereafter proven to be correct, the Rard shall therempon adopt a resolution differential the Compte lief to return to the company to and out of thirty thousand debar (\$30,000). Unless such a certificate to delivered to the Board by the company, and the company to be correct, then such some of insets board by correct, or proven by the rempany to be correct, then such some of flowered to the Board by the company, and the company to be correct, then such some of flowered to the Board of the company, and the company to be correct, then such some of flowered to the Board of the important of the company to be correct, then such some of flower proven to the time specified to and hereine the property of the City. If at any time perform of the line described in this clause for the company to the correct sold to reupen by readment and perform of the Board shall to reupen by readment and perform of the Board shall to reupen by readment and perform of the Board shall to reupen by readment and correct on page 31 and 32 to be remaindered evaluations.

Parameter of the City of New York return the said sum of charge that the Company.

Parameter of evaluations. Inscream and provides.

Proposed Resolution.

Resident, This Series A, teacher to the Section 4 and Section 4 exteenth, of the furnity of commercial the grain of a franchise to the Seath Shore Traction Company, no constant in the region, dated January, 90 1909, from the office of the Chief Engineer, which was presented in the Residual to the new low of following \$ 1009, be and they are berein amended in accordance with the recommendations positional in the report the cap reserved from the office of the Chief Engineer, and be a further.

E. accords memorial to the provisions of paragraph to of Rule XII. and writing finish the maximalism of the minimum for the work for which their accords were remarted.

On maxim, it was

On merion, it was Residently That with the approval of the Mayor and the State Civil Service Commission, the Payer W Parenne of No. 605 West One Hamires] and Thirty-scenth steet, Borough of Manharen, he and he hereby is recorded from examination, in accordance with the accessions of paragraph 0 of Rule XII. to render expert service for a period of one cont in the Marropalitan Sewerage Commission as Bacteriologue and Insector, provided inocessor, thus his compensation shall not exceed the mm of \$2,100

On motion, if was Roudvell, That, with the spectreal of the Marcor and the State Civil Service Commission. At William B. Fuller, C. F., be used to hereby is excepted from examination in accordance with the necessary of pringraph 6 of Rule XII, to render expert service as a Civil Engineer in the Matropolitan Sewarage Commission, for a period of one year; provided, however, that his total compensation shall not exceed the sum of four thousand distance (\$4,000).

A commission was presented from the Commissioner of Licenses, dated February 5, requesting authority to employ Herman Kora, of No. 1673 Second avenue, as an Interpreter whenever his services might be required, at a compensation of \$5 a day, during a period not to exceed five works.

a day, during a period not to exceed five works.

On motion, it was

Resolved, That Herman Kurz, of No. 1673 Second against the and he hereby is excepted from examination in accordance with the provisions of paragraph 6 of Rule XII. In he employed from time to tune during a period of five weeks as an interpreter (Yaddish Hungarian, German and Polish) in the office of the Commissioner of Lacussus, at a compensation of \$5 a day while employed.

A letter was presented from the Board of Water Singoly, dated January 20, requesting authority in appoint Dr. Ernst J. Lederle, of No. 471 West One Hundred and Forty-third street, as Expert Sanitary Engineer, with compensation at the rate of \$10,000 par annum, pursuant in the provisions of paragraph 6 of Rule XII., and setting forth the necessity for the services of an expert to advise on and prepare and supervise all matters relating to the sanitary protection of localities where the work of the Board of Water Supply was in progress. On motion, it was

Resolved, That, with the approval of the Mayor and the State Civil Service Commission, Dr. Ernst J. Lederle, of No. 471 West One Hundred and Forty-third street. New York City, be and he bereby is excepted from examination, in accordance with the provisions of paragraph to of Rule XII. of the Municipal Civil Service Rules, to render expert service in the Board of Water Supply as Sanitary Engineer, for a period of one year; provided, however, that his compensation shall not exceed the sum of ten thousand dollars (\$10,000).

A letter was presented from the Board of Water Supply, dated January 20,

A letter was presented from the Board of Water Supply, dated January 20, requesting authority to continue the services of the following named experts during the year 1000, at a compensation not to exceed the amounts set forth opposite their

George W. Fuller, Expert on Filtration.
Allen Hazen, Expert on Filtration.
Arthur West, Expert Mechanical Engineer
James F. Kemp, Expert Geologist.
Charles W. Leavitt, Jr., Expert Landscape Engineer
W. O. Croeby, Expert Geologist.
Charles P. Berkey, Expert Geologist. 3,000 00 5,000 00

The Secretary stated that the resolutions adopted by the Commission originally excepting the said persons from examination, in accurdance with paragraph 6 of Rule XII, to render expert service in the Board of Water Supply, had provided, with but one exception (Professor W. O. Crosby), that their compensation should not exceed the amount specified "in any one year," and that as the Commission's resolutions had been approved in that form by both the Mayor and the State Civil Service Commission, it did not seem to be necessary to seame their consent again to continue the services of the experts during 1909; that in the case of Professor Crossly, however, a resolution had been adopted October 14, 1906, excepting him from examination in accurdance with paragraph 6 of Rule XII., to serve as an Expert Geologist in the Board of Water Supply "for an additional year, beginning February 27, 1908," and thus his term of employment, therefore, would expire on February 27, 1909. On motion, the Secretary was directed to authorize the Board of Water Supply to continue the services of Messes Fuller, Hazen, West, Kemp, Leavitt and

Herkey during the year 1900 in accordance with the terms of the resolutions authorizing their original apparatment, and, on resolute, it was Resolved, That, in accordance with the provisions of puragraph it at Rule XII. Prof. W. O Credo he and he brieby is excepted from examination to serve at an Expert Geologist in the Beard of Water Smooly for an additional year, beginning beforeary 27, 1909; and he is further Resolved. That, with the approval of the Mayor and the State Civil Service Commission, the limitation of compensation by waterd and a new compensation for such service fixed at an amount not to exceed the thousand dollars (\$5,000).

On motion, the appointment of William Hinty, of Cornwall, N. Y. as Minning Shaff Bross, with salary at the rate of \$5 a day, was approved, in accordance with the provisions of paragraph 7 of Rule XII.

A letter was presented from the Board of Water Supply, dated February 5, requesting permission to employ Charles J. Cooper, of Babylon, L. I., as a Clerk of the second grade, pending the establishment of the eligible list for that position. The request was granted, and the Secretary was directed to summon Mr. Cooper of Rule XII.

Jof Rule XII.

A communication was presented from the Deputy Commissioner of Water Supply. Gas and Electricity, dated February 3, requesting authority to continue the services of Miss Edizabeth Rinn, Temporary Clerk, for a period of thirty days, beginning February 3, in order that the might complete the work on which she had been engaged. The request was granted, but the Secretary was directed to state that it was positively the last extension that would be allowed.

A latter was presented from Deputy Comparoller McCoory, dated February 8, requesting authority to continue the services of Edward II. Holiart as a Chauffeur until such time as his compensation should have reached the sum of \$750. The Secretary stated that Mr. Holiart had been excepted from examination by the Commission in accordance with paragraph 6 of Rule XII., to render expert service in the Department of Finance for a temporary period, provided that his total compensation should not examine \$300. On motion, the request was granted.

A communication was presented from the Comptroller, dated February 9, nominating awanty persons for non-competitive examination to qualify them for employment in the capacity of Inspector of Supplies and Repairs, pending the preparation of an eligible list for that position, in accordance with paragraph 3 of Rule XII. The request was denied, and the Secretary was directed to certify from the nearest appropriate eligible list.

A letter was presented from the Check to the Board of Coroners, Borough of Manfastan, dated February 4, remassing approval of the emergency appointment of John J. Haggerty as Clerk, for a period of twenty-four days, to fill the vacanty cansol by the transfer or Charles burns, an Assistant Clerk in that office, to the position of Attendant in the City Coart. The Secretary stated that Mr. Haggerty's appointment for a period of attendant days had been allowed by the Lorentz-tion at a previous mostling. In view of the explanation contained in the letter of the Chief Cherk, the employment for an additional period of time days was approved.

A letter was presented from the Deputy and Acting Commissioner of Bridges, dated February S, represente approval of the reassignment of Lone Roland, Watchman employed in that Department. It appearing from the doctor's certificate furnished, that the absolute of the read employee from December 31, 1908 had been due to illness, the reassignment was approved.

nished, that the absence of the said employee from December 31, 1908, had been due to illness, the reassignment was approved.

On motion, is was

COMMISSIONERS OF ACCOUNTS.

REPORT FOR THE YEAR ENDING DECEMBER 31, 1908.

Office of the Commissioners of Argumuts, Stewart Building, 280 Broadway. New York, February 27, 1909.

Hon. GLORGE B McCLELLAN, Mayor, and the Homorable Recard of Aldermon of The City of New York:

Sere-Section 195 of the Charter reads as follows:

day of December, and shall be examined in the month of Japuary in each year by the commissioners of accounts. Such commissioners shall examine the accounts and

vouchers of all moneys received into and paid out of the city tressury during the year ending on the last day of December next preceding such examination, and shall certify and report to the mayor and board of aldermen in the following mouth of February the amount of moneys received into the treasury during such year, the amount of moneys paid out during the same period by virtue of warrants drawn on the treasury by the comptroller, the amount of moneys received by the chamber-lain who shall be in office at the time of such examination, if he entered upon the execution of his duties since the last preceding report; the halance in the treasury on the last day of December preceding such examination, he amount of moneys herrowed for or on the credit of the city during such year, and the amount of the bonds of the city issued during such year, with the purposes for which and the authority under which such bonds were issued. Such commissioners shall also compare the warrants drawn by the comptroller on the treasury during the year ending on the last day of December preceding such examination, with the several laws and ordinances under which the same shall purport to have been drawn, and shall in like manner certify and report whether the comptroller had power to draw such warrants; and if any shall be found which, in their organion, he had no power to draw, they shall specify the same in their report, with their reasons for such opinion."

The great volume of detail comprehended in an examination and comparison of the vouchers and warrants issued and paid in the course of the calendar year, it sought to be completed in the month of January following, as prescribed, would require the concentration of a much larger force of assistants than could be spared for this work at one time, willout seriously affecting other examinations and investigations. In practice, therefore, the examination provided for in the above quited section of the Charter is continuous throughout the year, eight Accountants and Clerks being assigne

Clerks being assigned thereto.

Certification.

The Commissioners of Accounts hereby certily that they have complied with the law as quoted above, having examined all warrants paid in the year 1908, together with the supporting vouchers thereof; that in their opinion the Comptroller was duly authorized by the several laws and ordinances to draw the warrants examined, and none was found which was improperly drawn. They have also examined the accounts of the Lity Chamberlain for the year 1908 as to maneys received into and paid out of the City Transary.

Corporate Stock and Honds were issued during the year 1908 as follows:
 Revenue Bonds
 \$127,911,000 00

 Corporate Stock
 69,418,359 20

 Special Revenue Bonds
 8,991,990 00

 Assessment Bonds
 3,922,500 00

 General Fund Bonds
 14,500,000 00

\$224,743,849 20

Exhibit A shows the Corporate Stock and Bonds issued during 1908, the purposes for which and the authority under which same were issued.

The following summary shows amounts received and paid out floring the year 1909 by the Chamberlain, together with the balances at the beginning and close of the year, as required by the law before quoted:

On leand January 1, 1908. City Treasury Accounts Receipts during the year	\$7,532,777 81 368,696,333 79
Payments during the year	\$376,219,111 60 3\$2,281,652 88

It should be stated here that the annual examination provided for by law to be made by the Commissioners of Accounts under section 195 of the Charter, in its results is merely an audit of the Chamberlain's receipts and disbursements, verifying the each balances in the books at the beginning and close of the extendar year and certifying to the amount of Corporate Stock and Bonds issued.

Nowhere in the Charter is it provided that an examination and report be made, either by the Commissioners of Accounts or any other agency, which should comprehend the City's income and expense accounts.

In our report covering the same 1907 is this connection where the desired and the law of the same 1907 is this counter of the law of the same 1907 in this counter is the law of the law of

In our report covering the year 1907 in this connection we made the following

"If the City's accounts were upon an moonto be is and all the assets and liabilities were set up on the books, it would be teasible to propore at stated periods a proper balance sheet and an income and expense account which would oxhibit, respectively:

"'A," the City's true financial condition, and 'B," all the income and expenditure during the period following the date of the next preceding balance sheet and accounting for the changes occurring in the City's surplus or defect in the autronabiliance sheet, as compared with that appearing on the previous one.

"The importance of such statements as a confer of information by which such statements would be arrived at, necessarily involving the use of controlling accounts over the City's business than is at present possible under the years of bookkkeeping which obtains, at the same time rendering it practicable for the proper officials to satisfy the modes that the City was received with a present cannot be occumplished with a great fahor.

fabor.

"To prepare statements as outlined above from the present records would involve an immense amount of work and would necessitate the taking of inventories
of all the City's assets and liabilities of every description, and this, of course, is not
within the scope of our duties."

We understand that under the direction of the Compitaller's Committee on Revision of Accounts and Methods a new assem of accounting is in course of installation in the various departments and offices of the City which will ultimately serve to render possible the desired end as cutlined above.

Respectfully submitted,

IOHN PURROY MITCHEL. E. Y. GALLAHER. Commissioners of Accounts.

\$27,780,375 42

The Committee on Botanical Garden Shelter recommended that the designs sub-mitted by Hop. Joseph 1 Berry, Commissioner of Parks for the Borough of The Bronx, be approved.

On motion the following resolution was adopted:

Certificate 835.

Resolved, That the Art Commission hereby approves the designs and location of a shelter in the Botanical Garden, represented by Exhibits "392-A." "392-B" and "392-C," of record in this matter; and that the action of the Commission be certified, with return of duplicates of exhibits herein noted, to Hon. Joseph I. Berry, Commissioner of Parks for the Borough of The Bronx.

The Committee was thereupon discharged.

Sulmission 877.

The Committee on Eighth Precinct Police Station recommended that the designs submitted by Hon. Thendore A. Bingham, Police Commissioner, be approved. A motion to adopt this report was lost.

On motion, the following resolution was adopted:

Certificate 836.

Resolved, That the Art Commission hereby disapproves the designs for the Eightla Precinct Police Station, represented by Eightlits "330-K," "250-L," "350-M," "350-N," "350-O" and "350-P," of record in this matter, and that the action of the Commission by certified, with return of daplicates of exhibits herein noted, to Hun. Theodore A. Hingham, Police Commissioner.

The Committee was thereupon discharged.

Submission 878.

The Committee on Greeley Statute Inscription resummented that the designs (for the alteration of a work of art) submitted by Ham Henry Smith Commissions of Parks for the Boroughs of Manbattan and Richmond, be approved, with the recommendation that the lettering be either archored, incised or infaid.

On mintion, the following resolution was adopted:

Certificate 837

Resolved, That the Art Countission hereby approves the designs for the inscriptions to be placed on the Greeky statue, represented by Exhibits "382-D." "382-E." "382-F." "382-F." "382-F." and "312-F." of record in this matter; and flat the action of the Commission be certified, with return of duplicates of exhibits become noted, to Floridary Smith. Commissioner of Parks for the Boroughs of Manhattan and Richmond. On motion, the Assistant Secretary was directed to transmit a copy of the report of the Commissioner Smith for his information.

The Committee was thereupon directarged.

Submission 279

The Committee on Chebra Park Comfore Station recommended that the designs submitted by Bon. Heavy Smith, Commissioner of Parks for the Burningto of Manhattan and Richmond, he approved.

On motion, the following resolution was adopted:

Certificate 838

Resolved, That the Art Commission berely approves, but as preliminary drawings only, the designs for a sledler and confort stations to be placed in Uhelsen Park, represented by Exhibits 1393-A," 1393-R." "393-C" and "393-B," of record in this matter, and that the action of the Commission be certified, with return of duplicates of exhibits herein noted, to Hon. Henry Smith, Commissioner of Parks for the Borongles of Manhattan and Richmond.

On motion, the Assistant Secretary was directed to notify Commissioner Smith that when working drawings have been prepared, they should be submitted to the Commission for final approval, as the foregoing resolution is only preliminary action thereon.

The Committee was thereupon discharged.

Submission 800.

The Committee on Lincoln Statue Tables recommended that the designs (of a new work of art) submitted by Hon Henry Smith, Commissioner of Parks for the Boroughs of Manhattan and Richmond, be approved.

On motion, the following resolution was adopted:

Certificate 839.

Resolved. That the Art Commission hereby approves the design for a bronze tablet to be placed in the pode-stal of the Lincoln status in Union square, represented by Exhibits "394-A." "394-B." "394-C" and "394-D." of record in this matter, and that the action of the Commission be certified, with return of duplicates of exhibits herein noted, to Hon. Henry Smith, Commissioner of Parks for the Boroughs of Manhattan and Richmond.

The Committee was theroupon discharged.

Submission 881.

The Acting President presented a submission for a change in the design of the front elevation of the William Street Fire Station, which had been approved by the Commission on May 12, 1908, solumited by Mr. Alexander Stevens, Superintendent of Buildings for the Fire Department.

On motion, the submission was immediately considered and the following resolution

Resolved, That the Art Commission hereby approves the modified design for the frant elevation of the William Street Fire Station, represented by Exhibits "335-F" and "335-G," of record in this matter; and that the action of the Commission be certified, with return of duplicates of exhibits herein noted, to Hon. Nicholas J. Hayes, Fire Commissioner.

Submission 882.

The Acting President presented a submission from Mr. Joseph S. Auerbach, requesting permission to have a copy made of the portrait of ex-Mayor Philip Hone, hanging in the Mayor's office.

On motion, the submission was immediately considered and the following resolu-

Certificate 841.

Resolved, That the Art Commission hereby gives permission to Mr. Joseph S. Auerbach to have ex-Mayor Philip Hone's portrait copied, as provided in Exhibit "395-A." of record in this matter, but such copy must be made without taking the portrait from the City Hall; and that the action of the Commission be certified, with return of duplicate of exhibit herein nated, to Mr. Joseph S. Auerbach.

The Acting President presented a communication from Hon James W. Stevenson, Commissioner of Bridges, stating that the railings on the foot walks and on the lower floors and the ornamental work on the four towers of the Blackwells Island Bridge lad licen completed and requesting a certificate to the effect that the same had been executed in substantial accordance with the designs approved by the Commission, pursuant to rhapter 675 of the Laws of 1907, as follows:

"The final payment shall not become due or payable under this contract unless and until the Art Commission shall certify that the design for the work ferein contracted for has been approved by the said Commission, and that the same has been ageoused in substantial accordance with the design so approved."

On motion, the Secretary was authorized to it sue the following certificate:

The Art Commission having caused an inspection to be made of the unamental work on the four towers, and the railings of the foot walks and of the lower floors of the Blackwells Island Bridge, HERFLBY CERTIFIES that the designs for this work were duly approved to the Art Commission on November 10, 1903, September 18, 1906, and March 12, 1907, respectively, and that the same has been executed in substantial accordance with the designs so approved and represented by Exhibits "61 R." "61-T."

"61-X" and "61-AR." of record in this matter.

The following Committees reported progress:

Committee on Restoration of Governor's Room.

Committee on Restoration of Governor's Room.

Committee on Quarters and Staff.
